OFFICE OF THE SECRETARY

Re Rule Making Petition # 4-483

Dear Mr. Katz  
I am writing in behalf of my wife,  
my children, and myself who are all  
stockholders of the Ohio-Lent Co (OAR  
on the American Stock Exchange)

I feel that plan of management  
to go private is to the detriment of all  
the other stockholders. A veil of privacy  
will descend on the Company

I am not questioning the letter  
of the law, but the SEC should be protecting  
all stockholders not a privileged  
few. This is the time when the public interest  
will be greatly served by amending or changing  
unfair law.  
Yours truly,  
John Rosenthal
