**Applicants’ Representations:**

1. The Company, a Maryland corporation, is an externally managed, non-diversified, closed-end management investment company that has elected to be regulated as a business development company (“BDC”) under the Act.\(^1\) The Company’s investment objective is to generate both current income and capital appreciation through debt and equity investments. The Adviser, a Delaware limited liability company, is the investment adviser to the Company. The Adviser is registered under the Investment Advisers Act of 1940.

---

\(^1\) Section 2(a)(48) defines a BDC to be any closed-end investment company that operates for the purpose of making investments in securities described in section 55(a)(1) through 55(a)(3) of the Act and makes available significant managerial assistance with respect to the issuers of such securities.
2. Ares SBIC, a Delaware limited partnership, received approval for a license from the Small Business Administration (“SBA”) to operate as a small business investment company (“SBIC”) under the Small Business Investment Act of 1958 (“SBIA”). Ares SBIC is excluded from the definition of investment company by section 3(c)(7) of the Act. The General Partner is the sole general partner of Ares SBIC and the Company is the sole member of the General Partner. The Company is the sole limited partner of Ares SBIC. The Company, directly or indirectly through the General Partner, wholly owns Ares SBIC.

Applicants’ Legal Analysis:

1. The Company requests an exemption pursuant to section 6(c) of the Act from the provisions of sections 18(a) and 61(a) of the Act to permit it to adhere to a modified asset coverage requirement with respect to any direct or indirect wholly-owned subsidiary of the Company that is licensed by the SBA to operate under the SBIA as an SBIC and relies on section 3(c)(7) for an exemption from the definition of “investment company” under the Act (each, an “SBIC Subsidiary”). Applicants state that companies operating under the SBIA, such as the SBIC Subsidiary, are subject to the SBA’s substantial regulation of permissible leverage in their capital structure.

2. Section 18(a) of the Act prohibits a registered closed-end investment company from issuing any class of senior security or selling any such security of which it is the issuer unless the company complies with the asset coverage requirements set forth in that section. Section 61(a) of the Act makes section 18 applicable to BDCs, with certain modifications. Section 18(k) exempts an investment company operating as an

SBIC from the asset coverage requirements for senior securities representing indebtedness that are contained in section 18(a)(1)(A) and (B).

3. Applicants state that the Company may be required to comply with the asset coverage requirements of section 18(a) (as modified by section 61(a)) on a consolidated basis because the Company may be deemed to be an indirect issuer of any class of senior security issued by Ares SBIC or another SBIC Subsidiary. Applicants state that applying section 18(a) (as modified by section 61(a)) on a consolidated basis generally would require that the Company treat as its own all assets and any liabilities held directly either by itself, by Ares SBIC, or by another SBIC Subsidiary. Accordingly, the Company requests an order under section 6(c) of the Act exempting the Company from the provisions of section 18(a) (as modified by section 61(a)), such that senior securities issued by each SBIC Subsidiary that would be excluded from its individual asset coverage ratio by section 18(k) if it were itself a BDC would also be excluded from the Company’s consolidated asset coverage ratio.

4. Section 6(c) of the Act, in relevant part, permits the Commission to exempt any transaction or class of transactions from any provision of the Act if and to the extent that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants state that the requested relief satisfies the section 6(c) standard. Applicants contend that, because the SBIC Subsidiary would be entitled to rely on section 18(k) if it were a BDC, there is no policy reason to deny the benefit of that exemption to the Company.
Applicants’ Condition:

Applicants agree that any order granting the requested relief will be subject to the following condition:

The Company will not itself issue or sell any senior security and the Company will not cause or permit Ares SBIC or any other SBIC Subsidiary to issue or sell any senior security of which the Company, Ares SBIC or any other SBIC Subsidiary is the issuer except to the extent permitted by section 18 (as modified for BDCs by section 61(a)); provided that, immediately after the issuance or sale of any such senior security by any of the Company, Ares SBIC or any other SBIC Subsidiary, the Company, individually and on a consolidated basis, shall have the asset coverage required by section 18(a) (as modified by section 61(a)). In determining whether the Company, Ares SBIC and any other SBIC Subsidiary on a consolidated basis have the asset coverage required by section 18(a) (as modified by section 61(a)), any senior securities representing indebtedness of Ares SBIC or another SBIC Subsidiary if that SBIC Subsidiary has issued indebtedness that is held or guaranteed by the SBA shall not be considered senior
securities and, for purposes of the definition of “asset coverage” in section 18(h), shall be treated as indebtedness not represented by senior securities.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.
