The order permits applicants to enter into and materially amend subadvisory agreements without shareholder approval and also grants relief from certain disclosure requirements.

On December 27, 2017, a notice of the filing of the application was issued (Investment Company Act Release No. 32956). The notice gave interested persons an opportunity to request a hearing and stated that an order granting the application would be issued unless a hearing was ordered. No request for a hearing has been filed, and the Commission has not ordered a hearing.

The matter has been considered and it is found, on the basis of the information set forth in the application, as amended, that granting the requested exemption is appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

Accordingly,

IT IS ORDERED, under section 6(c) of the Act, that the relief requested by the Applicants (File No. 812-14749) is granted, effective immediately, subject to the conditions contained in the application, as amended.

For the Commission, by the Division of Investment Management, under delegated authority.

Eduardo A. Aleman

Assistant Secretary
