Applicants' Representations:

1. Calamos Hunt Fund is a Delaware statutory trust and is a diversified, closed-end management investment company operated as an interval fund and registered under the Act. Calamos Hunt Fund's investment objective is to produce current income with a secondary objective of capital appreciation. The board of directors ("Board") of the Calamos Hunt Fund has five members, four of whom not an "interested person" of the Calamos Hunt Fund within the meaning of Section 2(a)(19) of the Act (the "Independent Trustees").<sup>1</sup>

---

<sup>1</sup> The term "Independent Trustees" refers to the independent directors, managers, or trustees of any Regulated Entity (defined below).

2. Calamos Advisors serves as the investment advisor to the Existing Regulated Entity. Calamos Advisors is registered as an investment advisor under the Investment Advisers Act of 1940 (“Advisers Act”).

3. HCM is a Delaware limited liability company that is registered as an investment adviser under the Advisers Act. HCM serves as the sub-advisor to the Existing Regulated Entity. Calamos Advisors is not an affiliated person (as defined in Section 2(a)(3) of the Act) of HCM.

4. Applicants seek an order (“Order”) to permit a Regulated Entity<sup>2</sup> and one or more other Regulated Entities and one or more Affiliated Funds<sup>3</sup> to (a) participate in the same investment opportunities through a proposed co-investment program where such participation would otherwise be prohibited under section 17 of the Act; and (b) make additional investments in securities of such issuers (“Follow-On Investments”), including through the exercise of warrants, conversion privileges, and other rights to purchase securities of the issuers. “Co-Investment Transaction”

---

<sup>2</sup> “Regulated Entity” means the Existing Regulated Entity and any Future Regulated Entity. “Future Regulated Entity” means any closed-end management investment company formed in the future that is (a) registered under the Act, (b) whose investment advisor is a Calamos Affiliated Advisor, (c) whose investment sub-advisor is a Hunt Affiliated Advisor, and (d) that intends to participate in the co-investment program described in the Application. The term “Calamos Affiliated Advisor” means (a) Calamos Advisors and (b) any future investment advisor that is controlled by or under common control with Calamos Advisors and is registered as an investment advisor under the Advisers Act. The term “Hunt Affiliated Advisor” means HCM, any investment advisor controlled by HCM or any future investment advisor that (i) is controlled by HCM, (ii) is registered as an investment advisor under the Advisers Act, and (iii) is not a Regulated Entity or a subsidiary of a Regulated Entity. The term “Advisor” means (a) any Calamos Affiliated Advisor or (b) any Hunt Affiliated Advisor; provided that a Hunt Affiliated Advisor serving as a sub-advisor to an Affiliated Fund (defined below) is included in this term only if (i) the investment advisor is also a Hunt Affiliated Advisor and (ii) such Advisor controls the entity. Applicants state that the Calamos Affiliated Advisors will only be subject to Conditions 2(c)(iv), 12 and 13 of the application.

<sup>3</sup> “Affiliated Fund” means any Future Affiliated Fund or any Hunt Proprietary Account. “Future Affiliated Fund” means any investment fund that would be an “investment company” but for Section 3(c)(1), 3(c)(5)(C) or 3(c)(7) of the Act, is formed in the future, and whose investment advisor (and any sub-advisor, if any) is a Hunt Affiliated Advisor. No Affiliated Fund is or will be a subsidiary of a Regulated Entity. “Hunt Proprietary Account” means HCM in a principal capacity, and any direct or indirect, wholly-owned subsidiary of HCM that, from time to time, invests in and holds, in a principal capacity, financial assets of the type and nature pursued by the Calamos Hunt Fund.

means any transaction in which a Regulated Entity (or its Wholly-Owned Investment Subsidiary, as defined below) participated together with one or more other Regulated Entities and/or Affiliated Funds in reliance on the requested Order. “Potential Co-Investment Transaction” means any investment opportunity in which a Regulated Entity (or its Wholly-Owned Investment Subsidiaries) could not participate together with one or more other Regulated Entities and/or one or more Affiliated Funds without obtaining and relying on the Order.<sup>4</sup>

5. Applicants state that Calamos Advisors has delegated responsibility for the co-investment program to HCM and cannot cause the Calamos Hunt Fund or any Affiliated Fund to enter into a Potential Co-Investment Transaction. Applicants further state that (a) HCM has sole responsibility for causing a Regulated Entity to enter into a Potential Co-Investment Transaction and (b) a Hunt Affiliated Advisor is responsible for ensuring that the Regulated Entities and any Affiliated Funds comply with the conditions of the application, subject to oversight of the applicable Board.

6. Applicants state that a Regulated Entity may, from time to time, form one or more Wholly-Owned Investment Subsidiaries.<sup>5</sup> Such a subsidiary would be prohibited from investing in

---

<sup>4</sup> All existing entities that currently intend to rely upon the requested Order have been named as applicants. Any other existing or future entity that subsequently relies on the Order will comply with the terms and conditions of the application. No Regulated Entity or Affiliated Fund that relies on this Order will rely on any other order of the Commission authorizing Co-Investment Transactions pursuant to section 17(d) and 57(i) of the 1940 Act and no entity that relies on another such order of the Commission will rely on this Order.

<sup>5</sup> The term “Wholly-Owned Investment Subsidiary” means an entity: (a) that is wholly-owned by a Regulated Entity (with such Regulated Entity at all times holding, beneficially and of record, 100% of the voting and economic interests); (b) whose sole business purpose is to hold one or more investments on behalf of such Regulated Entity; (c) with respect to which the board of directors of such Regulated Entity has the sole authority to make all determinations with respect to the entity’s participation under the conditions of the application; and (d) that would be an investment company but for section 3(c)(1) or 3(c)(7) of the Act. All subsidiaries participating in Co-Investment Transactions will be Wholly-Owned Investment Subsidiaries and will have Objectives and Strategies (as defined below) that are either the same as, or a subset of, their parent Regulated Entity’s Objectives and Strategies.

a Co-Investment Transaction with any other Regulated Entity or Affiliated Fund because it would be a company controlled by its parent Regulated Entity for purposes of rule 17d-1. Applicants request that each Wholly-Owned Investment Subsidiary be permitted to participate in Co-Investment Transactions in lieu of its parent Regulated Entity and that the Wholly-Owned Investment Subsidiary's participation in any such transaction be treated, for purposes of the Order, as though the parent Regulated Entity were participating directly. Applicants represent that this treatment is justified because a Wholly-Owned Investment Subsidiary would have no purpose other than serving as a holding vehicle for the Regulated Entity's investments and, therefore, no conflicts of interest could arise between the Regulated Entity and the Wholly-Owned Investment Subsidiary. The Regulated Entity's Board would make all relevant determinations under the conditions with regard to a Wholly-Owned Investment Subsidiary's participation in a Co-Investment Transaction, and the Regulated Entity's Board would be informed of, and take into consideration, any proposed use of a Wholly-Owned Investment Subsidiary in the Regulated Entity's place. If the Regulated Entity proposes to participate in the same Co-Investment Transaction with any of its Wholly-Owned Investment Subsidiaries, the Board will also be informed of, and take into consideration, the relative participation of the Regulated Entity and the Wholly-Owned Investment Subsidiary.

7. When considering Potential Co-Investment Transactions for any Regulated Entity, the relevant Advisor will consider only the Objectives and Strategies,<sup>6</sup> investment policies, investment positions, capital available for investment, and other pertinent factors applicable to that Regulated Entity. The Advisors expect that any portfolio company that is an appropriate investment

---

<sup>6</sup> The term "Objectives and Strategies" means a Regulated Entity's investment objectives and strategies as described in the Regulated Entity's registration statement on Form N-2, other filings the Regulated Entity has made with the Commission under the Securities Act of 1933 (the "Securities Act") or the Securities Exchange Act of 1934, and the Regulated Entity's reports to shareholders.

for a Regulated Entity should also be an appropriate investment for one or more other Regulated Entities and/or one or more Affiliated Funds, with certain exceptions based on available capital or diversification.<sup>7</sup>

8. Other than pro rata dispositions and Follow-On Investments as provided in conditions 7 and 8, and after making the determinations required in conditions 1 and 2(a), the applicable Advisor will present each Potential Co-Investment Transaction and the proposed allocation to the directors of the Board eligible to vote on that Co-Investment Transaction (the “Eligible Trustees”)<sup>8</sup> and the majority of such directors of the Board who are Independent Trustees (a “Required Majority”) will approve each Co-Investment Transaction prior to any investment by the participating Regulated Entity.

9. With respect to the pro rata dispositions and Follow-On Investments provided in conditions 7 and 8, a Regulated Entity may participate in a pro rata disposition or Follow-On Investment without obtaining prior approval of the Required Majority if, among other things: (i) the proposed participation of each Regulated Entity and each Affiliated Fund in such disposition is proportionate to its outstanding investments in the issuer immediately preceding the disposition or Follow-On Investment, as the case may be; and (ii) the Board of the Regulated Entity has approved that Regulated Entity’s participation in pro rata dispositions and Follow-On Investments as being in the best interests of the Regulated Entity. If the Board does not so approve, any such disposition or Follow-On Investment will be submitted to the Regulated Entity’s Eligible Trustees. The Board of any Regulated Entity may at any time rescind, suspend or qualify its approval of pro rata

---

<sup>7</sup> The Regulated Entities, however, will not be obligated to invest, or co-invest, when investment opportunities are referred to them.

<sup>8</sup> Eligible Trustees may not have a financial interest in such transaction, plan, or arrangement.

dispositions and Follow-On Investments with the result that all dispositions and/or Follow-On Investments must be submitted to the Eligible Trustees.

10. No Independent Trustee of a Regulated Entity will have a direct or indirect financial interest in any Co-Investment Transaction (other than indirectly through share ownership in one of the Regulated Entities), including any interest in any company whose securities would be acquired in a Co-Investment Transaction.

11. Under condition 15, if an Advisor, its principals, or any person controlling, controlled by, or under common control with the Advisor or its principals, and the Affiliated Funds (collectively, the “Holders”) own in the aggregate more than 25 percent of the outstanding voting shares of a Regulated Entity (the “Shares”), then the Holders will vote such Shares as required under Condition 15. Applicants believe that this condition will ensure that the Independent Trustees will act independently in evaluating the co-investment program, because the ability of an Advisor or its principals to influence the Independent Trustees by a suggestion, explicit or implied, that the Independent Trustees can be removed will be limited significantly. Applicants represent that the Independent Trustees will evaluate and approve any such independent third party, taking into account its qualifications, reputation for independence, cost to the Regulated Entity’s shareholders, and other factors that they deem relevant.

Applicants’ Legal Analysis:

1. Section 17(d) of the Act and rule 17d-1 under the Act prohibit affiliated persons of a registered investment company from participating in joint transactions with the company unless the Commission has granted an order permitting such transactions. In passing upon applications under rule 17d-1, the Commission considers whether the company’s participation in the joint transaction

is consistent with the provisions, policies, and purposes of the Act and the extent to which such participation is on a basis different from or less advantageous than that of other participants.

2. Applicants state that in the absence of the requested relief, the Regulated Entities may be, in some circumstances, limited in their ability to participate in attractive and appropriate investment opportunities. Applicants believe that the proposed terms and conditions will ensure that the Co-Investment Transactions are consistent with the protection of each Regulated Entity's shareholders and with the purposes intended by the policies and provisions of the Act. Applicants state that the Regulated Entities' participation in the Co-Investment Transactions will be consistent with the provisions, policies, and purposes of the Act and on a basis that is not different from or less advantageous than that of other participants.

Applicants' Conditions:

Applicants agree that the Order will be subject to the following conditions:

1. Each time an Advisor considers a Potential Co-Investment Transaction for another Regulated Entity or an Affiliated Fund that falls within a Regulated Entity's then-current Objectives and Strategies, the Regulated Entity's Advisor will make an independent determination of the appropriateness of the investment for the Regulated Entity in light of the Regulated Entity's then-current circumstances.

2. (a) If the Advisor deems a Regulated Entity's participation in any Potential Co-Investment Transaction to be appropriate for the Regulated Entity, the Advisor will then determine an appropriate level of investment for the Regulated Entity.

(b) If the aggregate amount recommended by the applicable Advisor to be invested by the applicable Regulated Entity in the Potential Co-Investment Transaction together with the amount proposed to be invested by the other participating Regulated Entities and Affiliated Funds,

collectively, in the same transaction, exceeds the amount of the investment opportunity, the investment opportunity will be allocated among them pro rata based on each participant's capital available for investment in the asset class being allocated, up to the amount proposed to be invested by each. The applicable Advisor will provide the Eligible Trustees of each participating Regulated Entity with information concerning each participating party's available capital to assist the Eligible Trustees with their review of the Regulated Entity's investments for compliance with these allocation procedures.

(c) After making the determinations required in conditions 1 and 2(a), the applicable Advisor will distribute written information concerning the Potential Co-Investment Transaction (including the amount proposed to be invested by each Regulated Entity and each Affiliated Fund) to the Eligible Trustees of each participating Regulated Entity for their consideration. A Regulated Entity will co-invest with another Regulated Entity or an Affiliated Fund only if, prior to the Regulated Entity's participation in the Potential Co-Investment Transaction, a Required Majority concludes that:

(i) the terms of the Potential Co-Investment Transaction, including the consideration to be paid, are reasonable and fair to the Regulated Entity and its investors and do not involve overreaching in respect of the Regulated Entity or its investors on the part of any person concerned;

(ii) the Potential Co-Investment Transaction is consistent with:

(A) the interests of the Regulated Entity's investors; and

(B) the Regulated Entity's then-current Objectives and Strategies;

(iii) the investment by any other Regulated Entities or any Affiliated Funds would not disadvantage the Regulated Entity, and participation by the Regulated Entity would not

be on a basis different from or less advantageous than that of any other Regulated Entities or any Affiliated Funds; provided that, if any other Regulated Entity or any Affiliated Fund, but not the Regulated Entity itself, gains the right to nominate a director for election to a portfolio company's board of directors or the right to have a board observer or any similar right to participate in the governance or management of the portfolio company, such event shall not be interpreted to prohibit the Required Majority from reaching the conclusions required by this condition (2)(c)(iii), if:

(A) the Eligible Trustees will have the right to ratify the selection of such director or board observer, if any; and

(B) the applicable Advisor agrees to, and does, provide periodic reports to the Board of the Regulated Entity with respect to the actions of such director or the information received by such board observer or obtained through the exercise of any similar right to participate in the governance or management of the portfolio company; and

(C) any fees or other compensation that any Regulated Entity or any Affiliated Fund or any affiliated person of any Regulated Entity or any Affiliated Fund receives in connection with the right of a Regulated Entity or an Affiliated Fund to nominate a director or appoint a board observer or otherwise to participate in the governance or management of the portfolio company will be shared proportionately among the participating Affiliated Funds (who may each, in turn, share its portion with its affiliated persons) and the participating Regulated Entities in accordance with the amount of each party's investment; and

(iv) the proposed investment by the Regulated Entity will not benefit any Advisor, the other Regulated Entities, the Affiliated Funds or any affiliated person of any of them (other than the parties to the Co-Investment Transaction), except (A) to the extent permitted by condition 13, (B) to the extent permitted by section 17(e) of the Act, as applicable, (C) indirectly, as a result of an interest in the securities issued by one of the parties to the Co-Investment Transaction, or (D) in the case of fees or other compensation described in condition 2(c)(iii)(C).

3. Each Regulated Entity has the right to decline to participate in any Potential Co-Investment Transaction or to invest less than the amount proposed.

4. The applicable Advisor will present to the Board of each Regulated Entity, on a quarterly basis, a record of all investments in Potential Co-Investment Transactions made by any of the other Regulated Entities or Affiliated Funds during the preceding quarter that fell within the Regulated Entity's then-current Objectives and Strategies that were not made available to the Regulated Entity, and an explanation of why the investment opportunities were not offered to the Regulated Entity. All information presented to the Board pursuant to this condition will be kept for the life of the Regulated Entity and at least two years thereafter, and will be subject to examination by the Commission and its staff.

5. Except for Follow-On Investments made in accordance with condition 8,<sup>9</sup> a Regulated Entity will not invest in reliance on the Order in any issuer in which another Regulated Entity, Affiliated Fund, or any affiliated person of another Regulated Entity or Affiliated Fund is an existing investor.

---

<sup>9</sup> This exception applies only to Follow-On Investments by a Regulated Entity in issuers in which that Regulated Entity already holds investments.

6. A Regulated Entity will not participate in any Potential Co-Investment Transaction unless the terms, conditions, price, class of securities to be purchased, settlement date, and registration rights will be the same for each participating Regulated Entity and Affiliated Fund. The grant to another Regulated Entity or an Affiliated Fund, but not the Regulated Entity, of the right to nominate a director for election to a portfolio company's board of directors, the right to have an observer on the board of directors or similar rights to participate in the governance or management of the portfolio company will not be interpreted so as to violate this condition 6, if conditions 2(c)(iii)(A), (B) and (C) are met.

7. (a) If any Regulated Entity or an Affiliated Fund elects to sell, exchange or otherwise dispose of an interest in a security that was acquired in a Co-Investment Transaction, the applicable Advisor will:

(i) notify each Regulated Entity that participated in the Co-Investment Transaction of the proposed disposition at the earliest practical time; and

(ii) formulate a recommendation as to participation by each Regulated Entity in the disposition.<sup>10</sup>

(b) Each Regulated Entity will have the right to participate in such disposition on a proportionate basis, at the same price and on the same terms and conditions as those applicable to the participating Regulated Entities and Affiliated Funds.

(c) A Regulated Entity may participate in such disposition without obtaining prior approval of the Required Majority if: (i) the proposed participation of each Regulated Entity and each Affiliated Fund in such disposition is proportionate to its outstanding investments in the issuer

---

<sup>10</sup> Any Hunt Proprietary Account that is not advised by an Advisor is itself deemed to be an Advisor for purposes of Conditions 7(a)(i) and 8(a)(i).

immediately preceding the disposition; (ii) the Board of the Regulated Entity has approved as being in the best interests of the Regulated Entity the ability to participate in such dispositions on a pro rata basis (as described in greater detail in the application); and (iii) the Board of the Regulated Entity is provided on a quarterly basis with a list of all dispositions made in accordance with this condition. In all other cases, the Advisor will provide its written recommendation as to the Regulated Entity's participation to the Regulated Entity's Eligible Trustees, and the Regulated Entity will participate in such disposition solely to the extent that a Required Majority determines that it is in the Regulated Entity's best interests.

(d) Each Regulated Entity and each Affiliated Fund will bear its own expenses in connection with any such disposition.

8. (a) If a Regulated Entity or an Affiliated Fund desires to make a Follow-On Investment in a portfolio company whose securities were acquired in a Co-Investment Transaction, the applicable Advisor will:

(i) notify each Regulated Entity that participated in the Co-Investment Transaction of the proposed transaction at the earliest practical time; and

(ii) formulate a recommendation as to the proposed participation, including the amount of the proposed Follow-On Investment, by each Regulated Entity.

(b) A Regulated Entity may participate in such Follow-On Investment without obtaining prior approval of the Required Majority if: (i) the proposed participation of each Regulated Entity and each Affiliated Fund in such investment is proportionate to its outstanding investments in the issuer immediately preceding the Follow-On Investment; and (ii) the Board of the Regulated Entity has approved as being in the best interests of the Regulated Entity the ability to participate in Follow-On Investments on a pro rata basis (as described in greater detail in the application). In all

other cases, the Advisor will provide its written recommendation as to the Regulated Entity's participation to the Eligible Trustees, and the Regulated Entity will participate in such Follow-On Investment solely to the extent that a Required Majority determines that it is in the Regulated Entity's best interests.

(c) If, with respect to any Follow-On Investment:

(i) the amount of a Follow-On Investment is not based on the Regulated Entities' and the Affiliated Funds' outstanding investments immediately preceding the Follow-On Investment; and

(ii) the aggregate amount recommended by the Advisor to be invested by each Regulated Entity in the Follow-On Investment, together with the amount proposed to be invested by the participating Affiliated Funds in the same transaction, exceeds the amount of the opportunity; then the amount invested by each such party will be allocated among them pro rata based on each party's capital available for investment in the asset class being allocated, up to the amount proposed to be invested by each.

(d) The acquisition of Follow-On Investments as permitted by this condition will be considered a Co-Investment Transaction for all purposes and subject to the other conditions set forth in the application.

9. The Independent Trustees of each Regulated Entity will be provided quarterly for review all information concerning Potential Co-Investment Transactions and Co-Investment Transactions, including investments made by other Regulated Entities and the Affiliated Funds that the Regulated Entity considered but declined to participate in, so that the Independent Trustees may determine whether all investments made during the preceding quarter, including those investments which the Regulated Entity considered but declined to participate in, comply with the conditions of

the Order. In addition, the Independent Trustees will consider at least annually the continued appropriateness for the Regulated Entity of participating in new and existing Co-Investment Transactions.

10. Each Regulated Entity will maintain the records required by section 57(f)(3) of the Act as if each of the Regulated Entities were a business development company (as defined in section 2(a)(48) of the Act) and each of the investments permitted under these conditions were approved by the Required Majority under section 57(f) of the Act.

11. No Independent Trustee of a Regulated Entity will also be a director, general partner, managing member or principal, or otherwise an “affiliated person” (as defined in the Act) of an Affiliated Fund.

12. The expenses, if any, associated with acquiring, holding or disposing of any securities acquired in a Co-Investment Transaction (including, without limitation, the expenses of the distribution of any such securities registered for sale under the Securities Act) will, to the extent not payable by an Advisor under the investment advisory agreements with the Regulated Entities and the Affiliated Funds, be shared by the Affiliated Funds and the Regulated Entities in proportion to the relative amounts of the securities held or to be acquired or disposed of, as the case may be.

13. Any transaction fee<sup>11</sup> (including break-up or commitment fees but excluding broker’s fees contemplated by section 17(e) of the Act, as applicable), received in connection with a Co-Investment Transaction will be distributed to the participating Regulated Entities and Affiliated Funds on a pro rata basis based on the amounts they invested or committed, as the case may be, in such Co-Investment Transaction. If any transaction fee is to be held by the Advisor pending

---

<sup>11</sup> Applicants are not requesting and the staff is not providing any relief for transaction fees received in connection with any Co-Investment Transaction.

consummation of the transaction, the fee will be deposited into an account maintained by the Advisor at a bank or banks having the qualifications prescribed in section 26(a)(1) of the Act, and the account will earn a competitive rate of interest that will also be divided pro rata among the participating Regulated Entities and Affiliated Funds based on the amounts they invest in such Co-Investment Transaction. None of the Affiliated Funds, the Advisors, the other Regulated Entities or any affiliated person of the Regulated Entities or Affiliated Funds will receive additional compensation or remuneration of any kind as a result of or in connection with a Co-Investment Transaction (other than (a) in the case of the Regulated Entities and Affiliated Funds, the pro rata transaction fees described above and fees or other compensation described in condition 2(c)(iii)(C); and (b) in the case of the Advisors, investment advisory fees paid in accordance with the agreements between the Advisors and the Regulated Entities or the Affiliated Funds).

14. The Advisors will each maintain policies and procedures reasonably designed to ensure compliance with the foregoing conditions. These policies and procedures will require, among other things, that the applicable Advisor will be notified of all Potential Co-Investment Transactions that fall within a Regulated Entity's then-current Objectives and Strategies and will be given sufficient information to make its independent determination and recommendations under conditions 1, 2(a), 7 and 8.

15. If the Holders own in the aggregate more than 25 percent of the Shares of a Regulated Entity, then the Holders will vote such Shares in the same percentages as the Regulated Entity's other shareholders (not including the Holders) when voting on (1) the election of directors; (2) the removal of one or more directors; or (3) all other matters under either the Act or applicable State law affecting the Board's composition, size or manner of election.

16. Each Regulated Entity's chief compliance officer, as defined in Rule 38a-1(a)(4), will prepare an annual report for its Board that evaluates (and documents the basis of that evaluation) the Regulated Entity's compliance with the terms and conditions of the application and the procedures established to achieve such compliance.

For the Commission, by the Division of Investment Management, under delegated authority.
