To the fullest extent permitted by applicable law and this Operating Agreement, the Board may delegate any of its powers to a committee appointed pursuant to Article V or to any officer, employee or agent of the Company.

(b) The Board shall have the power to adopt, amend or repeal the Rules in accordance with Article X, Section 1.

(c) The Board may adopt such rules, regulations and requirements for the conduct of the business and management of the Company, not inconsistent with applicable law, the Certificate of Organization or this Operating Agreement, as the Board may deem proper. A Director shall, in the performance of such Director’s duties, be fully protected, to the fullest
extent permitted by applicable law, in relying in good faith upon the books of account or reports made to the Company by any of its officers, by an independent certified public accountant, by an appraiser selected with reasonable care by the Board or any committee of the Board or by any agent of the Company, or in relying in good faith upon other records of the Company.

(d) In connection with managing the business and affairs of the Company, the Board shall consider applicable requirements for registration as a national securities exchange under Section 6(b) of the Act, or operating pursuant to an exemption therefrom, including the requirements that (a) the Rules shall be designed to protect investors and the public interest, and (b) the Exchange shall be so organized and have the capacity to carry out the purposes of the Act and to enforce compliance by the Exchange Members, and Person(s) associated with Exchange Members, with the provisions of the Act, the rules and regulations under the Act and the Rules.

Section 2. Composition of the Board

(a) Subject to Article III, the Board shall consist of four (4) Directors. Either half or a majority of the directorships shall be Independent Directors. The Board shall initially be comprised as follows:

(i) The Chief Executive Officer of the Company;

(ii) Two (2) Owner Directors (subject to increase or decrease pursuant to Article III, Section 2(b) and Section 4(g));

(iii) Two (2) Independent Directors (subject to increase or decrease pursuant to Article III, Section 2(b)); and

(iv) Two (2) Exchange Member Directors (subject to increase or decrease pursuant to Article III, Section 2(b)).

Each Director shall serve until his or her term expires as provided in Article III, Section 3.

(b) The Board may, by resolution, add or remove Director positions to the Board, provided
that (i) the number of Director positions shall not be fewer than four (4) nor more than twenty-five (25), (ii) no removal of a Director position shall have the effect of shortening the term of any incumbent Director, and (iii) the Board at all times shall include a directorship for the Chief Executive Officer of the Company, half or a majority of Independent Directors, at least twenty percent (20%) Exchange Member Directors, and a number of Owner Director positions that equals the number of Owner Directors that the Designating Owners are entitled to nominate and that the Members of the Company have elected. If an Owner Director position needs to be added pursuant to Article III, Section 4(g), such Owner Director position shall be nominated by the applicable Designating Owner and elected by the Members of the Company (or any other agreement entered into by a Member of the Company related to the election, removal and/or replacement of a Director), and additional Director positions shall be added and filled at the same time as the election of the new Owner Director, as required to comply with the requirements set forth in this Article III, Section 2(b) (i.e., to comply with the requirement that there be half or a majority of Independent Directors and at least twenty percent (20%) Exchange Member Directors). So long as the Board includes the Chief Executive Officer of the Company, half or a majority of Independent Directors, at least twenty percent (20%) Exchange Member Directors, and the requisite number of Owner Directors, any remaining newly created Director positions may be filled by Person(s) who do not qualify as Independent Directors, Exchange Member Directors or Owner Directors ("At-Large Directors").

(c) The Secretary shall collect from each nominee for Director such information as is reasonably necessary to serve as the basis for a determination of the nominee’s classification as an Independent Director or Exchange Member Director, and the Secretary shall certify to the Nominating and Governance Committee or the Exchange Member Nominating Committee each nominee’s classification, if applicable. Directors shall update the information submitted under this subsection at least annually and upon request of the Secretary, and shall report immediately to the Secretary any change in such information.

(d) A Director may not be subject to a Statutory Disqualification. A Director need not be a Member of the Company. A Director will no longer qualify to be Director upon a determination by the Board (i) that the Director no longer satisfies the classification for which the Director was elected, (ii) that the Director’s continued service as such would violate the compositional requirements of the Board set forth in Article III, Section 2(b); or (iii) the Director is subject to Statutory Disqualification.

Section 3. Terms of Office; Classes

(a) The Chief Executive Officer will no longer qualify to be a Director when such individual ceases to be Chief Executive Officer of the Company, and, upon the happening of such event, that individual shall cease being a Director.

(b) The Board of Directors shall be divided into four (4) classes, designated Class I, Class II, Class III, and Class IV, which shall be as nearly equal in number and classification as the total number of such Directors then serving on the Board permits. Directors shall serve staggered four-year terms, with the term of office of one (1) class expiring each year. A Director may serve for any number of terms, consecutive or otherwise. In order to commence such staggered four-
year terms, Directors in Class I shall hold office until the first annual election of the Board following adoption of this Operating Agreement, Directors in Class II shall initially hold office until the second annual election of the Board following adoption of this Operating Agreement, Directors in Class III shall initially hold office until the third annual election of the Board following adoption of this Operating Agreement, and Directors in Class IV shall initially hold office until the fourth annual election of the Board following adoption of this Operating Agreement. Commencing with the first annual election of the Board following adoption of this Operating Agreement, the term of office for each class of Directors elected at such time shall be four (4) years from the date of their election. In the case of the addition of any new Director position, the Director filling such position shall be added to a class, as determined by the Board at the time of such Director’s initial election, and shall have an initial term expiring at the same time as the term of the class to which such Director has been added.

Section 4. Nomination, Election and Appointment

(a) The Nominating and Governance Committee each year shall nominate Directors for each Director position (other than Owner Director positions and the Director position filled by the Chief Executive Officer) standing for election at the annual meeting of members that year. For positions requiring Person(s) who qualify as Exchange Member Directors, the Nominating and Governance Committee shall nominate only those Person(s) whose names have been approved and submitted by the Exchange Member Nominating Committee, and approved by, if applicable, Exchange Members pursuant to the procedures set forth below in this Article III, Section 4.

(b) The Exchange Member Nominating Committee shall consult with the Nominating and Governance Committee and the Chairman, and shall solicit comments from Exchange Members for the purpose of approving and submitting names of candidates for election to the position of Exchange Member Director.

(c) Not later than sixty (60) days prior to the date announced as the date for the annual meeting of Members, the Exchange Member Nominating Committee shall report to the Nominating and Governance Committee and the Secretary the initial nominees for Exchange Member Director positions on the Board that have been approved and submitted by the Exchange Member Nominating Committee. The Secretary shall promptly notify Exchange Members of those initial nominees. Exchange Members may identify other candidates (“Petition Candidates”) for the Exchange Member Director positions by delivering to the Secretary, at least thirty-five (35) days before the date announced as the date for the annual meeting of members (the “Petition Deadline”), a written petition, which shall designate the candidate by name and office and shall be signed by Exchange Member Representatives representing ten percent (10%) or more of the Exchange Members. An Exchange Member may endorse as many candidates as there are Exchange Member Director positions to be filled. No Exchange Member, together with its Affiliates, may account for more than fifty percent (50%) of the signatures endorsing a particular candidate, and any signatures of such Exchange Member, together with its Affiliates, in excess of the fifty percent (50%) limitation shall be disregarded.

(d) Each petition for a Petition Candidate must include a completed questionnaire used to gather information concerning Exchange Member Director candidates and must be filed with the
Company. The Company shall provide the form of questionnaire upon the request of any Exchange Member.

(e) If no valid petitions from Exchange Members are received by the Petition Deadline, the initial nominees approved and submitted by the Exchange Member Nominating Committee shall be nominated as Exchange Member Directors by the Nominating and Governance Committee. If one or more valid petitions from Exchange Members are received by the Petition Deadline, the Company shall include such additional nominees, along with the initial nominees nominated by the Exchange Member Nominating Committee, on a list of nominees (the “List of Candidates”). Upon completion, the List of Candidates shall be sent to all Exchange Members that were Exchange Members on the Petition Date to confirm the nominees for Exchange Member Director positions. The List of Candidates shall be accompanied by a notice regarding the time and date of an election to be held at least twenty (20) days prior to the annual members meeting to confirm the Exchange Members’ selections of nominees for Exchange Member Directors.

(f) With respect to the election held to determine the final nomination of Exchange Member Directors, each Exchange Member shall have the right to cast one (1) vote for each available Exchange Member Director nomination; provided, however, that (i) any such vote must be cast for a Person on the List of Candidates, and (ii) no Exchange Member, together with its Affiliates, may account for more than twenty-five percent (25%) of the votes cast for a candidate, and any votes cast by such Exchange Member, together with its Affiliates, in excess of such twenty-five percent (25%) limitation shall be disregarded; unless the Exchange has less than four Exchange Members and each Exchange Member’s votes shall be increased to permit election. The votes shall be cast by written ballot or any other means as set forth in a notice to the Exchange Members sent by the Company prior to such election. Only votes received prior to 5:00 p.m. Eastern Time on the date of the election shall count for the nomination of an Exchange Member Director. The Person(s) on the List of Candidates who receive the most votes shall be selected as the nominee(s) for the Exchange Member Director position(s) to be elected by members.

(g) Each Designating Owner shall have the right to nominate an Owner Director. If a Designating Owner ceases to be a Designating Owner, then upon the happening of such event, the individual serving as an Owner Director nominated by such Designating Owner will no longer qualify to be an Owner Director, will cease being an Owner Director, and will be deemed to have automatically resigned. In addition, such Owner Director position on the Board shall immediately terminate. The Members of the Company will take all such actions required or necessary to effect this Section 4(g).

Section 5. Chairman of the Board

The Directors shall choose among themselves who will be the Chairman of the Board (the “Chairman”), who may also be the Chief Executive Officer. The Chairman shall preside at all meetings of the Board at which the Chairman is present; provided, however, that if the Chairman is the Chief Executive Officer or other member of management of the Company, he or she shall not participate in executive sessions of the Board. The Chairman shall exercise such other powers and perform such other duties as may be assigned to the Chairman from time to time by the Board. The Board shall designate a “Lead Director” from among the Board’s Independent
Directors to preside over executive sessions of the Board. The Board shall publicly disclose the identity of the Lead Director and the means by which interested parties may communicate with the Lead Director.

Section 6. Vacancies

(a) Whenever any Director position, other than an Owner Director or Exchange Member Director position, becomes vacant prior to the election of a successor at the end of such Director’s term, whether because of death, disability, disqualification, removal or resignation, and whenever any newly-created Director position, other than an Owner Director or Exchange Member Director position, becomes available because of an increase in the number of Directors, the Nominating and Governance Committee shall nominate, and a majority of Directors then in office, though less than a quorum or a sole remaining Director, shall elect, a Person satisfying the classification (Independent or At-Large Director) for the directorship to fill such vacancy until the expiration of the remaining term or to fill such newly-created Director position until the expiration of such position’s designated term; provided, however, that if the remaining term of office of a Director at the time of such Director’s vacancy is not more than six (6) months, during the period of vacancy the Board shall not be deemed to be in violation of Article III, Section 2(b) by virtue of such vacancy; and further provided, that any vacancy resulting from removal from office by a vote of the Members for cause may be filled by a vote of the Members at the same meeting at which such removal occurs.

(b) Whenever any Exchange Member Director position becomes vacant prior to the election of a successor at the end of such Exchange Member Director’s term, whether because of death, disability, disqualification, removal or resignation, and whenever any newly-created Exchange Member Director position becomes available because of an increase in the number of Directors, the Exchange Member Nominating Committee shall nominate, and a majority of Directors then in office, though less than a quorum or a sole remaining Director, shall elect, a Person satisfying the classification for the Exchange Member Director position to fill such vacancy until the expiration of the remaining term or to fill such newly-created Exchange Member Director position until the expiration of such position’s designated term; provided, however, that if the remaining term of office of an Exchange Member Director at the time of such Exchange Member Director’s vacancy is not more than six (6) months, during the period of vacancy the Board shall not be deemed to be in violation of Article III, Section 2(b) by virtue of such vacancy; and further provided, that any vacancy resulting from removal from office by a vote of the Members for cause may be filled by a vote of the members at the same meeting at which such removal occurs.

(c) Subject to the terms of Article III, Section 4(g) and Section 2(d), whenever any Owner Director position becomes vacant prior to the election of a successor at the end of such Owner Director’s term, whether because of death, disability, disqualification, removal or resignation, and whenever any newly-created Owner Director position becomes available pursuant to Article III, Section 4(g), the Designating Owner that nominated an Owner Director for such vacant Owner Director position or that is entitled to nominate an Owner Director for such newly-created Owner Director position shall nominate, and a majority of the Directors then in office though less than a quorum or a sole remaining Director, shall elect, the individual nominated by such
Designating Owner to fill such vacancy until the expiration of the remaining term or to fill such newly-created Owner Director position until the expiration of such position’s designated term; provided, however, that if the remaining term of office of an Owner Director at the time of such Owner Director’s vacancy is not more than six (6) months, during the period of vacancy the Board shall not be deemed to be in violation of Article III, Section 2(b) by virtue of the applicable Designating Owner failing to nominate an Owner Director to fill such vacancy; and further provided, that any vacancy resulting from removal from office by a vote of the Members for cause may be filled by a vote of the Members at the same meeting at which such removal occurs.

Section 7. Removal and Resignation

(a) Any Director may be removed with or without cause by a majority vote of the Members; provided, however, that any Exchange Member Director may be removed only by a majority vote of the Members for cause, which shall include such Exchange Member Director’s being subject to a Statutory Disqualification, and any Owner Director may be removed only by a majority vote of the Members acting or for cause, which shall include such Owner Director’s being subject to a Statutory Disqualification. Upon the removal of an Owner Director, the Designating Owner that nominated such removed Owner Director shall have the right to nominate a replacement Owner Director pursuant to Article III, Section 6.

(b) Any Director may resign at any time either upon notice of resignation to the Chairman, the Chief Executive Officer or the Secretary. Any such resignation shall take effect at the time specified therein or, if the time is not specified, upon receipt thereof, and the acceptance of such resignation, unless required by the terms thereof, shall not be necessary to make such resignation effective.

Section 8. Place of Meetings; Mode

Any meeting of the Board may be held at such place, within or without the State of South Dakota, as shall be designated in the notice of such meeting, but if no such designation is made, then the meeting shall be held at the principal business office of the Company. Members of the Board or any committee of the Board may participate in a meeting of the Board or committee by conference telephone or other communications equipment by means of which all Person(s) participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

Section 9. Regular Meetings

Regular meetings of the Board may be held, with or without notice, at such time or place as may from time to time be specified in a resolution adopted by the Board.

Section 10. Special Meetings

(a) Special meetings of the Board may be called on a minimum of two (2) days’ notice to each
Director by the Chairman or the Chief Executive Officer and shall be called by the Secretary upon the written request of two (2) Directors then in office.

(b) The Person(s) calling a special meeting of the Board shall fix the time and place at which the meeting shall be held and such time and place shall be specified in the notice of such meeting.

Section 11. Exchange Member Meetings

The Company shall not be required to hold meetings of the Exchange Members.

Section 12. Voting, Quorum and Action by the Board

Each Director shall be entitled to one (1) vote. At all meetings of the Board, the presence of a majority of the number of Directors then in office, but in no event less than one half (1/2) of the total number of Directors, shall constitute a quorum for the transaction of business. If a quorum shall not be present at any meeting of the Board, the Directors present at such meeting may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present. The act of a majority of the Directors present at any meeting at which there is a quorum shall be the act of the Board except as may be otherwise specifically provided by statute, the Certificate of Organization, or the Operating Agreement.

Section 13. Action in Lieu of Meeting

Unless otherwise restricted by statute, the Certificate of Organization or this Operating Agreement, any action required or permitted to be taken at any meeting of the Board or any committee thereof may be taken without a meeting if all members of the Board or committee, as the case may be, consent thereto in writing or by electronic transmission, and such writing or electronic transmission is filed with the minutes of proceedings of the Board or the committee.

Section 14. Waiver of Notice

(a) Whenever notice is required to be given by applicable law, the Certificate of Organization or this Operating Agreement, a waiver thereof by the Person(s) entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board or committee thereof need be specified in any waiver of notice.

(b) Attendance of a Person at a meeting shall constitute a waiver of notice of such meeting, except when the Person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

Section 15. Compensation of Board and Committee Members
The Board may provide for reasonable compensation of the Chairman, the Directors and the members of committees of the Board. The Board may also provide for reimbursement of reasonable expenses incurred by such Person(s) in connection with the business of the Company.

Section 16. Conflicts of Interest; Contracts and Transactions Involving Directors

(a) To the fullest extent permitted by law, a Director or a member of any committee of the Board may not participate in the consideration or decision of any matter relating to a particular Exchange Member or other Person if such Director or committee member has a material interest in, or a professional, business or personal relationship with, that Exchange Member or Person, or if such participation shall create an appearance of impropriety. Exchange Member Directors shall not be deemed to be personally interested in the determination of matters that may affect the Exchange Members as a whole or certain groups of Exchange Members and Exchange Member Directors shall not be prohibited from participating in such determinations in the normal course of conducting the Company’s business.

(b) No contract or transaction between the Company and one or more of its Directors or officers, or between the Company and any other corporation, partnership, association or other organization in which one or more of its Directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason, or solely because the Director or officer is present at or participates in the meeting of the Board or committee which authorizes the contract or transaction, or solely because any such Director’s or officer’s votes are counted for such purpose, if: (i) the material facts pertaining to such Director’s or officer’s relationship or interest and as to the contract or transaction are disclosed or are known to the Board or the committee, and the Board or committee in good-faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors are less than a quorum; (ii) the material facts as to the Director’s or officer’s relationship or interest and as to the contract or transaction are disclosed or are known to the Members entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the Members; or (iii) the contract or transaction is fair as to the Company as of the time it is authorized, approved or ratified, by the Board, a committee or the Members.

ARTICLE IV - MEMBERS

Section 1. Annual Meeting; Election of Directors and Other Matters

(a) The annual meeting of Members shall be held at such place and time as determined by the Board for the purpose of electing Directors and members of the Nominating and Governance Committee and Exchange Member Nominating Committee, and for conducting such other business as may properly come before the meeting. Written notice of the annual meeting stating the place, date and hour of the meeting shall be given to each Member entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting, unless otherwise required by law, the Certificate of Organization or this Operating Agreement.

(b) The first annual meeting of Members shall be held prior to the Company’s commencement of operations as an Exchange.
Section 2. Special Meetings

Special meetings of the Members, for any purpose or purposes, may be called by the Chairman, the Board or the Chief Executive Officer, and shall be called by the Secretary at the request in writing of Members owning not less than a majority of the then issued and outstanding membership units of the Company entitled to vote. Written notice of a special meeting stating the place, date and hour of the meeting and the purpose or purposes for which the meeting is called, shall be given to each Member entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting, unless otherwise required by law, the Certificate of Organization or this Operating Agreement. Business transacted at any special meeting of Members shall be limited to the purpose(s) stated in the notice of the meeting.

Section 3. List of Members

The Secretary of the Company, or such other Person designated by the Secretary or the Board, shall have charge of the ledger of the Company and shall prepare and make, at least ten (10) days before every meeting of Members, a complete list of the Members entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each Member and the number of membership units registered in the name of each Member. Such list shall be open to the examination of any Member, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, at the principal place of business of the Company. The list shall also be produced and kept at the time and place of the meeting during the whole time of the meeting, and may be inspected by any Member who is present.

Section 4. Quorum and Vote Required for Action

(a) The holders of a majority of the membership units issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the Members for the transaction of business except as otherwise provided by applicable law, the Certificate of Organization or this Operating Agreement. If, however, such quorum shall not be present or represented at any meeting of the Members, the Members entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each Member of record entitled to vote at the meeting.

(b) When a quorum is present at any meeting, the vote of the holders of a majority of the membership units having voting power present in person or represented by proxy shall decide any question brought before such meeting, unless the question is one upon which by express provision of applicable law or of the Certificate of Organization, a different vote is required, in which case such express provision shall govern and control the decision of such question.
Section 5. Voting; Proxies

Unless otherwise provided in the Certificate of Organization or this Operating Agreement, each Member of the Company shall at every meeting of the Members be entitled to one (1) vote in person or by proxy for each membership unit having voting power held by such Member, but no proxy shall be voted on after three (3) years from its date, unless the proxy provides for a longer period. Any such proxy shall be in writing and shall be filed with the Secretary of the Company before or at the time of the meeting.

Section 6. Action in Lieu of Meeting

Any action upon which a vote of Members is required or permitted, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding membership units having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Company in the manner required by law, provided that the matter to be acted upon by such written consent previously has been directed by the Board to be submitted to the Members for their action by written consent. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those Members who have not so consented in writing.

Section 7. Ownership Limits

No Person, either alone or together with its related Person(s), may own, directly or indirectly, of record or beneficially, more than 40% (or 20% if the Person is a member of the Exchange) of the capital stock of the Company that has the right by its terms to vote in the election of the Board or on other matters (other than matters affecting the rights, preferences, or privileges of the capital stock). However, the Board, with respect to each owner exceeding the foregoing ownership limitations, may waive such restriction on condition that: (i) such waiver will not impair the ability of the Exchange to carry out its respective functions and responsibilities under the Act; (ii) such waiver is in the best interests of the Exchange and its Members; (iii) such waiver will not impair the ability of the Commission to enforce the Act; (iv) neither the subject owner nor any of its related Person(s) is subject to a Statutory Disqualification (within the meaning of Section 3(a)(39) of the Act); and (v) neither the owner nor any of its related Person(s) is an Exchange Member.

Each committee shall be comprised of at least three (3) members of the Board; provided, however, that except as set forth herein, every committee shall have at least half or a majority of Independent Directors. In designating members to committees of the Board, the Board is responsible for determining that any such committee meets the composition requirements set forth in this Article V. The Board, after consultation with the Chairman, may designate one or more Directors as alternate members of any committee who may replace any absent or disqualified member at any meeting of the committee. Except as otherwise set forth in this Operating Agreement, the Board, after consultation with the Chairman, may have non-voting observers attend committee meetings.

(b) A committee member shall be removed immediately upon a determination by the Board, by a majority vote of the Directors, (i) that the committee member no longer satisfies the classification for which the committee member was selected, and (ii) that the committee member’s continued service as such would violate the compositional requirements of such committee set forth in this Article V.

(c) Any vacancy occurring in a committee shall be filled by the Board, after consultation with the Chairman, for the remainder of the term, with the approval of the Board.

(d) Except as otherwise provided by this Operating Agreement or by the Board, members of a committee shall hold office for a one (1) year period.

Section 4. Voting, Quorum and Action by Committees

Each committee member shall be entitled to one (1) vote. Unless otherwise required by the Operating Agreement, the presence of a majority of the number of committee members serving on a committee shall constitute a quorum for the transaction of business of such committee. If a quorum shall not be present at any meeting of a committee, the committee members present at such meeting may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present. The act of a majority of the committee members present at any meeting at which there is a quorum shall be the act of such
Section 5. Specified Committees

(a) The Board, after consultation with the Chairman, shall designate the members of a Compensation Committee, which shall consist of two Independent Directors. The Compensation Committee shall consider and recommend compensation policies, programs and practices for officers and other employees of the Company and shall assist the Board in fulfilling its responsibilities to ensure the structures of compensation systems of the Exchange do not interfere with the Exchange’s ability to fulfill its responsibilities as an SRO. The Board, after consultation with the Chairman, may designate non-voting observers who shall be permitted to attend and participate in committee meetings.

(b) The Board, after consultation with the Chairman, shall designate the members of an Audit Committee, which shall consist solely of Directors, including half or a majority of Independent Directors. The Audit Committee shall have authority to: (A) hire or terminate the head of the Company’s Internal Audit Department; (B) determine the compensation of the head of the Internal Audit Department; and (C) determine the budget for the Internal Audit Department. The Internal Audit Department and its head shall report directly to the Audit Committee. The Audit Committee may, in its discretion, direct that the Internal Audit Department also report to senior management of the Company on matters the Audit Committee deems appropriate and may request that senior management of the Company perform such operational oversight as necessary and proper, consistent with preservation of the independence of the internal audit function. Nothing herein shall prohibit or be deemed to be in conflict with the ability of the Exchange to retain a third party to perform all or a portion of its audit function, provided that the Exchange shall supervise and have primary responsibility for any action
undertaken by a third-party auditor retained to perform all or a portion of the Exchange’s audit function.

(c) The Board, after consultation with the Chairman, shall designate the members of a Regulatory Oversight Committee, which shall consist solely of Independent Directors. The Regulatory Oversight Committee shall assist the Board in fulfilling its responsibilities to oversee the adequacy and effectiveness of the Exchange’s regulatory and SRO responsibilities, including those responsibilities with regard to each of its facilities, as defined in Section 3(a)(2) of the Exchange Act; assess the Exchange’s regulatory performance and assist the Board and committees of the Board in reviewing the regulatory plan; and oversee the overall effectiveness of the Exchange’s performance of its regulatory functions.

The percentage of Independent Directors on the Executive Committee shall be at least as great as the percentage of Independent Directors on the whole Board, and the percentage of Member Representative Directors on the Executive Committee shall be at least as great as the percentage of Member Representative Directors on the whole Board.

The Exchange Member Nominating Committee shall nominate candidates for each Exchange Member Director position on the Board that is to be elected by Exchange Members or Members under the terms of this Operating Agreement and all other vacant or new Exchange Member Director positions on the Board. Each member of the Exchange Member Nominating Committee shall qualify as an Exchange Member Director, except that such committee member is not required to be a Director. Upon request of the Secretary, any such prospective committee member who is not a Director shall provide to the Secretary such information as is reasonably necessary to serve as the basis for a determination of the prospective committee member’s classification. The Secretary shall certify to the Board such prospective committee member’s classification. Such committee member shall update the information submitted under this subsection at least annually and upon request of the Secretary, and shall report immediately to the Secretary any change in such information.

Notwithstanding the preceding sentence, except as otherwise provided in Section 1(c) of this Article VIII, the Company shall be required to indemnify a Covered Person in connection with a proceeding (or part thereof) commenced by such Covered Person only if the commencement of such proceeding (or part thereof) by the Covered Person was authorized in the specific case by the Board.

The Company’s obligation, if any, to indemnify or to advance expenses to any Covered Person who was or is serving at its request as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or nonprofit entity shall be reduced by any amount such Covered Person may collect as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, enterprise or non-profit enterprise.

(e) Survival of Rights. The rights conferred on any Covered Person shall inure to the benefit of the heirs, executors and administrators of such a Person.

(f) Insurance. The Company, upon approval by the Board of Directors, may purchase insurance on behalf of any Person required or permitted to be indemnified pursuant to this Article VIII.

(g) Amendments. Any modification or repeal of the provisions of this Article VIII shall not adversely affect any right or protection hereunder of any Covered Person in respect of any proceeding (regardless of when such proceeding is first threatened, commenced or completed) arising out of, or related to, any act or omission occurring prior to the time of such repeal or modification.

(h) Other Indemnification and Advancement of Expenses. This Article VIII shall not limit the right of the Company, to the extent and in the manner permitted by law, to indemnify and to advance expenses to Person(s) other than Covered Person(s) when and as authorized by appropriate corporate action.

(j) Saving Clause. If this Article VIII or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify each Covered Person to the fullest extent permitted by any applicable portion of this Article VIII that shall not have been invalidated or by any other applicable law.

AUTOMATED MATCHING SYSTEMS EXCHANGE

Rules of Operation
AUTOMATED MATCHING SYSTEMS EXCHANGE, LLC

RULES OF OPERATION
STATEMENT OF PURPOSE

Technological advances have led to the rapid evolution of the method and manner by which financial products are transacted. Traditional roles occupied by broker-dealers, national securities associations, and exchanges have been blurred such that the current regulatory framework is ill-equipped to address and evolve with current practices in the securities markets and the changing businesses of market participants. The AMSE exists to serve as a centralized marketplace to address the need for automated matching systems. However, the very core of the exchange rests on three foundations of practice: (i) utmost courtesy and assistance to member firms, (ii) appropriate regulation and focused regulatory oversight, and (iii) controlled expense in operation.

(b) Applications for association with a Member shall be made on Form U-4 and such other forms as the Exchange may prescribe, and shall be delivered to the Exchange in such manner as designated by the Exchange.

(c) If the Exchange is satisfied that the applicant is qualified for membership pursuant to the provisions of this Chapter, the Exchange shall promptly notify, in writing, the applicant of such determination, and the applicant shall be a Member.
(d) If the Exchange is not satisfied that the applicant is qualified for membership pursuant to the provisions of this Chapter, the Exchange shall promptly notify the applicant of the grounds for denying the applicant. The Board on its own motion may reverse the determination that the applicant is not qualified for membership. If a majority of the Board specifically determines to reverse the determination to deny membership, the Board shall promptly notify Exchange staff, who shall promptly notify the applicant of the Board’s decision and shall grant membership to the applicant. An applicant who has been denied membership may appeal such decision under Chapter IX of the Exchange Rules governing Adverse Action.

(e) Except where, pursuant to Section 17(d) of the Act, the Exchange has been relieved of its responsibility to review and act upon applications for Associated Person(s) of an Exchange Member, the procedure set forth in this Chapter shall govern the processing of any such applications.

Rule 2.7. Revocation of Membership or Association with an Exchange Member

Exchange Members or Associated Person(s) of Exchange Members may effect approved securities transactions through the Exchange only so long as they possess all the qualifications set forth in the Exchange Rules. Except where, pursuant to Section 17(d) of the Act, the Exchange has been relieved of its responsibility to monitor the continued qualifications of an Exchange Member or an Associated Person of an Exchange Member, when the Exchange has reason to believe that an Exchange Member or Associated Person of an Exchange Member fails to meet such qualifications, the Exchange may act to revoke such Person’s membership or association. Such action shall be instituted under, and governed by, Chapters VII and VIII of the Exchange Rules and may be appealed under Chapter IX of the Exchange Rules governing Adverse Action. In connection with any revocation of rights as an Exchange Member or voluntary termination of rights as an Exchange Member pursuant to Rule 2.8, the Exchange Member’s membership in the Exchange shall be cancelled.

Rule 2.8. Voluntary Termination of Rights as an Exchange Member

An Exchange Member may voluntarily terminate its rights as an Exchange Member only by a written resignation addressed to the Exchange’s Secretary or another officer designated by the Exchange. Such resignation shall not take effect until thirty (30) days after all of the following conditions have been satisfied: (i) receipt of such written resignation; (ii) all indebtedness due the Exchange shall have been paid in full; (iii) any Exchange investigation or disciplinary action brought against the Exchange Member has reached a final disposition; and (iv) any examination of such Exchange Member in process is completed and all exceptions noted have been reasonably resolved; provided, however, that the Board may declare a resignation effective at any time.

Without the prior approval of the Commission, the Exchange or any entity with which it is affiliated shall not, directly or indirectly, acquire or maintain an ownership interest in an
Exchange Member. In addition, without the prior approval of the Commission, an Exchange Member shall not be or become an affiliate of the Exchange, or an affiliate of any affiliate of the Exchange. Nothing in this Rule 2.9 shall prohibit an Exchange Member from being or becoming an affiliate of the Exchange, or an affiliate of any affiliate of the Exchange, solely by reason of such Exchange Member or any officer, director, manager, managing member, partner or affiliate of such Exchange Member being or becoming a Director pursuant to the Operating Agreement of the Exchange.

Rule 3.6. Offers at Stated Prices

No Exchange Member shall make an offer to buy from or sell to any Person any security at a stated price unless such Member is prepared to purchase or sell, as the case may be, at such price and under such conditions as are stated at the time of such offer to buy or sell.

Rule 3.7. Payment Designed to Influence Market Prices, Other than Paid Advertising

No Exchange Member shall, directly or indirectly, give, permit to be given, or offer to give anything of value to any Person for the purpose of influencing or rewarding the action of such Person in connection with the publication or circulation in any newspaper, investment service or similar publication of any matter which has, or is intended to have, an effect upon the market price of any security; provided, that this Rule shall not be construed to apply to a matter which is clearly identifiable as paid advertising.

Rule 3.11. Custody of Customer’s Securities or Funds

No Exchange Member shall take possession or control of securities or funds of a customer. Exchange Members shall only use transfer agents registered pursuant to Section 17A of the Act and banks, as defined in Section 3(a)(6) of the Act. (b) No Exchange Member, whether acting as principal or agent, shall make, in connection with any transaction referred to in this Rule, any agreement with his customer under which such Exchange Member shall be allowed to pledge or hypothecate any security involved in such transaction in contravention of Commission Rules 8c-1 and 15c3-3.

**CHAPTER IV. BOOKS AND RECORDS**

**Rule 4.1. Requirements**

Each Exchange Member shall make and keep books, accounts, records, memoranda and correspondence in conformity with Section 17 of the Act and the rules thereunder, with all other applicable laws and the rules, regulations and statements of policy promulgated thereunder, and with Exchange Rules.

**Rule 4.2. Furnishing of Records**

Every Exchange Member shall furnish to the Exchange, upon request and in a time and manner required by the Exchange, current copies of any financial information filed with the Commission, as well as any records, files, or financial information pertaining to transactions executed through the Exchange. Further, the Exchange shall be allowed access, at any time, to the books and records of the Exchange Member in order to obtain or verify information related to transactions executed through the Exchange or activities relating to the Exchange.

**Rule 4.3. Record of Written Complaints**

(a) Each Exchange Member shall keep and preserve for a period of not less than five (5) years a file of all written complaints of customers and action taken by the Exchange Member in respect thereof, if any. Further, for the first two (2) years of the five-year period, the Exchange Member shall keep such file in a place readily accessible to examination or spot checks.
(b) A “complaint” shall mean any written statement of a customer or any Person acting on behalf of a customer alleging a grievance involving the activities of an Exchange Member or Person(s) under the control of the Exchange Member in connection with (1) the solicitation or execution of any transaction conducted or contemplated to be conducted through the facilities of the Exchange or (2) the disposition of securities or funds of that customer which activities are related to such a transaction.

**Rule 4.4. Disclosure of Financial Condition**

An Exchange Member shall make available for inspection by a customer, upon request, the information relative to such Exchange Member’s financial condition disclosed in its most recent balance sheet prepared either in accordance with such Exchange Member’s usual practice or as required by any State or Federal securities laws, or any rule or regulation thereunder. Further, an Exchange Member shall send to its customers the statements required by Commission Rule 17a-5(c).

**CHAPTER V. SUPERVISION**

**Rule 5.1. Written Procedures**

Each Exchange Member shall establish, maintain and enforce written procedures which will enable it to supervise properly the activities of Associated Person(s) of the Exchange Member and to ensure their compliance with applicable securities laws, rules, regulations and statements of policy promulgated thereunder, and with Exchange Rules.

**Rule 5.2. Responsibility of Exchange Members**

Final responsibility for proper supervision shall rest with the Exchange Member. The Exchange Member shall designate a partner, officer or manager in each office of supervisory jurisdiction, including the main office, to carry out the written supervisory procedures. A copy of such procedures shall be kept in each such office.

**Rule 5.3. Records**

Each Exchange Member shall be responsible for making and keeping appropriate records for carrying out the Exchange Member’s supervisory procedures.

**Rule 5.4. Review of Activities**

Each Exchange Member shall review the activities of each office.

**Rule 5.5. Prevention of the Misuse of Material, Nonpublic Information**

(a) Each Exchange Member must establish, maintain and enforce written policies and procedures reasonably designed, taking into consideration the nature of such Exchange Member’s business,
to prevent the misuse of material, non-public information by the Exchange Member or Person(s) associated with the Exchange Member. Exchange Members for whom the Exchange is the Designated Examining Authority ("DEA") that are required to file SEC Form X-17A-5 with the Exchange on an annual or more frequent basis must file, contemporaneously with the submission of the calendar year end Insider Trading and Securities Fraud Enforcement Act certifications, compliance acknowledgements stating that the procedures mandated by this Rule have been established, enforced and maintained. Any Exchange Member, or Associated Person who becomes aware of a possible misuse of material, non-public information must promptly notify the Exchange's Surveillance Department.

(b) For purposes of this Rule 5.5, conduct constituting the misuse of material, non-public information includes, but is not limited to, the following:

(1) Trading in any securities issued by a corporation, or in any related securities or related options or other derivative securities, while in possession of material, non-public information concerning that issuer; or

(2) Trading in a security or related options or other derivative securities, while in possession of material non-public information concerning imminent transactions in the security or related securities; or

(3) Disclosing to another Person or entity any material, non-public information involving a corporation whose shares are publicly traded or an imminent transaction in an underlying security or related securities for the purpose of facilitating the possible misuse of such material, non-public information.

(c) This Rule 5.5 requires that, at a minimum, each Exchange Member establish, maintain, and enforce the following policies and procedures:

(1) All Associated Person(s) must be advised in writing of the prohibition against the misuse of material, non-public information;

(2) All Associated Person(s) must sign attestations affirming their awareness of, and agreement to abide by the aforementioned prohibitions. These signed attestations must be maintained for at least three (3) years, the first two (2) years in an easily accessible place;

(3) Each Member must receive and retain copies of trade confirmations and monthly account statements for each brokerage account in which an Associated Person has a direct or indirect financial interest or makes investment decisions. The activity in such accounts should be reviewed at least quarterly by the Exchange Member for the purpose of detecting the possible misuse of material, non-public information; and

(4) All Associated Person(s) must disclose to the Exchange Member whether they, or any Person in whose account they have a direct or indirect financial interest, or make investment decisions, are an officer, director or 10% shareholder in a company whose
shares are publicly traded. Any transaction in the stock (or option thereon) of such company shall be reviewed to determine whether the transaction may have involved a misuse of material non-public information. Maintenance of the foregoing policies and procedures will not, in all cases, satisfy the requirements and intent of this Rule 5.5; the adequacy of each Exchange Member’s policies and procedures will depend upon the nature of such Exchange Member’s business.

Rule 5.6. Anti-Money Laundering Compliance Program

(a) Each Exchange Member shall develop and implement an anti-money laundering program reasonably designed to achieve and monitor compliance with the requirements of the Bank Secrecy Act (31 U.S.C. 5311, et seq.), and the implementing regulations promulgated thereunder by the Department of the Treasury. Each Exchange Member’s anti-money laundering program must be approved, in writing, by a member of its senior management.

(b) The anti-money laundering programs required by the Rule shall, at a minimum:

(1) establish and implement policies and procedures that can be reasonably expected to detect and cause the reporting of transactions required under 31 U.S.C. 5318(g) and the implementing regulations thereunder;

(2) establish and implement policies and internal controls reasonably designed to achieve compliance with the Bank Secrecy Act and the implementing regulations thereunder;

(3) provide for independent testing for compliance to be conducted by the Member’s personnel or by a qualified outside party;

(4) designate, and identify to the Exchange (by name, title, mailing address, e-mail address, telephone number, and facsimile number), a Person(s) responsible for implementing and monitoring the day-to-day operations and internal controls of the program and provide prompt notification to the Exchange regarding any change in such designation(s); and

(5) provide ongoing training for appropriate Person(s).

CHAPTER VI. EXTENSIONS OF CREDIT

Rule 6.1. Prohibitions and Exemptions

(a) An Exchange Member shall not knowingly effect a securities transaction through Exchange facilities in a manner contrary to the regulations of the Board of Governors of the Federal Reserve System.

(b) The use of margin or extension of any credit to a customer shall be prohibited. All securities shall be fully paid for by and registered in the name of the seller prior to sale; or such other
reasonable measures taken by the Exchange Member to evidence the ability of the seller to deliver.

(c) No Exchange Member shall permit a public customer to make a practice, directly or indirectly, of effecting transactions where the cost of securities purchased is met by the sale of the same securities. No Exchange Member shall permit a public customer to make a practice of selling securities with them which are to be received against payment from another registered Broker or Dealer where such securities were purchased and are not yet paid for.

CHAPTER VII. SUSPENSION BY CHIEF REGULATORY OFFICER

Rule 7.1. Imposition of Suspension

(a) An Exchange Member which fails or is unable to perform any of its contracts, or is insolvent or is unable to meet the financial responsibility requirements of the Exchange, shall immediately inform the Secretary in writing of such fact. Upon receipt of said notice, or whenever it shall appear to the Chief Regulatory Officer (“CRO”) (after such verification and with such opportunity for comment by the Exchange Member as the circumstances reasonably permit) that an Exchange Member has failed to perform its contracts or is insolvent or is in such financial or operational condition or is otherwise conducting its business in such financial or operational condition or is otherwise conducting its business in such a manner that it cannot be permitted to continue in business with safety to its customers, creditors and other Exchange Members, the CRO may summarily suspend the Exchange Member or may impose such conditions and restrictions upon the Exchange Member as are reasonably necessary for the protection of investors, the Exchange, the creditors and the customers of such Exchange Member.

(b) An Exchange Member that does not pay any dues, fees, assessments, charges or other amounts due to the Exchange within ninety (90) days after the same has become payable shall be reported to the CRO, who may, after giving reasonable notice to the Exchange Member of such arrearages, suspend the Exchange Member until payment is made. Should payment not be made within six months after payment is due, the Exchange Member’s membership may be cancelled by the Exchange.

(c) In the event of suspension of an Exchange Member, the Exchange shall give prompt notice of such suspension to the Exchange Members. Unless the CRO shall determine that lifting the suspension without further proceedings is appropriate, such suspension shall continue until the Exchange Member is reinstated as provided in Rule 7.3 of this Chapter.

Rule 7.2. Investigation Following Suspension

Every Exchange Member suspended under the provisions of this Chapter shall immediately make available every facility requested by the Exchange for the investigation of its affairs and shall forthwith file with the Secretary a written statement covering all information requested, including a complete list of creditors and the amount owing to each and a complete list of each open long and short security position maintained by the Exchange Member and each of its customers. The foregoing includes, without limitation, the furnishing of such of the Exchange
Member’s books and records and the giving of such sworn testimony as may be requested by the Exchange.

**Rule 7.3. Reinstatement**

An Exchange Member suspended under the provisions of this Chapter may apply for reinstatement by a petition in accordance with and in the time provided for by the provisions of the Exchange Rules relating to Adverse Action.

**Rule 7.4. Failure to be Reinstated**

An Exchange Member suspended under the provisions of this Chapter who fails to seek or obtain reinstatement in accordance with Rule 7.3 shall have its membership cancelled by the Exchange in accordance with the Exchange’s Operating Agreement.

**Rule 7.5. Termination of Rights by Suspension**

An Exchange Member suspended under the provisions of this Chapter shall be deprived during the term of its suspension of all rights and privileges conferred to it by virtue of its membership in the Exchange.

**Rule 7.6. Summary Suspension of Exchange Services**

The CRO (after such verification with such opportunity for comment as the circumstances reasonably permit) may summarily limit or prohibit (i) any Person from access to services offered by the Exchange, if such Person has been and is expelled or suspended from any self-regulatory organization or barred or suspended from being associated with a member of any self-regulatory organization or is in such financial or operating difficulty that the Exchange determines that such Person cannot be permitted to do business with safety to investors, creditors, Exchange Members or the Exchange; or (ii) a Person who is not an Exchange Member from access to services offered by the Exchange, if such Person does not meet the qualification requirements or other pre-requisites for such access and if such Person cannot be permitted to continue to have access with safety to investors, creditors, Exchange Members and the Exchange. Any Person aggrieved by any such summary action may seek review under the provisions of the Exchange Rules relating to Adverse Action.

**Rule 7.7. Commission Action**

The Commission may stay any summary action taken pursuant to this Chapter on its own motion or upon application by any Person aggrieved thereby made pursuant to Section 19(d) of the Act and the rules thereunder.

**CHAPTER VIII. DISCIPLINE**

**Rule 8.1. Disciplinary Jurisdiction**
(a) An Exchange Member or a Person Associated with an Exchange Member (the “Respondent”) who is alleged to have violated or aided and abetted a violation of any provision of the Act or the rules and regulations promulgated thereunder, or any provision of the Certificate of Organization, Operating Agreement or Rules of the Exchange or any interpretation thereof or any resolution or order of the Board or appropriate Exchange committee shall be subject to the disciplinary jurisdiction of the Exchange under this Chapter, and after notice and opportunity for a hearing may be appropriately disciplined by: expulsion; suspension; limitation of activities, functions and operation; fine; censure; suspension or bar from association with an Exchange Member or any other fitting sanction, in accordance with the provisions of this Chapter.

An individual Exchange Member, responsible party, or other Person Associated with an Exchange Member may be charged with any violation committed by employees under his/her/its supervision or by the Exchange Member with which he/she/it is associated, as though such violation were his/her/its own. An Exchange Member organization may be charged with any violation committed by its employees or by any other Person who is associated with such Exchange Member organization, as though such violation were its own.

(b) Any Exchange Member or Person Associated with an Exchange Member shall continue to be subject to the disciplinary jurisdiction of the Exchange following the termination of such Person’s membership or association with an Exchange Member with respect to matters that occurred prior to such termination; provided that written notice of the commencement of an inquiry into such matters is given by the Exchange to such former Exchange Member or former Associated Person within one year of receipt by the Exchange of the latest written notice of the termination of such Person’s status as an Exchange Member or Person Associated with an Exchange Member. The foregoing notice requirement does not apply to a Person who at any time after a termination again subjects himself or herself to the disciplinary jurisdiction of the Exchange by becoming an Exchange Member or a Person Associated with an Exchange Member.

(c) A summary suspension or other action taken pursuant to Chapter VII of the Rules of the Exchange shall not be deemed to be disciplinary action under this Chapter, and the provisions of this Chapter shall not be applicable to such action.

(d) The Exchange may contract with another self-regulatory organization to perform some or all of the Exchange’s disciplinary functions. In that event, the Exchange shall specify to what extent the Rules in this Chapter VIII shall govern Exchange disciplinary actions and to what extent the rules of the other self-regulatory organization shall govern such actions. Notwithstanding the fact that the Exchange may contract with another self-regulatory organization to perform some or all of the Exchange’s disciplinary functions, the Exchange shall retain ultimate legal responsibility for and control of such functions.

Rule 8.2. Complaint and Investigation

(a) Initiation of Investigation. The Exchange, or the designated self-regulatory organization, when appropriate, shall investigate possible violations within the disciplinary jurisdiction of the
Exchange which are brought to its attention in any manner, or upon order of the Board, the CRO or other Exchange officials designated by the CRO, or upon receipt of a complaint alleging such violation.

(b) Report. In every instance where an investigation has been instituted as a result of a complaint, and in every other instance in which an investigation results in a finding that there are reasonable grounds to believe that a violation has been committed, a written report of the investigation shall be submitted to the CRO by the Exchange’s staff or, when appropriate, by the designated self-regulatory organization.

(c) Requirement to Furnish Information and Right to Counsel. Each Exchange Member and Person Associated with an Exchange Member shall be obligated upon request by the Exchange to appear and testify, and to respond in writing to interrogatories and furnish documentary materials and other information requested by the Exchange in connection with (i) an investigation initiated pursuant to paragraph (a) of this Rule or (ii) a hearing or appeal conducted pursuant to this Chapter or preparation by the Exchange in anticipation of such a hearing or appeal. No Exchange Member or Person associated with an Exchange Member shall impede or delay an Exchange investigation or proceeding conducted pursuant to this Chapter nor refuse to comply with a request made by the Exchange pursuant to this paragraph. An Exchange Member or Person Associated with an Exchange Member is entitled to be represented by counsel during any such Exchange investigation, proceeding or inquiry.

(d) Notice, Statement and Access. Prior to submitting its report, the staff shall notify the Person(s) who is the subject of the report (hereinafter “Subject”) of the general nature of the allegations and of the specific provisions of the Act, rules and regulations promulgated thereunder, or provisions of the Certificate of Organization, Operating Agreement or Rules of the Exchange or any interpretation thereof or any resolution of the Board, that appear to have been violated. To assist a Subject in preparing such a written statement, he or she shall have access to any documents and other materials in the investigative file of the Exchange that were furnished by him or her or his or her agents.

(e) Failure to Furnish Information. Failure to furnish testimony, documentary evidence or other information requested by the Exchange in the course of an Exchange inquiry, investigation, hearing or appeal conducted pursuant to this Chapter or in the course of preparation by the Exchange in anticipation of such a hearing or appeal on the date or within the time period the Exchange specifies shall be deemed to be a violation of this Rule 8.2.

(f) Regulatory Cooperation. No Exchange Member or Person Associated with an Exchange Member or other Person or entity subject to the jurisdiction of the Exchange shall refuse to appear and testify before another exchange or other self-regulatory organization in connection with a regulatory investigation, examination or disciplinary proceeding or refuse to furnish testimony, documentary materials or other information or otherwise impede or delay such investigation, examination or disciplinary proceeding if the Exchange requests such testimony, documentary materials or other information in connection with an inquiry resulting from an agreement entered into by the Exchange pursuant to subsection (g) of this Rule. The requirements of this Rule 8.2(f) shall apply when the Exchange has been notified by another self-
regulatory organization of the request for testimony, documentary materials or other information and the Exchange then requests in writing that an Exchange Member, Person Associated with an Exchange Member or other Person or entity provide such testimony, documentary materials or other information. Any Person or entity required to furnish testimony, documentary materials or other information pursuant to this Rule 8.2(f) shall be afforded the same rights and procedural protections as that Person or entity would have if the Exchange had initiated the request.

(g) Cooperative Agreements. The Exchange may enter into agreements with domestic and foreign self-regulatory organizations providing for the exchange of information and other forms of mutual assistance or for market surveillance, investigative, enforcement or other regulatory purposes.

**Rule 8.3. Expedited Proceeding**

Upon receipt of the notification required by Rule 8.2(d), a Subject may seek to dispose of the matter through a letter of consent signed by the Subject. If a Subject desires to attempt to dispose of the matter through a letter of consent, the Subject must submit to the staff within fifteen (15) days from the date of the notification required by Rule 8.2(d) a written notice electing to proceed in an expedited manner pursuant to this Rule 8.3. The Subject must then endeavor to reach agreement with the Exchange’s staff upon a letter of consent which is acceptable to the staff and which sets forth a stipulation of facts and findings concerning the Subject’s conduct, the violation(s) committed by the Subject and the sanction(s) therefor. The matter can only be disposed of through a letter of consent if the staff and the Subject are able to agree upon terms of a letter of consent which are acceptable to the staff and the letter is signed by the Subject. At any point in the negotiations regarding a letter of consent, either the staff may deliver to the Subject or the Subject may deliver to the staff a written declaration of an end to the negotiations. If the letter of consent is accepted by the CRO, the Exchange may adopt the letter as its decision and shall take no further action against the Subject respecting the matters that are the subject of the letter. If the letter of consent is rejected by the CRO, the matter shall proceed as though the letter had not been submitted. Upon rejection, the Subject will then have fifteen (15) days to submit a written statement pursuant to Rule 8.2(d). The CRO’s decision to accept or reject a letter of consent shall be final, and a Subject may not seek review thereof.

**Rule 8.4. Charges**

(a) Determination Not to Initiate Charges. Whenever it shall appear to the CRO from the investigation report that no probable cause exists for finding a violation within the disciplinary jurisdiction of the Exchange, or whenever the CRO otherwise determines that no further proceedings are warranted, he or she shall issue a written statement to that effect setting forth the reasons for such finding.

(b) Initiation of Charges. Whenever it shall appear to the CRO that there is probable cause for finding a violation within the disciplinary jurisdiction of the Exchange and that further proceedings are warranted, the CRO shall direct the issuance of a statement of charges against the Respondent specifying the acts in which the Respondent is charged to have engaged and setting forth the specific provisions of the Act, rules and regulations promulgated thereunder,
Rule 8.5. Answer

The Respondent shall have fifteen (15) business days after service of the charges to file a written answer thereto. The answer shall specifically admit or deny each allegation contained in the charges, and the Respondent shall be deemed to have admitted any allegation not specifically denied. The answer may also contain any defense which the Respondent wishes to submit and may be accompanied by documents in support of his answer or defense. In the event the Respondent fails to file an answer within the time provided, the charges shall be considered to be admitted.

Rule 8.6. Hearings

(a) Selection of Hearing Panel. Subject to Rule 8.7, concerning summary proceedings, a hearing on the charges shall be held before a panel of three (3) hearing officers (the “Hearing Panel”) appointed by the Chief Executive Officer. Each Hearing Panel shall be comprised as follows: (i) a professional hearing officer, who shall serve as Chairman of the Hearing Panel, (ii) a hearing officer who is an Industry Member, and (iii) a hearing officer who is a Member Representative (each a “Hearing Officer”). Prospective Hearing Officers shall be required to disclose to the Exchange their employment history for the past ten (10) years, any past or current material business or other financial relationships with the Exchange or any members of the Exchange, and any other information deemed relevant by the Exchange. Such disclosures relating to the particular Hearing Officers selected by the Chief Executive Officer shall be provided to the Respondent upon request after the selection of the Hearing Panel. In selecting Hearing Officers for a particular matter, the Chief Executive Officer should give reasonable consideration to the prospective Hearing Officers’ professional competence and reputation, experience in the securities industry, familiarity with the subject matter involved, the absence of bias and any actual or perceived conflict of interest, and any other relevant factors.

(b) Impartiality of Hearing Officers. When any Hearing Officer considers a disciplinary matter he or she is expected to function impartially and independently of the staff members who prepared and prosecuted the charges, Exchange counsel may assist the Hearing Panel in preparing its written recommendations or judgments. Within fifteen (15) days of the appointment of the Hearing Panel, the Respondent may move for disqualification of any Hearing Officer sitting on such Panel based upon bias or conflict of interest. Such motions shall be made in writing and state with specificity the facts and circumstances giving rise to the alleged bias or conflict of interest. The motion papers shall be filed with the Hearing Panel and the Secretary of the Exchange. The Exchange may file a brief in opposition to the Respondent’s motion within fifteen (15) days of service thereof. The Hearing Panel shall rule upon such motion no later than thirty (30) days from filing by the Respondent. Prior adverse rulings against the Respondent or Respondent’s attorney in other matters shall not, in and of themselves, constitute grounds for disqualification. If the Hearing Panel believes the Respondent has provided satisfactory evidence in support of the motion to disqualify, the applicable Hearing Officer shall remove
himself or herself and request the Chief Executive Officer to reassign the hearing to another Hearing Officer such that the Hearing Panel still meets the compositional requirements described in Rule 8.6(a). If the Hearing Panel determines that the Respondent's grounds for disqualification are insufficient, it shall deny the Respondent's motion for disqualification by setting forth the reasons for the denial in writing and the Hearing Panel will proceed with the hearing. The ruling by the Hearing Panel on such motions shall not be subject to interlocutory review.

(c) Notice and List of Documents. Participants shall be given at least fifteen (15) business days' notice of the time and place of the hearing and a statement of the matters to be considered therein. All documentary evidence intended to be presented in the hearing by the Respondent, the Exchange, or the designated self-regulatory authority must be received by the Hearing Panel at least eight (8) days in advance of the hearing or it may not be presented in the hearing. The parties shall furnish each other with a list of all documents submitted for the record not less than four (4) business days in advance of the hearing, and the documents themselves shall be made available to the parties for inspection and copying.

(d) Conduct of Hearing. The Hearing Panel shall determine all questions concerning the admissibility of evidence and shall otherwise regulate the conduct of the hearing. Formal rules of evidence shall not apply. The charges shall be presented by a representative of the Exchange or the designated self-regulatory authority who, along with the Respondent, may present evidence and produce witnesses who shall testify under oath and are subject to being questioned by the Hearing Panel and opposing parties. The Respondent is entitled to be represented by counsel who may participate fully in the hearing. A transcript of the hearing shall be made and shall become part of the record.

Rule 8.7. Summary Proceedings

Notwithstanding the provisions of Rule 8.6 of this Chapter, the CRO may make a determination without a hearing and may impose a penalty as to violations which the Respondent has admitted or charges which the Respondent has failed to answer or which otherwise are not in dispute. Notice of such summary determination, specifying the violations and penalty, shall be served upon the Respondent, who shall have ten (10) business days from the date of service to notify the CRO that he desires a hearing upon all or a portion of any charges not previously admitted or upon the penalty. Failure to so notify the CRO shall constitute an admission of the violations and acceptance of the penalty as determined by the CRO and a waiver of all rights of review. If the Respondent requests a hearing, the matters which are the subject of the hearing shall be handled in accordance with the hearing and review procedures of this Chapter.

Rule 8.8. Offers of Settlement

(a) Submission of Offer. At any time during the course of any proceeding under this Chapter, the Respondent may submit to the CRO a written offer of settlement which shall contain a proposed stipulation of facts and shall consent to a specified penalty. Where the CRO accepts an offer of settlement, he or she shall issue a decision, including findings and conclusions and imposing a penalty, consistent with the terms of such offer. Where the CRO rejects an offer of
settlement, he or she shall notify the Respondent and the matter shall proceed as if such offer had not been made, and the offer and all documents relating thereto shall not become part of the record. A decision of the CRO issued upon acceptance of an offer of settlement as well as the determination of the CRO whether to accept or reject such an offer shall become final twenty (20) business days after such decision is issued, and the Respondent may not seek review thereof.

(b) Submission of Statement. A Respondent may submit with an offer of settlement a written statement in support of the offer. In addition, if the staff will not recommend acceptance of an offer of settlement before the CRO, a Respondent shall be notified and may appear before the CRO to make an oral statement in support of his/her offer. Finally, if the CRO rejects an offer that the staff supports, a Respondent may appear before the CRO to make an oral statement concerning why he/she believes the CRO should change his or her decision and accept Respondent’s offer, and if Respondent makes such appearance, the staff may also appear before the CRO to make an oral statement in support of its position. A Respondent must make a request for such an appearance within five (5) days of being notified that the offer was rejected or that the staff will not recommend acceptance.

Rule 8.9. Decision

Following a hearing conducted pursuant to Rule 8.6 of this Chapter, the Hearing Panel shall prepare a decision in writing, based solely on the record, determining whether the Respondent has committed a violation and imposing the penalty, if any, therefor. The decision shall include a statement of findings and conclusions, with the reasons therefor, upon all material issues presented on the record. Where a penalty is imposed, the decision shall include a statement specifying the acts or practices in which the Respondent has been found to have engaged and setting forth the specific provisions of the Act, rules and regulations promulgated thereunder, the Operating Agreement, Exchange Rules, interpretations or resolutions of which the acts are deemed to be in violation. The Respondent shall promptly be sent a copy of the decision.

Rule 8.10. Review

Such petition shall be in writing and shall specify the findings and conclusions to which exceptions are taken together with reasons for such exceptions. Any objections to a decision not specified by written exception shall be considered to have been abandoned.

(b) Conduct of Review. The review shall be conducted by the Appeals Committee of the Board. Unless the Appeals Committee shall decide to open the record for introduction of evidence or to hear argument, such review shall be based solely upon the record and the written exceptions filed by the parties. The Appeals Committee’s decision shall be in writing and shall be final.

(c) Review on Motion of Board. The Board may on its own initiative order review of a decision made pursuant to Rule 8.7, 8.8, or 8.9 of this Chapter within twenty (20) business days after
issuance of the decision. Such review shall be conducted in accordance with the procedure set forth in paragraph (b) of this Rule.

(d) Review of Decision Not to Initiate Charges. Upon application made by the Chief Executive Officer within thirty (30) days of a decision made pursuant to Rule 8.4(a) of this Chapter, the Board may order review of such decision. Such review shall be conducted in accordance with the procedures set forth in paragraph (b), as applicable.

Rule 8.11. Effective Date of Judgment

Penalties imposed under this Chapter shall not become effective until the review process is completed or the decision otherwise becomes final. Pending effectiveness of a decision imposing a penalty on the Respondent, the CRO, Hearing Panel or committee of the Board, as applicable, may impose such conditions and restrictions on the activities of the Respondent as he, she or it considers reasonably necessary for the protection of investors, creditors and the Exchange.

(a) Service of Notice. Any charges, notices or other documents may be served upon the Respondent either personally or by leaving the same at his place of business or by deposit in the United States post office, postage prepaid, by registered or certified mail addressed to the Respondent at his last known place of business.

(b) Extension of Time Limits. Any time limits imposed under this Chapter for the submission of answers, petitions or other materials may be extended by permission of the authority at the Exchange to whom such materials are to be submitted.

(c) Reports and Inspection of Books for Purpose of Investigating Complaints. For the purpose of any investigation or determination as to the filing of a complaint, or any hearing of any complaint against any Exchange Member or any Person Associated with an Exchange Member, the Exchange’s staff, CRO, Board or designated self-regulatory organization shall have the right (1) to require any Exchange Member to report orally or in writing with regard to any matter involved in any such investigation or hearing, and (2) to investigate the books, records and accounts of any such Exchange Member with relation to any matter involved in any such investigation or hearing. No Exchange Member shall refuse to make any report as required in this Rule, or refuse to permit any inspection of books, records and accounts as may be validly called for under this Rule.

Rule 8.13. Costs of Proceedings

Any Exchange Member disciplined pursuant to this Chapter shall bear such part of the costs of the proceedings as the CRO or the Board deems fair and appropriate in the circumstances.

Actions taken by the Exchange under this Chapter shall be subject to the review and action of any appropriate regulatory agency under the Act.

Rule 8.15. Imposition of Fines for Minor Violation(s) of Rules

(a) In lieu of commencing a disciplinary proceeding as described in Rules 8.1 through 8.13, the Exchange may, subject to the requirements set forth in this Rule, impose a fine, not to exceed $2,500, on any Exchange Member, Associated Person of an Exchange Member, or registered or non-registered employee of an Exchange Member, for any violation of a Rule of the Exchange, which violation the Exchange shall have determined is minor in nature. The Exchange may aggregate individual violations of particular rules and treat such violations as a single offense, provided that such aggregation is based upon a comprehensive automated surveillance program. In other instances, the Exchange may, if no exceptional circumstances are present, impose a fine based upon a determination that there exists a pattern or practice of violative conduct. The Exchange also may aggregate similar violations generally if the conduct was unintentional, there was no injury to public investors, or the violations resulted from a single systemic problem or cause that has been corrected. Any fine imposed pursuant to this Rule and not contested shall not be publicly reported, except as may be required by Rule 19d-1 under the Act or as may be required by any other regulatory authority.

(b) In any action taken by the Exchange pursuant to this Rule, the Person against whom a fine is imposed shall be served (as provided in Rule 8.12) with a written statement, signed by an authorized officer of the Exchange, setting forth (i) the Rule or Rules alleged to have been violated; (ii) the act or omission constituting each such violation; (iii) the fine imposed for each such violation; and (iv) the date by which such determination becomes final and such fine becomes due and payable to the Exchange, or such determination must be contested as provided in paragraph (d) below, such date to be not less than fifteen (15) business days after the date of service of the written statement.

(c) If the Person against whom a fine is imposed pursuant to this Rule pays the fine, such payment shall be deemed to be a waiver by such Person of such Person’s right to a disciplinary proceeding under Rules 8.1 through 8.13 and any review of the matter by the Appeals Committee or by the Board.

(d) Any Person against whom a fine is imposed pursuant to this Rule may contest the Exchange’s determination by filing with the Exchange not later than the date by which such determination must be contested, a written response meeting the requirements of an Answer as provided in Rule 8.5 at which point the matter shall become a disciplinary proceeding subject to the provisions of Rules 8.1 through 8.13. In any such disciplinary proceeding, if the Hearing Panel determines that the Person charged is guilty of the rule violation(s) charged, the Hearing Panel shall (i) be free to impose any one or more disciplinary sanctions and (ii) determine whether the rule violation(s) is minor in nature. The Person charged and the Board of the Exchange may require a review by the Board of any determination by the Hearing Panel by proceeding in the manner described in Rule 8.10.
(e) The Exchange shall prepare and announce to its Exchange Members from time to time a listing of the Exchange Rules as to which the Exchange may impose fines as provided in this Rule. Such listing shall also indicate the specific dollar amount that may be imposed as a fine hereunder with respect to any violation of any such Rule or may indicate the minimum and maximum dollar amounts that may be imposed by the Exchange with respect to any such violation. Nothing in this rule shall require the Exchange to impose a fine pursuant to this rule with respect to the violation of any Rule included in any such listing.

Rule 8.16. Ex Parte Communications

(a) Unless on notice and opportunity for all parties to participate:

(1) No Respondent or Exchange staff member shall make or knowingly cause to be made an ex parte communication relevant to the merits of a proceeding to any Hearing Officer, any member of the Board of Directors or a member of a committee of the Board who is participating in a decision with respect to that proceeding (an “Adjudicator”); and

(2) memoranda stating the substance of all such oral communications; and

(3) all written responses and memoranda stating the substance of all oral responses to all such communications.

(c) If a prohibited ex parte communication has occurred, the Board of Directors or a committee thereof may take whatever action it deems appropriate in the interests of justice, the policies underlying the Act, and the Exchange Operating Agreement and Rules, including dismissal or denial of the offending party’s interest or claim. All participants to a proceeding may respond to any allegations or contentions contained in a prohibited ex parte communication placed in the record. Such responses shall be placed in the record.

(d) The prohibitions of this Rule shall apply beginning with the initiation of an investigation as provided in Rule 8.2(a), unless the Person responsible for the communication has knowledge that the investigation shall be initiated; in which case the prohibitions shall apply beginning at the time of his or her acquisition of such knowledge.

Any objection to a decision not specified by written exception shall be considered to have been abandoned and may be disregarded. Parties may petition to submit a written argument to the Board and may request an opportunity to make an oral argument before the Board. The Board shall have sole discretion to grant or deny either request.

(b) Conduct of Review. The review shall be conducted by the Board. The review shall be made upon the record and shall be made after such further proceedings, if any, as the Board may order. CHAPTER XVI. DUES, FEES, ASSESSMENTS AND OTHER CHARGES; EFFECTIVE DATE

Rule 16.1. Authority to Prescribe Dues, Fees, Assessments and Other Charges

(a) Generally. The Exchange may prescribe such reasonable dues, fees, assessments or other charges as it may, in its discretion, deem appropriate. Such dues, fees, assessments and charges may include membership dues, transaction fees, communication and technology fees, regulatory charges, listing fees, and other fees and charges as the Exchange may determine. All such dues, fees and charges shall be equitably allocated among Exchange Members, issuers and other Person(s) using the Exchange’s facilities.
(b) Regulatory Transaction Fee. Under Section 31 of the Act, the Exchange must pay certain fees to the Commission. To help fund the Exchange's obligations to the Commission under Section 31, this Regulatory Transaction Fee is assessed to Members. To the extent there may be any excess monies collected under this Rule, the Exchange may retain those monies to help fund its general operating expense. Each Exchange Member engaged in executing transactions through the Exchange shall pay, in such manner and at such times as the Exchange shall direct, a Regulatory Transaction Fee equal to (i) the rate determined by the Commission to be applicable to covered sales occurring through the Exchange in accordance with Section 31 of the Act multiplied by (ii) the Exchange Member's aggregate dollar amount of covered sales occurring through the Exchange during any computational period.

A. Introduction

The Automated Matching System Exchange, LLC. ("Exchange" or "Company") proposes to conduct business in reliance upon an exemption from registration as a national securities exchange. The Exchange will be operated solely on an “off-book” basis and each Member firm will be required to create such facilities as the Exchange deems proper for compliance with the Exchange’s Operating Agreement, Rules of Operation, and the Securities Exchange Act of 1934 ("Act"). The Exchange seeks to establish itself as a centralized marketplace for automated matching systems which process securities registered, or exempt from the registration requirements, on an unsolicited basis. Members of the Exchange will be prohibited from taking possession of customer funds or securities and will further be prohibited from the extension of credit to or sharing in profits with any customer. There will be no physical Exchange trading floor, centralized order book, or specialists or market makers with affirmative and negative market making obligations.

Membership in the Exchange will be open to any Broker or Dealer registered under Section 15(b) of the Exchange Act. There will only be one class of membership, with all Exchange Members enjoying the same rights and privileges on the Exchange. Exchange Members will be subject to fees for orders executed through the Exchange as set forth in the Rules of the Exchange or as may otherwise be determined by the Board of Directors of the Exchange from time-to-time. Exchange memberships will not be transferable except in the event of a change in control of an Exchange Member, and such transfer will be subject to the written consent of the Exchange, and to any conditions to such transfers imposed by the Exchange. The Exchange currently does not contemplate charging a fee for membership in the Exchange, but will establish a tiered fee-schedule based on the dollar value of each transaction.

This exhibit describes, in summary form, the proposed operation of the Exchange. A more detailed description of the proposed Exchange is set forth in the proposed Operating Agreement and Rules of the Exchange.

B. Exemption from Registration as an Exchange on Limited Transaction Volume.

The Company is applying for an exemption from the registration requirement as a national securities exchange under Section 5 of the Act by reason of the limited volume of transactions proposed to be effected on such exchange. The Company intends to comply with such restrictions as the Commission deems necessary or appropriate for the protection of investors,
including that of maintaining transaction volume below that of the registered national securities exchange with the lowest transaction volume.

C. Transaction Reporting

The Company is not a participant to the Joint Self-Regulatory Organization Plan Governing the Collection, Consolidation, and Dissemination of Quotation and Transaction Information. As such, Exchange Members shall not trade in Nasdaq Global Market or Nasdaq Capital Market securities or such other securities as are subject to an Effective Transaction Reporting Plan for which the Company is not a participant unless otherwise in compliance with Regulation ATS and Chapter XV of the Rules of Exchange.

Transaction reporting for other securities will be made publicly available and free of charge. Copies of such reports will also be filed with the Commission.

D. Access to the Exchange and Entry and Display of Quotations and Orders

The Exchange has designed its System to allow its Exchange Members to individually determine the best method for display of quotations and entry of orders through the Exchange. Thus, Exchange Members may develop their own customized electronic order books and routing systems, but shall report their transactions to the Exchange at such intervals as required by the Exchange. Exchange Members will be responsible for having procedures reasonably designed for safeguarding access to their systems, transaction reporting to the Exchange, and for notifying the Exchange upon learning that such safeguards have been compromised.

E. Execution, Reporting, Clearance and Settlement Procedures

The Exchange will be operated solely on an “off-book” basis and each Exchange Member will be required to create such facilities as the Exchange deems proper for compliance with the Exchange’s Operating Agreement, Rules of Operation, and the Act. Trades shall occur when an order to buy and an order to sell match on the Exchange Member’s electronic order book. Each Exchange Member shall adopt rules to govern the execution and priority of orders.

The Exchange will bring together orders for multiple buyers and sellers and such will be done by the use of consolidated quotation systems which effect transactions for multiple buyers and sellers. The consolidated quotation systems will display, or otherwise represent, trading interests entered on the AMSE system to its system users. AMSE may use a centralized order router which would match trading interests on the electronic order book of one member with the trading interests on the electronic order book of a second member.

Pursuant to Rules 10.7 through 10.9 of the Exchange, Exchange Members will be required to either use the services of a Qualified Clearing Agency or establish procedures to facilitate the clearance and settlement of transactions in compliance with the Act and without taking possession, custody, or control of funds or securities. Transactions may be processed with or without a central counterparty, but Exchange Members will be required to establish procedures
to safeguard funds and securities where a central clearing agent is not used, such as the designation of a bank to serve as escrow agent pending registration and transfer.

**F. Exchange Fees**

*Fees Generally.* The Exchange currently does not propose to charge a fee for Exchange membership. Instead, the Exchange will set forth a schedule of fees to be assessed on a per order basis and based upon the dollar value of each particular transaction conducted through the Exchange. All Members will be assessed fees in accordance with the uniform schedule of Exchange Fees.

Exchange Members will be solely responsible for all telecommunications costs and all other expenses incurred in linking to, and maintaining links to, the Exchange. The Exchange may determine to revise or impose different fees upon its Members from time-to-time.

**G. Procedures for Ensuring Compliance with Exchange Usage Guidelines**

An Exchange Member may begin trading only after the Exchange is satisfied that both the Exchange Member’s hardware and software meet the Exchange’s standards and that the system is structured for compliance with the Act. All costs incurred in making such determination shall be borne by the Exchange Member. Exchange Members also must agree to maintain an adequate connection to the Exchange, as defined from time-to-time, that includes a connection of sufficient speed and equipment of minimum quality.

**H. Hours of Operation and Proposed Commencement of the Exchange**

Exchange Members will have discretion to operate their systems at any time and from time to time.

The Exchange proposes to commence operations upon the Commission’s approval of its Form 1 Application for Registration as a National Securities Exchange, or pursuant to an exemption from registration therefrom.

**I. Exchange User Manual**

Exchange Members will be provided with the Exchange’s technical specifications, which will enable them to develop or purchase their own, customized front-end software for interfacing with the Exchange and developing unique trading systems. The Exchange will require that a copy of each Exchange Member’s user manual be submitted for review as a condition of approval to commence operations. The user manuals will describe the Exchange Member’s technical specifications and will provide users additional information that the Exchange believes will be useful to such person(s) for trading on the Exchange.

**J. Possession of Funds or Securities**
Neither the Exchange nor any Exchange Member will be permitted to hold funds or securities. Procedures for Clearing and Settlement are incorporated from paragraph E of this Exhibit “E.”
Exhibit F - A complete set of all forms pertaining to: (1) Application for membership, participation, or subscription to the entity, (2) Application for approval as a person associated with a member, participant, or subscriber of the entity, and (3) any other similar materials.

Please see the Uniform Application for Exchange Membership attached as Exhibit “F-1.”
Registration of Associated Person(s) of an Exchange Member will be submitted on Form U-4.
