With respect to an individual who solely maintains a permissive registration(s), the individual's direct supervisor shall not be required to be a registered person. However, for purposes of compliance with Rule 5.110(a)(5), a Member shall assign a registered supervisor who shall be responsible for periodically contacting such individual's direct supervisor to verify that the individual is not acting outside the scope of his or her assigned functions. If such individual is permissively registered as a representative, the registered supervisor shall be registered as a representative or principal. If the individual is permissively registered as a principal, the registered supervisor shall be registered as a principal. Moreover, the registered supervisor of an individual who solely maintains a permissive registration(s) shall not be required to be registered in the same representative or principal registration category as the permissively-registered individual.

.02 Status of Persons Serving in the Armed Forces of the United States.

The following provisions address the status of current and former registered persons serving in active duty in the Armed Forces of the United States:

(a) Inactive Status of Currently Registered Persons

A registered person of a Member who volunteers for or is called into active duty in the Armed Forces of the United States shall be placed, after proper notification to the Exchange, on inactive status and need not be re-registered by such Member upon his or her return to active employment with the Member. Such person shall remain eligible to receive transaction-related compensation, including continuing commissions. The employing Member also may allow such person to enter into an arrangement with another registered person of the Member to take over and service the person's accounts and to share transaction-related compensation based upon the business generated by such accounts. However, because such persons are inactive, they may not perform any of the functions and responsibilities performed by a registered person.

A registered person who is placed on inactive status pursuant to this paragraph (a) shall not be required to complete either the Regulatory Element or Firm Element set forth in Rule 2.160(p) during the pendency of such inactive status. The relief provided in this paragraph (a) shall be available to a registered person who is placed on inactive status pursuant to this paragraph (a) during the period that such person remains registered with the Member with which he or she was registered at the beginning of active duty in the Armed Forces of the United States, regardless of whether the person returns to active employment with another Member upon completion of his or her active duty in the Armed Forces of the United States. The relief described in this paragraph (a) shall be provided only to a person registered with a Member and only while the person remains on active military duty. Further, the Member with which such person is registered shall promptly notify the Exchange in such manner as the Exchange may specify of such person's return to active employment with the Member.

(b) Inactive Status of Sole Proprietorships

A Member that is a sole proprietor who temporarily closes his or her business by reason of volunteering for or being called into active duty in the Armed Forces of the United States, shall be placed, after proper notification to the Exchange, on inactive status while the Member remains on active military duty.

The relief described in this paragraph (b) shall be provided only to a sole proprietor Member and only while the person remains on active military duty. Further, the sole proprietor shall promptly notify the Exchange in such manner as the Exchange may specify of his or her return to active participation in the investment banking or securities business of the Member relating to activity that occurs on the Exchange.

(c) Status of Formerly Registered Persons

If a person who was formerly registered with a Member volunteers for or is called into active duty in the Armed Forces of the United States at any time within two years after the date the person ceased to be registered with a Member, the Exchange shall defer the lapse of registration requirements set forth in Rule 2.160(o) (i.e., toll the two-year expiration period for representative and principal qualification examinations) and the lapse of the SIE (i.e., toll the four-year expiration period for the SIE). The Exchange shall defer the lapse of registration requirements and the SIE commencing on the date the person begins actively serving in the Armed Forces of the United States, provided that the Exchange is properly notified of the person's period of active military service within 90 days following his or her completion of active service or upon his or her re-registration with a Member, whichever occurs first. The deferral will terminate 90 days following the person's completion of active service in the Armed Forces of the United States. Accordingly, if such person does not re-register with a Member within 90 days following his or her completion of active service in the Armed Forces of the United States, the amount of time in which the person must become re-registered with a Member without being subject to a representative or principal qualification examination or the SIE shall consist of the standard two-year period for representative and principal qualification examinations or the standard four-year period for the SIE, whichever is applicable, as provided in Rule 2.160(o) reduced by the period of time between the person's termination of registration and beginning of active service in the Armed Forces of the United States.

If a person placed on inactive status while serving in the Armed Forces of the United States ceases to be registered with a Member, the Exchange shall defer the lapse of registration requirements set forth in Rule 2.160(o) (i.e., toll the two-year expiration period for representative and principal qualification examinations) and the lapse of the SIE (i.e., toll the four-year expiration period for the SIE) during the pendency of his or her active service in the Armed Forces of the United States. The Exchange shall defer the lapse of registration requirements based on existing information in the CRD System, provided that the Exchange is properly notified of the person's period of active military service within two years following his or her completion of active service or upon his or her re-registration with a Member, whichever occurs first. The deferral shall terminate 90 days following the person's completion of active service in the Armed Forces of the United States. Accordingly, if such person does not re-register with a Member within 90 days following his or her completion of active service in the Armed Forces of the United States, the amount of time in which the person must become re-registered with a Member without being subject to a representative or principal qualification examination or the SIE shall consist of the standard two-year period for representative and principal qualification examinations or the standard four-year period for the SIE, whichever is applicable, as provided in Rule 2.160(o).

-
- (f) The Exchange may require the successful completion of a written proficiency examination to enable it to examine and verify that prospective Members and

associated persons of Members have adequate training, experience, and competence to comply with LTSE Rules and policies of the Exchange.

- (g) If the Exchange requires the completion of such proficiency examinations, the Exchange may, in exceptional cases and where good cause is shown, pursuant to LTSE Rule Series 9.600, waive such proficiency examinations as are required by the Exchange upon written request of the applicant and accept other standards as evidence of an applicant's qualifications. Advanced age, physical infirmity, or experience in fields ancillary to the securities business will not individually of themselves constitute sufficient grounds to waive a proficiency examination.

(p) Continuing Education Requirements.

This Rule prescribes requirements regarding the continuing education of specified persons subsequent to their initial registration with the Exchange. The requirements shall consist of a Regulatory Element and a Firm Element as set forth below.

(1) Regulatory Element.

- (A) Requirements. Each associated person registered with the Exchange (each a “Registered Person”) for purposes of this subparagraph (1)), including any person who is permissively registered pursuant to Supplementary Material .01 to Rule 2.160(e) and any person who is designated as eligible for a waiver pursuant to Supplementary Material .01 to Rule 2.160(g), shall comply with the requirement to complete the Regulatory Element.

Each Registered Person shall complete the Regulatory Element of the continuing education program on the occurrence of their second registration anniversary date and every three years thereafter or as otherwise prescribed by FINRA. On each occasion, the Regulatory Element must be completed within 120 days after the Registered Person’s registration anniversary date. A Registered Person’s registration date, also known as the “base date,” shall establish the cycle of anniversary dates for purposes of this LTSE Rule. The content of the Regulatory Element of the continuing education program shall be appropriate for each registration category of Registered Persons subject to the Rule. A Registered Person qualified solely as a Securities Trader shall comply with the continuing education requirements appropriate for the Series 57 license. All other Registered

Persons shall comply with the continuing education requirements applicable to their particular registrations. The content of the Regulatory Element for a person designated as eligible for a waiver pursuant to Supplementary Material .01 to Rule 2.160(g) shall be determined based on the person's most recent registration status, and the Regulatory Element shall be completed based on the same cycle had the person remained registered.

- (B) Failure to Complete. Unless otherwise determined by the Exchange, Registered Person who have not completed the Regulatory Element of the continuing education program within the prescribed time frames will have their registration deemed inactive until such time as the requirements of the program have been satisfied. Further, such person shall not be permitted to be registered in another registration category under Rule 2.160 with that Member or to be registered in any registration category under Rule 2.160 with another Member, until the person has satisfied the deficiency. Any person whose registration has been deemed inactive under this LTSE Rule shall cease all activities as a Registered Person and is prohibited from functioning in any capacity requiring registration with the Exchange. Further, such person may not accept or solicit business or receive any compensation for the purchase or sale of securities. However, such person may receive trail or residual commissions resulting from transactions completed before the inactive status, unless the Member with which such person is associated has a policy prohibiting such trail or residual commissions. A registration that is inactive for a period of two years will be administratively terminated. A person whose registration is so terminated may reactivate the registration only by reapplying for registration and satisfying applicable registration and qualification requirements of the Exchange's Rules. The Exchange may, upon application and a showing of good cause, allow for additional time for a Registered Person to satisfy the program requirements. If a person designated as eligible for a waiver pursuant to Supplementary Material .01 to Rule 2.160(g) fails to complete the Regulatory Element within the prescribed time frames, the person shall no longer be eligible for such a waiver.
- (C) Disciplinary Actions. Unless otherwise determined by the Exchange, a Registered Person, other than a person designated as eligible for a waiver pursuant to Supplementary Material .01 to Rule 2.160(g), will be required to retake the Regulatory Element and satisfy all of its requirements if such person:
- (i) is subject to any statutory disqualification as defined in Section 3(a)(39) of the Act,

- (ii) is subject to suspension or to the imposition of a fine of \$5,000 or more for violation of any provision of any securities law or regulation, or any agreement with or rule or standard of conduct of any securities governmental agency, securities self-regulatory organization, or as imposed by any such regulatory or self-regulatory organization in connection with a disciplinary proceeding, or
- (iii) is ordered as a sanction in a disciplinary action to retake the Regulatory Element by any securities governmental agency or securities self-regulatory organization.

The retaking of the Regulatory Element shall commence with participation within 120 days of the Registered Person becoming subject to the statutory disqualification, in the case of (p)(3)(A) above, or the disciplinary action becoming final, in the case of (p)(3)(B) or (C) above. The date of the disciplinary action shall be treated as such person’s base date for purposes of this LTSE Rule.

- (D) Re-Association in a Registered Capacity. Any Registered Person who has terminated association with a registered broker or dealer and who has, within two years of the date of termination, become re-associated in a registered capacity with a registered broker or dealer shall participate in the Regulatory Element at such intervals that may apply (second anniversary and every three years thereafter) based on the initial registration anniversary date, rather than based on the date of re-association in a registered capacity. The following sets forth the Regulatory Elements appropriate for each registration category:

 - (i) Each Member must maintain a continuing and current education program for its covered registered persons to enhance their securities knowledge, skill, and professionalism. The plan must take into consideration the Member's size, organizational structure, and scope of business activities, as well as regulatory developments and the performance of covered registered persons in the Regulatory Element. If a Member's analysis establishes the need for supervisory training for persons with supervisory responsibilities, such training must be included in the Member's training plan.

The Exchange may require a Member, individually or as part of a larger group, to provide specific training to its covered registered persons in such areas as the Exchange deems appropriate. Such a requirement may stipulate the class of covered registered persons for which it is applicable, the time period in which the requirement must be satisfied and, where appropriate, the actual training content.

(q) Registration Procedures.

(1) Persons associated with a Member who seeks to register with the Exchange shall electronically file a Form U4 with the CRD System by appropriately checking the Exchange as a requested registration on the electronic Form U4 filing. Any person required to complete Form U4 shall promptly electronically file any required amendments to Form U4 with the CRD System.

(iii) such Member or person associated with a Member shares in the profits or losses in any account of such customer only in direct proportion to the financial contributions made to such account by either the Member or person associated with a Member.

(B) Exempt from the direct proportionate share limitation of paragraph (c)(1)(A)(iii) above are accounts of the immediate family of such Member or person associated with a Member. For purposes of this LTSE Rule 3.270, the term "immediate family" shall include parents, mothers-in-law or fathers-in-law, husbands or wives, children or any relatives to whose support the Member or person associated with a Member otherwise contributes directly or indirectly.

(2) Notwithstanding the prohibition of paragraph (c)(1) of this LTSE Rule 3.270, a Member or person associated with a Member that is acting as an investment adviser may receive compensation based on a share in profits or gains in an account if:

(A) such person associated with a Member seeking such compensation obtains prior written authorization from the Member employing the associated person;

- (C) all of the conditions in Rule 205-3 of the Investment Advisers Act of 1940 (as the same may be amended from time to time) are satisfied.

Rule 3.280. Communications with Customers and the Public

Exchange Members and persons associated with a Member shall comply with FINRA Rule 2210 (except FINRA Rule 2210(c)) as if such rule were part of the Exchange's Rule. The Exchange and FINRA are parties to the Regulatory Contract pursuant to which FINRA has agreed to perform certain functions on behalf of the Exchange. Therefore, Exchange Members are complying with this LTSE Rule 3.280 by complying with relevant portions of FINRA Rule 2210, as written. In addition, functions performed by FINRA, FINRA departments, and FINRA staff under this LTSE Rule 3.280 are being performed by FINRA on the Exchange's behalf.

Rule 3.290. Customer Disclosures

No member may accept an order from a customer for execution in the Pre-Market Session or Post-Market Session without disclosing to such customer that extended hours trading involves material trading risks, including the possibility of lower liquidity, high volatility, changing prices, unlinked markets, an exaggerated effect from news announcements, wider spreads, and any other relevant risk.

The disclosures required pursuant to this LTSE Rule 3.290 may take the following form or such other form as provides substantially similar information:

- (a) Risk of Lower Liquidity. Liquidity refers to the ability of market participants to buy and sell securities. Generally, the more orders that are available in a market, the greater the liquidity. Liquidity is important because with greater liquidity it is easier for investors to buy or sell securities, and as a result, investors are more likely to pay or receive a competitive price for securities purchased or sold. There may be lower liquidity in extended hours trading as compared to regular market hours. As a result, your order may only be partially executed, or not at all.
- (b) Risk of Higher Volatility. Volatility refers to the changes in price that securities undergo when trading. Generally, the higher the volatility of a security, the greater its price swings. There may be greater volatility in extended hours trading than in regular market hours. As a result, your order may only be partially executed, or not at all, or you may receive an inferior price in extended hours trading than you would during regular market hours.

- (c) Risk of Changing Prices. The prices of securities traded in extended hours trading may not reflect the prices either at the end of regular market hours, or upon the opening of the next morning. As a result, you may receive an inferior price in extended hours trading than you would during regular market hours.
- (d) Risk of Unlinked Markets. Depending on the extended hours trading system or the time of day, the prices displayed on a particular extended hours system may not reflect the prices in other concurrently operating extended hours trading systems dealing in the same securities. Accordingly, you may receive an inferior price in one extended hours trading system than you would in another extended hours trading system.
- (e) Risk of News Announcements. Normally, issuers make news announcements that may affect the price of their securities after regular market hours. Similarly, important financial information is frequently announced outside of regular market hours. In extended hours trading, these announcements may occur during trading, and if combined with lower liquidity and higher volatility, may cause an exaggerated and unsustainable effect on the price of a security.
- (f) Risk of Wider Spreads. The spread refers to the difference in price between what you can buy a security for and what you can sell it for. Lower liquidity and higher volatility in extended hours trading may result in wider than normal spreads for a particular security.

Rule 3.291. Influencing or Rewarding Employees of Others; Gratuities

A gift of any kind is considered a gratuity.
- (b) This LTSE Rule shall not apply to contracts of employment with or to compensation for services rendered by persons enumerated in paragraph (a) of this Rule 3.291, provided that there is in existence prior to the time of employment or before the services are rendered, a written agreement between the Member and the person who is to be employed to perform such services. (B) Each Member shall inspect at least every three years every branch office that does not supervise one or more non-branch locations. In establishing how often to inspect each non-supervisory branch office, the Member shall consider whether the nature and complexity of the securities activities for which the location is responsible, the volume of business done at the location, and the number of associated persons assigned to the location require the non-supervisory branch office to be inspected more frequently than every three years. If a Member establishes a more frequent inspection cycle, the Member must ensure that at least every three years, the inspection requirements enumerated in paragraph (c)(2) have been met. The Member's written supervisory and inspection procedures shall set forth the non-supervisory branch office examination cycle, an explanation of the factors the Member used in determining the frequency of the examinations in the cycle, and the manner in which a Member will comply with paragraph (c)(2) if using more frequent inspections than every three years.

(C) Each Member shall inspect on a regular periodic schedule every non-branch location. In establishing such schedule, the Member shall consider the nature

and complexity of the securities activities for which the location is responsible and the nature and extent of contact with customers. The Member's written supervisory and inspection procedures shall set forth the schedule and an explanation regarding how the Member determined the frequency of the examination.

- (2) An inspection and review by a Member pursuant to paragraph (c)(1) must be reduced to a written report and kept on file by the Member for a minimum of three years, unless the inspection is being conducted pursuant to paragraph (c)(1)(C) and the regular periodic schedule is longer than a three-year cycle, in which case the report must be kept on file at least until the next inspection report has been written.
 - (A) If applicable to the location being inspected, that location's written inspection report must include, without limitation, the testing and verification of the Member's policies and procedures, including supervisory policies and procedures in the following areas:

 - (v) changes of customer account information, including address and investment objectives changes and validation of such changes.
 - (B) The policies and procedures required by paragraph (c)(2)(A)(iv) must include a means or method of customer confirmation, notification, or follow-up that can be documented. Members may use reasonable risk-based criteria to determine the authenticity of the transmittal instructions.
 - (C) The policies and procedures required by paragraph (c)(2)(A)(v) must include, for each change processed, a means or method of customer confirmation,

notification, or follow-up that can be documented and that complies with Rules 17a-3(a)(17)(i)(B)(2) and 17a-3(a)(17)(i)(B)(3) of the Act.

(D) If a Member does not engage in all of the activities enumerated in paragraphs (c)(2)(A)(i) through (v) at the location being inspected, the Member must identify those activities in the Member's written supervisory procedures or the location's written inspection report and document in the Member's written supervisory procedures or the location's written inspection report that supervisory policies and procedures for such activities must be in place at that location before the Member can engage in them.

(3) For each inspection conducted pursuant to paragraph (c), a Member must:

(A) have procedures reasonably designed to prevent the effectiveness of the inspections required pursuant to paragraph (c)(1) of this LTSE Rule 5.110 from being compromised due to the conflicts of interest that may be present with respect to the location being inspected, including but not limited to, economic, commercial, or financial interests in the associated persons and businesses being inspected; and

(B) ensure that the person conducting an inspection pursuant to paragraph (c)(1) is not an associated person assigned to the location or is not directly or indirectly supervised by, or otherwise reporting to, an associated person assigned to the location.

(C) If a Member determines that compliance with paragraph (c)(3)(B) is not possible either because of a Member's size or its business model, the Member must document in the inspection report both the factors the Member used to make its determination and how the inspection otherwise complies with paragraph (c)(1).

(d) Transaction Review and Investigation

(1) Each Member shall include in its supervisory procedures a process for the review of securities transactions that are reasonably designed to identify trades that may violate the provisions of the Exchange Act, the rules thereunder, or LTSE Rules prohibiting insider trading and manipulative and deceptive device that are effected for the:

 - (B) within five business days of completion of an internal investigation pursuant to paragraph (d)(2) in which it was determined that a violation of the provisions of the Exchange Act, the rules thereunder, or LTSE Rules prohibiting insider trading and manipulative and deceptive devices had occurred, a written report detailing the completion of the investigation, including the results of the investigation, any internal disciplinary action taken, and any referral of the matter to another self-regulatory organization, the SEC, or any other federal, state, or international regulatory authority.

If the applicant previously has been registered with LTSE or another self-regulatory organization, the Member shall review a copy of the applicant's most recent Form U5, including any amendments thereto, within 60 days of the filing date of an application for registration, or demonstrate to LTSE that it has made reasonable efforts to do so. In conducting its review of the Form U5, the Member shall take such action as may be deemed appropriate.

The member shall also review an applicant's employment experience to determine if the applicant has been recently employed by a Futures Commission Merchant or an Introducing Broker that is notice-registered with the SEC pursuant to section 15(b)(11) of the Exchange Act. In such a case, the Member shall also review a copy of the applicant's most recent Commodity Futures Trading Commission Form 8-T, including any amendments thereto, within 60 days of the filing date of an application for registration, or demonstrate to LTSE that it has made reasonable efforts to do so. In conducting its

review of a Form 8-T, the Member shall take such action as may be deemed appropriate.

In addition, each member shall establish and implement written procedures reasonably designed to verify the accuracy and completeness of the information contained in an applicant's initial or transfer Form U4 no later than 30 calendar days after the form is filed with LTSE. Such procedures shall, at a minimum, provide for a search of reasonably available public records to be conducted by the member, or a third-party service provider, to verify the accuracy and completeness of the information contained in the applicant's Form U4.

- (D) Any office of convenience, where associated persons occasionally and exclusively by appointment meet with customers, which is not held out to the public as an office;*
- (E) Any location that is used primarily to engage in non-securities activities and from which the associated person(s) effects no more than 25 securities

transactions in any one calendar year; provided that any retail communication identifying such location also sets forth the address and telephone number of the location from which the associated person(s) conducting business at the non-branch locations are directly supervised;

- (F) The floor of a registered national securities exchange where a Member conducts a direct access business with public customers; or
 - (G) A temporary location established in response to the implementation of a business continuity plan.
- (3) Notwithstanding the exclusions in subparagraph (2), any location that is responsible for supervising the activities of persons associated with the Member at one (1) or more non-branch locations of the Member is considered to be a branch office.
- (4) The term "business day" as used in paragraph (f)(2) of this LTSE Rule 5.110 shall not include any partial business day provided that the associated person spends at least four hours on such business day at his or her designated branch office during the hours that such office is normally open for business.

* * * * * **Supplementary Material** * * * * *

.01 Registration of Main Office.

A Member's main office location is required to be registered and designated as a branch office or OSJ if it meets the definitions of a "branch office" or "office of supervisory jurisdiction" as set forth in LTSE Rule 5.110(f). In general, the nature of activities conducted at a main office will satisfy the requirements of such terms.

.02 Designation of Additional OSJs.

In addition to the locations that meet the definition of OSJ in LTSE Rule 5.110(f), each Member shall also register and designate other offices as OSJs as is necessary to supervise its associated persons in accordance with the standards set forth in LTSE Rule 5.110. In making a determination as to whether to designate a location as an OSJ, the Member should consider the following factors:

- (a) *whether registered persons at the location engage in retail sales or other activities involving regular contact with public customers;*
- (b) *whether a substantial number of registered persons conduct securities activities at, or are otherwise supervised from, such location;*
- (c) *whether the location is geographically distant from another OSJ of the firm;*
- (d) *whether the Member's registered persons are geographically dispersed; and*
- (e) *whether the securities activities at such location are diverse or complex.*

.03 Supervision of Multiple OSJs by a Single Principal.

LTSE Rule 5.110(a)(4) requires a Member to designate one or more appropriately registered principals in each OSJ with the authority to carry out the supervisory responsibilities assigned to that office ("on-site principal"). The designated on-site principal for each OSJ must have a physical presence, on a regular and routine basis, at each OSJ for which the principal has supervisory responsibilities. Consequently, there is a general presumption that a principal will not be designated and assigned to be the on-site principal pursuant to LTSE Rule 5.110(a)(4) to supervise more than one OSJ. If a Member determines it is necessary to designate and assign one appropriately registered principal to be the on-site principal pursuant to LTSE Rule 5.110(a)(4) to supervise two or more OSJs, the Member must take into consideration, among others, the following factors:

- (a) whether the on-site principal is qualified by virtue of experience and training to supervise the activities and associated persons in each location;*
- (b) whether the on-site principal has the capacity and time to supervise the activities and associated persons in each location;*
- (c) whether the on-site principal is a producing Registered Representative;*
- (d) whether the OSJ locations are in sufficiently close proximity to ensure that the on-site principal is physically present at each location on a regular and routine basis; and*
- (e) the nature of activities at each location, including size and number of associated persons, scope of business activities, nature and complexity of products and services offered, volume of business done, the disciplinary history of persons assigned to such locations, and any other indicators of irregularities or misconduct.*

The Member must establish, maintain, and enforce written supervisory procedures regarding the supervision of all OSJs. In all cases where a Member designates and assigns one on-site principal to supervise more than one OSJ, the Member must document in the Member's written supervisory and inspection procedures the factors used to determine why the Member considers such supervisory structure to be reasonable and the determination by the Member will be subject to scrutiny.

.04 Annual Compliance Meeting.

A Member is not required to conduct in-person meetings with each registered person or group of registered persons to comply with the annual compliance meeting (or interview) required by LTSE Rule 5.110(a)(7). A Member that chooses to conduct compliance meetings using other methods (e.g., on-demand webcast or course, video conference, interactive classroom setting, telephone, or other electronic means) must ensure, at a minimum, that each registered person attends the entire meeting (e.g., an on-demand annual compliance webcast would require each registered person to use a unique user ID and password to gain access and use a technology platform to track the time spent on the webcast, provide click-as-you go confirmation, and have an attestation of completion at the end of a webcast) and is able to ask questions regarding the presentation and receive answers in a timely fashion (e.g., an on-demand annual compliance webcast that allows registered persons to ask questions via an email to a presenter or a centralized address or via a telephone hotline and receive timely responses directly or view such responses on the Member's intranet site).

.05 Risk-Based Review of Member's Investment Banking and Securities Business.

A Member may use a risk-based review system to comply with LTSE Rule 5.110(b)(2)'s requirement that a registered principal review, all transactions relating to the investment banking or securities business of the Member. A Member is not required to conduct detailed reviews of each transaction if

a Member is using a reasonably designed risk-based review system that provides a Member with sufficient information that permits the Member to focus on the areas that pose the greatest numbers and risks of violation.

.06 Risk-Based Review of Correspondence and Internal Communications.

By employing risk-based principles, a Member must decide the extent to which additional policies and procedures for the review of:

- (a) incoming and outgoing written (including electronic) correspondence that fall outside of the subject matters listed in LTSE Rule 5.110(b)(4) are necessary for its business and structure. If a Member's procedures do not require that all correspondence be reviewed before use or distribution, the procedures must provide for:
 - (i) the education and training of associated persons regarding the Member's procedures governing correspondence;
 - (ii) the documentation of such education and training; and
 - (iii) surveillance and follow-up to ensure that such procedures are implemented and followed.
- (b) internal communications that are not of a subject matter that require review under LTSE Rules and federal securities laws are necessary for its business and structure.

.07 Evidence of Review of Correspondence and Internal Communications.

The evidence of review required in LTSE Rule 5.110(b) must be chronicled either electronically or on paper and must clearly identify the reviewer, the internal communication or correspondence that was reviewed, the date of review, and the actions taken by the Member as a result of any significant regulatory issues identified during the review. Merely opening a communication is not sufficient review.

.08 Delegation of Correspondence and Internal Communication Review Functions.

In the course of the supervision and review of correspondence and internal communications required by LTSE Rule 5.110(b)(4), a supervisor/principal may delegate certain functions to persons who need not be registered. However, the supervisor/principal remains ultimately responsible for the performance of all necessary supervisory reviews, irrespective of whether he or she delegates functions related to the review. Accordingly, supervisors/principals must take reasonable and appropriate action to ensure delegated functions are properly executed and should evidence performance of their procedures sufficiently to demonstrate overall supervisory control.

.09 Retention of Correspondence and Internal Communications.

Each Member shall retain the internal communications and correspondence of associated persons relating to the Member's investment banking or securities business for the period of time and accessibility specified in Rule 17a-4(b) under the Act. The names of the persons who prepared outgoing correspondence and who reviewed the correspondence shall be ascertainable from the retained records, and the retained records shall be readily available to LTSE, upon request.

.10 Supervision of Supervisory Personnel.

A Member's determination that it is not possible to comply with paragraphs (b)(6)(C)(i) or (b)(6)(C)(ii) of LTSE Rule 5.110 prohibiting supervisory personnel from supervising their own activities and from reporting to, or otherwise having compensation or continued employment determined by, a person or persons they are supervising generally will arise in instances where:

- (a) *the Member is a sole proprietor in a single-person firm;*
- (b) *a registered person is the Member's most senior executive officer (or similar position); or*
- (c) *a registered person is one of several of the Member's most senior executive officers (or similar positions).*

.11 Use of Electronic Media to Communicate Written Supervisory Procedures.

A Member may use electronic media to satisfy its obligation to communicate its written supervisory procedures, and any amendment thereto, pursuant to LTSE Rule 5.110(b)(7), provided that: (1) the written supervisory procedures have been promptly communicated to, and are readily accessible by, all associated persons to whom such supervisory procedures apply based on their activities and responsibilities through, for example, the Member's intranet system; (2) all amendments to the written supervisory procedures are promptly posted to the Member's electronic media; (3) associated persons are notified that amendments relevant to their activities and responsibilities have been made to the written supervisory procedures; (4) the Member has reasonable procedures to monitor and maintain the security of the material posted to ensure that it cannot be altered by unauthorized persons; and (5) the Member retains current and prior versions of its written supervisory procedures in compliance with the applicable record retention requirements of Rule 17a-4(e)(7) under the Act.

.12 Standards for Reasonable Review.

In fulfilling its obligations under LTSE Rule 5.110(c), each Member must conduct a review, at least annually, of the businesses in which it engages. The review must be reasonably designed to assist in detecting and preventing violations of and achieving compliance with applicable securities laws and regulations and with LTSE rules. Each Member shall establish and maintain supervisory procedures that must take into consideration, among other things, the Member's size, organizational structure, scope of business activities, number and location of the Member's offices, the nature and complexity of the products and services offered by the Member, the volume of business done, the number of associated persons assigned to a location, the disciplinary history of Registered Representatives or associated persons, and any indicators of irregularities or misconduct (i.e., "red flags"), etc. The procedures established and reviews conducted must provide that the quality of supervision at remote locations is sufficient to ensure compliance with applicable securities laws and regulations and with LTSE Rules. A Member must be especially diligent in establishing procedures and conducting reasonable reviews with respect to a non-branch location where a Registered Representative engages in securities activities. Based on the factors outlined above, Members may need to impose reasonably designed supervisory procedures for certain locations or may need to provide for more frequent reviews of certain locations.

.13 General Presumption of Three-Year Limit for Periodic Inspection Schedules.

LTSE Rule 5.110(c)(1)(C) requires a Member to inspect on a regular periodic schedule every non-branch location. In establishing a non-branch location inspection schedule, there is a general presumption that a non-branch location will be inspected at least every three years, even in the absence of any indicators of irregularities or misconduct (i.e., "red flags"). If a Member establishes a longer periodic inspection schedule, the Member must document in its written supervisory and inspection procedures the factors used in determining that a longer periodic inspection cycle is appropriate.

.14 Exception to Persons Prohibited from Conducting Inspections.

A Member's determination that it is not possible to comply with LTSE Rule 5.110(c)(3)(B) with respect to who is not allowed to conduct a location's inspection will generally arise in instances where:

- (a) the Member has only one office; or*
- (b) the Member has a business model where small or single-person offices report directly to an OSJ manager who is also considered the offices' branch office manager.*

** Where such office of convenience is located on bank premises, signage necessary to comply with applicable federal and state laws, rules and regulations, LTSE Rules, applicable rules and regulations of other self-regulatory organizations, and securities and banking regulators may be displayed, and shall not be deemed "holding out" for purposes of this section.*

Rule 5.120. Supervisory Control System

- (a) Each Member shall designate and specifically identify to LTSE one or more principals who shall establish, maintain, and enforce a system of supervisory control policies and procedures that:
 - (1) test and verify that the Member's supervisory procedures are reasonably designed with respect to the activities of the Member and its associated persons, to achieve compliance with applicable securities laws and regulations, and with applicable LTSE Rules; and
 - (2) create additional or amend supervisory procedures where the need is identified by such testing and verification. The designated principal or principals must submit to the Member's senior management no less than annually, a report detailing each Member's system of supervisory controls, the summary of the test results and significant identified exceptions, and any additional or amended supervisory procedures created in response to the test results.
- (b) Each report provided to senior management pursuant to paragraph (a) in the calendar year following a calendar year in which a Member reported \$200 million or more in gross revenue must include, to the extent applicable to the Member's business:
 - (1) a tabulation of the reports pertaining to customer complaints and internal investigations made to LTSE during the preceding year; and
 - (2) discussion of the preceding year's compliance efforts, including procedures and educational programs, in each of the following areas:

- (A) trading and market activities;
- (B) investment banking activities;
- (C) antifraud and sales practices;
- (D) finance and operations;
- (E) supervision; and
- (F) anti-money laundering.

(c) For purposes of paragraph (b), "gross revenue" is defined as:

- (1) total revenue as reported on FOCUS Form Part II or IIA (line item 4030) less commodities revenue (line item 3990), if applicable; or
- (2) total revenue as reported on FOCUS Form Part II CSE (line item 4030) less, if applicable, (A) commissions on commodity transactions (line item 3991); and (B) commodities gains or losses (line items 3924 and 3904).

Rule 5.130. Annual Certification of Compliance and Supervisory Processes

- (a) LTSE Members and persons associated with a Member shall comply with FINRA Rule 3130 as if such rule were part of LTSE's Rules.
- (b) For purposes of this LTSE Rule:
 - (1) references to "FINRA Rules" shall be construed as references to "LTSE Rules," and
 - (2) references to "MSRB rules" shall be deleted.

Rule 5.140. Reserved

Rule 5.150. Prevention of the Misuse of Material, Non-Public Information

Each Member must establish, maintain and enforce written procedures reasonably designed, taking into consideration the nature of such Member's business, to prevent the misuse of material, non-public information by such Member or persons associated with such Member. Members for whom the Exchange is the Designated Examining Authority that are required to file SEC form X-17A-5 with the Exchange on an annual or more frequent basis must file contemporaneously with the submission for the calendar year-end "Insider Trading and Securities Fraud Enforcement Act of 1988 compliance acknowledgements stating that the

procedures mandated by this LTSE Rule have been established, enforced, and maintained. Any Member or associated person of a Member who becomes aware of a possible misuse of material, non-public information must notify LTSE Regulation.

- (a) For purposes of this LTSE Rule 5.150, conduct constituting the misuse of material, non-public information includes, but is not limited to, the following:
 - (1) trading in any securities issued by a corporation, or in any related securities or related options or other derivative securities, while in possession of material, non-public information concerning that issuer;
 - (2) trading in a security or related options or other derivative securities, while in possession of material non-public information concerning imminent transactions in the security or related securities; or
 - (3) disclosing to another person or entity any material, non-public information involving a corporation whose shares are publicly traded or an imminent transaction in an underlying security or related securities for the purpose of facilitating the possible misuse of such material, non-public information.

- (b) This LTSE Rule 5.150 provides that, at a minimum, each Member establish, maintain, and enforce the following policies and procedures:
 - (1) all associated persons of the Member must be advised in writing of the prohibition against the misuse of material, non-public information;
 - (2) all associated persons of the Member must sign attestations affirming their awareness of, and agreement to abide by, the aforementioned prohibitions. These signed attestations must be maintained for at least three years, the first two years in an easily accessible place;
 - (3) each Member must receive and retain copies of trade confirmations and monthly account statements for each account in which an associated person has a direct or indirect financial interest or makes investment decisions. The activity in such brokerage accounts should be reviewed at least quarterly by the Member for the purpose of detecting the possible misuse of material, non-public information;
 - (4) all associated persons must disclose to the Member whether they, or any person in whose account they have a direct or indirect financial interest, or make investment decisions, are an officer, director, or 10% shareholder in a company whose shares are publicly traded. Any transaction in the stock (or option thereon) of such company shall be reviewed to determine whether the transaction may have involved a misuse of material non-public information.

Maintenance of the foregoing policies and procedures will not, in all cases, satisfy the requirements and intent of this LTSE Rule 5.150; the adequacy of each Member's policies and procedures will depend upon the nature of such Member's business.

Rule 5.160. Anti-Money Laundering Compliance Program

Each Member shall develop and implement a written anti-money laundering program reasonably designed to achieve and monitor the Member's compliance with the requirements of the Bank Secrecy Act (31 U.S.C. 5311, et seq.), and the implementing regulations promulgated thereunder by the Department of the Treasury. Each Member's anti-money laundering program must be approved, in writing, by a Member of senior management. The anti-money laundering programs required by this LTSE Rule 5.160 shall, at a minimum:

- (a) establish and implement policies and procedures that can be reasonably expected to detect and cause the reporting of transactions required under 31 U.S.C. 5318(g) and the implementing regulations thereunder;
- (b) establish and implement policies, procedures, and internal controls reasonably designed to achieve compliance with the Bank Secrecy Act and the implementing regulations thereunder;
- (c) provide for annual (on a calendar-year basis) independent testing for compliance to be conducted by Member personnel or by a qualified outside party, unless the Member does not execute transactions for customers or otherwise hold customer accounts or act as an introducing broker with respect to customer accounts (e.g., engages solely in proprietary trading or conducts business only with other broker-dealers), in which case such "independent testing" is required every two years (on a calendar-year basis);
- (d) designate and identify to LTSE (by name, title, mailing address, e-mail address, telephone number, and facsimile number) an individual or individuals responsible for implementing and monitoring the day-to-day operations and internal controls of the program (such individual or individuals must be an associated person of the Member) and provide prompt notification to LTSE regarding any change in such designation(s); and
- (e) provide ongoing training for appropriate personnel.

* * * * * **Supplementary Material** * * * * *

.01 Independent Testing Requirements.

- (a) *All Members should undertake more frequent testing than required if circumstances warrant.*

(b) *Independent testing, pursuant to LTSE Rule 5.160(c), must be conducted by a designated person with a working knowledge of applicable requirements under the Bank Secrecy Act and its implementing regulations.*

(c) *Independent testing may not be conducted by:*

- (1) *a person who performs the functions being tested,*
- (2) *the designated anti-money laundering compliance person, or*
- (3) *a person who reports to a person described in either subparagraphs (1) or (2) above.*

.02 Review of Anti-Money Laundering Compliance Person Information.

Each Member must identify, review, and, if necessary, update the information regarding its anti-money laundering compliance person designated pursuant to LTSE Rule 5.160(d) in the manner prescribed by LTSE Rule 2.170(g).

Rule 5.170. Transactions for or by Associated Persons

Members and persons associated with a Member shall comply with FINRA Rule 3210 as if such rule were part of the Exchange's Rules.

CHAPTER 6. MISCELLANEOUS PROVISIONS

Rule 6.110. Comparison and Settlement Requirements

- (a) Every Member who is a Member of a registered clearing agency shall implement comparison and settlement procedures under the rules of such entity.
- (b) For purposes of this LTSE Rule, a registered clearing agency shall mean a clearing agency (as defined in the Act) which has agreed to supply the Exchange with data reasonably requested in order to permit the Exchange to enforce compliance by its Members with the provisions of the Act, the rules and regulations thereunder, and the Rules of the Exchange.
- (c) Anything contained in paragraph (a) to the contrary notwithstanding, the Board may extend or postpone the time of the delivery of an Exchange transaction whenever, in its opinion, such action is called for by the public interest, by just and equitable principles of trade or by the need to meet unusual conditions. In such case, delivery shall be effected at such time, place and manner as directed by the Board.

Rule 6.120. Failure to Deliver and Failure to Receive

- (a) Borrowing and deliveries shall be effected in accordance with Rule 203 of Regulation SHO, under the Exchange Act. The Exchange incorporates by reference Rules 200 and 203 of Regulation SHO, to this LTSE Rule 6.120, as if they were fully set forth herein.

Rule 6.130. Forwarding of Proxy and Other Issuer-Related Materials; Proxy Voting

- (a) A Member when so requested by an issuer and upon being furnished with: (1) sufficient copies of proxy material, annual reports, information statements or other material required by law to be sent to security holders periodically, and (2) satisfactory assurance that it will be reimbursed by such issuer for all out-of-pocket expenses, including reasonable clerical expenses, shall transmit promptly to each beneficial owner of securities (or the beneficial owner's designated investment adviser) of such issuer which are in its possession and control and registered in a name other than the name of the beneficial owner all such material furnished. In the event of a proxy solicitation, such material shall include a signed proxy indicating the number of shares held for such beneficial owner and bearing a symbol identifying the proxy with proxy records maintained by the Member, and a letter informing the beneficial owner (or the beneficial owner's designated investment adviser) of the time limit and necessity for completing the proxy form and forwarding it to the person soliciting proxies prior to the expiration of the time limit in order for the shares to be represented at the

meeting. A Member shall furnish a copy of the symbols to the person soliciting the proxies and shall also retain a copy thereof pursuant to the provisions of Exchange Act Rule 17a-4. This paragraph shall not apply to beneficial owners residing outside of the U.S., though Members may voluntarily comply with the provisions hereof in respect of such persons if they so desire.

- (b) No Member shall give a proxy to vote stock that is registered in its name, unless: (i) such Member is the beneficial owner of such stock; (ii) such proxy is given pursuant to the written instructions of the beneficial owner; or (iii) such proxy is given pursuant to the rules of any national securities exchange or association of which it is a Member, provided that the records of the Member clearly indicate the procedure it is following.
- (c) Notwithstanding the foregoing, a Member that is not the beneficial owner of a security registered under Section 12 of the Exchange Act is prohibited from granting a proxy to vote the security in connection with a shareholder vote on the election of a Member of the board of directors of an issuer (except for a vote with respect to uncontested election of a Member of the board of directors of any investment company registered under the Investment Company Act of 1940), executive compensation, or any other significant matter, as determined by the Commission, by rule, unless the beneficial owner of the security has instructed the Member to vote the proxy in accordance with the voting instructions of the beneficial owner.
- (d) Notwithstanding the foregoing, a Member may give a proxy to vote any stock registered in its name if such Member holds such stock as executor, administrator, guardian, trustee, or in a similar representative or fiduciary capacity with authority to vote. A Member that has in its possession or within its control stock registered in the name of another Member and that desires to transmit signed proxies pursuant to the provisions of paragraph (a) of this LTSE Rule 6.130, shall obtain the requisite number of signed proxies from such holder of record. Notwithstanding the foregoing: (1) any Member designated by a named Employee Retirement Income Security Act of 1974 (as amended) ("ERISA") Plan fiduciary as the investment manager of stock held as assets of the ERISA Plan may vote the proxies in accordance with the ERISA Plan fiduciary responsibilities if the ERISA Plan expressly grants discretion to the investment manager to manage, acquire, or dispose of any plan asset and has not expressly reserved the proxy voting right for the named ERISA Plan fiduciary; and (2) any designated investment adviser may vote such proxies.
- (e) Designated Investment Advisor

For purposes of this LTSE Rule 6.130, the term “designated investment adviser” is a person registered under the Investment Advisers Act of 1940 (as the same may be amended from time-to-time) (the “Advisers Act”), or registered as an investment adviser under the laws of a state, who exercises investment discretion pursuant to an advisory contract for the beneficial owner and is designated in writing by the beneficial owner to receive proxy and related materials and vote the proxy, and to receive annual reports and other material sent to security holders.

- (f) For purposes of this LTSE Rule 6.130, the term “state” shall have the meaning given to such term in Section 202(a)(19) of the Advisers Act.
- (g) The written designation must be signed by the beneficial owner, be addressed to the Member, and include the name of the designated investment adviser.
- (h) Members that receive such a written designation from a beneficial owner must ensure that the designated investment adviser is registered with the SEC pursuant to the Advisers Act, or with a state as an investment adviser under the laws of such state, and that the investment adviser is exercising investment discretion over the customer’s account pursuant to an advisory contract to vote proxies and/or to receive proxy soliciting material, annual reports and other material. Members must keep records substantiating this information.
- (i) Beneficial owners have an unqualified right at any time to rescind designation of the investment adviser to receive materials and to vote proxies. The rescission must be in writing and submitted to the Member.

Rule 6.140. Assigning of Registered Securities in Name of a Member

- (a) A Member may authorize one or more persons who are its employees to assign registered securities in the name of such Member and to guarantee assignments of registered securities with the same effect as if the name of such Member had been signed under like circumstances by one of the partners of the Member or by one of the authorized officers of the Member by executing and filing with the Exchange, in a form prescribed by it, a separate Power of Attorney for each person so authorized.

Rule 6.150. Commissions

Nothing in LTSE Rules, the Bylaws or the Exchange practices shall be construed to require, authorize or permit any Member, or any person associated with a Member, to agree or arrange, directly or indirectly, for the charging of fixed rates of commission for transactions effected on, or effected by the use of the facilities of, the Exchange.

Rule 6.160. Off-Exchange Transactions

No rule, stated policy or practice of this Exchange shall prohibit or condition, or be construed to prohibit or condition or otherwise limit, directly or indirectly, the ability of any Member to effect any transaction otherwise than on this Exchange with another person in any security listed on this Exchange, or to which unlisted trading privileges on this Exchange have been extended.

Rule 6.170. Regulatory Services Agreement

The Exchange may enter into one or more agreements with another self-regulatory organization to provide regulatory services to the Exchange to assist the Exchange in discharging its obligations under Section 6 and Section 19(g) of the Exchange Act. Any action taken by another self-regulatory organization, or its employees or authorized agents, acting on behalf of the Exchange pursuant to a regulatory services agreement shall be deemed to be an action taken by the Exchange; provided, however, that nothing in this provision shall affect the oversight of such other self-regulatory organization by the Commission.

Notwithstanding the fact that the Exchange may enter into one or more regulatory services agreements, the Exchange shall retain ultimate legal responsibility for, and control of, its self-regulatory responsibilities, and any such regulatory services agreement shall so provide.

Rule 6.180. Transactions Involving LTSE Employees

- (a) When a Member has actual notice that an LTSE employee has a financial interest in, or controls trading in, an account, the Member shall promptly obtain and implement an instruction from the employee directing that duplicate account statements be provided by the Member to LTSE.
- (b) No Member shall directly or indirectly make any loan of money or securities to any LTSE employee; provided, however, that this prohibition does not apply to loans made in the context of disclosed, routine banking and brokerage agreements, or loans that are clearly motivated by a personal or family relationship.
- (c) Notwithstanding the annual dollar limitation set forth in LTSE Rule 3.291, no Member shall directly or indirectly give, or permit to be given, anything of more than nominal value to any LTSE employee who has responsibility for a regulatory matter that involves the Member. For purposes of this subsection, the term “regulatory matter” includes, but is not limited to, examinations, disciplinary proceedings, membership applications, listing applications, delisting proceedings, and dispute-resolution proceedings that involve the Member.

Rule 6.210. Ex-Dividend or Ex-Rights Dates

Transactions in securities traded "regular" shall be "ex-dividend" or "ex-rights" as the case may be, on the business day preceding the record date fixed by the company or the date of the closing of transfer books, except when the Board of Directors rules otherwise. Should such record date or such closing of transfer books occur upon a day other than a business day this Rule shall apply for the second preceding business day.

CHAPTER 7. RESERVED

Rule Series 8.100. General Provisions

Rule 8.100. Regulation of LTSE and its Members

LTSE Rules that refer to LTSE Regulation, LTSE Regulation staff, LTSE staff, and LTSE departments should be understood as also referring to FINRA staff and FINRA departments acting on behalf of LTSE pursuant to the Regulatory Contract.

Notwithstanding the fact that LTSE has entered into the Regulatory Contract with FINRA to perform some of LTSE's functions, LTSE shall retain ultimate legal responsibility for, and control of, such functions.

Rule 8.110. Availability of LTSE Rulebook to Customers

Members shall make available a current copy of the LTSE Rules for examination by customers upon request. Members may comply with this LTSE Rule by maintaining electronic access to the LTSE Rules and providing customers with such access upon request.

Rule 8.120. Definitions

Unless otherwise provided, terms used in this Chapter 8 shall have the meaning as defined in LTSE Rule 9.120.

Any such agreement with a foreign regulator must also meet the following conditions:

- (A) the other regulator party to the agreement must have jurisdiction over common regulatory matters; and
 - (B) the agreement must require the other regulator to reciprocate and share with LTSE information of regulatory interest or concern to LTSE.
- (2) LTSE staff may exercise the authority set forth in paragraph (a) of this LTSE Rule 8.210 for the purpose of an investigation, complaint, examination, or proceeding conducted by another domestic or foreign self-regulatory organization, association, securities or contract market, or regulator of such markets with which LTSE has entered into an agreement providing for the exchange of information and other forms of material assistance solely for market surveillance, investigative, enforcement, or other regulatory purposes.

Otherwise, upon motion by the Department of Enforcement or the Department of Market Regulation, the Hearing Officer may permit the Department of Enforcement or the Department of Market Regulation to amend the complaint, including amendments so as to make the complaint conform to the evidence presented, after considering whether the Department of Enforcement or the Department of Market Regulation has shown good cause for the amendment and whether any Respondent will suffer any unfair prejudice if the amendment is allowed. Amendments to complaints will be freely granted when justice so requires.

(c) Withdrawal of Complaint

With prior leave of the Hearing Officer, the Department of Enforcement or the Department of Market Regulation may withdraw a complaint. If the Department of Enforcement or the Department of Market Regulation withdraws the complaint before the earlier of (1) the Hearing Panel's or, if applicable, the Extended Hearing Panel's, issuance of a ruling on a motion for summary disposition, or (2) the start of the hearing on the merits, the withdrawal of the complaint by the Department of Enforcement or the Department of Market Regulation shall be without prejudice and the Department of Enforcement or the Department of Market Regulation shall be permitted to re-file a case based on allegations concerning the same facts and circumstances that are set forth in the withdrawn complaint. Rule 9.214. Consolidation or Severance of Disciplinary Proceedings

(a) Consolidation Initiated by Chief Hearing Officer

The Chief Hearing Officer may order the consolidation of two or more disciplinary proceedings, upon his or her own motion, under circumstances where such consolidation would further the efficiency of the disciplinary process, and where the subject complaints involve common questions of law or fact, or one or more of the same Respondents. In determining whether to order the consolidation of such disciplinary proceedings, the Chief Hearing Officer shall consider:

- (1) whether the same or similar evidence reasonably would be expected to be offered at each of the hearings;
- (2) whether the proposed consolidation would conserve the time and resources of the Parties; and
- (3) whether any unfair prejudice would be suffered by one or more Parties as a result of the consolidation.

If the Chief Hearing Officer proposes to consolidate two or more disciplinary proceedings, the Chief Hearing Officer shall serve upon the Parties notice of the proposed consolidation of disciplinary proceedings, together with a copy of each relevant complaint and any answer that has been filed thereto, pursuant to LTSE Rule 9.132. The Parties shall have 14 days after service to file a response, stating any arguments in favor of or opposition to consolidation.

If a Party moves to consolidate two or more disciplinary proceedings, the Party shall file such motion, together with a copy of each relevant complaint and any answer thereto that has been filed, with the Office of Hearing Officers, and, pursuant to LTSE Rule 9.133, shall serve the same upon the Parties in each of the cases proposed to be consolidated. The Parties shall have 14 days after service to file a response, stating any arguments in favor of or opposition to consolidation, and shall serve the response upon the Parties in each of the cases proposed to be consolidated. The Chief Hearing Officer shall issue an order approving or denying the request for consolidation.

(c) Impact on Hearing Panel or Extended Hearing Panel

If the Chief Hearing Officer issues an order to consolidate two or more disciplinary proceedings for which Hearing Panels or, if applicable, Extended Hearing Panels, have been appointed, the Chief Hearing Officer's order shall specify which Hearing Panel or, if applicable, Extended Hearing Panel, shall preside over the consolidated disciplinary proceeding, or shall appoint a new Hearing Panel or, if applicable, Extended Hearing Panel, to preside, based on the criteria set forth in LTSE Rules 9.231 and 9.232.

(d) Severance Initiated by Chief Hearing Officer

The Chief Hearing Officer may order the severance of a disciplinary proceeding into two or more disciplinary proceedings, upon his or her own motion. In determining whether to order the severance of such disciplinary proceedings, the Chief Hearing Officer shall consider:

- (1) whether the same or similar evidence reasonably would be expected to be offered at each of the possible hearings;
- (2) whether the severance would conserve the time and resources of the Parties;
and
- (3) whether any unfair prejudice would be suffered by one or more Parties if the severance is (not) ordered.

If the Chief Hearing Officer proposes to sever a disciplinary proceeding, the Chief Hearing Officer shall serve upon the Parties notice of the proposed severance of disciplinary

proceedings pursuant to LTSE Rule 9.132. The Parties shall have 14 days after service to file a response, stating any arguments in favor of or opposition to severance.

(e) Severance Initiated by a Party

A Party may file a motion to sever a disciplinary proceeding if one (1) or more of the factors favoring severance set forth in paragraph (d) above appear to be present. If a Party moves to sever a disciplinary proceeding, the Party shall file such motion with the Office of Hearing Officers, and, pursuant to LTSE Rule 9.133, shall serve the same upon each of the parties to the action proposed to be severed. The Parties shall have fourteen (14) days after service to file a response, stating any arguments in favor of or opposition to severance, and shall serve the response upon the Parties in the case proposed to be severed. The Chief Hearing Officer shall issue an order approving or denying the request for severance.

(f) Impact on Hearing Panel or Extended Hearing Panel of Severance

If the Chief Hearing Officer issues an order to sever a disciplinary proceeding for which a Hearing Panel or, if applicable, Extended Hearing Panel, has been appointed, the Chief Hearing Officer's order shall specify whether the same Hearing Panel or, if applicable, Extended Hearing Panel, shall preside over the severed disciplinary proceedings, or shall appoint a new Hearing Panel(s) or, if applicable, Extended Hearing Panel(s), to preside over any or all of the severed proceedings, based on the criteria set forth in LTSE Rules 9.231 and 9.232.

Rule 9.215. Answer to Complaint

(a) Form, Service, Notice

Pursuant to LTSE Rule 9.133, each Respondent named in a complaint shall serve an answer to the complaint on all other Parties within 25 days after service of the complaint on such Respondent, and at the time of service shall file such answer with the Office of Hearing Officers pursuant to LTSE Rules 9.135, 9.136 and 9.137. The Hearing Officer assigned to a disciplinary proceeding pursuant to LTSE Rule 9.213 may extend such period for good cause. Upon the receipt of a Respondent's answer, the Office of Hearing Officers shall promptly send written notice of the receipt of such answer to all Parties.

(b) Content, Affirmative Defenses

Unless otherwise ordered by the Hearing Officer, an answer shall specifically admit, deny, or state that the Respondent does not have and is unable to obtain sufficient information to admit or deny, each allegation in the complaint. When a Respondent intends to deny only part of an allegation, the Respondent shall specify so much of it as is admitted and deny only the remainder. A statement of lack of information shall be deemed a denial. Any

allegation not denied in whole or in part shall be deemed admitted. Any affirmative defense shall be asserted in the answer.

(c) Motion for More Definite Statement

A Respondent may file with an answer a motion for a more definite statement of specified matters of fact or law to be considered or determined. Such motion shall state why each such matter of fact or law should be required to be made more definite. If the motion is granted, the order granting such motion shall set the periods for filing such a statement and any answer thereto.

(d) Amendments to Answer

Upon motion by a Respondent, the Hearing Officer may, after considering good cause shown by the Respondent and any unfair prejudice which may result to any other Party, permit an answer to be amended.

(e) Extension of Time to Answer Amended Complaint

If a complaint is amended pursuant to LTSE Rule 9.212(b), the time for filing an answer or amended answer shall be the greater of the original time period within which the Respondent is required to respond, or 14 days after service of the amended complaint. If any Respondent has already filed an answer, such Respondent shall have 14 days after service of the amended complaint, unless otherwise ordered by the Hearing Officer, within which to file an amended answer.

(f) Failure to Answer, Default

If a Respondent does not file an answer or make any other filing or request related to the complaint with the Office of Hearing Officers within the time required, the Department of Enforcement or the Department of Market Regulation shall send a second notice to such Respondent requiring an answer within 14 days after service of the second notice. The second notice shall state that failure of the Respondent to reply within the period specified shall allow the Hearing Officer, in the exercise of his or her discretion, pursuant to LTSE Rule 9.269 to: (1) treat as admitted by the Respondent the allegations in the complaint; and (2) issue a default decision against the Respondent. If the Respondent fails to file an answer with the Office of Hearing Officers within the time required, the Hearing Officer may issue a default decision against the Respondent pursuant to LTSE Rule 9.269.

- (B) If a letter of acceptance, waiver, and consent is rejected, the Member or associated person shall be bound by the waivers made under paragraphs (a)(1) and (a)(2)(A) for conduct by persons or bodies occurring during the period beginning on the date the letter of acceptance, waiver, and consent

was executed and submitted and ending upon the rejection of the letter of acceptance, waiver, and consent.

If the Department of Enforcement or the Department of Market Regulation has reason to believe a violation has occurred and if the Member or associated person does not dispute the violation, the Department of Enforcement or the Department of Market Regulation may prepare and request that the Member or associated person execute a minor rule violation plan letter accepting a finding of violation, consenting to the imposition of sanctions, and agreeing to waive such Member's or associated person's right to a hearing before a Hearing Panel or, if applicable, an Extended Hearing Panel, and any right of appeal to the LTSE Appeals Committee, the Board, the SEC, and the courts, or to otherwise challenge the validity of the letter, if the letter is accepted. The letter shall describe the act or practice engaged in or omitted, the rule, regulation, or statutory provision violated, and the sanction or sanctions to be imposed. Unless the letter states otherwise, the effective date of any sanction(s) imposed will be a date to be determined by LTSE Regulation staff.
 - (2) (A) If a Member or person associated with a Member submits an executed minor rule violation plan letter, by the submission such Member or person associated with a Member also waives:

- (i) any right of such Member or person associated with a Member to claim bias or prejudice of the General Counsel, CRO, the LTSE Appeals Committee, or any Member of the LTSE Appeals Committee, in connection with such person's or body's participation in discussions regarding the terms and conditions of the minor rule violation plan letter or other consideration of the minor rule violation plan letter, including acceptance or rejection of such minor rule violation plan letter; and
 - (ii) any right of such Member or person associated with a Member to claim that a person violated the ex parte prohibitions of LTSE Rule 9.143 or the separation of functions prohibitions of LTSE Rule 9.144, in connection with such person's or body's participation in discussions regarding the terms and conditions of the minor rule violation plan letter or other consideration of the minor rule violation plan letter, including acceptance or rejection of such minor rule violation plan letter.
- (B) If a minor rule violation plan letter is rejected, the Member or person associated with a Member shall be bound by the waivers made under paragraphs (b)(1) and (b)(2)(A) for conduct by persons or bodies occurring during the period beginning on the date the minor rule violation plan letter was executed and submitted and ending upon the rejection of the minor rule violation plan letter.

 - (B) A proposed order that contains the required elements of a suspension order (except the date and hour of the order's issuance), which are set forth in subparagraph (d)(2) of this Rule 9.217).
- (b) Appointment of Hearing Officers and Hearing Panel
- (1) As soon as practicable after the Exchange initiates a suspension proceeding, a Hearing Panel shall be assigned in accordance with LTSE Rules 9.231 and 9.232.
 - (2) If at any time a Hearing Officer determines that he or she has a conflict of interest or bias or circumstances otherwise exist where his or her fairness might reasonably be questioned, or if a Party files a motion to disqualify a Hearing Officer, the recusal and disqualification proceeding shall be conducted in accordance with LTSE Rule Series 9.200 except that:
 - (A) a motion seeking disqualification of a Hearing Officer must be filed no later than five (5) days after the announcement of the Hearing Panel; and
 - (B) the Exchange may file a brief in opposition to the Respondent's motion no later than 5 days after service thereof.
- (c) Hearing

- (1) **When Held.** The hearing shall be held not later than 15 days after service of the notice initiating the suspension proceeding, unless otherwise extended by the Chief Hearing Officer with the consent of the Parties for good cause shown. - (6) **Transcript.** The hearing shall be recorded by a court reporter and a written transcript thereof shall be prepared. A transcript of the hearing shall be available to the Parties for purchase from the court reporter at prescribed rates. A witness may purchase a copy of the transcript of his or her own testimony from the court reporter at prescribed rates. Proposed corrections to the transcript may be submitted by affidavit to the Hearing Panel within a reasonable time determined by the Hearing Panel. Upon notice to all the Parties to the proceeding, the Hearing Panel may order corrections to the transcript as requested or sua sponte.

Exchange's decision becomes final or, if applicable, upon the conclusion of any review by the SEC or the federal courts.

- (8) Failure to Appear at Hearing. If a Respondent fails to appear at a hearing for which it has notice, the allegations in the notice and accompanying declaration may be deemed admitted, and the Hearing Panel may issue a suspension order without further proceedings. (d) Issuance of Suspension Order by Hearing Panel

- (1) Basis for Issuance. The Hearing Panel shall issue a written decision stating whether a suspension order shall be imposed. The Hearing Panel shall issue the decision not later than ten days after receipt of the hearing transcript, unless otherwise extended by the Chief Hearing Officer with the consent of the Parties for good cause shown. A suspension order shall be imposed if the Hearing Panel finds:

- (1) request a hearing;
- (2) propose an appropriate location for the hearing; and
- (3) propose, if applicable, an Extended Hearing Panel as described in LTSE Rule 9.231.

If a Respondent requests a hearing, a hearing shall be granted. (b) Hearing Officer Order Requiring Hearing

In the absence of a request for a hearing from any Respondent, the Hearing Officer may order any complaint set down for hearing.

(d) Notice of Hearing

The Hearing Officer shall issue a notice stating the date, time, and place of the hearing, and whether the hearing shall be held before a Hearing Panel or an Extended Hearing Panel, and shall serve such notice on the Parties at least 28 days before the hearing, unless:

- (2) the Parties waive the notice period.

Rule 9.222. Extensions of Time, Postponements, and Adjournments

(a) Availability

At any time prior to the issuance of the decision of the Hearing Panel or, if applicable, the Extended Hearing Panel, the Hearing Officer may, for good cause shown, extend or shorten any time limits prescribed by the Code for the filing of any papers and may, consistent with paragraph (b), postpone or adjourn any hearing.

A hearing shall begin at the time and place ordered, unless the Hearing Officer, for good cause shown, changes the place of the hearing, postpones the commencement of the hearing, or adjourns a convened hearing for a reasonable period of time, subject to the limitations in paragraph (b)(2) below.

(1) Additional Considerations

In considering a motion for the postponement of the start of a hearing or, adjournment once a hearing has begun, the Hearing Officer shall consider:

- (A) the length of the proceeding to date;
- (B) the number of postponements, adjournments, or extensions already granted;
- (C) the stage of the proceedings at the time of the request;
- (D) potential harm to the investing public if an extension of time, adjournment, or postponement is granted; and
- (E) such other matters as justice may require.

(2) Time Limit

on a confidential basis regarding an investigation, an examination, an enforcement proceeding, or any other type of civil or criminal enforcement action; or (iii) an examination, an investigation, an enforcement proceeding, or any other type of civil or criminal enforcement action under consideration by, or initiated by, LTSE, a federal, state, or foreign regulatory authority, or a self-regulatory organization; or

(D) the Hearing Officer grants leave to withhold a Document or category of Documents as not relevant to the subject matter of the proceeding, or for other good cause shown.

(2) The Department of Enforcement or the Department of Market Regulation shall withhold a Document if the Document is prohibited from disclosure by federal law.

(3) Nothing in paragraph (b)(1) above authorizes the Department of Enforcement or the Department of Market Regulation to withhold a Document, or a part thereof, that contains material exculpatory evidence.

(c) Withheld Document List

The Hearing Officer may require the Department of Enforcement or the Department of Market Regulation to submit to the Hearing Officer a list of Documents withheld pursuant to paragraph (b) or to submit to the Hearing Officer any Document withheld. Upon review, the Hearing Officer may order the Department of Enforcement or the Department of Market Regulation to make the list or any Document withheld available to the other Parties for inspection and copying unless federal law prohibits disclosure of the Document or its existence. A motion to require the Department of Enforcement or the Department of Market Regulation to produce a list of Documents withheld pursuant to paragraph (b) shall be based upon some reason to believe that a Document is being withheld in violation of the Code.

(d) Timing of Inspection and Copying

The Hearing Officer shall determine the schedule of production of documents pursuant to this LTSE Rule. Unless otherwise ordered by the Hearing Officer, the Department of Enforcement or the Department of Market Regulation shall commence making Documents available to a Respondent for inspection and copying pursuant to this LTSE Rule not later than 21 days after service of the Respondent's answer or, if there are multiple Respondents, not later than 21 days after the last timely answer is filed. If a Respondent in a multi-Respondent case fails to answer, the Department of Enforcement or the Department of Market Regulation shall make Documents available to all other Respondents not later than the later of:

- (1) 21 days after the filing date of the last timely answer, or
- (2) the expiration of the second period provided for filing an answer as set forth in LTSE Rule 9.215(f).

(e) Place and Time of Inspection and Copying

Documents subject to inspection and copying pursuant to this LTSE Rule 9.251 shall be made available to the Respondent for inspection and copying at the LTSE or FINRA office where they are ordinarily maintained, or at such other FINRA office as the Hearing Officer, in his or her discretion, shall designate, or as the Parties otherwise agree. A Respondent shall be given access to the Documents at LTSE's or FINRA's offices during normal business hours. A Respondent shall not be given custody of the Documents or be permitted to remove the Documents from LTSE's or FINRA's offices.

(f) Copying Costs

A Respondent may obtain a photocopy of all Documents made available for inspection. A Respondent shall be responsible for the cost of photocopying. Unless otherwise ordered, charges for copies made at the request of a Respondent shall be at a rate to be established by LTSE.

(g) Failure to Make Documents Available - Harmless Error

In the event that a Document required to be made available to a Respondent pursuant to this LTSE Rule 9.251 is not made available by the Department of Enforcement or the Department of Market Regulation, no rehearing or amended decision of a proceeding already heard or decided shall be required unless the Respondent establishes that the failure to make the Document available was not harmless error. The Hearing Officer, or, upon appeal or review, the LTSE Appeals Committee, shall determine whether the failure to make the document available was not harmless error, applying applicable LTSE, FINRA, SEC, and federal judicial precedent.

Rule 9.252. Requests for Information

(a) Content and Timing of Requests

A Respondent who requests that LTSE invoke LTSE Rule 8.210 to compel the production of Documents or testimony at the hearing shall do so in writing and serve copies on all Parties. Such request shall: be submitted to the Hearing Officer no later than 21 days before the scheduled hearing date; describe with specificity the Documents, the category or type of Documents, or the testimony sought; state why the Documents, the category or type of Documents, or the testimony are material; describe the requesting Party's previous efforts to obtain the Documents, the category or type of Documents, or the testimony

through other means; and state whether the custodian of each Document, or the custodian of the category or type of Documents, or each proposed witness is subject to LTSE's jurisdiction.

(b) Standards for Issuance

A request that LTSE compel the production of Documents or testimony shall be granted only upon a showing that: the information sought is relevant, material, and non-cumulative; the requesting Party has previously attempted in good faith to obtain the desired Documents and testimony through other means but has been unsuccessful in such efforts; and each of the persons from whom the Documents and testimony are sought is subject to LTSE's jurisdiction. In addition, the Hearing Officer shall consider whether the request is unreasonable, oppressive, excessive in scope, or unduly burdensome, and whether the request should be denied, limited, or modified.

(c) Limitations on Requests

If, after consideration of all the circumstances, the Hearing Officer determines that a request submitted pursuant to this LTSE Rule is unreasonable, oppressive, excessive in scope, or unduly burdensome, he or she shall deny the request, or grant it only upon such conditions as fairness requires. In making the foregoing determination, the Hearing Officer may inquire of the other Parties whether they shall stipulate to the facts sought to be proved by the Documents or testimony sought. If the Hearing Officer grants the request, the Hearing Officer shall order that requested Documents be produced to all Parties not less than ten days before the hearing, and order that witnesses whose testimony was requested appear and testify at the hearing. If the Hearing Officer grants the request ten or fewer days before a hearing on the merits is scheduled to begin or after such hearing begins, the Documents or testimony shall be produced immediately to all Parties.

Rule 9.253. Production of Witness Statements

(a) Availability

Notwithstanding the provisions of LTSE Rule 9.251(b),

- (1) A Respondent in a disciplinary proceeding may file a motion requesting that the Department of Enforcement or the Department of Market Regulation produce for inspection and copying any statement of any person called or to be called as a witness by the Department of Enforcement or the Department of Market Regulation that pertains, or is expected to pertain, to his or her direct testimony and which is "a stenographic, mechanical, electrical, or other recording, or a transcription thereof, which is a substantially verbatim recital of an oral statement

made by said witness and recorded contemporaneously with the making of such oral statement," as that phrase is used in 18 U.S.C. § 3500(e)(2).

- (2) A Respondent in a disciplinary proceeding may also file a motion requesting that the Department of Enforcement or the Department of Market Regulation produce for inspection and copying any contemporaneously written statement made by an Interested Staff member during a routine examination or inspection about the substance of oral statements made by a non-LTSE person when (a) either the Interested Staff member or non-LTSE person is called as a witness by the Department of Enforcement or the Department of Market Regulation, and (b) that portion of the statement for which production is sought directly relates to the Interested Staff member's testimony or the testimony of the non-LTSE witness.

(b) Failure to Produce - Harmless Error

In the event that a statement required to be made available for inspection and copying by a Respondent is not provided by the Department of Enforcement or the Department of Market Regulation, there shall be no rehearing of a proceeding already heard, or issuance of an amended decision in a proceeding already decided, unless the Respondent establishes that the failure to provide the statement was not harmless error. The Hearing Officer, or upon appeal or review, the LTSE Appeals Committee, shall determine whether the failure to provide any statement was not harmless error, applying applicable LTSE, FINRA, SEC, and federal judicial precedent.

The documentary evidence submitted by the Parties prior to the hearing pursuant to this paragraph shall not become part of the record, unless the Hearing Officer, Hearing Panel, or Extended Hearing Panel orders some or all of it included pursuant to LTSE Rule 9.267(a)(8). The Hearing Officer may order each Party to refrain from submitting its documentary evidence to the Hearing Officer.

(b) Party's Right to Be Heard

If a hearing is held, a Party shall be entitled to be heard in person, by counsel, or by the Party's representative.

(c) Request to Submit Additional Evidence

Notwithstanding paragraph (a), a Party, for good cause shown, may seek to submit any additional evidence at the hearing as the Hearing Officer, in his or her discretion, determines may be relevant and necessary for a complete record.

Rule 9.262. Testimony

Rule 9.264. Motion for Summary Disposition

(a) Pre-hearing

After a Respondent's answer has been filed and Documents have been made available to that Respondent for inspection and copying pursuant to LTSE Rule 9.251, the Respondent or the Department of Enforcement or the Department of Market Regulation, without leave of the Hearing Officer, may make a motion for summary disposition of any or all the causes of action in the complaint with respect to that Respondent, as well as any defense raised in a Respondent's answer. All pre-hearing motions for summary disposition and supporting papers shall be filed at least 21 days before the time set for the hearing, or at such earlier time as ordered by the Hearing Officer. Notwithstanding the provisions of LTSE Rule 9.146(d), any opposition or response to a pre-hearing motion for summary disposition shall be filed at least seven days before the time set for the hearing.

(b) After Commencement of Hearing on Merits

After a hearing on the merits has commenced, a Respondent or the Department of Enforcement or the Department of Market Regulation may make a motion for summary disposition of any or all of the causes of action in the complaint with respect to that

Respondent or defenses raised in that Respondent's answer only with leave of the Hearing Officer.

(c) Case Not Fully Adjudicated on Motion

If on motion under this LTSE Rule a decision is not rendered upon the whole case or for all the relief asked and a hearing is necessary, the Hearing Panel or, if applicable, the Extended Hearing Panel, at the hearing of the motion, by examining the pleadings and the evidence before it and by questioning counsel, shall, if practicable, ascertain what material facts exist without substantial controversy and what material facts are actually and in good faith controverted. It shall thereupon make an order specifying the facts that appear without substantial controversy, and directing such further proceedings in the action as are just. Upon the hearing of the action the facts so specified shall be deemed established, and the hearing shall be conducted accordingly.

(d) Form of Papers

A motion for summary disposition pursuant to paragraph (a) shall be accompanied by the following: a statement of undisputed facts; a supporting memorandum of points and authorities; and affidavits or declarations that set forth such facts as would be admissible at the hearing and show affirmatively that the affiant is competent to testify to the matters stated therein. (e) Rulings on Motion

The Hearing Officer may promptly deny or defer decisions on any motion for summary disposition; however, only the Hearing Panel or, if applicable, the Extended Hearing Panel, may grant a motion for summary disposition, except the Hearing Officer may grant motions for summary disposition with respect to questions of jurisdiction. The Hearing Panel or, if applicable, the Extended Hearing Panel, may grant the motion for summary disposition if there is no genuine issue with regard to any material fact and the Party that files the motion is entitled to summary disposition as a matter of law. If a Party files a motion under paragraph (a), the facts alleged in the pleadings of the Party against whom the motion is made shall be taken as true, except as modified by stipulations or admissions made by the non-moving Party, by uncontested affidavits or declarations, or by facts officially noticed pursuant to LTSE Rule 9.145. If a Party opposing a motion for summary disposition made under paragraph (a) cannot present, by affidavit prior to the hearing, facts essential to justify the Party's opposition to the motion, the Hearing Panel or, if applicable, the Extended Hearing Panel, may deny the motion for summary disposition or defer the decision on the motion.

Such period shall be reasonable under all the circumstances but the total period allowed for the filing of post-hearing submissions shall not exceed 60 days after the conclusion of the hearing unless the Hearing Officer, for

(b) Sanctions Other Than Exclusion

A Hearing Officer, Hearing Panel or, if applicable, an Extended Hearing Panel, may make such orders as are just in regard to a Party, an attorney for a Party, or other person authorized to represent others by LTSE Rule 9.141.

 - (D) in lieu of any of the foregoing orders or in addition thereto, an order providing that contemptuous conduct includes the failure to obey any order; and
 - (E) an order as provided in subparagraphs (A), (B), and (C) where a Party has failed to comply with an order to produce a person for examination, unless the Party failing to comply shows that such Party is unable to produce such person for examination.
- (2) A Party that without substantial justification fails to disclose information required by LTSE Rules 9.240 and 9.250 or otherwise required by order of the Hearing Officer, Hearing Panel or, if applicable, the Extended Hearing Panel, shall not, unless such failure is harmless, be permitted to use as evidence at a hearing, in a motion or in any other filing of papers, or in oral argument, any witness or information not so disclosed. In addition to, or in lieu of this sanction, the Hearing Officer, Hearing Panel or, if applicable, the Extended Hearing Panel, on motion and after affording an opportunity to be heard, may impose other appropriate sanctions. These sanctions may include any of the sanctions provided for in paragraphs (b)(1)(A) through (C) above.

(c) Review of Exclusions

Such motion to vacate shall be filed and served on all Parties within five days after service of the exclusion order. Any response shall be filed with the Chief Hearing Officer and served on all Parties within five days after the service of the motion to vacate. The Chief Hearing Officer shall consider such motion on an expedited basis and promptly issue a written order. The filing of a motion to vacate shall stay all aspects of the disciplinary proceeding until at least seven days after service of the order of the Chief Hearing Officer. The review proceedings shall be conducted on the basis of the written record without oral argument.

(d) Adjournment

The hearing, conferences, or other activities relating to the disciplinary proceeding shall be stayed pending the review by the Chief Hearing Officer of an exclusion order in paragraph (c). In the event that the Chief Hearing Officer upholds an exclusion of an attorney or other person authorized to represent others by LTSE Rule 9.141, the Hearing

Officer may, upon motion by a Party represented by an attorney or other person subject to an order of exclusion, grant an adjournment to allow the retention of new counsel or selection of a new representative. In determining whether to grant an adjournment or the length of an adjournment, the Hearing Officer shall consider whether there are other counsel or representatives of record on behalf of the Party, the availability of other counsel or other members of an excluded attorney's firm, or the availability of other representatives for the Party, and any other relevant factors.

Rule 9.290. Expedited Disciplinary Proceedings

For any disciplinary proceeding, the subject matter of which also is subject to a temporary cease and desist proceeding initiated pursuant to LTSE Rule 9.810 or a temporary cease and desist order, hearings shall be held and decisions shall be rendered at the earliest possible time. An expedited hearing schedule shall be determined at a pre-hearing conference held in accordance with LTSE Rule 9.241.

Rule 9.311. Appeal by Any Party; Cross -Appeal

(a) Time to File Notice of Appeal

A Respondent or the Department of Enforcement or the Department of Market Regulation may file a written notice of appeal with the Secretary of LTSE, which states the basis and reasons for such review within 25 days after service of a decision issued pursuant to LTSE Rules 9.268 or 9.269, except that a decision concerning an LTSE Member that is an affiliate may not be appealed to the Board.

(b) Effect

An appeal to the Board from a decision issued pursuant to LTSE Rules 9.268 or 9.269 shall be heard by the LTSE Appeals Committee of the Board, and shall operate as a stay of that decision until a decision is issued pursuant to LTSE Rule 9.349 or, in cases called for discretionary review by the Board, until a decision is issued pursuant to LTSE Rule 9.351. Any such appeal, however, will not stay a decision, or that part of a decision, that imposes a permanent cease and desist order.

(c) Notice of Appeal Content and Signature Requirements

A Party appealing pursuant to this LTSE Rule 9.311 shall file a written notice of appeal with the Office of Hearing Officers and serve the notice on the Parties. The notice of appeal shall be signed by the appealing Party, or his or her counsel or representative, and shall contain:

- (2) the disciplinary proceeding docket number;
- (3) the name of the Party on whose behalf the appeal is made;
- (4) a statement on whether oral argument before the LTSE Appeals Committee is requested; and
- (5) a brief statement of the findings, conclusions, or sanctions as to which exceptions are taken.

(d) Notice of Cross-Appeal

A Party who is served with a notice of appeal may file a written notice of cross-appeal and serve the notice of cross-appeal on the Parties. The notice of cross-appeal shall be filed within five days after service of the notice of appeal. The notice of cross-appeal shall be signed by the Party cross-appealing, or his or her counsel, and shall contain the information set forth in paragraphs (c)(1), (c)(2), (c)(4), and (c)(5), and the name of the Party on whose behalf the cross-appeal is made.

(e) Waiver of Issues Not Raised

The LTSE Appeals Committee may, in its discretion, deem waived any issue not raised in the notice of appeal or cross-appeal. The LTSE Appeal Committee or the General Counsel shall provide the Parties with notice of, and an opportunity to submit briefs on, any issue that shall be considered by the LTSE Appeals Committee if such issue was not previously set forth in the notice of appeal. Parties may submit motions to the LTSE Appeals Committee challenging requests for briefing made by the General Counsel under this LTSE Rule of issues that were not previously set forth in the notice of appeal.

(f) Withdrawal of Notice of Appeal or Cross-Appeal

A Party may withdraw a notice of appeal or a notice of cross-appeal filed by him or her at any time by filing a written notice of withdrawal of appeal or cross-appeal with the Office of Hearing Officers and serving notice thereof on the Parties. The notice of withdrawal of appeal or cross-appeal shall contain: the name of the disciplinary proceeding; the disciplinary proceeding docket number; and the name of the Party on whose behalf the notice of appeal or cross-appeal was filed previously. The notice of withdrawal of appeal

or cross-appeal shall be signed by the Party, or his or her counsel or representative. Upon the withdrawal of a notice of appeal, any outstanding cross-appeal shall be treated as an appeal unless it is withdrawn.

Rule 9.312. Review Proceeding Initiated by the LTSE Board

(a) Call for Review

(1) Rule 9.268 Decision

A decision issued pursuant to LTSE Rule 9.268 may be subject to a call for review by any member of the Board. A decision issued pursuant to LTSE Rule 9.268 shall be subject to a call for review within 45 days after the date of service of the decision. If called for review, such decision shall be reviewed by the LTSE Appeals Committee.

(2) Rule 9.269 Decision

A default decision issued pursuant to LTSE Rule 9.629 shall be subject to a call for review by the Chief Regulatory Officer, on his or her own motion within 25 days after the date of service of the decision. If called for review, such decision shall be reviewed by the LTSE Appeals Committee.

(b) Effect

Institution of review by a member of the Board on his or her own motion or the Chief Regulatory Officer, on his or her own motion, shall operate as a stay of a final decision issued pursuant to LTSE Rules 9.268 or 9.629 as to all Parties subject to the notice of review, until the LTSE Appeals Committee issues a decision pursuant to LTSE Rule 9.349, or, in cases called for discretionary review by the Board, until a decision is issued pursuant to LTSE Rule 9.351. Institution of any such review, however, will not stay a decision, or that part of a decision, that imposes a permanent cease and desist order.

(c) Requirements

(1) If a member of the Board, or, for a disciplinary proceeding decided under LTSE Rule 9.269, the Chief Regulatory Officer determines to call a case for review, a written notice of review shall be served promptly on each Party to the proceeding and filed with the Office of Hearing Officers. Such notice of review shall contain:

- (A) the name of the disciplinary proceeding;
- (B) the disciplinary proceeding docket number; and

- (C) a brief statement of the findings, conclusions, or sanctions with respect to which the Board or the Chief Regulatory Officer determined that a call for review was necessary.
 - (2) The statement contained in the notice of review shall not limit the scope of the Board's authority under LTSE Rule 9.346 to review any issues raised in the record. The Board or the Chief Regulatory Officer shall provide the Parties with notice of, and an opportunity to submit briefs on, any issue that shall be considered by the LTSE Appeals Committee if such issue was not previously set forth in the notice of review. Parties may submit motions to the LTSE Appeals Committee requests for briefing made by the General Counsel under this LTSE Rule 9.312 of issues that were not previously set forth in the notice of appeal.
- (d) Effect of Withdrawal of Notice of Appeal, Cross-Appeal

If the review of a disciplinary proceeding by the LTSE Appeals Committee is terminated before the LTSE Appeals Committee issues a decision on the merits because all appealing Parties file a notice of withdrawal of appeal and no Party previously filed a notice of cross-appeal, or all Parties who previously filed a notice of cross-appeal file a notice of withdrawal of cross-appeal:

- (1) a member of the Board shall have the right to call for review a decision issued pursuant to LTSE Rule 9.268 in accordance with LTSE Rule 9.312(a)(1), except that the 45-day period during which a call for review may be made shall begin on the day LTSE receives the last filed notice of withdrawal of appeal or, if applicable, the last filed notice of withdrawal of cross-appeal; and,
- (2) the Chief Regulatory Officer shall have the right to call for review a decision issued pursuant to LTSE Rule 9.269 in accordance with LTSE Rule 9.312(a)(2), except that the 25-day period during which a call for review may be made shall begin on the day LTSE receives the last filed notice of withdrawal of appeal or, if applicable, the last filed notice of withdrawal of cross-appeal.

Rule 9.313. Counsel to LTSE Board and Appeals Committee

(a) Authority

A Counsel to the Board and Appeals Committee shall have authority to take ministerial and administrative actions to further the efficient administration of a proceeding, including the authority to:

- (1) direct the Office of Hearing Officers to complete and transmit a record of a disciplinary proceeding to the LTSE Appeals Committee in accordance with LTSE Rule 9.267;

- (2) establish or amend a briefing schedule under LTSE Rule 9.347(b) but not shorten a briefing schedule except with the consent of the Parties;
- (3) permit a brief or any other document required to be filed to vary from the requirements of LTSE Rule 9.130 as provided in LTSE Rule 9.347(a);
- (4) establish the date, time, and location of an oral argument and provide for notice of the hearing under LTSE Rule 9.341;
- (5) for other than a Party and counsel or a person acting in a representative capacity, determine who may attend a hearing;
- (6) rule on a motion by a Party to request to lengthen or shorten a period of time prescribed by the Code for the filing of any papers, or request that a hearing be postponed or adjourned under LTSE Rule 9.322, except that a period may not be shortened and a hearing may not be postponed or adjourned without the consent of the Parties;
- (7) create and maintain the official record of the disciplinary proceeding on appeal or review; and
- (8) establish the number of copies of all papers that shall be filed with the Adjudicator under LTSE Rule 9.136.

(b) Review

A Party seeking the review of a decision of a Counsel to the Board or Appeals Committee may make a motion to the LTSE Appeals Committee.

Rule 9.321. Transmission of Record

Within 21 days after the filing of a notice of appeal or notice of review, or at such later time as the LTSE Appeals Committee may designate, the Office of Hearing Officers shall assemble and prepare an index to the record, transmit the record and the index to the LTSE Appeals Committee, and serve copies of the index upon all Parties. The Hearing Officer who participated in the disciplinary proceeding, or the Chief Hearing Officer, shall certify that the record transmitted to the LTSE Appeals Committee is complete.

Rule 9.322. Extensions of Time; Postponements; Adjournments

(a) Availability

At any time prior to the issuance of a decision pursuant to LTSE Rule 9.349, the LTSE Appeals Committee or Counsel to the LTSE Appeals Committee, for good cause shown,

may extend or shorten a period prescribed by the Code for the filing of any papers, except that Counsel to the LTSE Appeals Committee may shorten a period so prescribed only with the consent of the Parties. The LTSE Appeals Committee or Counsel to the LTSE Appeals Committee, for good cause shown, may postpone or adjourn a hearing consistent with paragraph (b), except that Counsel to the LTSE Appeals Committee may postpone or adjourn a hearing only with the consent of the Parties.

(b) Limitations on Postponements, Adjournments, and Changes in Location

Oral argument shall begin at the time and place ordered, unless the LTSE Appeals Committee or Counsel to the LTSE Appeals Committee, for good cause shown, postpones, adjourns, or changes the location of the oral argument, except that Counsel to the LTSE Appeals Committee may postpone or adjourn the oral argument only with the consent of the Parties. In considering a motion for the postponement or adjournment of an oral argument, the LTSE Appeals Committee or Counsel to the LTSE Appeals Committee shall consider, in addition to any other relevant factors:

- (1) the length of time the disciplinary proceeding has been pending to date, and the timeliness of the request for a postponement, an adjournment, or an extension;
- (2) the number of postponements, adjournments, or extensions already granted;
- (3) the stage of the proceedings at the time of the request;
- (4) the prejudice to the other Parties;
- (5) the potential harm to the investing public if an extension of time, an adjournment, or a postponement is granted; and
- (6) any other matter that justice may require.

Rule 9.331. Reserved

Rule 9.332. Disqualification and Recusal

(a) Recusal, Withdrawal of Member or Panelist

If at any time a member of the LTSE Appeals Committee or a Counsel to the LTSE Appeals Committee determines that the member or the Counsel to the LTSE Appeals Committee has a conflict of interest or bias or circumstances otherwise exist where the fairness of the member or the Counsel to the LTSE Appeals Committee might reasonably be questioned, the member or the Counsel to the LTSE Appeals Committee shall notify the Chair of the LTSE Appeals Committee who shall issue and serve on the Parties a notice stating that the member or the Counsel to the LTSE Appeals Committee has

withdrawn from the matter. In the event that a member of the LTSE Appeals Committee withdraws, is incapacitated, or is otherwise unable to continue service after assignment, the Chair of the Board shall appoint another member of the Board to serve on the LTSE Appeals Committee for the limited purpose of considering the issues raised in the disciplinary proceeding in which the withdrawal action was taken. In the event that a Counsel to the LTSE Appeals Committee withdraws, is incapacitated, or is otherwise unable to continue service after assignment, the General Counsel shall assign a replacement Counsel to the LTSE Appeals Committee.

(b) Motion for Disqualification

A Party may move for the disqualification of a member of the LTSE Appeals Committee or a Counsel to the LTSE Appeals Committee. All such motions shall be based upon a reasonable, good faith belief that a conflict of interest or bias exists or circumstances otherwise exist where the fairness of the member or the Counsel to the LTSE Appeals Committee might reasonably be questioned, and shall be accompanied by an affidavit setting forth in detail the facts alleged to constitute grounds for disqualification, and the dates on which the Party learned of those facts. Such motions shall be filed not later than 15 days after the later of:

- (1) when the Party learned of the facts believed to constitute the disqualification; or
- (2) when the Party was notified of the composition of the LTSE Appeals Committee or the assignment to the disciplinary proceeding of the Counsel to the LTSE Appeals Committee.

(c) Disposition of Disqualification Motions: Challenges to Single Member of LTSE Appeals Committee, or Counsel to the LTSE Appeals Committee

Motions for disqualification of a member of the LTSE Appeals Committee, or a Counsel to the LTSE Appeals Committee shall be decided by the Chair of the LTSE Appeals Committee (unless the member in question is the Chair in which case a majority of the other members of the LTSE Appeals Committee shall make the determination), who shall promptly determine whether disqualification is required and issue a written ruling on the motion. If a member of the LTSE Appeals Committee is disqualified, the Chair of the LTSE Appeals Committee (or a majority of the other members of the LTSE Appeals Committee if the Chair is disqualified) shall appoint another member of the Board to serve on the LTSE Appeals Committee for the limited purpose of considering the issues raised in the disciplinary proceeding in which the motion was made. If a Counsel is disqualified, the General Counsel shall assign a replacement Counsel to the LTSE Appeals Committee.

(d) Disposition of Disqualification Motions: Challenges to Multiple Members or Panelists

If a Party files a motion to disqualify more than one member of the LTSE Appeals Committee, the Chair of the LTSE Appeals Committee shall promptly determine whether disqualification is required, and shall issue a written ruling on the matter. In the event of such disqualification, the remaining members of the LTSE Appeals Committee shall consider the review or appeal of the disciplinary matter.

Rule Series 9.340. Proceedings

Rule 9.341. Oral Argument

(a) Request for Oral Argument

A Party may request oral argument before the LTSE Appeals Committee. Oral argument shall be requested in writing either in the Party's notice of appeal or cross-appeal or within fifteen (15) days after service of the LTSE Appeal Committee's notice of review. Subject to the limitations of LTSE Rules 9.342 and 9.344, oral argument shall be granted if timely requested. The right to oral argument set forth in this LTSE Rule is unaffected by a Party's waiver of, or failure to request, a hearing pursuant to LTSE Rule Series 9.200. The LTSE Appeals Committee may cancel in writing a previously scheduled oral argument for good cause shown due to abandonment or similar unreasonable availability.

(b) Discretion to Proceed With or Without Oral Argument

In the absence of a request for oral argument, the LTSE Appeals Committee, in its discretion, may order that a matter be set down for oral argument or may consider the matter on the basis of the record.

(c) Notice Regarding Oral Argument

If oral argument is held, a notice stating the date, time, and location of the oral argument shall be served on the Parties at least 21 days before the hearing. The Parties may agree in writing to waive the notice period or, in extraordinary circumstances, the LTSE Appeals Committee or Counsel to the LTSE Appeals Committee may provide for a shorter notice period, except that Counsel to the LTSE Appeals Committee may provide for a shorter notice period only with the consent of the Parties.

(d) Attendance Required

The Parties shall make oral arguments before the LTSE Appeals Committee. Unless otherwise agreed to by all of the Parties, all members of the LTSE Appeals Committee shall be present for the oral argument.

(e) Time Limits

Unless the LTSE Appeals Committee orders otherwise for good cause shown, each Party's oral argument shall be limited to a total of 30 minutes.

(f) Recordation; Transcript Correction

- (1) Oral arguments shall be recorded by a court reporter and a transcript shall be prepared.
- (2) A transcript of a hearing shall be available to a Party for purchase from the court reporter at prescribed rates. A witness may purchase a transcript of his or her own testimony from the court reporter.
- (3) Prior to the filing of post-hearing briefs or within such earlier time as reasonably ordered by the LTSE Appeals Committee a Party or witness may seek to correct his or her transcript. A proposed correction of the transcript shall be submitted by affidavit to the LTSE Appeals Committee. Upon notice to all Parties to the disciplinary proceeding, the LTSE Appeals Committee may order the correction to the transcript as requested or sua sponte.

Rule 9.342. Failure to Appear at Oral Argument

A Party who requests oral argument but fails to appear after being duly notified shall be deemed to have waived any opportunity for oral argument provided under LTSE Rule Series 9.300. The LTSE Appeals Committee shall permit argument to go forward as to those Parties who appear. The LTSE Appeals Committee, in the exercise of its discretion, may consider the matter on the basis of the record without oral argument as to those Parties who failed to appear.

Rule 9.343. Disposition without Oral Argument

If an oral argument is not held, the matter shall be considered by the LTSE Appeals Committee, on the basis of the record, as defined in LTSE Rule 9.267, and supplemented by any written materials submitted to or issued by the LTSE Appeals Committee in connection with the appeal, cross-appeal, or call for review.

Rule 9.344. Failure to Participate Below; Abandonment of Appeal

(a) Failure to Participate Below

If an appealing Party did not participate in the disciplinary proceeding before a Hearing Officer, a Hearing Panel or, if applicable, an Extended Hearing Panel, and fails to show good cause for the failure to participate, the matter shall be considered by the LTSE Appeals Committee on the basis of the record and other documents, as provided in LTSE Rules 9.346 and 9.347. When good cause is shown, the LTSE Appeals Committee shall

remand the disciplinary proceeding with instructions. For purposes of this paragraph, failure to participate shall include failure to file an answer or otherwise respond to a complaint, or failure to appear at a scheduled hearing, but shall not include failure to request a hearing pursuant to LTSE Rule 9.221.

(b) Abandonment of Appeal

If an appealing Party fails to advise the LTSE Appeals Committee of the basis for seeking review or otherwise fails to provide information or submit a written brief in response to a request pursuant to LTSE Rules 9.346 and 9.347, the LTSE Appeals Committee may dismiss the appeal as abandoned, and the decision of the Hearing Officer, the Hearing Panel or, if applicable, the Extended Hearing Panel, shall become the final disciplinary action of LTSE. If a cross-appealing Party fails to advise the LTSE Appeals Committee of the basis for seeking review or otherwise fails to provide information or submit a written brief in response to a request pursuant to LTSE Rules 9.346 and 9.347, the LTSE Appeals Committee may dismiss the cross-appeal as abandoned. Upon a showing of good cause, the LTSE Appeals Committee may withdraw any dismissal entered pursuant to this LTSE Rule.

Rule 9.345. Reserved

Rule 9.346. Evidence in LTSE Appeals Committee Proceedings

(a) Scope of Review

Except as otherwise set forth in this paragraph, the LTSE Appeals Committee's review shall be limited to consideration of:

- (1) the record, as defined in LTSE Rule 9.267, supplemented by briefs and other papers submitted to the LTSE Appeals Committee; and
- (2) any oral argument permitted under this Code.

A Party may introduce additional evidence only with prior approval of the LTSE Appeals Committee, upon a showing that extraordinary circumstances exist under paragraph (b) below. If an appealing Party shows good cause for failure to participate in the disciplinary proceeding below, the LTSE Appeals Committee may hear evidence and consider the disciplinary proceeding pursuant to LTSE Rule 9.344(a).

(b) Leave to Introduce Additional Evidence

A Party may apply to the LTSE Appeals Committee for leave to introduce additional evidence by motion filed not later than 30 days after the Office of Hearing Officers transmits to the LTSE Appeals Committee and serves upon all Parties the index to the

record, pursuant to LTSE Rule 9.321. The motion shall describe each item of proposed new evidence, demonstrate that there was good cause for failing to introduce it below, demonstrate why the evidence is material to the proceeding, and be filed and served. The Party may attach the documentary evidence as an exhibit to the motion. By a motion filed in accordance with LTSE Rule 9.146, a Party may request an extension of the period during which a Party may file a motion for leave to introduce additional evidence. A Party shall demonstrate that there was good cause for failing to file the motion for leave to introduce additional evidence during the period prescribed.

(c) Motion In Opposition; Motion to Introduce Rebuttal Evidence

A Party may file an opposition to a motion, as provided in LTSE Rule 9.146(d), for leave to introduce new evidence, and may move for leave to introduce rebuttal evidence in response to the proposed new evidence. A Party who moves to introduce rebuttal evidence in response to the proposed new evidence of another Party shall describe each item of proposed rebuttal evidence and explain why the evidence is material to the proceeding, and shall file and serve such motion.

(d) Discretion Regarding Review of Additional Evidence

Upon consideration of any motion to introduce additional evidence and any opposition thereto, the LTSE Appeals Committee may permit the evidence to be introduced into the record on review, or may remand the disciplinary proceeding for further proceedings consistent with its ruling or for further fact finding.

(e) Requirements for Submitting Additional Documentary Evidence

A Party that is permitted to introduce additional documentary evidence before the LTSE Appeals Committee pursuant to paragraph (d) shall make copies of the evidence available to the LTSE Appeals Committee and to all Parties at such time as the LTSE Appeals Committee may specify.

(f) Additional Evidence

On its own motion, the LTSE Appeals Committee may order that the record be supplemented with such additional evidence as it may deem relevant. Among other things, the LTSE Appeals Committee may order a Respondent who asserts his or her inability to pay a monetary sanction to file a sworn financial statement and to keep such statement current as ordered by the LTSE Appeals Committee.

(g) Rules of Evidence Not Applicable

The formal rules of evidence as applied in judicial proceedings shall not apply.

(h) Testimony

A person who is subject to the jurisdiction of LTSE shall testify under oath or affirmation. The oath or affirmation shall be administered by a court reporter or a notary public.

Rule 9.347. Filing of Papers in LTSE Appeals Committee Proceedings

(a) Briefs; Reply Briefs; Requirements

Parties may file briefs in connection with proceedings governed by LTSE Rule Series 9.300. Briefs shall be confined to the particular matters at issue. An exception to findings, conclusions, or sanctions shall be supported by citation to the relevant portions of the record, including references to specific pages relied upon, and by concise argument, including citation of such statutes, decisions, and other authorities as may be relevant. If an exception relates to the admission or exclusion of evidence, the substance of the evidence admitted or excluded shall be set forth in the brief, an appendix thereto, or by citation to the record. Parties may file reply briefs. If a Party files a reply brief, such brief shall be limited to matters in reply. All briefs shall conform to the requirements of LTSE Rule Series 9.130, and, except with advance leave of the LTSE Appeals Committee, or Counsel to the LTSE Appeals Committee, exclusive of pages containing tables of contents or tables of authorities, a brief other than a reply brief shall not exceed 25 double-spaced pages, and a reply brief shall not exceed 12 double-spaced pages.

(b) Timely Filing of Briefs

Briefs shall be due upon dates established by the LTSE Appeals Committee, or Counsel to the LTSE Appeals Committee in a scheduling order. Unless the LTSE Appeals Committee, or Counsel to the LTSE Appeals Committee specifies otherwise, opening briefs shall be submitted not less than 21 days from the date of the scheduling order, and answering briefs shall be submitted 21 days thereafter. When reply briefs are submitted, such briefs shall be filed not later than ten days after service of the answering brief. Counsel to the LTSE Appeals Committee may not shorten a period previously established for the filing of briefs except with the consent of the Parties. The time periods listed in this provision are only applicable to the filing of opening briefs, answering briefs, and reply briefs.

Rule 9.348. Powers of the LTSE Appeals Committee on Review

In any appeal or review proceeding pursuant to LTSE Rule Series 9.300, the LTSE Appeals Committee may affirm, dismiss, modify, or reverse with respect to each finding, or remand the disciplinary proceeding with instructions. The LTSE Appeals Committee may affirm, modify, reverse, increase, or reduce any sanction, or impose any other fitting sanction.

Rule 9.349. LTSE Appeals Committee Formal Consideration; Decision

(a) Decision of LTSE Appeals Committee, Including Remand

In an appeal or review of a disciplinary proceeding governed by LTSE Rule Series 9.300 that is not withdrawn or dismissed prior to a decision on the merits, the LTSE Appeals Committee, after considering all matters presented in the appeal or review, may affirm, dismiss, modify or reverse the decision of the Hearing Panel or, if applicable, Extended Hearing Panel, with respect to each Respondent who has appealed or cross-appealed or is subject to a call for review. The LTSE Appeals Committee may affirm, modify, reverse, increase, or reduce any sanction, or impose any other fitting sanction. Alternatively, the LTSE Appeals Committee may remand the disciplinary proceeding with instructions. The LTSE Appeals Committee shall prepare a proposed written decision pursuant to paragraph (b) below.

(b) Contents of Decision

The decision shall include:

- (1) a statement describing the investigative or other origin of the disciplinary proceeding, if not otherwise contained in the record;
- (2) the specific statutory or rule provisions that were alleged to have been violated;
- (3) a statement setting forth the findings of fact with respect to any act or practice the Respondent was alleged to have committed or omitted;
- (4) the conclusions as to whether the Respondent violated any provision alleged in the complaint;
- (5) a statement in support of the disposition of the principal issues raised in the proceeding; and
- (6) a statement describing any sanction imposed, the reasons therefor, and, pursuant to LTSE Rule 9.360, the date upon which such sanction shall become effective.

(c) Issuance of Decision After Expiration of Call for Review Period

The LTSE Appeals Committee shall provide its proposed written decision to the Board. The Board may call the disciplinary proceeding for review pursuant to LTSE Rule 9.351. If the Board does not call the disciplinary proceeding for review, the proposed written decision of the LTSE Appeals Committee shall become final, and the LTSE Appeals Committee shall serve its written decision on the Parties and provide a copy to each member of LTSE with which a Respondent is associated. The decision shall constitute the

final disciplinary action of LTSE for purposes of Rule 19d- 1(c)(1) of the Act, unless the LTSE Appeals Committee remands the proceeding.

Rule Series 9350. Discretionary Review by LTSE Board

Rule 9.351. Discretionary Review by LTSE Board

(a) Call for Review by Director

A Director may call a disciplinary proceeding for review by the Board if the call for review is made within the period prescribed in paragraph (b) below.

(b) 15 Day Period; Waiver

(1) A Director shall make his or her call for review not later than the next meeting of the Board that is at least 15 days after the date on which the Board receives the proposed written decision of the LTSE Appeals Committee.

(2) Waiver

By a unanimous vote of the Board, the Board may shorten the period in subparagraph (1) to less than 15 days. By an affirmative vote of the majority of the Board then in office, the Board may, during the 15-day period in subparagraph (1), vote to extend the period in subparagraph (1) to more than 15 days.

(c) Review at Next Meeting

If a Director calls a disciplinary proceeding for review within the period prescribed in paragraph (b) above, the Board shall review the disciplinary proceeding not later than the next meeting of the Board. The Board may order the Parties (excluding any Respondent who did not appeal or cross-appeal, or as to whom the issues appealed or called for review do not apply) to file briefs in connection with the review proceedings pursuant to this LTSE Rule.

(d) Decision of LTSE Board, Including Remand

After review, the Board may affirm, modify, or reverse the proposed written decision of the LTSE Appeals Committee. The Board may affirm, modify, reverse, increase, or reduce any sanction, or impose any other fitting sanction. Alternatively, the Board may remand the disciplinary proceeding with instructions. The Board shall prepare a written decision that includes all of the elements described in LTSE Rule 9.349(b)(1) through (6).

(e) Issuance of Decision After Expiration of Call for Review Period

The Board shall issue and serve its written decision on the Parties and provide a copy to each Member of LTSE with which a Respondent is associated. The decision shall constitute the final disciplinary action of LTSE for purposes of Rule 19d-1(c)(1) of the Act, unless the Board remands the proceeding.

Rule 9.360. Effectiveness of Sanctions

Unless otherwise provided in the decision issued under LTSE Rule 9.349 or 9.351, a sanction (other than a bar, an expulsion, or a permanent cease and desist order) specified in a decision constituting final disciplinary action of LTSE for purposes of Rule 19d-1(c)(1) of the Act shall become effective on a date to be determined by LTSE staff (or the Hearing Panel, Extended Hearing Panel, or Office of Disciplinary Affairs in the case of a decision with respect to an affiliate of LTSE within the meaning of LTSE Rule 2.210). A bar, an expulsion, or a permanent cease and desist order shall become effective upon service of the decision constituting final disciplinary action of LTSE, unless otherwise specified therein. LTSE shall serve the decision on a Respondent by courier, facsimile or other means reasonably likely to obtain prompt service when the sanction is a bar, an expulsion, or a permanent cease and desist order.

Rule 9.370. Application to SEC for Review

(a) Appeal to SEC; Effect

A Respondent aggrieved by final disciplinary action pursuant to LTSE Rule Series 9.200 or 9.300 may apply for review by the SEC pursuant to Section 19(d)(2) of the Exchange Act. The filing with the SEC of an application for review by the SEC shall stay the effectiveness of any sanction, other than a bar or an expulsion, imposed in a decision constituting final disciplinary action of LTSE for purposes of Rule 19d-1(c)(1) of the Act.

(b) LTSE Notification to Member

LTSE, or FINRA on its behalf, shall promptly notify any LTSE Member with which a Respondent is associated if the Respondent files an application for review to the SEC.

Rule Series 9.500. Other Proceedings

LTSE Rule Series 9.500 provides the procedure for persons who are or are about to be aggrieved by adverse action, including, but not limited to, those persons who have been denied membership in the Exchange, barred from becoming associated with a Member, or prohibited or limited with respect to Exchange services pursuant to the LTSE Bylaws or the Rules of the Exchange (other than disciplinary action for which review is provided in the Rule 9.300 Series and other than an arbitration award, from which there is no Exchange review), to apply for an opportunity to be heard and to have the complained of action reviewed.

Rule Series 9.520. Eligibility Proceedings

Rule 9.521. Purpose and Definitions

(a) Purpose

(e) Member Regulation Consideration

- (1) Matters that may be Approved by LTSE Regulation without the Filing of an Application

LTSE Regulation, as it deems consistent with the public interest and the protection of investors, is authorized to approve a written request for relief from the eligibility requirements by a disqualified Member or a sponsoring Member without the filing of an application by such disqualified Member or sponsoring Member if a disqualified Member or disqualified person is subject to one or more of the following conditions but is not otherwise subject to disqualification:

- (A) a disqualified Member or disqualified person is subject to a disqualification based on an injunction that was entered ten or more years prior to the proposed admission or continuance by order, judgment, or decree of any court of competent jurisdiction from acting as an investment adviser, underwriter, broker, dealer, municipal securities dealer, government securities

broker, government securities dealer, transfer agent, foreign person performing a function substantially equivalent to any of the above, entity or person required to be registered under the Commodity Exchange Act, or any substantially equivalent foreign statute or regulation, or as an affiliated person or employee of any investment company, bank, insurance company, foreign entity substantially equivalent to any of the above, or entity or person required to be registered under the Commodity Exchange Act or any substantially equivalent foreign statute or regulation, or from engaging in or continuing any conduct or practice in connection with any such activity, or in connection with the purchase or sale of any security;

- (B) a sponsoring Member makes a request to change the supervisor of a disqualified person; or

 - (ii) LTSE Regulation concurs with that determination.

(2) Matters that may be Approved by LTSE Regulation after the Filing of an Application

LTSE Regulation, as it deems consistent with the public interest and the protection of investors, is authorized to approve an application filed by a disqualified Member or sponsoring Member if the disqualified Member or disqualified person is subject to one or more of the following conditions but is not otherwise subject to disqualification (other than a matter set forth in paragraph (e)(1)):

- (A) The disqualified person is already a participant in, a Member of, or a person associated with a Member of, a self-regulatory organization (other than LTSE), and the terms and conditions of the proposed admission to LTSE are the same in all material respects as those imposed or not disapproved in connection with such person's prior admission or continuance pursuant to an order of the SEC under Exchange Act Rule 19h-1 or other substantially equivalent written communication;

- (B) LTSE Regulation finds, after reasonable inquiry, that except for the identity of the employer concerned, the terms and conditions of the proposed admission or continuance are the same in all material respects as those imposed or not disapproved in connection with a prior admission or continuance of the disqualified person pursuant to an order of the SEC under Exchange Act Rule 19h-1 or other substantially equivalent written communication, and that there is no intervening conduct or other circumstance that would cause the employment to be inconsistent with the public interest or the protection of investors;
 - (C) The disqualification previously was a basis for the institution of an administrative proceeding pursuant to a provision of the federal securities laws, and was considered by the SEC in determining a sanction against such disqualified person in the proceeding, and the SEC concluded in such proceeding that it would not restrict or limit the future securities activities of such disqualified person in the capacity now proposed, or, if it imposed any such restrictions or limitations for a specified time period, such time period has elapsed;
 - (D) The disqualification consists of a court order or judgment of injunction or conviction, and such order or judgment:
 - (i) expressly includes a provision that, on the basis of such order or judgment, the SEC will not institute a proceeding against such person pursuant to Section 15(b) or 15B of the Exchange Act or that the future securities activities of such persons in the capacity now proposed will not be restricted or limited; or
 - (ii) includes such restrictions or limitations for a specified time period and such time period has elapsed;
 - (E) The disqualified person's functions are purely clerical and/ or ministerial in nature; or
 - (F) The disqualification arises from findings or orders specified in Section 15(b)(4)(D), (E), or (H) of the Exchange Act or arises under Section 3(a)(39)(E) of the Exchange Act.
- (3) Rights of Disqualified Member, Sponsoring Member, Disqualified Person, and LTSE Regulation
- (A) In the event LTSE Regulation does not approve a written request for relief from the eligibility requirements pursuant to paragraph (e)(1), the disqualified

Member or sponsoring Member may file an application, and such Member shall have the right to proceed under LTSE Rules 9.523 or 9.524, as applicable. LTSE Regulation may require a disqualified Member or sponsoring Member to file an application with RAD, notwithstanding the provisions of paragraph (e)(1).

.01 Membership Application Requirements for Members and Persons Associated with a Member Who Are or Become Subject to a Statutory Disqualification.

This Supplementary Material describes when an LTSE Member or Person Associated with a Member who is or becomes subject to a Statutory Disqualification must file a membership application.

- (a) *Statutory Disqualifications Arising from Willful Violations or Failure to Supervise (Exchange Act Section 15(b)(4)(D) or (E). With respect to disqualifications arising solely from findings specified in Exchange Act Section 15(b)(4)(D) or (E) by the SEC, CFTC or an SRO as defined in the Uniform Forms (i.e., Form U4, Form U5 and Form BD), a member shall file an application with LTSE Regulation ("LTSE Regulation") if the sanction is still in effect and:*
- (1) *the disqualified member or person is seeking admission or readmission to the securities industry; or*
 - (2) *the disqualified member or person is seeking to continue in membership or association with a member, unless*
 - (A) *such member or person was as of March 17, 2009, a member of, or an associated person of another SRO* and was, as of March 17, 2009, subject to the disqualification, in which event the member shall file an application with LTSE Regulation only if there is a change in employer or if the member makes an application for the registration of the person as a principal pursuant to LTSE rules.*
- (b) *Statutory Disqualifications Arising from Sarbanes-Oxley Act (Exchange Act Section 15(b)(4)(H). With respect to disqualifications arising solely from orders specified in Exchange Act Section 15(b)(4)(H)(i) and (ii), a member shall file an application with LTSE Regulation if:*
- (1) *the disqualified member or person is seeking admission or readmission to, or continuance in, the securities industry, unless:*
 - (A) *such member or person is subject to a final order pursuant to Section 15(b)(4)(H)(ii)9**; and*
 - (B) *the sanctions do not involve licensing or registration revocation or suspension (or analogous sanctions), and the sanctions are no longer in effect, in which event an application need not be filed; or*

(C) the sanctions do involve licensing or registration revocation or suspension (or analogous sanctions), the sanctions are no longer in effect, and the order was entered ten (10) or more years ago, in which event an application need not be filed.

However, if the disqualified member or person was, as of March 17, 2009, a member of, or an associated person of a member of, another SRO and was, as of March 17, 2009, subject to a final order as described in Section 15(b)(4)(H)(ii) and:*

- (2) the sanctions do not involve licensing or registration revocation or suspension (or analogous sanctions), and the sanctions are still in effect, the member shall file an application with LTSE Regulation only if there is a change in employer, or if the member makes an application for the registration of the person as a principal pursuant to LTSE rules; or*
- (3) the sanctions do involve licensing or registration revocation or suspension (or analogous sanctions), and the sanctions are no longer in effect, and the order was entered within the prior 10 years, the member shall file an application with LTSE Regulation only if there is a change in employer, or if the member makes an application for the registration of the person as a principal pursuant to LTSE rules.*

Moreover, where such member or person was, as of March 17, 2009, a member of, or an associated person of a member of another SRO and was, as of March 17, 2009, subject to a bar as described in Exchange Act Section 15(b)(4)(H)(i), and the bar is still in effect*** (and is not related to fraudulent, manipulative, or deceptive conduct), the member shall file an application with LTSE Regulation only if there is a change in employer or if the member makes an application for the registration of the person as a principal pursuant to LTSE rules.*

(c) Statutory Disqualifications under Exchange Act Section 3(a)(39)(E) Certain Affiliated Relationships

With respect to disqualifications arising solely under Section 3(a)(39)(E) of the Exchange Act, a member shall file an application with LTSE Regulation if:

- (1) the disqualified member or person is seeking admission or readmission to, or continuance in, the securities industry and the disqualified member or person is subject to a statutory disqualification under Exchange Act Section 3(a)(39)(E), solely because such member or person has associated with him any person who is known, or in the exercise of reasonable care should be known, to the disqualified member or person to be a person described by Exchange Act Section 3(a)(39)(A), (B), (C) or (D), and the associated person:
 - (A) controls such disqualified member or person, is a general partner or officer (or person occupying a similar status or performing similar functions) of such disqualified member, is an employee, who, on behalf of such disqualified member, is engaged in securities advertising, public relations, research, sales, trading, or training or supervision of other employees who engage or propose to engage in such activities, except clerical and ministerial persons engaged in such activities, or is an employee with access to funds, securities or books and records, or*
 - (B) is a broker or dealer not registered with the SEC, or controls such (unregistered) broker or dealer, or is a general partner or officer (or person occupying a similar status or performing similar functions) of such broker or dealer.**

However, the disqualified member or person seeking to continue in the securities industry is not required to file an application where such member or person was, as of March 17, 2009, a member of, or an associated person of a member of another SRO and was, as of March 17, 2009, subject to the disqualification.

** An associated person for purposes of LTSE Rule 9.522 would include a person that was associated with a member of another SRO within 45 days prior to March 17, 2009, provided that the person was associated with another member of another SRO within 45 days after March 17, 2009.*

*** This would include a finding of aiding and abetting a violation of such laws.*

**** A person would no longer be subject to a statutory disqualification when the time limitation of a bar or license revocation has expired, provided that: (1) application for reentry is not required or has been granted; (2) the bar or revocation has no continuing effect; and (3) the bar was not issued in connection with a final order based on violations of laws or regulations prohibiting fraudulent, manipulative or deceptive conduct, as described in Exchange Act Section 15(b)(4)(H)(ii). As an example, a person subject to a statutory disqualification based on a three-month bar (or three-year bar) that ends automatically and has no continuing effect would no longer be subject to a statutory disqualification at the end of the three months (or three years) under Exchange Act Section 15(b)(4)(H)(i), unless the bar was issued in connection with a final order based on violations of laws or regulations prohibiting fraudulent, manipulative or deceptive conduct, as described in Exchange Act Section 15(b)(4)(H)(ii).*

Rule 9.523. Acceptance of LTSE Regulation Recommendations and Supervisory Plans by Consent Pursuant to Exchange Act Rule 19h-1

- (a) With respect to all disqualifications, except those arising solely from findings or orders specified in Section 15(b)(4)(D), (E) or (H) of the Exchange Act or arising under Section 3(a)(39)(E) of the Exchange Act, after an application is filed, LTSE Regulation may recommend the membership or continued membership of a disqualified Member or sponsoring Member or the association or continuing association of a disqualified person pursuant to a supervisory plan where the disqualified Member, sponsoring Member, and/or disqualified person, as the case may be, consent to the recommendation and the imposition of the supervisory plan. The disqualified Member, sponsoring Member, and/or disqualified person, as the case may be, shall execute a letter consenting to the imposition of the supervisory plan.
- (1) If a disqualified Member, sponsoring Member, and/or disqualified person submitted an executed letter consenting to a supervisory plan, by the submission of such letter, the disqualified Member, sponsoring Member and/or disqualified person waive:

 - (B) any right of the disqualified Member, sponsoring Member, and/or disqualified person to claim bias or prejudice by LTSE Regulation, the Chief Regulatory Officer, the LTSE Appeals Committee, or any Member of the LTSE Appeals Committee, in connection with such person's or body's participation in discussions regarding the terms and conditions of LTSE Regulation's recommendation or the supervisory plan, or other consideration of the recommendation or supervisory plan, including acceptance or rejection of such recommendation or supervisory plan; and
 - (C) any right of the disqualified Member, sponsoring Member, and/or disqualified person to claim that a person violated the ex parte prohibitions of LTSE Rule 9.143 or the separation of functions prohibitions of LTSE Rule 9.144, in connection with such person's or body's participation in discussions regarding the terms and conditions of the recommendation or supervisory plan, or other consideration of the recommendation or supervisory plan, including acceptance or rejection of such recommendation or supervisory plan.
- (2) If a recommendation or supervisory plan is rejected, the disqualified Member, sponsoring Member, and/or disqualified person shall be bound by the waivers made under paragraph (a)(1) for conduct by persons or bodies occurring during the period beginning on the date the supervisory plan was submitted and ending upon the rejection of the supervisory plan and shall have the right to proceed under this LTSE Rule and LTSE Rule 9.524, as applicable.
 - (3) If the disqualified Member, sponsoring Member, and/or disqualified person execute the letter consenting to the supervisory plan, it shall be submitted to the Office of General Counsel by LTSE Regulation with a proposed Notice under Exchange Act Rule 19h-1, where required. The Office of General Counsel shall forward the supervisory plan and proposed Notice under Exchange Act Rule 19h-1, if any, to the Chair of LTSE Appeals Committee, acting on behalf of the Board. The Chair of the LTSE Appeals Committee may accept or reject the recommendation of LTSE Regulation.
 - (4) If the recommendation and supervisory plan is accepted by the LTSE Appeals Committee, it shall be deemed final and, where required, the proposed Notice under Exchange Act Rule 19h-1 will be filed by LTSE. If the recommendation and supervisory plan are rejected by the LTSE Appeals Committee, LTSE may take any other appropriate action with respect to the disqualified Member, sponsoring

Member, and/or disqualified person. If the recommendation and supervisory plan are rejected, the disqualified Member, sponsoring Member, and/or disqualified person shall not be prejudiced by the execution of the letter consenting to the supervisory plan under this paragraph (a) and the letter may not be introduced into evidence in any proceeding.

- (b) With respect to disqualifications arising solely from findings or orders specified in Section 15(b)(4)(D), (E) or (H) of the Exchange Act or arising under Section 3(a)(39)(E) of the Exchange Act, after an application is filed, in approving an application under LTSE Rule 9.522(e)(2)(F), LTSE Regulation is authorized to accept the Membership or continued Membership of a disqualified Member or sponsoring Member or the association or continuing association of a disqualified person pursuant to a supervisory plan where the disqualified Member, sponsoring Member, and/or disqualified persons, as the case may be, consent to the imposition of the supervisory plan. The disqualified Member, sponsoring Member, and/or disqualified person, as the case may be, shall execute a letter consenting to the imposition of the supervisory plan. LTSE Regulation shall prepare a proposed Notice under Exchange Act Rule 19h-1, where required, and LTSE shall file such Notice.
- (1) If a disqualified Member, sponsoring Member, and/or disqualified person submitted an executed letter consenting to a supervisory plan, by the submission of such letter, the disqualified Member, sponsoring Member and/or disqualified person waive:
- (A) the right to a hearing before a Hearing Panel and any right of appeal to the LTSE Appeals Committee, the SEC, and the courts, or otherwise challenge the validity of the supervisory plan, if the supervisory plan is accepted;
 - (B) any right of the disqualified Member, sponsoring Member, and/or disqualified person to claim bias or prejudice by LTSE Regulation or the Chief Regulatory Officer in connection with such person's or body's participation in discussions regarding the terms and conditions of LTSE Regulation's recommended supervisory plan, or other consideration of the supervisory plan, including acceptance or rejection of such recommendation or supervisory plan; and
 - (C) any right of the disqualified Member, sponsoring Member, and/or disqualified person to claim that a person violated the ex parte prohibitions of LTSE Rule 9.143 or the separation of functions prohibitions of LTSE Rule 9.144, in connection with such person's or body's participation in discussions regarding the terms and conditions of the supervisory plan, or other consideration of the supervisory plan, including acceptance or rejection of such supervisory plan.

- (2) If the supervisory plan is rejected, the disqualified Member, sponsoring Member, and/or disqualified person shall be bound by the waivers made under paragraph (b)(1) for conduct by persons or bodies occurring during the period beginning on the date the supervisory plan was submitted and ending upon the rejection of the supervisory plan and shall have the right to proceed under LTSE Rule 9.524.

Rule Series 10.100. Prohibited Trading Practices

Rule 10.110. Market Manipulation

- (a) No Member shall execute or cause to be executed or participate in an account for which there are executed purchases of any security at successively higher prices, or sales of any security at successively lower prices, or otherwise engage in activity, for the purpose of creating or inducing a false, misleading, or artificial appearance of activity in such security on the Exchange, or for the purpose of unduly or improperly influencing the market price for such security, or for the purpose of establishing a price which does not reflect the true state of the market in such security.
- (b) All orders must be entered for the purpose of executing bona fide transactions, including, without limitation:
 - (1) No Member shall enter or cause to be entered, an order with the intent, at the time of order entry, to cancel the order before execution, or to modify the order to avoid execution.
 - (2) No Member shall enter or cause to be entered an executable or non-executable order or orders with the intent to mislead other market participants.
 - (3) No Member shall enter or cause to be entered an executable or non-executable order with the intent to overload, delay, or disrupt the performance of the systems of the Exchange, its Members, other exchanges, National Market System Plans, or market participants.
 - (4) No Member shall enter or cause to be entered executable or non-executable orders with intent to disrupt the orderly conduct of trading or the fair execution of transactions on the Exchange or elsewhere in the National Market System.
 - (5) These provisions shall apply at all times the Exchange System is available to Members, without exception.

Additionally, all non-executable orders must be entered in good faith for legitimate purposes.

Rule 10.120. Fictitious Transactions

- (a) No Member, for the purpose of creating or inducing a false or misleading appearance of activity in a security traded on the Exchange or creating or inducing a false or misleading appearance with respect to the market in such security shall:
- (1) execute any transaction in such security which involves no change in the beneficial ownership thereof, or
 - (2) enter any order or orders for the purchase of such security with the knowledge that an order or orders of substantially the same size, and at substantially the same price, for the sale of such security, has been or will be entered by or for the same or different parties, or
 - (3) enter any order or orders for the sale of any such security with the knowledge that an order or orders of substantially the same size, and at substantially the same price, for the purchase of such security, has been or will be entered by or for the same or different parties.
- (b) Transactions in a security resulting from the unintentional interaction of orders originating from the same Member that involve no change in the beneficial ownership of the security, (“self-trades”) generally are bona fide transactions for purposes of this LTSE Rule 10.120; however, Members must have policies and procedures in place that are reasonably designed to review their trading activity for, and prevent, a pattern or practice of self-trades resulting from orders originating from a single algorithm or trading desk, or related algorithms or trading desks. Transactions resulting from orders that originate from unrelated algorithms or separate and distinct trading strategies within the same firm would generally be considered bona fide self-trades. Algorithms or trading strategies within the most discrete unit of an effective system of internal controls at a Member are presumed to be related. This subsection (b) does not change Members' existing obligations under LTSE Rules 3.110 and 5.110.

Rule 10.130. Excessive Sales by a Member

- (a) No Member shall execute purchases or sales in any security traded on the Exchange for any account in which such Member is directly or indirectly interested, which purchases or sales are excessive in view of the Member’s financial resources, or in view of the market for such security.

Rule 10.140. Manipulative Transactions

- (a) No Member shall participate or have any interest, directly or indirectly, in the profits of a manipulative operation or knowingly manage or finance a manipulative operation.

- (b) Any pool, syndicate, or joint account organized or used intentionally for the purpose of unfairly influencing the market price of a security shall be deemed to be a manipulative operation.
- (c) The solicitation of subscriptions to or the acceptance of discretionary orders from any such pool, syndicate, or joint account shall be deemed to be managing a manipulative operation.
- (d) The carrying on margin of a position in such security, or the advancing of credit through loans to any such pool, syndicate, or joint account, shall be deemed to be financing a manipulative operation.
- (e) No Member shall offer that a transaction or transactions to buy or sell a designated security will influence the closing transaction in that security.

Rule 10.150. Dissemination of False Information

- (a) No Member shall make any statement or circulate and disseminate any information concerning any security traded on the Exchange which such Member knows or has reasonable grounds for believing is false or misleading, or would improperly influence the market price of such security.

Rule 10.160. Prohibition Against Trading Ahead of Customer Orders

- (a) Except as provided herein, a Member that accepts and holds an order in an equity security from its own customer or a customer of another broker-dealer without immediately executing the order is prohibited from trading that security on the same side of the market for its own account at a price that would satisfy the customer's order, unless it immediately thereafter executes the customer order up to the size and at the same or better price at which it traded for its own account.
- (b) A Member must have a written methodology in place governing the execution and priority of all pending orders that is consistent with the requirements of this LTSE Rule 10.160. A Member also must ensure that this methodology is consistently applied.
- (c) Large Orders and Institutional Account Exceptions

With respect to orders for customer accounts that meet the definition of an "institutional account," or for orders of 10,000 shares or more (unless such orders are less than \$100,000 in value), a Member is permitted to trade a security on the same side of the market for its own account at a price that would satisfy such customer order, provided that the Member has provided clear and comprehensive written disclosure to such customer at account opening and annually thereafter that:

- (1) discloses that the Member may trade proprietarily at prices that would satisfy the customer order; and
- (2) provides the customer with a meaningful opportunity to opt in to the LTSE Rule 10.160 protections with respect to all or any portion of its order.

If the customer does not opt in to the LTSE Rule 10.160 protections with respect to all or any portion of its order, the Member may reasonably conclude that such customer has consented to the Member trading a security on the same side of the market for its own account at a price that would satisfy the customer order. In lieu of providing written disclosure to customers at account opening and annually thereafter, a Member may provide clear and comprehensive oral disclosure to and obtain consent from the customer on an order-by-order basis, provided that the Member documents who provided such consent and such consent evidences the customer's understanding of the terms and conditions of the order.

For purposes of this LTSE Rule 10.160, "institutional account" shall mean the account of:

- (A) a bank savings and loan association, insurance company or registered investment company;
 - (B) an investment adviser registered either with the SEC under Section 203 of the Investment Advisers Act or with a state securities commission (or any agency or office performing like functions); or
 - (C) any other person (whether a natural person, corporation, partnership, trust or otherwise) with total assets of at least \$50 million.
- (d) No-Knowledge Exception
- (1) With respect to NMS stocks (as defined in Rule 600 under Regulation NMS), if a Member implements and utilizes an effective system of internal controls, such as appropriate information barriers, that operate to prevent one trading unit from obtaining knowledge of customer orders held by a separate trading unit, those other trading units trading in a proprietary capacity may continue to trade at prices that would satisfy the customer orders held by the separate trading unit. A Member that structures its order handling practices in NMS stocks to permit its proprietary and/or market-making desk to trade at prices that would satisfy customer orders held by a separate trading unit must disclose in writing to its customers, at account opening and annually thereafter, a description of the manner in which customer orders are handled by the Member, and the circumstances under which the Member may trade proprietarily at its proprietary and/or market-making desk at prices that would satisfy the customer order.

- (2) If a Member implements and utilizes appropriate information barriers in reliance on this exception, the Member must uniquely identify such information barriers in place at the department within the Member where the order was received or originated. Appropriate information barriers must, at minimum, comply with the requirements set forth in LTSE Rule 5.150.
- (3) Members must maintain records that indicate which orders rely on the No-Knowledge Exception, and submit these records to the Exchange upon request.

(e) Riskless Principal Exception

The obligations under this LTSE Rule 10.160 shall not apply to a Member's proprietary trade if such proprietary trade is for the purposes of facilitating the execution, on a riskless principal basis, of an order from a customer (whether its own customer or the customer of another broker-dealer) (the "facilitated order"), provided that the Member:

- (1) submits a report, contemporaneously with the execution of the facilitated order, identifying the trade as riskless principal to the Exchange (or another self-regulatory organization if not required under LTSE Rules); and
- (2) has written policies and procedures to ensure that riskless principal transactions for which the Member is relying upon this exception comply with applicable LTSE Rules. At a minimum, these policies and procedures must require that the customer order was received prior to the offsetting principal transaction, and that the offsetting principal transaction is at the same price as the customer order exclusive of any markup or markdown, commission equivalent or other fee and is allocated to a riskless principal or customer account in a consistent manner and within 60 seconds of execution.

A Member must have supervisory systems in place that produce records that enable the Member and the Exchange to reconstruct accurately, readily, and in a time-sequenced manner all facilitated orders for which the Member relies on this exception.

(f) ISO Exception

A Member shall be exempt from the obligation to execute a customer order in a manner consistent with this LTSE Rule 10.160 with regard to trading for its own account that is the result of an inter-market sweep order ("ISO") routed in compliance with Rule 600(b)(30)(ii) of Regulation NMS where the customer order is received after the Member routed the ISO. Where a Member routes an ISO to facilitate a customer order and that customer has consented to not receiving the better prices obtained by the ISO, the Member also shall be exempt with respect to any trading for its own account that is the result of the ISO with respect to the consenting customer's order.

(g) Odd Lot and Bona Fide Error Transaction Exceptions

The obligations under this LTSE Rule 10.160 shall not apply to a Member's proprietary trade that is (1) to offset a customer order that is in an amount less than a normal unit of trading; or (2) to correct a bona fide error. Members are required to demonstrate and document the basis upon which a transaction meets the bona fide error exception. For purposes of this LTSE Rule 10.160, a bona fide error is:

- (1) the inaccurate conveyance or execution of any term of an order, including, but not limited to, price, number of shares or other unit of trading; identification of the security; identification of the account for which securities are purchased or sold; lost or otherwise misplaced order tickets; short sales that were instead sold long or vice versa; or the execution of an order on the wrong side of a market;
- (2) the unauthorized or unintended purchase, sale, or allocation of securities, or the failure to follow specific client instructions;
- (3) the incorrect entry of data into relevant systems, including reliance on incorrect cash positions, withdrawals, or securities positions reflected in an account; or
- (4) a delay, outage, or failure of a communication system used to transmit market data prices or to facilitate the delivery or execution of an order.

(h) Minimum Price Improvement Standards

The minimum amount of price improvement necessary for a Member to execute an order on a proprietary basis when holding an unexecuted limit order in that same security, and not be required to execute the held limit order is as follows:

- (1) For customer limit orders priced greater than or equal to \$1.00, the minimum amount of price improvement required is \$0.01 for NMS stocks;
- (2) For customer limit orders priced greater than or equal to \$0.01 and less than \$1.00, the minimum amount of price improvement required is the lesser of \$0.01 or one-half (1/2) of the current inside spread;
- (3) For customer limit orders priced less than \$0.01 but greater than or equal to \$0.001, the minimum amount of price improvement required is the lesser of \$0.001 or one-half (1/2) of the current inside spread;
- (4) For customer limit orders priced less than \$0.001 but greater than or equal to \$0.0001, the minimum amount of price improvement required is the lesser of \$0.0001 or one-half (1/2) of the current inside spread;

- (5) For customer limit orders priced less than \$0.0001 but greater than or equal to \$0.00001, the minimum amount of price improvement required is the lesser of \$0.00001 or one-half (1/2) of the current inside spread;
- (6) For customer limit orders priced less than \$0.00001, the minimum amount of price improvement required is the lesser of \$0.000001 or one-half (1/2) of the current inside spread; and
- (7) For customer limit orders priced outside the best inside market, the minimum amount of price improvement required must either meet the requirements set forth above or the Member must trade at a price at or inside the best inside market for the security.

In addition, if the minimum price improvement standards above would trigger the protection of a pending customer limit order, any better-priced customer limit order(s) must also be protected under this LTSE Rule 10.160, even if those better-priced limit orders would not be directly triggered under the minimum price improvement standards above.

(i) Order Handling Procedures

A Member must make every effort to execute a marketable customer order that it receives fully and promptly. A Member that is holding a customer order that is marketable and has not been immediately executed must make every effort to cross such order with any other order received by the Member on the other side of the market up to the size of such order at a price that is no less than the best bid and no greater than the best offer at the time the subsequent order is received by the Member that is consistent with the terms of the orders. In the event that a Member is holding multiple orders on both sides of the market that have not been executed, the Member must make every effort to cross or otherwise execute such orders in a manner that is reasonable and consistent with the objectives of this LTSE Rule 10.160, and with the terms of the orders. A Member can satisfy the crossing requirement by contemporaneously buying from the seller and selling to the buyer at the same price.

(j) Trading Outside Normal Market Hours

Members generally may limit the life of a customer order to the period of normal market hours of 9:30 a.m. to 4:00 p.m. Eastern Time. However, if the customer and Member agree to the processing of the customer's order outside normal market hours, the protections of this LTSE Rule shall apply to that customer's order at all times the customer order is executable by the Member.

Rule 10.170. Joint Activity

- (a) No Member, directly or indirectly, shall hold any interest or participation in any joint account for buying or selling in a security traded on the Exchange, unless such joint account is promptly reported to the Exchange. The report should contain the following information for each account:
- (1) the name of the account, with names of all participants and their respective interests in profits and losses;
 - (2) a statement regarding the purpose of the account;
 - (3) the name of the Member carrying and clearing the account; and
 - (4) a copy of any written agreement or instrument relating to the account.

Rule 10.180. Influencing the Consolidated Tape

- (a) No Member shall attempt to execute a transaction or transactions to buy or sell a security for the purpose of influencing any report appearing on the Consolidated Tape.

Rule 10.190. Trade Shredding

No Member or associated person of a Member may engage in “trade shredding”. Trade shredding is conduct that has the intent or effect of splitting any order into multiple smaller orders for execution or any execution into multiple smaller executions for the primary purpose of maximizing a monetary or in-kind amount to be received by the Member or associated person of a Member as a result of the execution of such orders or the transaction reporting of such executions. For purposes of this LTSE Rule 10.190, “monetary or in-kind amount” shall be defined to include, but not be limited to, any credits, commissions, gratuities, payments for or rebates of fees, or any other payments of value to the Member or associated person of a Member.

Rule Series 10.200. Trading Obligations**Rule 10.210. Options**

- (a) No Member shall initiate the purchase or sale on the Exchange for its own account, or for any account in which it is directly or indirectly interested, of any stock of any issuer in which it holds or has granted any put, call, straddle or option; provided, however, that this prohibition shall not be applicable in respect of any option issued by The Options Clearing Corporation.

- (b) No Member acting as an odd-lot dealer shall become interested, directly or indirectly, in a pool dealing or trading in the stock of any issuer in which it is an odd-lot dealer, nor shall it acquire or grant directly or indirectly, any option to buy or sell, receive, or deliver shares of stock of any issuer in which such Member is an odd-lot dealer, unless such option is issued by The Options Clearing Corporation.

Rule 10.220. Best Execution and Interpositioning

(a) Best Execution

- (1) In any transaction for or with a customer or a customer of another broker-dealer, a Member and persons associated with a Member shall use reasonable diligence to ascertain the best market for the subject security and buy or sell in such market so that the resultant price to the customer is as favorable as possible under prevailing market conditions. Among the factors that will be considered in determining whether a Member has used "reasonable diligence" are:
 - (A) the character of the market for the security (e.g., price, volatility, relative liquidity, and pressure on available communications);
 - (B) the size and type of transaction;
 - (C) the number of markets checked;
 - (D) accessibility of the quotation; and
 - (E) the terms and conditions of the order which result in the transaction, as communicated to the Member and persons associated with the Member.
 - (2) In any transaction for or with a customer or a customer of another broker-dealer, no Member or person associated with a Member shall interject a third party between the Member and the best market for the subject security in a manner inconsistent with paragraph (a)(1) of this LTSE Rule 10.220.
- (b) When a Member cannot execute directly with a market but must employ a broker's broker or some other means in order to ensure an execution advantageous to the customer, the burden of showing the acceptable circumstances for doing so is on the Member.
 - (c) Failure to maintain or adequately staff a department assigned to execute customers' orders cannot be considered justification for executing away from the best available market, nor can channeling orders through a third party as described above as reciprocation for service or business operate to relieve a Member of its obligations under this LTSE Rule 10.220.

- (d) A Member through which an order is channeled and that knowingly is a party to an arrangement whereby the initiating Member has not fulfilled its obligations under this LTSE Rule 10.220, will also be deemed to have violated this LTSE Rule 10.220.
- (e) The obligations described in paragraphs (a) through (d) above exist not only where the Member acts as agent for the account of its customer but also where transactions are executed as principal.

(f) Execution of Marketable Customer Orders

A Member must make every effort to execute a marketable customer order that it receives fully and promptly.

(g) Definition of "Market"

For purposes of LTSE Rule 10.220, the term "market" or "markets" is to be construed broadly, and it encompasses a variety of different venues, including, but not limited to, trading centers that are trading a particular security. This expansive interpretation is meant to both inform broker-dealers as to the breadth of the scope of venues that must be considered in the furtherance of their best execution obligations and to promote fair competition among broker-dealers, exchange markets, and markets other than exchange markets, as well as any other venue that may emerge, by not mandating that certain trading venues have less relevance than others in the course of determining a firm's best execution obligations.

(h) Best Execution and Executing Brokers

A Member's duty to provide best execution in any transaction "for or with a customer of another broker-dealer" does not apply in instances when another broker-dealer is simply executing a customer order against the Member's quote. The duty to provide best execution to customer orders received from other broker-dealers arises only when an order is routed from the broker-dealer to the Member for the purpose of order handling and execution. This clarification is intended to draw a distinction between those situations in which the Member is acting solely as the buyer or seller in connection with orders presented by a broker-dealer against the Member's quote, as opposed to those circumstances in which the Member is accepting order flow from another broker-dealer for the purpose of facilitating the handling and execution of such orders.

(i) Use of a Broker's Broker

Paragraph (b) of this LTSE Rule 10.220 provides that when a Member cannot execute directly with a market but must employ a broker's broker or some other means in order to ensure an execution advantageous to the customer, the burden of showing the acceptable circumstances for doing so is on the Member. Examples of acceptable circumstances are where a customer's order is "crossed" with another firm that has a

corresponding order on the other side, or where the identity of the firm, if known, would likely cause undue price movements adversely affecting the cost or proceeds to the customer.

(j) Orders Involving Securities with Limited Quotations or Pricing Information

Although the best execution requirements in this LTSE Rule 10.220 apply to orders in all securities, markets for securities differ dramatically. One of the areas in which a Member must be especially diligent in ensuring that it has met its best execution obligations is with respect to customer orders involving securities for which there is limited pricing information or quotations available. Each Member must have written policies and procedures in place that address how the Member will determine the best inter-dealer market for such a security in the absence of pricing information or multiple quotations and must document its compliance with those policies and procedures. For example, a Member should analyze pricing information based on other data, such as previous trades in the security, to determine whether the resultant price to the customer is as favorable as possible under prevailing market conditions. In these instances, a Member should generally seek out other sources of pricing information or potential liquidity, which may include obtaining quotations from other sources (e.g., other firms that the Member previously has traded within the security).

(k) Customer Instructions Regarding Order Handling

If a Member receives an unsolicited instruction from a customer to route that customer's order to a particular market for execution, the Member is not required to make a best execution determination beyond the customer's specific instruction. Members are, however, still required to process that customer's order promptly and in accordance with the terms of the order and its instructions. Where a customer has directed that an order be routed to another specific broker-dealer that is also a FINRA Member, the receiving broker-dealer to which the order was directed would be required to meet the requirements of FINRA Rule 5310 with respect to its handling of the order.

(l) Regular and Rigorous Review of Execution Quality

No Member can transfer to another person its obligation to provide best execution to its customers' orders. A Member that routes customer orders to other broker-dealers for execution on an automated, non-discretionary basis, as well as a Member that internalizes customer order flow, must have procedures in place to ensure the Member periodically conducts regular and rigorous reviews of the quality of the executions of its customers' orders if it does not conduct an order-by-order review. The review must be conducted on a security-by-security, type-of-order basis (e.g., limit order, market order, and market on open order). At a minimum, a Member must conduct such reviews on a

quarterly basis; however, Members should consider, based on the firm's business, whether more frequent reviews are needed.

- (m) In conducting its regular and rigorous review, a Member must determine whether any material differences in execution quality exist among the markets trading the security and, if so, modify the Member's routing arrangements, or justify why it is not modifying its routing arrangements. To assure that order flow is directed to markets providing the most beneficial terms for their customers' orders, the Member must compare, among other things, the quality of the executions the Member is obtaining via current order routing and execution arrangements (including the internalization of order flow) to the quality of the executions that the Member could obtain from competing markets. In reviewing and comparing the execution quality of its current order routing and execution arrangements to the execution quality of other markets, a Member should consider the following factors:
- (1) price improvement opportunities (i.e., the difference between the execution price and the best quotes prevailing at the time the order is received by the market);
 - (2) differences in price disimprovement (i.e., situations in which a customer receives a worse price at execution than the best quotes prevailing at the time the order is received by the market);
 - (3) the likelihood of execution of limit orders;
 - (4) the speed of execution;
 - (5) the size of execution;
 - (6) transaction costs;
 - (7) customer needs and expectations; and
 - (8) the existence of internalization or payment for order flow arrangements.
- (n) A Member that routes its order flow to another Member that has agreed to handle that order flow as agent for the customer (e.g., a clearing firm or other executing broker-dealer) can rely on that Member's regular and rigorous review as long as the statistical results and rationale of the review are fully disclosed to the Member, and the Member periodically reviews how the review is conducted, as well as the results of the review.

.01 Best Execution and Information Leakage

In FINRA Regulatory Notice 15-46, FINRA provides guidance, among other things, on best execution obligations in equity markets. FINRA notes that, in conducting a review of execution quality in any security, a firm should consider a variety of relevant factors. For a firm that routinely routes a customer order to multiple trading centers, one such factor that is highlighted is information leakage and the impact of information leakage on execution quality. In particular, FINRA notes that “[f]irms should consider the risk of information leakage by routing orders to a particular venue in light of the fill rates achieved at that venue and carefully assess whether the risks outweigh the potential for an execution.”

Rule 10.230. Publication of Transactions and Changes

- (a) The Exchange shall cause to be disseminated for publication on the Consolidated Tape all last sale price reports of transactions executed through the facilities of the Exchange pursuant to the requirements of an effective transaction reporting plan approved by the Commission.
- (b) To facilitate the dissemination of such last sale price reports, each Member shall cause to be reported to the Exchange, as promptly as possible after execution, all information concerning each transaction required by the effective transaction reporting plan.
- (c) An official of the Exchange shall approve any corrections to reports transmitted over the consolidated tape. Any such corrections shall be made within one day after detection of the error.

Rule 10.240. Trading Ahead of Research Reports

- (a) No Member shall establish, increase, decrease or liquidate an inventory position in a security or a derivative of such security based on non-public advance knowledge of the content or timing of a research report in that security.
- (b) Members must establish, maintain, and enforce policies and procedures reasonably designed to restrict or limit the information flow between research department personnel, or other persons with knowledge of the content or timing of a research report, and trading department personnel, so as to prevent trading department personnel from utilizing non-public advance knowledge of the issuance or content of a research report for the benefit of the Member or any other person.

Rule 10.250. Obligation to Honor System Trades

If a Member, or clearing Member acting on a Member's behalf, is reported by the System, or shown by the activity reports generated by the System, as constituting a side of a System trade, such Member, or clearing Member acting on its behalf, shall honor such trade on the scheduled settlement date.

Rule 10.260. Front Running of Block Transactions

- (a) Members and persons associated with a Member shall comply with FINRA Rule 5270 as if such rule were part of the Exchange's Rules.
- (b) Front Running of Non-Block Transactions. Although the prohibitions in FINRA Rule 5270 are limited to imminent block transactions, the front running of other types of orders that place the financial interests of the Member or persons associated with a Member ahead of those of its customer, or the misuse of knowledge of an imminent customer order, may violate other LTSE Rules, including LTSE Rules 3.110 and 10.160 or provisions of the federal securities laws.

Rule 10.270. Disruptive Quoting and Trading Activity Prohibited

No Member shall engage in or facilitate disruptive quoting and trading activity on the Exchange, as described in Supplementary Material .01 and .02 of this LTSE Rule 10.270, including acting in concert with other persons to effect such activity.

* * * * * **Supplementary Material** * * * * *

.01 For purposes of this LTSE Rule 10.270, disruptive quoting and trading activity shall include a frequent pattern in which the following facts are present:

- (a) *Disruptive Quoting and Trading Activity Type 1:*
 - (1) *a party enters multiple limit orders on one side of the market at various price levels (the "Displayed Orders"); and*
 - (2) *following the entry of the Displayed Orders, the level of supply and demand for the security changes; and*
 - (3) *the party enters one or more orders on the opposite side of the market of the Displayed Orders (the "Contra-Side Orders") that are subsequently executed; and*
 - (4) *following the execution of the Contra-Side Orders, the party cancels the Displayed Orders.*
- (b) *Disruptive Quoting and Trading Activity Type 2:*
 - (1) *a party narrows the spread for a security by placing an order inside the NBBO; and*
 - (2) *the party then submits an order on the opposite side of the market that executes against another market participant that joined the new inside market established by the order described in paragraph (b)(1).*

.02 Applicability.

For purposes of this LTSE Rule 10.270, disruptive quoting and trading activity shall include a frequent pattern in which the facts listed above are present. Unless otherwise indicated, the order of the events indicating the pattern does not modify the applicability of the Rule. Further, disruptive quoting and trading activity includes a pattern or practice in which all of the quoting and trading activity is conducted on the Exchange, as well as a pattern or practice in which some portion of the quoting or trading activity is conducted on the Exchange, and the other portions of the quoting or trading activity is conducted on one or more other exchanges.

- (d) A Member must have reasonable procedures to ensure that the ATs maintain the physical security of the equipment for accessing the facilities of the Exchange to prevent the improper use or access to the systems, including unauthorized entry of information into the systems.
- (e) To be eligible for registration as an AT of a Member, a person must successfully complete the General Securities Representative Examination (Series 7) or the Securities Trader Qualification Examination (Series 57), or an equivalent foreign examination module approved by the Exchange as defined in Rule 2.160(h) and (i), and any other training and/or certification programs as may be required by the Exchange.

Rule 11.150. Registration as a Market Maker

- (a) Quotations and quotation sizes may be entered into LTSE only by a Member registered as an LTSE Market Maker or other entity approved by LTSE to function in a market-making capacity.
- (b) An LTSE Market Maker may become registered in an issue by entering a registration request via an LTSE approved electronic interface with LTSE's systems or by contacting LTSE Market Operations. Registration shall become effective on the day the registration request is entered.
- (c) An LTSE Market Maker's registration in an issue shall be terminated by LTSE if the market maker fails to enter quotations in the issue within five (5) business days after the market maker's registration in the issue becomes effective.

Rule 11.151. Market Maker Obligations

A Member registered as a Market Maker shall engage in a course of dealings for its own account to assist in the maintenance, insofar as reasonably practicable, of fair and orderly markets in accordance with this LTSE Rule.

- (a) Quotation Requirements and Obligations
 - (1) Two-Sided Quote Obligation. For each security in which a Member is registered as a Market Maker, the Member shall be willing to buy and sell such security for its own account on a continuous basis during regular market hours and shall enter and maintain a two-sided trading interest ("Two-Sided Obligation") that is identified to the Exchange as the interest meeting the obligation and is displayed in the Exchange's quotation at all times. Interest eligible to be considered as part of a Market Maker's Two-Sided Obligation shall have a displayed quotation size of at least one normal unit of trading (or a larger multiple thereof); provided, however, that a Market Maker may augment its Two-Sided Obligation size to display limit orders priced at the same price as the Two-Sided Obligation. Unless otherwise designated, a "normal unit of trading" shall be 100 shares. After an execution against its Two-Sided Obligation, a Market Maker must ensure that additional trading interest exists in the Exchange to satisfy its Two-Sided Obligation either by immediately entering new interest to comply with this obligation to maintain continuous two-sided quotations or identify to the Exchange current resting interest that satisfies the Two-Sided Obligation.
 - (2) Pricing Obligations. For NMS stocks (as defined in Rule 600 under Regulation NMS) a Market Maker shall adhere to the pricing obligations established by this LTSE Rule during the Regular Market Session; provided, however, that such

pricing obligations (i) shall not commence during any trading day until after the first regular way transaction on the primary listing market in the security, as reported by the responsible single plan processor, and (ii) shall be suspended during a trading halt, suspension, or pause, and shall not re-commence until after the first regular way transaction on the primary listing market in the security following such halt, suspension, or pause, as reported by the responsible single plan processor.

- (3) Bid Quotations. At the time of entry of bid interest satisfying the Two-Sided Obligation, the price of the bid interest shall be not more than the Designated Percentage lower than the then current National Best Bid, or if no National Best Bid, not more than the Designated Percentage lower than the last reported sale from the responsible single plan processor. In the event that the National Best Bid (or if no National Best Bid, the last reported sale) increases to a level that would cause the bid interest of the Two-Sided Obligation to be more than the Defined Limit lower than the National Best Bid (or if no National Best Bid, the last reported sale), or if the bid is executed or canceled, the Market Maker shall enter new bid interest at a price not more than the Designated Percentage lower than the then current National Best Bid (or if no National Best Bid, the last reported sale), or identify to the Exchange current resting interest that satisfies the Two-Sided Obligation.
- (4) Offer Quotations. At the time of entry of offer interest satisfying the Two-Sided Obligation, the price of the offer interest shall be not more than the Designated Percentage higher than the then current National Best Offer, or if no National Best Offer, not more than the Designated Percentage higher than the last reported sale received from the responsible single plan processor. In the event that the National Best Offer (or if no National Best Offer, the last reported sale) decreases to a level that would cause the offer interest of the Two-Sided Obligation to be more than the Defined Limit higher than the National Best Offer (or if no National Best Offer, the last reported sale), or if the offer is executed or canceled, the Market Maker shall enter new offer interest at a price not more than the Designated Percentage higher than the then current National Best Offer (or if no National Best Offer, the last reported sale), or identify to the Exchange current resting interest that satisfies the Two-Sided Obligation.
- (5) The National Best Bid and Offer shall be determined by the Exchange in accordance with its procedures for determining protected quotations under Rule 600 under Regulation NMS.
- (6) For purposes of this LTSE Rule, the "Designated Percentage" shall be eight (8) percentage points for securities that are included in the S&P 500® or Russell 1000® Index; 28% for securities with a price equal to or greater than \$1 per share

that are not included in the S&P 500® or Russell 1000® Index; and 30% for securities with a price less than \$1 per share that are not included in the S&P 500® Index or Russell 1000® Index; except that between 9:30 a.m. and 9:45 a.m. and between 3:35 p.m. and the close of trading, the Designated Percentage shall be 20% for securities that are included in the S&P 500® or Russell 1000® Index, 28% for securities with a price equal to or greater than \$1 per share that are not included in the S&P 500® or Russell 1000® Index, and 30% for securities with a price less than \$1 per share that are not included in the S&P 500® Index or Russell 1000® Index. The Designated Percentage for rights and warrants shall be 30%.

- (7) For purposes of this LTSE Rule, the "Defined Limit" shall be 9.5% for securities that are included in the S&P 500® or Russell 1000® Index; 29.5% for with a price equal to or greater than \$1 per share that are not included in the S&P 500® or Russell 1000® Index; and 31.5% for securities with a price less than \$1 per share that are not included in the S&P 500® Index or Russell 1000® Index; except that between 9:30 a.m. and 9:45 a.m. and between 3:35 p.m. and the close of trading, the Defined Limit shall be 21.5% for securities that are included in the S&P 500® or Russell 1000® Index; 29.5% for securities with a price equal to or greater than \$1 per share that are not included in the S&P 500® or Russell 1000® Index; and 31.5% for securities with a price less than \$1 per share that are not included in the S&P 500® Index or Russell 1000® Index.
- (8) Reserved.
- (9) Reserved.
- (10) Nothing in this LTSE Rule shall preclude a Market Marker from quoting at price levels that are closer to the National Best Bid and Offer than the levels required by this LTSE Rule.
- (11) The minimum quotation increment for quotations of \$1.00 or above in all System Securities shall be \$0.01. The minimum quotation increment in the System for quotations below \$1.00 in System Securities shall be \$0.0001.
- (12) The individual Market Participant Identifier ("MPID") assigned to a Member to meet its Two-Sided Obligation pursuant to subparagraph (a)(1) of this LTSE Rule shall be referred to as the Member's "Primary MPID". Market Makers may request the use of additional MPIDs that shall be referred to as "Supplemental MPIDs." A Market Maker that ceases to meet the obligations appurtenant to its Primary MPID in any security shall not be permitted to use a Supplemental MPID for any purpose in that security.

(13) Market Makers that are permitted the use of Supplemental MPIDs pursuant to subparagraph (12) above of this LTSE Rule are subject to the same rules applicable to the Members' first quotation, with one exception: the continuous two-sided quote requirement and excused withdrawal procedures described in LTSE Rule 11.152 do not apply to Market Makers' Supplemental MPIDs. Supplemental MPIDs may be identified to the Exchange as interest to satisfy a Market Maker's two-sided obligation, in which case in order to be satisfactory, the Supplemental MPID's interest must be no more than the Designated Percentage from the NBBO as described and defined in this LTSE Rule 11.151(a).

(b) Firm Quotations

(1) All quotations and orders to buy and sell entered into the System by LTSE Market Makers are firm and automatically executable for their displayed and non-displayed size in the System by all Users. A particular LTSE Market Maker's quotations may be canceled rather than executed if designated with an Anti-Internalization Group Identifier ("AGID") modifier which is the same as that of an active opposite side order and originating from the same group type as the Market Maker's order to buy or sell, as set forth in LTSE Rule 11.190(e). Notwithstanding the foregoing, Market Makers may not use AGID modifiers to evade the firm quotation obligation.

(c) Impaired Ability to Enter or Update Quotations.

- (1) In the event that an LTSE Market Maker's ability to enter or update quotations is impaired, the market maker shall immediately contact LTSE Market Operations to request the withdrawal of its quotations.
- (2) In the event that an LTSE Market Maker's ability to enter or update quotations is impaired and the market maker elects to remain in LTSE, the LTSE Market Maker shall execute an offer to buy or sell received from another Member at its quotations as disseminated through the Exchange.

(d) Reserved.

(e) Locked and Crossed Markets.

(1) Locked and Crossed Markets within the System: Any quotes or orders that are entered into the System that would lock or cross another order in the System will be executed by the System. For displayed orders only, this processing, set forth in LTSE Rule 11.190(g)(1), ensures that no locked or crossed markets can exist within the System and that price improvement is allocated fairly.

(2) Inter-market Locked and Crossed Markets.

- (A) Definitions. For purposes of this LTSE Rule, the following definitions shall apply:
- (i) The terms automated quotation, effective national market system plan, intermarket sweep order, manual quotation, NMS stock, protected quotation, the Regular Market Session, and trading center shall have the meanings set forth in Rule 600(b) of Regulation NMS under the Securities Exchange Act of 1934.
 - (ii) The term “Crossing Quotation” shall mean the display of a bid for an NMS stock during the Regular Market Session at a price that is higher than the price of an offer for such NMS stock previously disseminated pursuant to an effective national market system plan, or the display of an offer for an NMS stock during the Regular Market Session at a price that is lower than the price of a bid for such NMS stock previously disseminated pursuant to an effective national market system plan.
 - (iii) The term “Locking Quotation” shall mean the display of a bid for an NMS stock during the Regular Market Session at a price that equals the price of an offer for such NMS stock previously disseminated pursuant to an effective national market system plan, or the display of an offer for an NMS stock during the Regular Market Session at a price that equals the price of a bid for such NMS stock previously disseminated pursuant to an effective national market system plan.
- (B) Prohibition. Except for quotations that fall within the provisions of paragraph (C) of this LTSE Rule, LTSE Members shall reasonably avoid displaying, and shall not engage in a pattern or practice of displaying any quotations that lock or cross a protected quotation, and any manual quotations that lock or cross a quotation previously disseminated pursuant to an effective national market system plan.
- (C) Exceptions.
- (i) The locking or crossing quotation was displayed at a time when the trading center displaying the locked or crossed quotation was experiencing a failure, material delay, or malfunction of its systems or equipment.
 - (ii) The locking or crossing quotation was displayed at a time when a Protected Bid was higher than a Protected Offer in the NMS stock.

Rule 11.152. Withdrawal of Quotations

- (a) Except as provided in paragraph (b) of this LTSE Rule, a market maker that wishes to withdraw quotations in a security shall contact LTSE Regulation to obtain excused withdrawal status prior to withdrawing its quotations. Withdrawals of quotations shall be granted by LTSE Regulation only upon satisfying one of the conditions specified in this LTSE Rule.
- (b) An LTSE Market Maker that wishes to obtain excused withdrawal status based on a market maker's systemic equipment problems, such as defects in an LTSE Market Maker's software or hardware systems or connectivity problems associated with the circuits connecting Exchange systems with the LTSE Market Maker's systems, shall contact LTSE Market Operations. LTSE Market Operations may grant excused withdrawal status based on systemic equipment problems for up to five (5) business days, unless extended by LTSE Market Operations.
- (c) (1) For LTSE-listed securities, excused withdrawal status based on circumstances beyond the LTSE Market Maker's control, other than systemic equipment problems, may be granted for up to five (5) business days, unless extended by LTSE Regulation. Excused withdrawal status based on demonstrated legal or regulatory requirements, supported by appropriate documentation and accompanied by a representation that the condition necessitating the withdrawal of quotations is not permanent in nature, may, upon notification, be granted for not more than sixty (60) days (unless such request is required to be made pursuant to paragraph (e) below). Excused withdrawal status based on religious holidays may be granted only if written notice is received by LTSE one business day in advance and is approved by LTSE. Excused withdrawal status based on vacation may be granted only if:
 - (A) The written request for withdrawal is received by LTSE one business day in advance, and is approved by LTSE
 - (B) The request includes a list of securities for which withdrawal is requested; and
 - (C) The request is made by an LTSE Market Maker that meets the definition of a "Small Firm Member" pursuant to Definition Y of the FINRA Restated Certification of Incorporation, even if the LTSE Market Maker is not a FINRA member.

The withdrawal of quotations because of pending news, a sudden influx of orders or price changes, or to effect transactions with competitors shall not constitute acceptable reasons for granting excused withdrawal status.

- (2) For securities listed on exchanges other than LTSE, an LTSE Market Maker that wishes to withdraw quotations shall contact LTSE Regulation to obtain excused withdrawal status prior to withdrawing its quotations. Excused withdrawal status based on illness, vacations or physical circumstances beyond the Market Maker's control may be granted for up to five (5) business days, unless extended by LTSE Regulation. Excused withdrawal status based on investment activity or advice of legal counsel, accompanied by a representation that the condition necessitating the withdrawal of quotations is not permanent in nature, may, upon written request, be granted for not more than sixty (60) days. The withdrawal of quotations because of pending news, a sudden influx of orders or price changes, or to effect transactions with competitors shall not constitute acceptable reasons for granting excused withdrawal status.
- (d) Excused withdrawal status may be granted to an LTSE Market Maker that fails to maintain a clearing arrangement with a registered clearing agency or with a Member of such an agency and is withdrawn from participation in the trade reporting service of the Exchange, thereby terminating its registration as an LTSE Market Maker. Provided however, that if LTSE finds that the LTSE Market Maker's failure to maintain a clearing arrangement is voluntary, the withdrawal of quotations will be considered voluntary and unexcused pursuant to LTSE Rule 11.153 and the Rule 11 Series governing the Exchange. LTSE Market Makers that fail to maintain a clearing relationship will have their Exchange system status set to "suspend" and be thereby prevented from entering, or executing against, any quotes/orders in the System.
- (e) Excused withdrawal status may be granted to an LTSE Market Maker that is a distribution participant or an affiliated purchaser in order to comply with SEC Rule 101 or 104 of Regulation M under the Act on the following conditions:
- (1) A member acting as a manager (or in a similar capacity) of a distribution of a security that is a subject security or reference security under SEC Rule 101 and any member that is a distribution participant or an affiliated purchaser in such a distribution that does not have a manager shall provide written notice to LTSE Regulation and the Market Regulation Department of FINRA no later than the business day prior to the first entire trading session of the one-day or five-day restricted period under SEC Rule 101, unless later notification is necessary under the specific circumstances.
- (A) The notice required by subparagraph (e)(1) of this Rule shall be provided by submitting a completed Underwriting Activity Report that includes a request on behalf of each LTSE Market Maker that is a distribution participant or an affiliated purchaser to withdraw the LTSE Market Maker's quotations and

includes the contemplated date and time of the commencement of the restricted period.

- (B) The managing underwriter shall advise each LTSE Market Maker that it has been identified as a distribution participant or an affiliated purchaser to LTSE Regulation and that its quotations will be automatically withdrawn, unless a market maker that is a distribution participant (or an affiliated purchaser of a distribution participant) notifies LTSE Regulation as required by subparagraph (e)(2), below.
- (2) An LTSE Market Maker that has been identified to LTSE Regulation as a distribution participant (or an affiliated purchaser of a distribution participant) shall promptly notify LTSE Regulation and the manager of its intention not to participate in the prospective distribution in order to avoid having its quotations withdrawn.
- (3) If an LTSE Market Maker that is a distribution participant withdraws its quotations in an LTSE-listed security in order to comply with any provision of SEC Rules 101 or 104 of Regulation M and promptly notifies LTSE Regulation of its action, the withdrawal shall be deemed an excused withdrawal. Nothing in this subparagraph shall prohibit LTSE from taking such action as is necessary under the circumstances against a Member and its associated persons for failure to contact LTSE Regulation to obtain an excused withdrawal as required by subparagraphs (a) and (e) of this Rule.
- (4) Reserved.
- (5) A member acting as a manager (or in a similar capacity of a distribution subject to subparagraph (e)(1)) of this Rule shall submit a request to LTSE Regulation and the Market Regulation Department of FINRA to rescind the excused withdrawal status of distribution participants and affiliated purchasers, which request shall include the date and time of the pricing of the offering, the offering price, and the time the offering terminated, and, if not in writing, shall be confirmed in writing no later than the close of business the day the offering terminates. The request by this subparagraph may be submitted on the Underwriting Activity Report.
- (f) The LTSE Appeals Committee shall have jurisdiction over proceedings brought by LTSE Market Makers seeking review of the denial of an excused withdrawal pursuant to this LTSE Rule, or the conditions imposed on their re-entry.
- (g) An LTSE Market Maker that wishes to reinstate its quotations in a security after an excused withdrawal pursuant to LTSE Rule 11.152 shall contact LTSE to notify LTSE of its intention to be reinstated. Upon confirmation by LTSE that the market maker is

reinstated, the market maker will have no longer than ten minutes to meet its market making obligations under LTSE Rule 11.152.

Rule 11.153. Voluntary Termination of Registration

- (a) An LTSE Market Maker may voluntarily terminate its registration in a security by withdrawing its two-sided quotation from the Exchange. An LTSE Market Maker that voluntarily terminates its registration in a security may not re-register as a market maker in that security for twenty (20) business days in the case of LTSE-listed securities or for one (1) business day in the case of other securities. Withdrawal from participation as an LTSE Market Maker in the Exchange shall constitute termination of registration as a market maker in that security for purposes of this LTSE Rule; provided, however, that an LTSE Market Maker that fails to maintain a clearing arrangement with a registered clearing agency or with a Member of such an agency and is withdrawn from participation in the Exchange and thereby terminates its registration as an LTSE Market Maker may register as an LTSE Market Maker at any time after a clearing arrangement has been reestablished unless LTSE finds that the LTSE Market Maker's failure to maintain a clearing arrangement is voluntary, in which case the withdrawal of quotations will be considered voluntary and unexcused.
- (b) Notwithstanding the above, an LTSE Market Maker that accidentally withdraws as an LTSE Market Maker may be reinstated if:
 - (1) The LTSE Market Maker notified Regulation of the accidental withdrawal as soon as practicable under the circumstances, but within at least one hour of such withdrawal, and immediately thereafter provided written notification of the withdrawal and reinstatement request;
 - (2) It is clear that the withdrawal was inadvertent and the LTSE Market Maker was not attempting to avoid its market making obligations; and
 - (3) The LTSE Market Maker's firm would not exceed the following reinstatement limitations:
 - (A) For firms that simultaneously made markets in less than 250 stocks during the previous calendar year, the firm can receive no more than two (2) reinstatements per year;
 - (4) For firms that simultaneously made markets in 250 or more but less than 500 stocks during the previous calendar year, the firm can receive no more than three (3) reinstatements per year; and

- (5) For firms that simultaneously made markets in 500 or more stocks during the previous calendar year, the firm can receive no more than six (6) reinstatements per year.
- (c) Factors that LTSE will consider in granting a reinstatement under paragraph (b) of this LTSE Rule include, but are not limited to:
- (1) The number of accidental withdrawals by the LTSE Market Maker in the past, as compared with LTSE Market Makers making markets in a comparable number of stocks;
 - (2) The similarity between the symbol of the stock that the LTSE Market Maker intended to withdraw from and the symbol of the stock that the LTSE Market Maker actually withdrew from;
 - (3) Market conditions at the time of the withdrawal;
 - (4) Whether, given the market conditions at the time of the withdrawal, the withdrawal served to reduce the exposure of the Member's position in the security at the time of the withdrawal to market risk; and
 - (5) The timeliness with which the LTSE Market Maker notified Regulation of the error.
- (d) For purposes of paragraph (a) of this LTSE Rule, a Market Maker shall not be deemed to have voluntarily terminated its registration in a security by voluntarily withdrawing its two-sided quotation from the Exchange if the LTSE Market Maker's two-sided quotation in the subject security is withdrawn by LTSE's systems due to issuer corporate action related to a dividend, payment or distribution, or due to a trading halt, and one of the following conditions is satisfied:
- (1) The LTSE Market Maker enters a new two-sided quotation prior to the close of the Regular Market Session on the same day when LTSE's systems withdrew such a quotation;
 - (2) The LTSE Market Maker enters a new two-sided quotation on the day when trading resumes following a trading halt, or, if the resumption of trading occurs when the market is not in regular session, the LTSE Market Maker enters a new two-sided quotation prior to the opening of the next Regular Market Session; or
 - (3) Upon request from the market maker, LTSE Regulation authorizes the market maker to enter a new two-sided quotation, provided that LTSE Regulation receives the market maker's request prior to the close of the Regular Market Session on the next regular trading day after the day on which the Market Maker became eligible

to re-enter a quotation pursuant to subparagraph (d)(1) or (d)(2) hereof and determines that the LTSE Market Maker was not attempting to avoid its market making obligations by failing to re-enter such a quotation earlier.

- (e) The LTSE Appeals Committee shall have jurisdiction over proceedings brought by LTSE Market Makers seeking review of their denial of a reinstatement pursuant to paragraphs (b) or (d) of this LTSE Rule.

Rule 11.154. Suspension and Termination of Quotations

LTSE may, pursuant to the procedures set forth in Chapter 9, suspend, condition, limit, prohibit or terminate the authority of an LTSE Market Maker or Member to enter quotations in one or more authorized securities for violations of applicable requirements or prohibitions.

- (D) If no Member is acting as a manager (or in a similar capacity) of such distribution, then each Member that is a distribution participant or affiliated purchaser shall provide the notice required under this paragraph (c)(1), unless another Member has assumed responsibility in writing for compliance therewith.

Such notice shall be provided no later than the close of business the next business day following the pricing of the distribution, unless later notification is necessary under specific circumstances.

If no Member is acting as a manager (or in a similar capacity) of such distribution, then each Member that is a distribution participant or an affiliated purchaser shall provide the notice required under this paragraph (d), unless another Member has assumed responsibility in writing for compliance therewith.

Rule 11.170. Reserved

Rule 11.180. Units of Trading

- (a) One hundred (100) shares shall constitute a "round lot," any amount less than 100 shares shall constitute an "odd lot," and any amount greater than 100 shares that is not a multiple of a round lot shall constitute a "mixed lot." Certain securities, as designated by their listing markets, have a normal unit of trade of less than 100 shares, and so the Exchange shall conform to the direction of the listing markets in those instances.
- (b) The minimum unit of trading on the System shall be one share.

Rule 11.190. Orders and Modifiers

Users may enter into the System the types of orders listed in this LTSE Rule 11.190, subject to the limitations set forth in this LTSE Rule 11.190 or elsewhere in the LTSE Rules. Order, modifier, and parameter combinations which are disallowed by the Exchange may be rejected, ignored, or overridden by the Exchange, as determined by the Exchange to facilitate the most orderly handling of User instructions.

(a) General Order Types

- (1) Limit Order. An order to buy or sell a stated amount of a security at a specified price ("limit price") or better. A "marketable" limit order is a limit order to buy (sell) at or above (below) the lowest (highest) Protected Offer (Bid) for the security. A limit order:
 - (A) May have any time-in-force ("TIF") supported by the System as described in section (c) of this LTSE Rule 11.190.
 - (B) All orders will be treated as LTSE Only, as defined in LTSE Rule 11.190(b)(6).
 - (C) May be an ISO, as defined in paragraph (b)(12) below. ISOs must be marked with a TIF of IOC, as defined in LTSE Rule 11.190(c)(1).
 - (D) Must be submitted with a limit price.
 - (E) May be entered during the Pre-Market Session, Regular Market Session, and Post-Market Session.
 - (i) Limit orders marked IOC are accepted and eligible to trade during the Pre-Market Session, Regular Market Session, and Post-Market Session.
 - (ii) Limit orders marked DAY, as defined in section (c) of this LTSE Rule 11.190, submitted before the open of the Regular Market Session are queued by the System until the Opening Auction (or Halt Auction, as applicable), pursuant to LTSE Rule 11.350, or the Regular Market Session Opening Process, pursuant to LTSE Rule 11.231. Limit orders marked DAY submitted during the Regular Market Session are accepted and begin trading immediately. Limit orders entered into the System marked DAY, if not fully executed or canceled by the User, expire at the end of the Regular Market Session. Limit orders marked DAY are rejected in the Post-Market Session.
 - (iii) Limit orders marked GTT, as defined in section (c) of this LTSE Rule 11.190, are accepted and eligible to trade during the Pre-Market Session, Regular Market Session, and Post-Market Session. Limit orders

entered into the System marked GTT begin trading immediately and, if not fully executed or canceled by the User, expire at the earlier of the expiration time assigned by the User or the end of the Post-Market Session.

- (iv) Limit orders marked GTX, as defined in section (c) of this LTSE Rule 11.190, submitted before the open of the Regular Market Session, are queued by the System until the Opening Auction (or Halt Auction, as applicable), pursuant to LTSE Rule 11.350, or the Regular Market Session Opening Process, pursuant to LTSE Rule 11.231. Limit orders marked GTX submitted during the Regular Market Session and Post-Market Session are accepted and begin trading immediately. Limit orders entered into the System marked GTX, if not fully executed or canceled by the User, expire at the end of the Post-Market Session.
- (v) Limit orders marked SYS, as defined in section (c) of this LTSE Rule 11.190, are accepted and eligible to trade during the Pre-Market Session, Regular Market Session, and Post-Market Session. Limit orders entered into the System marked SYS begin trading immediately and, if not fully executed or canceled by the User, expire at the end of the Post-Market Session

(F) May be a MQTY, as defined in paragraph (b)(11) below.

(G) May be displayed, non-displayed, or partially displayed.

(2) Market Order. An order to buy or sell a stated amount of a security that is to be executed at or better than the NBBO at the time the order reaches the Exchange. Market orders shall not trade through Protected Quotations. Any portion of a market order that is designated as "LTSE Only" will be canceled if upon receipt by the System, it cannot be executed by the Exchange in accordance with LTSE Rule 11.230. A market order:

(A) Must have a TIF of IOC or DAY.

(B) All orders will be treated as LTSE Only, as defined in LTSE Rule 11.190(b)(6).

(C) May not be an ISO, as defined in paragraph (b)(12) below.

(D) May not be submitted with a limit price.

(E) May only trade during the Regular Market Session. Market orders submitted in the Pre-Market Session may queue for the Opening Process as defined

below. Market orders submitted in the Post-Market Session will be rejected by the System.

- (i) Market orders marked IOC are rejected during the Pre-Market Session and Post-Market Session. Market orders marked IOC are accepted and eligible to trade during the Regular Market Session.
 - (ii) Market orders marked DAY submitted before the open of the Regular Market Session are queued by the System until the Opening Auction (or Halt Auction, as applicable) for LTSE-listed securities pursuant to LTSE Rule 11.350, or until the Opening Process for non-LTSE listed securities pursuant to LTSE Rule 11.231. Market orders marked DAY are eligible to trade during the Regular Market Session and treated by the System as having a TIF of IOC.
 - (iii) Market orders marked GTT are rejected.
 - (iv) Market orders marked GTX are rejected.
 - (v) Market orders marked SYS are rejected.
 - (vi) May be a MQTY, as defined in paragraph (b)(11) below.
 - (vii) Market orders are never displayable.
- (3) All Orders are processed, prioritized, time-stamped, and managed as described in LTSE Rule 11.220.

(b) Order Parameters

- (1) Displayed Order. An order with its full quantity displayed. Limit orders, other than those marked IOC, may have their unexecuted portions posted on the Order Book. All such orders are considered fully displayed by the System, except those orders marked otherwise by Users, or prohibited from being displayed by LTSE's Rules. Displayed orders and displayed portions of orders may be referred to as "quotations" of the Exchange. All Exchange quotations are firm, which means they are automatically executable for their displayed size in the System. All Exchange quotations compete for priority as displayed orders pursuant to LTSE Rule 11.220. A displayed order:
- (A) Must be a limit order.
 - (B) Must have a TIF of DAY, GTX, SYS, or GTT.
 - (C) All orders will be treated as LTSE Only, as defined in LTSE Rule 11.190(b)(6).

- (D) May not be an ISO, as defined in paragraph (b)(12) below.
 - (E) Must be submitted with a limit price.
 - (F) May be submitted during the Pre-Market Session, Regular Market Session, and Post-Market Session. MQTY are not eligible to participate in the Opening Process pursuant to LTSE Rule 11.231 or Opening Auctions pursuant to LTSE Rule 11.350.
 - (G) May not be marked MQTY, as defined in paragraph (b)(11) below.
 - (H) Must be at least one (1) round lot. If an order marked for display is submitted with, or decremented either by execution or the User order amendment to an order quantity of less than one (1) round lot, it will be treated as an odd lot order, which is by definition, non-displayed and will receive a new time stamp, pursuant to LTSE Rule 11.220(a)(3).
- (2) Reserve Order. An order with a portion of the quantity displayed (“display quantity”) and with a non-displayed reserve portion of the quantity (“reserve quantity”). The User instructed display quantity must be equal to or greater than one round lot; the System will reject a reserve order with a User-instructed display quantity of less than a round lot. An incoming reserve order is first processed as a single order of its full, unexecuted share size as the System checks the Order Book for eligible resting contra interest. If it is not fully executed, the order will be posted to the Order Book and effectively be treated as two discrete orders: one displayed for the User instructed quantity (“displayed portion”), and one non-displayed for all other remaining, unexecuted shares (“non-displayed portion”). For the purposes of pricing reserve orders on the Order Book, displayed portions are treated as displayed orders, and non-displayed portions are treated as non-displayed orders. As described in LTSE Rule 11.190(g), it is possible for the non-displayed portion to rest at a different price than that of the displayed portion, while the displayed portion is subject to display-price sliding. If the displayed portion of the reserve order is decremented such that less than one round lot would be displayed, the displayed portion of the reserve order shall be refreshed for either: (i) the original displayed quantity; or (ii) the entire reserve quantity, if the total number of unexecuted shares in the order is smaller than the original User instructed displayed quantity. Each time the displayed portion of the order is refreshed from the reserve quantity, that portion is prioritized behind other existing displayed orders; the priority of the non-displayed portion, however, is unchanged by the refresh process. A reserve order:
- (A) Must be a limit order.

- (B) Must have a TIF of DAY, GTX, SYS, or GTT.
 - (C) All orders will be treated as LTSE Only, as defined in LTSE Rule 11.190(b)(6).
 - (D) May not be an ISO, as defined in paragraph (b)(12) below.
 - (E) Must be submitted with a limit price.
 - (F) May be submitted during the Pre-Market Session, Regular Market Session, and Post-Market Trading Session.
 - (G) May not be marked MQTY, as defined in paragraph (b)(11) below.
 - (H) Must be at least one round lot. If an order marked for display is submitted with, or decremented either by execution or the User order amendment to an order quantity of less than one round lot, it will be treated as an odd lot order which is by definition non-displayed and will receive a new time stamp, pursuant to LTSE Rule 11.220(a)(1)(C).
- (3) Non-Displayed Order. An order for which no portion is displayed on the Exchange. A non-displayed order:
- (A) May be a market order or limit order. Market orders are never eligible to rest on the Order Book, and are thus considered by definition to be non-displayable.
 - (B) May have any TIF described in section (c) of this LTSE Rule 11.190. Note that IOC orders are never eligible to rest on the Order Book, and are thus considered by definition to be non-displayable.
 - (C) All orders will be treated as LTSE Only, as defined in LTSE Rule 11.190(b)(6).
 - (D) May be an ISO, as defined in paragraph (b)(12). ISOs may only be marked with a TIF of IOC.
 - (E) May be submitted with a limit price, but this is not required for a market order.
 - (F) May be submitted during the Pre-Market Session, Regular Market Session, and Post-Market Session.
 - (G) May be a MQTY, as defined in paragraph (b)(11) below.
 - (H) May be an odd lot, round lot, or mixed lot.
- (4) Odd Lot Order. An order to buy or sell an odd lot as defined by Rule 11.180. Odd lot orders are non-displayed orders. Orders that upon entry are less than one (1)

round lot are determined to be non-displayed orders. Displayed orders that are decremented by execution or User order amendment to less than one round lot will be treated by the System as non-displayed orders.

- (5) Mixed Lot Order. An order to buy or sell a mixed lot as defined by Rule 11.180. Odd lot portions of mixed lot orders marked for display are only eligible to be Protected Quotations if aggregated to form a round lot. Displayed orders that are decremented by execution or User order amendment to less than one round lot will be converted by the System to non-displayed orders.
- (6) LTSE Only Order. Any order that is submitted into the System. LTSE Only Orders are ranked and executed on the Exchange pursuant to LTSE Rule 11.220 and LTSE Rule 11.230(a). An LTSE Only Order posting to the Order Book will be subject to the price sliding process as set forth in section (g).
- (7) Reserved.
- (8) Reserved.
- (9) Reserved.
- (10) Reserved.
- (11) Minimum Quantity Order (“MQTY”). A non-displayed order which must have at least the minimum indicated share size satisfied in order to execute. Upon order entry or order amendment by the User the “effective minimum quantity” of an order is equal to the lesser of the submitted minimum quantity or the total share size of the order. A MQTY:
 - (A) May be a market order or limit order.
 - (B) Will have a TIF of IOC as described in LTSE Rule 11.190(c)(1).
 - (C) Reserved.
 - (D) May not be an ISO, as defined in paragraph (b)(12) below.
 - (E) May be submitted with or without a limit price.
 - (F) May be entered during the Pre-Market Session, Regular Market Session, and Post-Market Session.
 - (G) May be an odd lot, round lot, or mixed lot.

(12) Inter-market Sweep Orders. The System will accept incoming Inter-market Sweep Orders (“ISO”) (as such term is defined in Regulation NMS). In order to be eligible for treatment as an ISO, the limit order must be marked “ISO,” and the User entering the order must simultaneously route one or more additional limit orders marked “ISO,” as necessary, to away markets to execute against the full displayed size of any Protected Quotation for the security with a price that is superior to the limit price of the Inter-market Sweep Order entered in the System. Such orders, if they meet the requirements of the foregoing sentence, may be executed at one or multiple price levels in the System without regard to Protected Quotations at away markets consistent with Regulation NMS (i.e., may trade through such quotations). The Exchange relies on the marking of an order as an ISO order when handling such order, and thus, it is the entering User’s responsibility, and not the Exchange’s responsibility, to comply with the requirements of Regulation NMS relating to ISOs. An ISO:

- (A) Must be a limit order.
- (B) Must have a TIF of IOC.
- (C) Reserved.
- (D) Must be submitted with a limit price.
- (E) May be submitted during the Pre-Market Session, Regular Market Session, and Post-Market Session.
- (F) May not be marked MQTY.
- (G) May be an odd lot, round lot, or mixed lot.

.01 Priority of Non-Display Portions of Reserve Orders.

When initially posting to the Order Book, the non-displayed portion of a reserve order will be prioritized behind any pre-existing nondisplayed interest at the price at which it is posted as a result of its having a newer timestamp. This holds true even if any such interest is re-priced as a consequence of the displayed portion of that reserve order being posted to the Order Book (i.e. having tightened the spread).

- (c) Time-in-Force. Orders must have one of the following TIF instructions:
- (1) Immediate-or-Cancel (“IOC”). Orders entered into the System marked IOC are executed on the Exchange, in whole or in part, as soon as such order is received, and the portion not so executed is canceled. Orders marked IOC are never posted to the Order Book, and are considered by definition to be non-displayable orders.
 - (2) Day (“DAY”). Orders entered into the System marked DAY may queue during the Pre-Market Session. When queued, orders will participate in the Opening Process before becoming available for the Regular Market Session. Orders marked DAY are only available for trading during the Regular Market Session, and expire at the end of the Regular Market Session.
 - (3) Good ‘til Extended Day (“GTX”). Orders entered into the System marked GTX may queue during the Pre-Market Session. When queued, orders will participate in the Opening Process before becoming available for the Regular Market Session. Orders marked GTX are available for trading during both the Regular Market Session and Post-Market Session, and expire at the end of the Post-Market Session.
 - (4) System Session (“SYS”). Orders entered into the System marked SYS may trade during System Hours and expire at the end of the Post-Market Session.
 - (5) Good ‘til Time (“GTT”). Orders entered into the System marked GTT may trade during System Hours and expire at the earlier of the User specified expire time, or the end of the Post-Market Session.
- (d) Cancel and Cancel/Replace (“Order Amendment”) Messages. A User may, by appropriate entry in the System, cancel or replace an existing order entered by the User, subject to the following limitations.
- (1) Orders may only be replaced if the order has a TIF instruction other than IOC, and if the order has not yet been fully executed. Market orders may not be replaced.
 - (2) Reserved.
 - (3) Supported Fields. Only the limit price and the order quantity size of the order may be changed by a Replace Message and are considered supported fields. If a User desires to change any other terms of an existing order, the existing order must be canceled and a new order must be entered.

- (4) Invalid Fields. Symbol, side, execution instruction, order type, and TIF are considered invalid fields. If a User attempts to modify an invalid field by submitting a Replace Message, the order amendment will be rejected by the Exchange. If a User desires to modify an invalid field on an order, the existing order must be canceled, and a new order must be entered.
 - (5) Unsupported Fields. All fields not listed in paragraph (3) and (4) above are considered unsupported fields. If a User desires to modify an unsupported field, the existing order must be canceled and a new order must be entered.
 - (6) If an order amendment contains an invalid field, as defined in paragraph (4) above, alone or in conjunction with a supported field, defined in paragraph (3) above, the Exchange will reject the amendment. If an order amendment contains an unsupported field alone, defined in paragraph (5) above, the Exchange will reject the amendment. If an order amendment contains an unsupported field and a supported field, the Exchange will amend the supported field and ignore the unsupported field. The Exchange will periodically update its FIX specification to specify supported fields, invalid fields, and unsupported fields.
 - (7) Cancel and Cancel/Replace messages will be processed in the order in which they are received by the System.
 - (8) Notwithstanding anything to the contrary in these LTSE Rules, no cancellation or replacement of an order will be effective until such message has been received and processed by the System
- (e) AGID Modifier. Any active order designated with an AGID modifier will be prevented from executing against a resting opposite side order also designated with the same AGID modifier and originating from the same MPID or Exchange User (any such identifier, a "group type"). In situations when two orders subject to anti-internalization would match, the older of the orders is canceled. A determination of "older" in this regard is based upon the time the order is received by the System, including by initial order entry or User revision (i.e., cancel/replace). The group type elected by a Member controls the interaction between two orders marked with AGID modifiers.
- (1) Group Type. The User group type will prevent any two orders from matching that are marked with the same AGID modifier originating from the same User. The MPID group type will also prevent any two orders from matching that are marked with the same AGID modifier originating from the same MPID.
 - (2) Default Order Marking. Based on User instruction, the Exchange may mark orders with a default AGID modifier by FIX session (i.e., order entry port).

Principal and Agency/Riskless Principal orders may have different default settings.

- (3) Free-to-Trade Identifier. Users may designate an order as available to match with opposite side orders within the elected group type by marking the AGID modifier of the order with the “free-to-trade” identifier.
- (4) Compatibility with MQTY, as described in paragraph (b)(11) above. In the event an active order subject to anti-internalization is a MQTY the Exchange will determine satisfaction of the size requirement without excluding any resting orders from the same User or MPID that would otherwise be canceled under anti-internalization. This may result in total executed shares being less than the minimum quantity size value in an amount equal to the shares prevented from executing resulting from anti-internalization.

* * * * * **Supplementary Material** * * * * *

.01 Best Execution

The Exchange notes that use of the AGID modifier does not relieve or otherwise modify the duty of best execution owed to orders received from customers. As such, market participants using the AGID modifier will need to take appropriate steps to ensure customer orders that do not execute because they were subject to anti-internalization ultimately receive the same execution price (or better) than they would have originally obtained if execution of the order was not inhibited by anti-internalization.

.02 Firm Quote Obligations

Market Makers and other Users must not use the AGID modifier to evade the firm quotation obligation, as specified in LTSE Rule 11.151(b).

.03 Just and Equitable Principles of Trade

The AGID modifier must be used in a manner consistent with just and equitable principles of trade.

(f) Order Price Collars and Constraints

- (1) Order Collar. Except for orders that are eligible for the Cross Book pursuant to Rule 11.231 during the Opening Process for non-LTSE-listed securities or the Auction Book pursuant to LTSE Rule 11.350(a)(1) during the auction process for LTSE-listed securities, the Exchange Order Collar prevents any incoming order or order resting on the Order Book, including those marked ISO, from executing at a price outside the Order Collar price range, i.e. prevents buy orders from trading at prices above the collar and prevents sell orders from trading at prices

below the collar. The Order Collar price range is calculated using the numerical guidelines for clearly erroneous executions. Executions are permitted at prices within the Order Collar price range, inclusive of the boundaries. Any portion of a market order that would execute at a price beyond the Order Collar is canceled. Any remainder of a limit order that would execute at a price beyond the Order Collar is posted to the Order Book or canceled as per User instructions. Both displayed and non-displayed portions of limit orders may post on the Order Book at the Order Collar Price, but never more aggressive. Such orders may be re-priced to a compliant price within or at the Order Collar as the Order Collar price changes due to changing market conditions.

- (A) The Order Collar Reference Price is equal to the most current of the following:
- (i) Consolidated last sale price disseminated during the Regular Market Session on trade date.
 - (ii) Last trade price disseminated outside of the Regular Market Session (Form T, as communicated by the relevant SIP) on trade date which other than for the Form T designation would have been considered a valid last sale price.
 - (iii) If neither (i) or (ii) are available, prior day's Official Closing Price from the listing exchange, adjusted to account for corporate actions, news events, etc.
- (B) In the absence of an Order Collar Reference Price, the Exchange will either prevent trading in a security (by rejecting orders for the security) or suspend the Order Collar function, in the interest of maintaining a fair and orderly market in the impacted security.
- (C) The Exchange calculates the Order Collar price range for a security by applying the Numerical Guideline for the appropriate market session and reference price (see table below) to the Order Collar Reference Price, as defined in paragraph (A) above. The result is added to the Order Collar Reference Price to determine the Order Collar Price for buy orders, while the result is subtracted from the Order Collar Reference Price to determine the Order Collar Price for sell orders. The appropriate Order Collar Price is assigned to all orders upon entry and enforced throughout the life of an order; the Order Collar Price is updated each time the Order Collar Reference Price is updated by the System.

- (D) The Numerical Guideline used in the Order Collar Price calculation is based on the table below:

REFERENCE PRICE	REGULAR MARKET SESSION NUMERICAL GUIDELINES	PRE-MARKET AND POST-MARKET SESSIONS NUMERICAL GUIDELINES
Greater than \$0.00 up to and including \$25.00	10%	20%
Greater than \$25.00 up to and including \$50.00	5%	10%
Greater than \$50.00	3%	6%

These percentages are based upon the numerical guidelines for clearly erroneous executions under LTSE Rule 11.270.

- (2) Reserved
- (3) **Crossed Market Collar.** In the event that a Protected Bid is crossing a Protected Offer, the System does not execute any portion of an active buy order at a price more than the greater of five cents (\$0.05) or one half of a percent (0.5%) higher than the lowest Protected Offer, or any portion of an active sell order at a price more than the greater of five cents (\$0.05) or one half of a percent (0.5%) lower than the highest Protected Bid, unless such order is marked ISO. When an order posts to or is resting on the Order Book while a Protected Bid is crossing a Protected Offer, the order will price slide in accordance with the price sliding process, pursuant to LTSE Rule 11.190(g).
- (4) **One-Sided Markets.** One-Sided Markets are markets which lack either a Protected Bid or a Protected Offer.
- (A) In a One-Sided Market, non-displayed interest is handled in the following manner:
- (i) Non-displayed interest entering the System will first test for available displayed interest resting on the Order Book. Any unexecuted non-displayed interest will be unavailable to trade once it posts on the Order Book.
 - (ii) Resting non-displayed interest on LTSE is unavailable to trade.
 - (iii) When a two-sided market returns, non-displayed orders become available at their relative priority.

- (B) In a One-Sided Market, displayable interest is handled in the following manner:
 - (i) When LTSE receives displayable interest on the same side of the market as the Protected Bid or Protected Offer:
 - a. Displayable interest marked LTSE Only posts and displays at the most aggressive allowable price.
 - b. Reserved.
 - (ii) When LTSE receives displayable interest on the side of the market opposite a best Protected Quote:
 - a. Displayable interest marked LTSE Only is eligible to trade with interest that is present on the Exchange and will post any unexecuted shares, order instructions allowing, subject to displayed-price sliding, as per section (g) below.
 - b. Reserved.
- (5) Zero Markets. Zero Markets are markets in which neither a Protected Bid nor a Protected Offer exists.
 - (A) In a Zero Market, resting non-displayed interest is unavailable to trade. When a Two-Sided Market returns, non-displayed orders become available at their relative priority.
 - (B) In a Zero Market, displayable interest will post and display at the most aggressive allowable price.
- (g) Price Sliding. The System will process orders pursuant to the “price sliding process,” which includes the following:
 - (1) Display-Price Sliding.
 - (A) An order eligible for display by the Exchange that, at the time of entry, would create a violation of Rule 610(d) of Regulation NMS by locking or crossing a Protected Quotation of an external market will be ranked and displayed by the System at one (1) minimum price variant (“MPV”) below the current NBO (for bids) or one (1) MPV above the current NBB (for offers) (“display-price sliding”).

- (B) An order subject to display-price sliding will retain its limit price irrespective of the price at which such order is ranked and displayed. In the event the NBBO changes such that an order subject to display-price sliding would no longer lock or cross the Protected Quotation of an external market, the order will receive a new timestamp, and will be displayed at the most aggressive permissible price. Such orders may be repriced once or multiple times, depending on changing market conditions and the order's limit price.
- (C) The following orders are subject to display-price sliding:
 - (i) LTSE Only orders are always subject to display-price sliding, as applicable.
 - (ii) The displayed portion of a reserve order is always subject to the display-price sliding process when being refreshed from the non-displayed portion, as applicable.
- (2) Non-Displayed Price Sliding. A non-displayed limit order posting to the Order Book which has a limit price more aggressive than the Protected Quotation of an external market will be booked and ranked by the System at the current NBO (for bids) or at the current NBB (for offers). To reflect changes to the NBO or NBB, the order is automatically re-priced by the System in response to changes in the NBO or NBB up to the order's limit price.
- (3) Locked and Crossed Markets.
 - (A) In the event that the market becomes locked, the System will observe the following practices for displayed orders:
 - (i) Resting orders that are displayed at the price of the locking quotation ("locking price") as defined in LTSE Rule 11.310, and were originally displayed in compliance with rules and regulations of the Exchange and the Act will maintain their displayed price and quantity.
 - (ii) Displayable orders posting to the Order Book on the same side as an order which is locked and was originally displayed, as per subparagraph (i) above, are not permitted to join the locking price. Such orders will be displayed and ranked by the System pursuant to the Exchange's display-price sliding practices described in paragraph (1) above.
 - (B) In the event that the market becomes crossed, the System will observe the following practices for displayed orders:

- (i) Resting orders that are displayed at a price which has become crossed and were originally displayed in compliance with rules and regulations of the Exchange and the Act will maintain their displayed price and quantity.
 - (ii) Displayable buy (sell) orders being posted to the Order Book during a crossed market will be displayed and ranked by the System one (1) MPV below (above) the lowest Protected Offer (highest Protected Bid).
- (C) In the event that the market becomes locked, non-Displayed orders posting to the Order Book on the same side as an order which is locked will be ranked by the System pursuant to the Exchange's non-display price sliding practices in paragraph (2) above.
- (D) In the event that the market becomes crossed, the System will observe the following practices for non-displayed orders:
 - (i) Resting non-displayed orders will maintain their price and quantity.
 - (ii) Incoming non-displayed orders will be priced by the System to be no more aggressive than the crossing price, the lowest Protected Offer for buy orders and the highest Protected Bid for sell orders.
- (4) Short Sale Price Sliding. The re-pricing described in this subparagraph constitutes "short sale price sliding" for short sale orders.
 - (A) For purposes of this LTSE Rule, the terms "covered security", "listing market", and "national best bid" shall have the same meaning as in Rule 201 of Regulation SHO. The term Short Sale Period is defined in LTSE Rule 11.290(d). The term Short Sale Price Test is defined in LTSE Rule 11.290(b).
 - (B) During a Short Sale Period, any active short sale order not marked short exempt is prevented by the System from executing at or below the current NBB.
 - (C) A short sale order not marked short exempt that, at the time of entry, could not be executed or displayed in compliance with Rule 201 of Regulation SHO will be repriced and ranked by the System on the Order Book at a price equal to one MPV above the current NBB (the "Permitted Display Price"). To reflect declines in the NBB, the System will continue to re-price a resting displayed short sale order not marked short exempt to be equal to the higher of the order's limit price or a Permitted Display Price. In the event the NBB changes such that the price of a Non-Displayed Order subject to Rule 201 of

Regulation SHO would lock or cross the NBB, the order will receive a new timestamp, and will be re-priced by the System at the Permitted Price.

- (D) During a Short Sale Period, the System may execute a displayed short sale order not marked short exempt (including the displayed portion of a short sale reserve order not marked short exempt) below the Permitted Display Price if, at the time of initial display of such short sale order, the order was displayed at a price above the then current NBB. This provision does not apply to shares refreshing from the non-displayed portion to the displayed portion of a short sale reserve order not marked short exempt; such displayed portion is subject to short sale price sliding.
- (5) During a Short Sale Period, orders marked "short exempt" will not be subject to short sale price sliding. The System will accept orders marked "short exempt" at any time when the System is open for order entry, regardless of whether the Short Sale Price Test has been triggered.
- (6) Limit Up-Limit Down Price Constraint. For purposes of this LTSE Rule 11.190, the terms "Plan" and "Limit Up-Limit Down Plan" mean the Plan to Address Extraordinary Market Volatility Pursuant to Rule 608 of Regulation NMS. The term "Lower Price Band" and "Upper Price Band" (each a "Band Price") shall be defined as per the Plan. An order that would post to the Order Book with a limit price more aggressive than the applicable Upper Price Band (for buy orders) or Lower Price Band (for sell orders) will be posted, and displayed if applicable, at the Price Band. An order subject to Limit Up-Limit Down Price Constraint will retain its limit price irrespective of the prices at which such order is ranked. In the event the Band Price changes such that an order subject to Limit Up-Limit Down Price Constraint would no longer be more aggressive than the Band Price, the order will be re-priced to the most aggressive allowable price and receive a new timestamp.

.01 Price Sliding and Time Priority.

Due to the way in which LTSE processes actions to resting orders, specifically when re-pricing, orders' relative time priority is generally preserved. LTSE assigns time priority, specifically a resting order's time priority, as the time when it is posted to the book at a given price, and each time the System re-prices an order, it necessarily receives a new time priority (i.e. timestamp).

Please note that except in the rare instance of Limit Up-Limit Down Band Prices and LTSE Order Collars requiring it, LTSE will otherwise never re-price a displayed order already posted on the Order Book to a less aggressive price. Displayed orders and displayed portions of orders already posted

are otherwise only ever re-priced to more aggressive prices, as allowed by the prevailing market and the limit price indicated by Users on those orders.

.02 Price Sliding of Displayed Orders Resting on the Order Book.

Orders displayed on the Exchange which were displayed at a price compliant with Regulation NMS are generally permitted to maintain their displayed price in the event an away trading center locks or crosses the price of the LTSE displayed order

When a reserve order refreshes its displayed portion, the refreshing shares are not permitted to be displayed at a price that locks or crosses the price of a protected quotation on an away market and are subject to display-price sliding pursuant to LTSE Rule 11.190(g)(1).

Rule Series 11.200. Order Guidelines

Rule 11.210. Minimum Price Variant

- (a) Bids, offers or orders in securities traded on the Exchange shall not be made in an increment smaller than:
 - (1) \$0.01 if those bids or offers are priced equal to or greater than \$1.00 per share; or
 - (2) \$0.0001 if those bids or offers are priced less than \$1.00 per share, and the security is an NMS stock pursuant to Regulation NMS Rule 600(b)(47), and is trading on the Exchange; or
 - (3) Any other increment established by the Commission for any security which has been granted an exemption from the minimum price increments requirements of Regulation NMS Rule 612(a) or 612(b).

Rule 11.220. Priority of Orders

- (a) Determination of Rank.
 - (1) Orders resting in the Order Book shall be ranked and maintained based on the following priority:
 - (A) Price. Orders are ranked by the price at which they are resting on the Order Book ("Resting Price"). The best priced order (the highest priced resting order to buy or the lowest priced resting order to sell) shall have priority over all other orders to buy (or orders to sell) in all cases.
 - (B) Display. The System shall rank equally priced trading interest within the System by display. Displayed orders and displayed portions of orders will

have precedence over non-displayed orders, and non-displayed portions of orders at a given price.

- (C) Time. The System shall rank equally priced trading interest with the same display within the System in time priority. Subject to the Execution Process described below, where orders to buy (or sell) are resting at the same price with the same display, the order clearly established as the oldest in the System at such particular price and display shall have precedence at that price and display, up to the number of shares of stock specified in the order. Orders are ranked by the time at which they are posted to the Order Book at a given price, the first to be posted at a given price being the oldest. Orders maintain their time priority once booked until one of the following occur, at which time the order will receive a new timestamp:
 - (i) Order is incremented by the User by means of a Cancel/Replace pursuant to LTSE Rule 11.190(d).
 - (ii) Order is re-priced by the User by means of a Cancel/Replace pursuant to LTSE Rule 11.190(d).
 - (iii) Reserved.
 - (iv) Order is incremented by the System
 - (v) The displayed portion of a reserve order is given a new timestamp when it is refreshed by the System after receiving an execution that decrements the displayed portion of a reserve order below one round lot pursuant to LTSE Rule 11.190(b)(2).
 - (vi) Order is re-priced by the System pursuant to LTSE Rule 11.190(g).
 - (vii) When a Displayed order is reduced to less than one round lot, it receives a new timestamp and is considered a non-displayed order.
- (2) Orders resting on the Order Book shall be ranked and maintained for the Opening Process based on the following priority:
 - (A) Price. The best priced Cross Eligible Order (the highest priced resting order to buy or the lowest priced resting order to sell) has priority over all other orders to buy (or orders to sell) in all cases. Market orders have precedence over limit orders. Cross Eligible Orders resting on the Continuous Book are ranked by the price at which they are resting on the Continuous Book; Cross

Eligible Orders resting on the Cross Book are ranked by the limit price defined by the User, if any (in each case, the order's "resting price").

- (B) Display. Equally priced Cross Eligible Orders are ranked by display priority. Displayed orders and displayed portions of Cross Eligible Orders will have precedence over non-displayed orders and non-displayed portions of Cross Eligible Orders at a given price.
- (C) Time. Equally priced Cross Eligible Orders with the same display priority are ranked in time priority. Where Cross Eligible Orders to buy (or sell) are ranked at the same price with the same display priority, the oldest order at such price and display shall have precedence at that price and display. Orders are ranked by the time at which they are posted to the Order Book at a given price, the first to be posted at a given price being the oldest. Cross Eligible Orders maintain their time priority once booked until one of the following occur, at which time the order will receive a new timestamp:
 - (i) An order on the Cross Book is incremented by the User;
 - (ii) An order on the Cross Book is re-priced by the User;
 - (iii) Reserved;
 - (iv) Reserved
 - (v) Reserved
 - (vi) Any one of the events specified in LTSE Rule 11.220(a)(1)(C) occurs to an order on the Continuous Book.
- (3) Decrementing Order Quantity and Priority. In the event that less than the full size of an order is executed, the unexecuted size of the order shall retain priority at the same resting price in accordance with paragraph (1a) above, except when the order is displayed and the remaining unexecuted shares have been reduced from a round lot or mixed lot to an odd lot in accordance with paragraph (a)(1)(C)(vii). In the event that an order is decremented by the User by means of a Cancel/Replace pursuant to LTSE Rule 11.190(d), the order will not receive a new timestamp except for Displayed orders or displayed portions of orders that are decremented from round lot or mixed lot to an odd lot in accordance with paragraph (a)(1)(C)(vii).
- (4) Price Sliding and Priority. The Exchange assigns time priority, specifically a resting order's time priority, as the time when it is posted to the Order Book at a

particular price, and each time the System re-prices an order, it necessarily receives a new time priority (i.e. timestamp).

- (5) Surrendering Precedence. In the event a resting order having precedence on the Order Book cannot be executed due to its order instructions, the resting order surrenders its precedence in the Order Book only for the duration of the System processing the current active order. In the event a resting order having precedence on the Order Book cannot be executed due to the active order's order instructions, that resting order does not surrender its precedence, and the active order stops executing for this Order Book processing action.
- (6) Order Book Action Priority.
 - (A) Order Book Actions are actions taken by the System on orders resting in the Order Book and include:
 - (i) Re-pricing of orders.
 - (ii) Refresh of displayed portions of reserve orders.
 - (B) Each time the System initiates a Book Action pursuant to LTSE Rule 11.220(a)(6) on an order resting on the Order Book, it does so pursuant to the Order Book priority pursuant to LTSE Rule 11.220(a)(1), with the timestamp of the order or the portion of the order upon which the action is taken being used to determine time priority, the display of the order or the portion of the order upon which the action is taken being used to determine display priority, and the order's Resting Price on the Order Book being used to determine price priority.
- (7) Anti-Internalization. Pursuant to LTSE Rule 11.190(e), Users may direct that orders entered into the System not execute against orders entered under the same AGID modifier. In such a case, the System will not permit such orders to execute against one another, regardless of priority ranking.
- (8) Incoming Messages.
 - (A) New Orders, Cancel and Cancel/Replace messages received from Users, market data messages, and System component generated messages are processed by the System in strict time sequence.
 - (b) Dissemination. The best-ranked displayable order(s) are disseminated pursuant to LTSE Rule 11.240(c)(1).

Rule 11.230. Order Execution

Subject to the restrictions under these Exchange Rules or the Act, and the rules and regulations thereunder, orders shall be matched for execution in accordance with this LTSE Rule 11.230.

- (a) Execution Against the LTSE Order Book. For purposes of this LTSE Rule 11.230, any order falling within the parameters of this paragraph shall be referred to as “executable.” An order will be canceled back to the User if, based on market conditions, User instructions, applicable LTSE Rules, and/or the Act and the rules and regulations thereunder, such order is not executable and cannot be posted to the Order Book.
 - (1) Compliance with Rule 201 of Regulation SHO. For any execution of a short sale order to occur on the Exchange when a short sale price test restriction is in effect, the execution price must be higher than (i.e., above) the NBB, unless the sell order was initially displayed by the System at a price above the then current NBB or is marked “short exempt” pursuant to Regulation SHO. Short sale orders are subject to the short sale price sliding process pursuant to LTSE Rule 11.190(g)(4), as well as any other applicable price sliding process.
 - (2) Compliance with Regulation NMS and Trade-Through Protection.
 - (A) Regular Market Session. For any execution to occur during the Regular Market Session, the price must be equal to or better than the Protected NBBO, unless the order is marked ISO, or unless the execution falls within another exception set forth in Rule 611(b) of Regulation NMS.
 - (B) Pre-Market Session and Post-Market Session. For any execution to occur during the Pre-Market Session or Post-Market Session, the price must be equal to or better than the highest Protected Bid or lowest Protected Offer, unless the order is marked ISO, or a Protected Bid is crossing a Protected Offer.
 - (C) Crossed Markets. Notwithstanding sub-paragraphs (A) and (B) above, in the event that a Protected Bid is crossing a Protected Offer, whether during or outside of the Regular Market Session, unless an order is marked ISO, the Exchange will enforce the Crossed Market Collar pursuant to LTSE Rule 11.190(f)(3) and the price sliding process pursuant to LTSE Rule 11.190(g)(3).
 - (3) Compliance with Limit Up-Limit Down. For any executions to occur during the Regular Market Session, such executions must comply with the Plan, as set forth

in LTSE Rule 11.280(e) and the price sliding process pursuant to LTSE Rule 11.190(g)(5).

- (4) Execution against the LTSE Book. An incoming active order will first attempt to be matched for execution against orders in the LTSE Book, as described below.
 - (A) Buy Orders. An incoming order to buy will be automatically executed to the extent that it is priced at an amount that equals or exceeds the resting price of any order to sell in the Order Book and is executable, as defined above. Such order to buy shall be executed at the price(s) of the lowest priced order(s) to sell having priority in the Order Book.
 - (B) Sell Orders. An incoming order to sell will be automatically executed to the extent that it is priced at an amount that equals or is less than the resting price of any other order to buy in the Order Book and is executable, as defined above. Such order to sell shall be executed at the price(s) of the highest priced order(s) to buy having priority in the Order Book.
 - (C) Consistent with Rule 11.190, orders are permitted to post non-displayed and rest non-displayed on the Order Book at prices that lock contra-side liquidity, provided, however, that the System will never display a locked market. Subject to sub-paragraph (A) or (B) above, orders are never permitted to post non-displayed nor rest non-displayed on the Order Book at prices that cross contra-side liquidity.
 - (D) Reserved.
- (b) Reserved.
- (c) Reserved.
- (d) Self-Help. The Exchange shall take advantage of the self-help provisions of Regulation NMS. Pursuant to the self-help provisions, the System may execute a transaction that would constitute a trade-through of a Protected Quotation displayed on an away trading center if such away trading center is experiencing a failure, material delay, or malfunction of its systems or equipment. If an away trading center publishing a Protected Quotation repeatedly fails to respond within one second to orders sent by the System to access such away trading center's Protected Quotation, the System may disregard those Protected Quotations when displaying, canceling or executing orders on the Exchange. When invoking self-help, the Exchange will:
 - (1) Notify the non-responding away trading center immediately after (or at the same time as) electing self-help; and

- (2) Assess whether the cause of the problem lies with the System and, if so, taking immediate steps to resolve the problem instead of invoking self-help.
- (e) Reserved.

Rule 11.231. Regular Market Session Opening Process for Non-LTSE-Listed Securities

- (a) Order Entry and Cancellation before the Regular Market Session Opening Process (“Opening Process”). Prior to the beginning of Regular Market Hours, Users who wish to participate in the Opening Process may enter orders designated with a TIF of DAY and limit orders designated with a TIF of GTX, which shall queue in the System and are eligible for execution in the Opening Process (the “Cross Book”); interest resting on the Order Book in the Pre-Market Session available for continuous trading (i.e., orders on the Continuous Book) are also eligible for execution in the Opening Process (collectively, “Cross Eligible Orders”). Orders with a Minimum Quantity as defined in LTSE Rule 11.190(b)(11) are not eligible for execution in the Opening Process, and therefore not Cross Eligible Orders.
 - (1) Orders on the Continuous Book and orders on the Cross Book (collectively, the Order Book) shall be ranked and maintained for the Opening Process pursuant to LTSE Rule 11.220(a)(2), as follows:
 - (A) Reserved.
 - (B) Reserved.
 - (C) Reserved.
 - (D) Limit orders on the Cross Book are ranked and eligible for execution in the Opening Process at their limit price.
 - (E) Non-displayed limit orders and non-displayed portions of reserve orders on the Continuous Book are ranked and eligible for execution in the Opening Process at the order’s limit price.
 - (F) Displayed limit orders on the Continuous Book are ranked and eligible for execution in the Opening Process at their resting price.
- (b) Performing the Opening Process. The Exchange will attempt to perform the Opening Process beginning at the start of Regular Market Hours, in which the Exchange matches buy and sell Cross Eligible Orders that are executable at the Opening Match Price, as described in paragraph (c) below.

- (1) Execution Priority. Cross Eligible Orders will be processed in accordance with the Exchange's determination of order priority pursuant to LTSE Rule 11.220(a)(2). To the extent there is executable contra side interest, market orders will be executed at the Opening Match Price according to time priority. After the execution of all market orders, the remaining Cross Eligible Orders priced more aggressively than the Opening Match Price will be executed in price – display – time priority at the Opening Match Price. All remaining Cross Eligible Orders priced equal to the Opening Match Price will execute in display–time priority at the Opening Match Price. Executions will occur until there is no remaining volume or there is an imbalance of Cross Eligible Orders (the process described above in this paragraph (b), collectively, being the “Opening Match”). All AGID modifiers, as defined in LTSE Rule 11.190(e), will not be supported for executions in the Opening Match, but will be enforced on all unexecuted shares released to the Order Book following the Opening Match.
 - (2) Transition to Regular Market Session. An imbalance of Cross Eligible Orders on the buy side or sell side may result in orders that are not executed in whole or in part. Unexecuted Cross Eligible Orders to buy (sell) that are priced at or above (below) the Cross Price Constraint (but remained unexecuted due to an imbalance of Cross Eligible Orders) will price slide pursuant to LTSE Rule 11.190(g) and all remaining unexecuted Cross Eligible Orders, along with any orders that were either ineligible to participate in the Opening Process or too passive to be executed in the Opening Process, will be released to the Order Book for continuous trading or canceled in accordance with the terms of the order.
- (c) Determination of the Opening Match Price.
- (1) Definitions.
 - (A) The term “Away Protected NBB” or “Away Protected NBO” shall mean the national best bid or offer, respectively, that is a Protected Quotation and not a quotation of the Exchange.
 - (B) The term “Away Protected Bid” or “Away Protected Offer” shall mean a Protected Bid or Protected Offer, respectively, that is not a quotation of the Exchange.
 - (C) The term “Cross Price Constraint” shall mean, collectively, the upper and lower threshold prices within which the Opening Match must occur, inclusive of the boundaries. During a crossed market, if the upper threshold price is below the lower threshold price when performing the Opening Process, no

Opening Match will occur, orders eligible to post on the Order Book will price slide in accordance with the price sliding process pursuant to LTSE Rule 11.190(g), and the security will open for trading on LTSE in accordance with prevailing market session rules.

- (i) The upper threshold price of the Cross Price Constraint is equal to the lesser of the price of the Away Protected NBO or the upper threshold of the Order Collar price range for the Regular Market Session, calculated pursuant to Rule 11.190(f)(1)(C), except in the event that an Away Protected Bid is crossing an Away Protected Offer, the upper threshold price is equal to the greater of five cents (\$0.05) or one half of a percent (0.5%) higher than the lowest Away Protected Offer.
 - (ii) The lower threshold price of the Cross Price Constraint is equal to the greater of the price of the Away Protected NBB or the lower threshold of the Order Collar price range for the Regular Market Session, calculated pursuant to Rule 11.190(f)(1)(C), except in the event that an Away Protected Bid is crossing an Away Protected Offer, the lower threshold price is equal to the greater of five cents (\$0.05) or one half of a percent (0.5%) lower than the highest Away Protected Bid.
- (D) The term “Cross Tie Breaker” shall mean the price of the most current Order Collar Reference Price pursuant to LTSE Rule 11.190(f), rounded to the nearest MPV.
- (2) The Opening Match Price in a Two-sided Market. When the Exchange performs the Opening Process for a security, if both an Away Protected Bid and Away Protected Offer exist for the subject security, the following process will be used to determine the Opening Match Price.
- (A) The Opening Match shall occur at the price that maximizes the number of shares of Cross Eligible Orders to be executed;
 - (B) If more than one price exists under subparagraph (A) resulting in a cross price range, the Opening Match shall occur at the price at or within such range that is not lower (higher) than the most aggressive unexecuted buy (sell) order;
 - (C) If more than one price exists under subparagraph (B), the Opening Match shall occur at the price closest or equal to the Cross Tie Breaker; and
 - (D) If the Opening Match Price established by subparagraphs (A)-(C) above is below (above) the lower (upper) threshold price of the Cross Price Constraint,

the Opening Match shall occur at the lower (upper) threshold price of the Cross Price Constraint.

- (3) The Opening Match Price in a One-Sided or Zero Market. When the Exchange performs the Opening Process for a security, if there is a lack of an Away Protected Bid and/or Away Protected Offer for the subject security, the following process will be used to determine the Opening Match Price.
 - (A) The Opening Match shall occur at the price of the Cross Tie Breaker; and
 - (B) If the price that exists under subparagraph (A) is below (above) the lower (upper) threshold price of the Cross Price Constraint, the Opening Match shall occur at the lower (upper) threshold price of the Cross Price Constraint, if any.
- (d) Opening Process Contingency Procedures.
 - (1) When a disruption occurs that prevents the execution of the Opening Process as set forth above, LTSE shall apply the following Opening Process Contingency Procedures.
 - (A) LTSE will publicly announce that no Opening Process will occur. All orders on the Order Book will be canceled, and LTSE will open the security for trading without an Opening Match.
- (e) If a security is subject to a halt, suspension, or pause in trading during the Pre-Market Session, the Exchange will not accept orders in the security for queuing on the Cross Book and participation in the Opening Process or otherwise. Pursuant to LTSE Rule 11.271, any order submitted during a halt will be rejected by the System. Any orders resting on the Order Book at the time of a trading halt will not be canceled by the System, and will be unavailable for trading during the trading halt, but will be available for cancellation by the submitting User. If the halt, suspension, or pause remains in effect at the start of Regular Market Hours, the Opening Process will not occur at the normally scheduled time. Instead, once the security resumes trading, the Exchange will conduct the Opening Process with any Cross Eligible Orders that remain. Following the conclusion of the Opening Process, the Exchange will accept and execute orders as usual in accordance with prevailing market session rules.
- (f) Pursuant to Rule 611(b)(3) of Regulation NMS, orders executed in the Opening Process shall constitute a single-priced opening transaction by the Exchange and may trade-through or trade-at the price of any other Trading Center's Manual or Protected Quotations.

Rule 11.240. Trade Execution, Reporting, and Dissemination of Quotations

- (a) Executions occurring as a result of orders matched against the LTSE Order Book shall be reported by the Exchange to an appropriate consolidated transaction reporting system to the extent required by the Act and the rules and regulations thereunder. The Exchange shall promptly notify Users of all executions of their orders as soon as such executions take place.
- (b) The Exchange shall identify all trades executed pursuant to an exception or exemption from Rule 611 of Regulation NMS in accordance with specifications approved by the operating committee of the relevant national market system plan for an NMS stock. If a trade is executed pursuant to both the ISO exception of Rule 611(b)(5) of Regulation NMS and the self-help exception of Rule 611(b)(1) of Regulation NMS, such trade shall be identified as executed pursuant to the ISO exception.
- (c) Display of Automated Quotations. The System will be operated as an “automated market center” within the meaning of Regulation NMS, and in furtherance thereof, will display “automated quotations” within the meaning of Regulation NMS at all times except in the event that a systems malfunction renders the System incapable of displaying automated quotations.
 - (1) Dissemination of Quotation Information. The aggregate of the best-ranked order(s), pursuant to LTSE Rule 11.220, to buy, and the best-ranked order(s) to sell that are displayable in the Order Book, shall be collected and made available to quotation vendors for dissemination pursuant to the requirements of Rule 602 of Regulation NMS. The Exchange will maintain connectivity and access, pursuant to the Consolidated Tape Association (“CTA”) Plan and Unlisted Trading Privileges (“UTP”) Plan (collectively, “the SIPs”) for dissemination of quotation information.
- (d) Dissemination of Last Sale Information. Executions occurring as a result of orders matched against the Order Book, pursuant to LTSE Rule 11.230, shall be collected and made available to last sale vendors for dissemination. The Exchange will maintain connectivity and access, pursuant to the SIPs for dissemination of last sale (i.e., execution) information.

Rule 11.250. Clearance and Settlement; Anonymity

- (a) Each User must either (1) be a member of a registered clearing agency that uses a continuous net settlement (“CNS”) system, or (2) clear transactions executed on the Exchange through another User that is a member of such a registered clearing agency. The Exchange will maintain connectivity and access to the Universal Trade

Capture (“UTC”) of the National Securities Clearing Corporation (“NSCC”), a subsidiary of the Depository Trust & Clearing Corporation (“DTCC”), for transmission of executed transactions. If a User clears transactions through another User that is a member of a registered clearing agency (the “clearing member”), the clearing member shall affirm to the Exchange in writing, through letter of authorization, letter of guarantee, or other agreement acceptable to the Exchange, its agreement to assume responsibility for clearing and settling any and all trades executed by the User designating it as its clearing firm. The rules of any such clearing agency shall govern with respect to the clearance and settlement of any transactions executed by the Member on the Exchange.

- (1) Solely at the discretion of the Exchange, a User may clear transactions executed on the Exchange through a non-Member that is a member of a foreign clearing agency with which a registered clearing agency has an agreement of mutual recognition, and is permitted to clear transactions of the Member in the registered clearing agency’s CNS system.
- (b) Each transaction executed within the System is executed on a locked-in basis and shall be automatically processed for clearance and settlement.
- (c) The transaction reports produced by the System will indicate the details of transactions executed in the System but shall not reveal contra party identities. Except as set forth in paragraph (d) below, transactions executed in the System will also be cleared and settled anonymously.
- (d) Except as required by any registered clearing agency, the Exchange will reveal the identity of a User or User’s clearing firm in the following circumstances:
 - (1) For regulatory purposes or to comply with an order of a court or arbitrator; or
 - (2) When a registered clearing agency ceases to be the User’s clearing firm, and determines not to guarantee the settlement of the User’s trades.

Rule 11.260. Limitation of Liability

- (a) NEITHER THE EXCHANGE, NOR ANY OF ITS AGENTS, EMPLOYEES, CONTRACTORS, OFFICERS, DIRECTORS, SHAREHOLDERS, COMMITTEE MEMBERS OR AFFILIATES (“EXCHANGE-RELATED PERSONS”), WILL BE LIABLE TO ANY USER, OR SUCCESSORS, REPRESENTATIVES, OR CUSTOMERS THEREOF, OR ANY PERSONS ASSOCIATED THEREWITH, FOR ANY LOSS, DAMAGES, CLAIMS, OR EXPENSES:
 - (1) GROWING OUT OF THE USE OR ENJOYMENT OF ANY FACILITY OF THE EXCHANGE, INCLUDING, WITHOUT LIMITATION, THE SYSTEM; OR

- (2) ARISING FROM OR OCCASIONED BY ANY INACCURACY, ERROR OR DELAY IN, OR OMISSION OF OR FROM THE COLLECTION, CALCULATION, COMPILATION, MAINTENANCE, REPORTING, OR DISSEMINATION OF ANY INFORMATION DERIVED FROM THE SYSTEM OR ANY OTHER FACILITY OF THE EXCHANGE, RESULTING EITHER FROM ANY ACT OR OMISSION BY THE EXCHANGE OR ANY EXCHANGE-RELATED PERSON, OR FROM ANY ACT, CONDITION, OR CAUSE BEYOND THE REASONABLE CONTROL OF THE EXCHANGE OR ANY EXCHANGE-RELATED PERSON, INCLUDING, BUT NOT LIMITED TO, FLOOD, EXTRAORDINARY WEATHER CONDITIONS, EARTHQUAKE OR OTHER ACTS OF GOD, FIRE, WAR, TERRORISM, INSURRECTION, RIOT, LABOR DISPUTE, ACCIDENT, ACTION OF GOVERNMENT, COMMUNICATIONS OR POWER FAILURE, OR EQUIPMENT OR SOFTWARE MALFUNCTION.
- (b) EACH MEMBER EXPRESSLY AGREES, IN CONSIDERATION OF THE ISSUANCE OF ITS MEMBERSHIP IN THE EXCHANGE, TO RELEASE AND DISCHARGE THE EXCHANGE AND ALL EXCHANGE-RELATED PERSONS OF AND FROM ALL CLAIMS AND DAMAGES ARISING FROM THEIR ACCEPTANCE AND USE OF THE FACILITIES OF THE EXCHANGE (INCLUDING, WITHOUT LIMITATION, THE SYSTEM).
- (c) NEITHER THE EXCHANGE NOR ANY EXCHANGE-RELATED PERSON MAKES ANY EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS TO USERS AS TO RESULTS THAT ANY PERSON OR PARTY MAY OBTAIN FROM THE SYSTEM FOR TRADING OR FOR ANY OTHER PURPOSE, AND ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE, TITLE, AND NON-INFRINGEMENT WITH RESPECT TO THE SYSTEM ARE HEREBY DISCLAIMED.
- (d) NOTWITHSTANDING PARAGRAPH (a) ABOVE, AND SUBJECT TO THE EXPRESS LIMITS SET FORTH BELOW, THE EXCHANGE MAY COMPENSATE USERS FOR LOSSES DIRECTLY RESULTING FROM THE SYSTEMS' ACTUAL FAILURE TO CORRECTLY PROCESS AN ORDER, MESSAGE, OR OTHER DATA, PROVIDED THE EXCHANGE HAS ACKNOWLEDGED RECEIPT OF THE ORDER, MESSAGE OR DATA.
- (1) AS TO ANY ONE OR MORE CLAIMS MADE BY A SINGLE USER UNDER THIS LTSE RULE 11.260 ON A SINGLE TRADING DAY, THE EXCHANGE SHALL NOT BE LIABLE IN EXCESS OF THE LARGER OF \$100,000, OR THE AMOUNT OF ANY RECOVERY OBTAINED BY THE EXCHANGE UNDER ANY APPLICABLE INSURANCE MAINTAINED BY THE EXCHANGE.

- (2) AS TO THE AGGREGATE OF ALL CLAIMS MADE BY ALL USERS UNDER THIS LTSE RULE ON A SINGLE TRADING DAY, THE EXCHANGE SHALL NOT BE LIABLE IN EXCESS OF THE LARGER OF \$250,000 OR THE AMOUNT OF ANY RECOVERY OBTAINED BY THE EXCHANGE UNDER ANY APPLICABLE INSURANCE MAINTAINED BY THE EXCHANGE.
- (3) AS TO THE AGGREGATE OF ALL CLAIMS MADE BY ALL USERS UNDER THIS LTSE RULE 11.260 DURING A SINGLE CALENDAR MONTH, THE EXCHANGE SHALL NOT BE LIABLE IN EXCESS OF THE LARGER OF \$500,000, OR THE AMOUNT OF ANY RECOVERY OBTAINED BY THE EXCHANGE UNDER ANY APPLICABLE INSURANCE MAINTAINED BY THE EXCHANGE.
- (e) IN THE EVENT THAT ALL OF THE CLAIMS MADE UNDER THIS LTSE RULE 11.260 CANNOT BE FULLY SATISFIED BECAUSE IN THE AGGREGATE THEY EXCEED THE APPLICABLE MAXIMUM LIMITATIONS PROVIDED IN THIS LTSE RULE 11.260, THEN THE MAXIMUM PERMITTED AMOUNT WILL BE PROPORTIONALLY ALLOCATED AMONG ALL SUCH CLAIMS ARISING ON A SINGLE TRADING DAY OR DURING A SINGLE CALENDAR MONTH, AS APPLICABLE, BASED ON THE PROPORTION THAT EACH SUCH CLAIM BEARS TO THE SUM OF ALL SUCH CLAIMS.
- (f) ALL CLAIMS FOR COMPENSATION PURSUANT TO THIS LTSE RULE 11.260 SHALL BE IN WRITING AND MUST BE SUBMITTED NO LATER THAN 4:00 P.M. EASTERN TIME ON THE SECOND BUSINESS DAY FOLLOWING THE DAY ON WHICH THE USE OF THE EXCHANGE GAVE RISE TO SUCH CLAIMS, OR NO LATER THAN 1:00 P.M. EASTERN TIME IN THE EVENT OF AN EARLY MARKET CLOSE ON THE SECOND BUSINESS DAY FOLLOWING THE DAY ON WHICH THE USE OF THE EXCHANGE GAVE RISE TO SUCH CLAIMS.
- (g) ONCE IN RECEIPT OF A CLAIM, THE EXCHANGE WILL VERIFY THAT: (i) A VALID ORDER WAS ACCEPTED INTO THE EXCHANGE'S SYSTEMS; AND (ii) AN EXCHANGE SYSTEM FAILURE OR A NEGLIGENT ACT OR OMISSION OF AN EXCHANGE EMPLOYEE OCCURRED DURING THE EXECUTION OR HANDLING OF THAT ORDER.

Rule 11.270. Clearly Erroneous Executions

- (a) Definition. For the purposes of this LTSE Rule 11.270, the terms of a transaction executed on the Exchange are "clearly erroneous" when there is an obvious error in any term, such as price, number of shares or other unit of trading, or identification of the security. A transaction made in clearly erroneous error and cancelled by both

parties or determined by the Exchange to be clearly erroneous will be removed from the Consolidated Tape.

- (b) Request and Timing of Review. A Member that receives an execution on an order that was submitted erroneously to the Exchange for its own or customer account may request that the Exchange review the transaction under this LTSE Rule 11.270. An Officer of the Exchange or such other employee designee of the Exchange (“Official”) shall review the transaction under dispute and determine whether it is clearly erroneous, with a view toward maintaining a fair and orderly market and the protection of investors and the public interest. Such request for review shall be made in writing via e-mail or other electronic means specified from time to time by the Exchange in a circular distributed to Users.
 - (1) Requests for Review. Requests for review must be received by the Exchange within thirty (30) minutes of execution time and shall include information concerning the time of the transaction(s), security symbol(s), number of shares, price(s), side (bought or sold), and factual basis for believing that the trade is clearly erroneous. Upon receipt of a timely filed request that satisfies the numerical guidelines set forth in paragraph (c) of this LTSE Rule 11.270, the counterparty to the trade, if any, shall be notified by the Exchange as soon as practicable, but generally within thirty (30) minutes. An Official may request additional supporting written information to aid in the resolution of the matter. If requested, each party to the transaction shall provide any supporting written information as may be reasonably requested by the Official to aid resolution of the matter within thirty (30) minutes of the Official’s request. Either party to the disputed trade may request the supporting written information provided by the other party on the matter.
 - (2) Reserved.
- (c) Thresholds. Determinations of whether an execution is clearly erroneous will be made as follows:
 - (1) Numerical Guidelines. Subject to the provisions of paragraph (c)(3) below, a transaction executed during the Regular Market Session or during the Pre-Market or Post-Market Session shall be found to be clearly erroneous if the price of the transaction to buy (sell) that is the subject of the complaint is greater than (less than) the reference price by an amount that equals or exceeds the numerical guidelines set forth below. The execution time of the transaction under review determines whether the threshold is the Regular Market Session or during the Pre-Market or Post-Market Sessions (which occur before and after the Regular Market Session). The Reference Price will be equal to the consolidated last sale immediately prior to the execution(s) under review except for: (A) multi-stock

events involving twenty or more securities, as described in paragraph (c)(2) below; and (B) in other circumstances, such as, for example, relevant news impacting a security or securities, periods of extreme market volatility, sustained illiquidity, or widespread system issues, where use of a different Reference Price is necessary for the maintenance of a fair and orderly market and the protection of investors and the public interest.

Reference Price, Circumstance or Product	Regular Market Hours Numerical Guidelines (Subject transaction % difference from the Reference Price)	Pre-Market and Post-Market Session Numerical Guidelines (Subject transaction % difference from the Reference Price)
Greater than \$0.00 up to and including \$25.00	10%	20%
Greater than \$25.00 up to and including \$50.00	5%	10%
Greater than \$50.00	3%	6%
Multi-Stock Event Filings involving five or more, but less than twenty, securities whose executions occurred within a period of five minutes or less	10%	10%
Multi-Stock Event Filings involving twenty or more securities whose executions occurred within a period of five minutes or less	30%, subject to the terms of paragraph (c)(2) below	30%, subject to the terms of paragraph (c)(2) below

- (2) **Multi-Stock Events Involving Twenty or More Securities.** During Multi-Stock Events involving twenty or more securities, the number of affected transactions may be such that immediate finality is necessary to maintain a fair and orderly market and to protect investors and the public interest. In such circumstances, the Exchange may use a Reference Price other than consolidated last sale. To ensure consistent application across trading centers when this paragraph is invoked, the Exchange will promptly coordinate with the away trading centers to determine the appropriate review period, which may be greater than the period of five minutes or less that triggered application of this paragraph, as well as select one or more specific points in time prior to the transactions in question and use transaction prices at or immediately prior to the one or more specific points in time selected as the Reference Price. The Exchange will nullify as clearly erroneous all transactions that are at prices equal to or greater than 30% away from the Reference Price in each affected security during the review period selected by the Exchange and other markets consistent with this paragraph.

- (3) Additional Factors. Except in the context of a Multi-Stock Event involving five (5) or more securities, an Official may also consider additional factors to determine whether an execution is clearly erroneous, including but not limited to, system malfunctions or disruptions, volume and volatility for the security, derivative securities products that correspond to greater than 100% in the direction of a tracking index, news released for the security, whether trading in the security was recently halted/resumed, whether the security is an initial public offering, whether the security was subject to a stock-split, reorganization, or other corporate action, overall market conditions, Pre-Market Session or Post-Market Session executions, validity of the consolidated tapes trades and quotes, consideration of primary market indications, and executions inconsistent with the trading pattern in the stock. Each additional factor shall be considered with a view toward maintaining a fair and orderly market and the protection of investors and the public interest.
- (d) Outlier Transactions. In the case of an Outlier Transaction, an Official may, in his or her sole discretion, and on a case-by-case basis, consider requests received pursuant to paragraph (b) of this LTSE Rule 11.270 after thirty (30) minutes, but not longer than sixty (60) minutes after the transaction in question, depending on the facts and circumstances surrounding such request.
- (1) An “Outlier Transaction” means a transaction where the execution price of the security is greater than three times the current numerical guidelines set forth in paragraph (c)(1) of this LTSE Rule 11.270.
- (2) If the execution price of the security in question is not within the Outlier Transaction parameters set forth in paragraph (d)(1) of this LTSE Rule 11.270 but breaches the 52-week high or 52-week low, the Exchange may consider Additional Factors as outlined in paragraph (c)(3), in determining if the transaction qualifies for further review or if the Exchange shall decline to act.
- (e) Review Procedures
- (1) Determination by Official. Unless both parties to the disputed transaction agree to withdraw the initial request for review, the transaction under dispute shall be reviewed, and a determination shall be rendered by the Official. If the Official determines that the transaction is not clearly erroneous, the Official shall decline to take any action in connection with the completed trade. In the event that the Official determines that the transaction in dispute is clearly erroneous, the Official shall declare the transaction null and void. A determination shall be made generally within thirty (30) minutes of receipt of the complaint, but in no case later than the start of the Regular Market Session on the following day. The parties shall be promptly notified of the determination.

- (2) Appeals. If a Member affected by a determination made under this LTSE Rule 11.270 so requests within the time permitted below, the Clearly Erroneous Execution Panel (“CEE Panel”) will review decisions made by the Official under this LTSE Rule, including whether a clearly erroneous execution occurred and whether the correct determination was made; provided, however, that the CEE Panel will not review decisions made by an Officer under paragraph (f) of this LTSE Rule 11.270 if such Officer also determines under paragraph (d) of this LTSE Rule that the number of the affected transactions is such that immediate finality is necessary to maintain a fair and orderly market and to protect investors and the public interest, and further provided that with respect to rulings made by the Exchange in conjunction with one or more away trading centers, the number of affected transactions is similarly such that immediate finality is necessary to maintain a fair and orderly market and to protect investors and the public interest and, hence, are also non-appealable.
- (A) The CEE Panel will be comprised of the CRO, or a designee of the CRO, and representatives from two (2) Members.
- (B) The Exchange shall designate at least ten (10) representatives of Members to be called upon to serve on the CEE Panel as needed. In no case shall a CEE Panel include a person affiliated with a party to the trade in question. To the extent reasonably possible, the Exchange shall call upon the designated representatives to participate on a CEE Panel on an equally frequent basis.
- (C) A request for review on appeal must be made in writing via e-mail or other electronic means specified from time to time by the Exchange in a circular distributed to Members within thirty (30) minutes after the party making the appeal is given notification of the initial determination being appealed. The CEE Panel shall review the facts and render a decision as soon as practicable, but generally on the same trading day as the execution(s) under review. On requests for appeal received between 3:00 p.m. Eastern Time and the close of trading in the Post-Market Session, a decision will be rendered as soon as practicable, but in no case later than the trading day following the date of the execution under review.
- (D) The CEE Panel may overturn or modify an action taken by the Official under this LTSE Rule 11.270. All determinations by the CEE Panel shall constitute final action by the Exchange on the matter at issue.
- (E) If the CEE Panel votes to uphold the decision made pursuant to paragraph (e)(1) above, the Exchange will assess a \$500.00 fee against the Member(s) who initiated the request for appeal. In addition, in instances where the

Exchange, on behalf of a Member, requests a determination by an away trading center that a transaction is clearly erroneous, the Exchange will pass any resulting charges through to the relevant Member.

- (F) Any determination by an Officer or by the CEE Panel shall be rendered without prejudice as to the rights of the parties to the transaction to submit their dispute to arbitration
- (f) **System Disruption or Malfunctions.** In the event of any disruption or a malfunction in the operation of any electronic communications and trading facilities of the Exchange in which the nullification of transactions may be necessary for the maintenance of a fair and orderly market or the protection of investors and the public interest exist, an Officer of the Exchange or other senior level employee designee, on his or her own motion, may review such transactions and declare such transactions arising out of the operation of such facilities during such period null and void. In such events, the Officer of the Exchange or such other senior level employee designee will rely on the provisions of paragraphs (c)(1)-(3) of this LTSE Rule 11.270, but in extraordinary circumstances may also use a lower numerical guideline if necessary to maintain a fair and orderly market, protect investors and the public interest. Absent extraordinary circumstances, any such action of the Officer of the Exchange or other senior level employee designee pursuant to this paragraph (f) shall be taken within thirty (30) minutes of detection of the erroneous transaction. When extraordinary circumstances exist, any such action of the Officer of the Exchange or senior level employee designee must be taken by no later than the start of Regular Market Hours on the trading day following the date of execution(s) under review. Each Member involved in the transaction shall be notified as soon as practicable by the Exchange, and the party aggrieved by the action may appeal such action in accordance with the provisions of paragraph (e)(2) above.
- (g) **Officer Acting on Own Motion.** An Officer of the Exchange or senior level employee designee, acting on his or her own motion, may review potentially erroneous executions and declare trades null and void or shall decline to take any action in connection with the completed trade(s). In such events, the Officer of the Exchange or such other senior level employee designee will rely on the provisions of paragraphs (c)(1)-(3) of this LTSE Rule 11.270. Absent extraordinary circumstances, any such action of the Officer of the Exchange or other senior level employee designee shall be taken in a timely fashion, generally within thirty (30) minutes of the detection of the erroneous transaction. When extraordinary circumstances exist, any such action of the Officer of the Exchange or other senior level employee designee must be taken by no later than the start of Regular Market Hours on the trading day following the date of execution(s) under review. When such action is taken independently, each

party involved in the transaction shall be notified as soon as practicable by the Exchange, and the party aggrieved by the action may appeal such action in accordance with the provisions of paragraph (e)(2) above.

- (h) Securities Subject to Limit Up-Limit Down Plan. For purposes of this paragraph the phrase “Limit-up-Limit Down Plan” or “Plan” shall mean the Plan to Address Extraordinary Market Volatility Pursuant to Rule 608 of Regulation NMS under the Act. The provisions of paragraphs (a) through (g) above and (h) through (j) below shall govern all Exchange transactions, including transactions in securities subject to the Plan, other than as set forth in this paragraph (h). If, as a result of an Exchange technology or systems issue, any transaction occurs outside of the applicable price bands disseminated pursuant to the Plan, an Officer of the Exchange or senior level employee designee, acting on his or her own motion or at the request of a third party, shall review and declare any such trades null and void. Absent extraordinary circumstances, any such action of the Officer of the Exchange or other senior level employee designee shall be taken in a timely fashion, generally within thirty (30) minutes of the detection of the erroneous transaction. When extraordinary circumstances exist, any such action of the Officer of the Exchange or other senior level employee designee must be taken by no later than the start of Regular Market Hours on the trading day following the date on which the execution(s) under review occurred. Each Member involved in the transaction shall be notified as soon as practicable by the Exchange, and the party aggrieved by the action may appeal such action in accordance with the provisions of paragraph (e)(b) above. In the event that a single plan processor experiences a technology or systems issue that prevents the dissemination of price bands, the Exchange will make the determination of whether to nullify transactions based on paragraphs (a) through (g) above and (h) through (j) below.
- (i) Multi-Day Event. A series of transactions in a particular security on one or more trading days may be viewed as one event if all such transactions were effected based on the same fundamentally incorrect or grossly misinterpreted issuance information resulting in a severe valuation error for all such transactions (the “Event”). An Officer of the Exchange or senior level employee designee, acting on his or her own motion, shall take action to declare all transactions that occurred during the Event null and void not later than the start of trading on the day following the last transaction in the Event. If trading in the security is halted before the valuation error is corrected, an Officer of the Exchange or senior level employee designee shall take action to declare all transactions that occurred during the Event null and void prior to the resumption of trading. Notwithstanding the foregoing, no action can be taken pursuant to this paragraph with respect to any transactions that have reached settlement date or that result from an initial public offering of a security. To the extent transactions

related to an Event occur on one or more away trading centers, the Exchange will promptly coordinate with such away trading center(s) to ensure consistent treatment of the transactions related to the Event, if practicable. Any action taken in connection with this paragraph will be taken without regard to the numerical guidelines set forth in this LTSE Rule 11.270. Each Member involved in a transaction subject to this paragraph shall be notified as soon as practicable by the Exchange, and the party aggrieved by the action may appeal such action in accordance with the provisions of paragraph (e)(2) above

- (j) **Trading Halts.** In the event of any disruption or malfunction in the operation of the electronic communications and trading facilities of the Exchange, an away trading center or responsible single plan processor in connection with the transmittal or receipt of a regulatory trading halt, suspension or pause, an Officer of the Exchange or senior level employee designee, acting on his or her own motion, shall nullify any transaction in a security that occurs after the primary listing market for such security declares a regulatory trading halt, suspension or pause with respect to such security and before such regulatory trading halt, suspension, or pause with respect to such security has officially ended according to the primary listing market. In addition, in the event a regulatory trading halt, suspension, or pause is declared, then prematurely lifted in error and is then re-instituted, an Officer of the Exchange or senior level employee designee shall nullify transactions that occur before the official, final end of the halt, suspension or pause according to the primary listing market. Any action taken in connection with this paragraph shall be taken in a timely fashion, generally within thirty (30) minutes of the detection of the erroneous transaction and in no circumstances later than the start of Regular Market Hours on the trading day following the date of execution(s) under review. Any action taken in connection with this paragraph will be taken without regard to the numerical guidelines set forth in this LTSE Rule 11.270. Each Member involved in a transaction subject to this paragraph shall be notified as soon as practicable by the Exchange, and the party aggrieved by the action may appeal such action in accordance with the provisions of paragraph (e)(2) above.

Rule 11.271. Trading Halts

- (a) The Exchange does not accept any orders in a security subject to a trading halt at the time of a trading halt. Any order submitted during a halt will be rejected by the System, except as set forth in LTSE Rule 11.350(e).
- (b) Any orders resting on the Order Book at the time of a trading halt will not be canceled by the System, except as set forth in LTSE Rule 11.350(e). All orders resting on the Order Book in a security subject to a trading halt at the time of a trading halt will be

unavailable for trading during the trading halt, but will be available for cancellation by the submitting User.

- (c) During a trading halt, all quotes disseminated by the Exchange for such security will be set to zero.

Rule 11.280. Limit Up-Limit Down Plan and Trading Halts

- (a) This LTSE Rule 11.280 shall be in effect during a pilot period to coincide with the pilot period for the Regulation NMS Plan to Address Extraordinary Market Volatility. If the pilot is not either extended or approved permanently at the end of the pilot period, the Exchange will amend this LTSE Rule. The Exchange shall halt trading in all stocks and shall not reopen for the time periods specified in this LTSE Rule 11.280 if there is a Level 1, 2, or 3 Market Decline, as outlined below.

- (1) For purposes of this LTSE Rule 11.280, a Market Decline means a decline in price of the S&P 500® Index between 9:30 a.m. and 4:00 p.m. Eastern Time on a trading day as compared to the closing price of the S&P 500® Index for the immediately preceding trading day. The Level 1, Level 2, and Level 3 Market Declines that will be applicable for the trading day will be publicly disseminated before 9:30 a.m Eastern Time.

- (2) A “Level 1 Market Decline” means a Market Decline of 7%.

- (3) A “Level 2 Market Decline” means a Market Decline of 13%

- (4) A “Level 3 Market Decline” means a Market Decline of 20%

- (b) Halts in Trading.

- (1) If a Level 1 Market Decline or a Level 2 Market Decline occurs after 9:30 a.m. Eastern Time and up to and including 3:25 p.m. Eastern Time, or in the case of an early scheduled close, 12:25 p.m. Eastern Time, the Exchange shall halt trading in all stocks for 15 minutes after a Level 1 or Level 2 Market Decline. The Exchange shall halt trading based on a Level 1 or Level 2 Market Decline only once per trading day. The Exchange will not halt trading if a Level 1 Market Decline or a Level 2 Market Decline occurs after 3:25 p.m. Eastern Time, or in the case of an early scheduled close, 12:25 p.m. Eastern Time.

- (2) If a Level 3 Market Decline occurs at any time during the trading day, the Exchange shall halt trading in all stocks until the primary listing market opens the next trading day.

- (c) If a primary listing market halts trading in all stocks, the Exchange will halt trading in all stocks until trading has resumed on the primary listing market or notice has been received from the primary listing market that trading may resume. If the primary listing market does not reopen a security within 15 minutes following the end of the 15-minute halt period, the Exchange may resume trading in that security.
- (d) Nothing in this LTSE Rule 11.280 should be construed to limit the ability of the Exchange to otherwise halt, suspend, or pause the trading in any stock or stocks traded on the Exchange pursuant to any other LTSE Rule or policy.
- (e) Limit Up-Limit Down Mechanism.
 - (1) Definitions.
 - (A) The term “Plan” or “Limit Up-Limit Down Plan” means the Plan to Address Extraordinary Market Volatility Pursuant to Rule 608 of Regulation NMS under the Act, as amended from time to time.
 - (B) All capitalized terms not otherwise defined in this paragraph (e) shall have the meanings set forth in the Plan or LTSE Rules, as applicable
 - (2) Exchange Participation in the Plan. The Exchange is a participant in, and subject to the applicable requirements of, the Plan, which establishes procedures to address extraordinary volatility in NMS Stocks
 - (3) Member Compliance. Members shall comply with the applicable provisions of the Plan.
 - (4) Exchange Compliance with the Plan. The System shall not rank, display or execute buy (sell) interest above (below) the Upper (Lower) Price Bands, unless such interest is specifically exempted under the Plan.
 - (5) Re-pricing and Cancellation of Interest. The System shall re-price and/or cancel buy (sell) interest that is priced or could be executed above (below) the Upper (Lower) Price Band. When re-pricing resting orders because such orders are above (below) the Upper (Lower) Price Band, the Exchange will provide new timestamps to such orders
 - (A) Market Orders and IOC Orders. The System will only execute market orders or IOC orders at or within the Price Bands. If a market order or IOC order cannot be fully executed at or within the Price Bands, the System shall cancel any unexecuted portion of the order without posting such order to the Exchange’s Order Book.

- (B) Limit-priced Interest. Both displayable and non-displayable incoming limit-priced interest to buy (sell) that is priced above (below) the Upper (Lower) Price Band shall be re-priced to the Upper (Lower) Price Band. The System shall re-price resting limit-priced interest to buy (sell) to the Upper (Lower) Price Band if Price Bands move such that the price of resting limit-priced interest to buy (sell) would be above (below) the Upper (Lower) Price Band. If the Price Bands move again and the original limit price of displayed and re-priced interest is at or within the Price Band, the System shall re-price such displayed limit interest to the most aggressive permissible price up to the order's limit price. All other displayed and non-displayed limit interest re-priced pursuant to this paragraph (e) will remain at its new price unless the Price Bands move such that the price of resting limit-priced interest to buy (sell) would again be above (below) the Upper (Lower) Price Band.
 - (C) Reserved.
 - (D) Reserved.
 - (E) Sell Short Orders. During a Short Sale Price Test, as defined in LTSE Rule 11.290(b), Short Sale Orders priced below the Lower Price Band shall be re-priced to the higher of the Lower Price Band or the Permitted Display Price or Permitted Non-display Book Price, as applicable
 - (F) Auction Orders. Auction Eligible Orders on the Auction Book are not price slid or canceled due to LULD price bands.
- (6) Reserved
- (7) Trading Pause during a Straddle State. The Exchange may declare a Trading Pause for a NMS Stock listed on the Exchange when (i) the National Best Bid (Offer) is below (above) the Lower (Upper) Price Band and the NMS Stock is not in a Limit State; and (ii) trading in that NMS Stock deviates from normal trading characteristics.
- (8) Re-opening of Trading following a Trading Pause. At the end of the Trading Pause, the Exchange shall re-open trading in LTSE-listed securities pursuant to the procedures set forth in LTSE Rule 11.350(f). Trading in non-LTSE-listed securities shall re-open upon receipt of the Price Bands from the single plan processor responsible for consolidation of information for the security.
- (f) All times referenced in this LTSE Rule 11.280 are Eastern Time.

- (g) Authority to Initiate Trading Halts. In circumstances in which LTSE deems it necessary to protect investors and the public interest, LTSE, pursuant to the procedures set forth in paragraph (h).
- (1) May halt trading on LTSE of an LTSE-listed security to permit the dissemination of material news, provided, however, that in the Pre-Market Session LTSE will halt trading for dissemination of news only at the request of an issuer or pursuant to (g)(2) below;
 - (2) May halt trading on LTSE of a security listed on another national securities exchange during a trading halt imposed by such exchange to permit the dissemination of material news;
 - (3) May halt trading on LTSE: (A) in a security listed on another national securities exchange when such exchange imposes a trading halt in that security because of an order imbalance or influx (“operational trading halt”); or (B) in a security listed on LTSE, when the security is a derivative or component of a security listed on another national securities exchange and such exchange imposes an operational trading halt in that security. In the event that LTSE halts trading, LTSE members may commence quotations and trading otherwise than on LTSE at any time following initiation of operational trading halts, without regard to whether LTSE has terminated the trading halt on LTSE;
 - (4) May halt trading in an American Depositary Receipt (“ADR”) or other security listed on LTSE, when the LTSE-listed security or underlying security of the ADR is listed on or registered with another national or foreign securities exchange or market, and the national or foreign securities exchange or market, or regulatory authority overseeing such exchange or market, halts trading in such security for regulatory reasons;
 - (5) May halt trading in a security listed on LTSE when LTSE requests from the issuer information relating to:
 - (A) material news;
 - (B) the issuer’s ability to meet LTSE listing qualification requirements, as set forth in Chapters 14 and 16; or
 - (C) any other information which is necessary to protect investors and the public interest;
 - (6) May halt trading in a security listed on LTSE when

- (A) extraordinary market activity in the security is occurring, such as the execution of a series of transactions for a significant dollar value at prices substantially unrelated to the current market for the security, as measured by the national best bid and offer, and
- (B) LTSE determines that such extraordinary market activity is likely to have a material effect on the market for the security; and
 - (i) LTSE believes that such extraordinary market activity is caused by the misuse or malfunction of an electronic quotation, communication, reporting, or execution system operated by, or linked to, LTSE; or
 - (ii) After consultation with another national securities exchange trading the security on an unlisted trading privileges basis, LTSE believes that such extraordinary market activity is caused by the misuse or malfunction of an electronic quotation, communication, reporting, or execution system operated by, or linked to, such other national securities exchange; or
 - (iii) After consultation with FINRA regarding a FINRA facility trading the security, LTSE believes that such extraordinary market activity is caused by the misuse or malfunction of such FINRA facility or an electronic quotation, communication, reporting, or execution systems linked to such FINRA facility.
- (7) May halt trading in a security that is the subject of an IPO on LTSE.
- (8) Reserved.
- (9) Reserved.
- (10) Reserved.
- (11) Reserved.
- (h) Procedure for Initiating and Terminating a Trading Halt.
 - (1) LTSE issuers are required to notify LTSE of the release of certain material news prior to the release of such information to the public as required by LTSE Rule 14.207(b)(1).
 - (2) Notification shall be provided directly to LTSE's Regulation Department in the manner specified by LTSE.

- (3) Upon receipt of information, from the issuer or other source, LTSE will promptly evaluate the information, estimate its potential impact on the market and determine whether a trading halt in the security is appropriate.
- (4) Should LTSE determine that a basis exists under LTSE Rule 11.280(e) or (g) for initiating an LULD trading pause or trading halt, the commencement of the trading pause or halt will be effective at the time specified by LTSE in a notice posted on a publicly available LTSE website.
- (5) Trading in a halted security shall resume at or after the time specified by LTSE in a notice posted on a publicly available website.
- (6) In the case of a trading halt under LTSE Rule 11.280(g)(6) based on the misuse or malfunction of an electronic order entry, communication, reporting, or execution system that is not operated by LTSE, LTSE will promptly contact the operator of the system in question (as well as any national securities exchange or FINRA facility to which such system is linked) to ascertain information that will assist LTSE in determining whether a misuse or malfunction has occurred, what effect the misuse or malfunction is having on trading in a security, and what steps are being taken to address the misuse or malfunction. If the operator of the system is unavailable when contacted by LTSE, LTSE will continue efforts to contact the operator of the system to ascertain information that will assist LTSE in determining whether the trading halt should be terminated.
 - (A) A trading halt initiated under LTSE Rule 11.280(g)(6) shall be terminated as soon as LTSE determines either that the system misuse or malfunction that caused the extraordinary market activity will no longer have a material effect on the market for the security or that system misuse or malfunction is not the cause of the extraordinary market activity.
- (7) A trading halt or pause initiated under LTSE Rule 11.280(e)(2), (7) or (g)(1), (4), or (5) shall be terminated when LTSE releases the security for trading at the conclusion of the Halt or Volatility Auction pursuant to LTSE Rule 11.350(e) or (f), as applicable.
- (8) A trading halt initiated for a security that is the subject of an IPO on LTSE pursuant to LTSE Rule 11.280(g)(7) shall be terminated when LTSE releases the security for trading and the conditions described in this rule are satisfied.
 - (A) Beginning at the start of the Order Acceptance Period (generally, 8:00 a.m.) Users may enter orders in a security that is the subject of an IPO on LTSE. Prior to terminating the halt, there will be a Display Only Period during which

LTSE will disseminate LTSE Auction Information via electronic means, and Users may continue to enter Auction Eligible Orders for that security in the System. Thirty (30) minutes after the start of the Display Only Period, unless extended by the underwriter, the security will enter a "Pre-Launch Period" of indeterminate duration. The Pre-Launch Period and the Display Only Period shall end, and the security shall be released for trading by LTSE when the conditions described in paragraphs (h)(8)(A), (B), and (C) are all met, and the requirements of LTSE Rule 11.350(e)(2) are satisfied.

- (B) LTSE receives notice from the underwriter of the IPO that the security is ready to trade. The System will calculate the Indicative Clearing Price at that time and display it to the underwriter. If the underwriter then approves proceeding, the System will conduct the following validation checks:
- (i) the System must determine that all market orders will be executed in the IPO Auction; and
 - (ii) the security must pass the price validation test described below:
 - (iii) Prior to the conclusion of the Pre-Launch Period, the underwriter shall select price bands for purposes of applying the price validation test. Under the price validation test, the System compares the Indicative Clearing Price with the clearing price calculated by the IPO Auction. If the clearing price calculated by the IPO Auction differs from the Indicative Clearing Price approved by the underwriter under section (A) above by an amount in excess of the price band selected by the underwriter, the security will not be released for trading and the Pre-Launch Period will continue. The underwriter shall select an upper price band (i.e., an amount by which the clearing price may not be higher than the Indicative Clearing Price approved by the underwriter under section (A) above) and a lower price band (i.e., an amount by which the clearing price may not be lower than the Indicative Clearing Price approved by the underwriter under section (A) above). If a security does not pass the price validation test, the underwriter may, but is not required to, select different price bands before recommencing the process to release the security for trading. The price bands available for selection shall include \$0 but shall not be in excess of \$0.50. LTSE will notify Members and the public of changes in available price band or increments through a notice that is widely disseminated at least one week in advance of the change. In selecting available price bands and increments, LTSE will consider input from underwriters and other Users and the results of past usage of

price bands to adopt price bands and increments that promote efficiency in the initiation of trading and protect investors and the public interest.

- (C) The failure to satisfy these conditions during the process to release the security for trading will result in a delay of the release for trading of the IPO, and a continuation of the Pre-Launch Period, until all conditions have been satisfied. The underwriter, with concurrence of LTSE, may determine at any point during the IPO Auction process up through the conclusion of the Pre-Launch Period to postpone and reschedule the IPO. Market participants may continue to enter orders and order cancellations for participation in the IPO Auction during the Pre-Launch Period until the auction match.
- (9) For purposes of this LTSE Rule and LTSE Rule 11.350(e), the process for halting and initial pricing of a security that is the subject of an IPO shall also be available for the initial pricing of any other security that has not been listed on a national securities exchange or traded in the over-the-counter market pursuant to FINRA Form 211 immediately prior to the initial pricing, provided that a broker-dealer serving in the role of financial advisor to the issuer of the securities being listed is willing to perform the functions under LTSE Rule 11.280(h)(8) that are performed by an underwriter with respect to an initial public offering.

Rule 11.290. Short Sales

Marking. All sell orders entered into the Exchange must be marked long, short, or short exempt.

- (a) Definitions. For purposes of this LTSE Rule, the terms "covered security," "listing market," and "national best bid" shall have the same meaning as in Rule 201 of Regulation SHO.
- (b) Short Sale Price Test. The System shall not execute or display a short sale order not marked short exempt with respect to a covered security at a price that is less than or equal to the current national best bid if the price of that security decreases by 10% or more, as determined by the listing market for the covered security, from the covered security's closing price on the listing market as of the end of the Regular Market Session on the prior day (the "Trigger Price").
- (c) Determination of Trigger Price. For covered securities for which the Exchange is the listing market, the System shall determine whether a transaction in a covered security has occurred at a Trigger Price and shall immediately notify the responsible single plan processor.

- (1) The System will not calculate the Trigger Price of a covered security outside of the Regular Market Session.
 - (2) If a covered security did not trade on the Exchange on the prior trading day (due to a trading halt, trading suspension, or otherwise), the Exchange's determination of the Trigger Price shall be based on the last sale price on the Exchange for that security on the most recent day on which the security traded.
- (d) Duration of Short Sale Price Test. If the Short Sale Price Test is triggered by the listing market with respect to a covered security, the Short Sale Price Test shall remain in effect on the Exchange until the close of the Post-Market Session on the next trading day, as provided for in Regulation SHO Rule 201(b)(1)(ii) (the "Short Sale Period").
- (1) If the Exchange determines pursuant to LTSE Rule 11.270 that the Short Sale Price Test for a covered security was triggered because of a clearly erroneous execution, the Exchange may lift the Short Sale Price Test before the Short Sale Period ends for securities for which the Exchange is the listing market or, for securities listed on another market notify the other market of the Exchange's determination that the triggering transaction was a clearly erroneous execution as soon as practicable following such determination. The Exchange may also lift the Short Sale Price Test before the Short Sale Period ends, for a covered security for which the Exchange is the listing market, if the Exchange has been informed by another exchange or a self-regulatory organization ("SRO") that a transaction in the covered security that occurred at the Trigger Price was a clearly erroneous execution, as determined by the rules of that exchange or SRO.
 - (2) If the Exchange determines that the prior day's closing price for a listed security is incorrect in the System and resulted in an incorrect determination of the Trigger Price, the Exchange may correct the prior day's closing price and lift the Short Sale Price Test before the Short Sale Period ends.

Rule 11.340. Reserved

Rule 11.350. Auctions

(a) Definitions

- (1) The term "Auction Book" refers to the orders specified below that queue prior to the auction match, and shall mean:
 - (A) For Opening Auctions (i.e., Opening Auction Book):
 - (i) On-Open orders;
 - (ii) Limit orders with a TIF of DAY or GTX; and
 - (iii) Market orders with a TIF of DAY.
 - (B) For Closing Auctions (i.e., Closing Auction Book):
 - (i) On-Close orders.
 - (C) For IPO Auctions (i.e., IPO Auction Book):
 - (i) On-Open orders;
 - (ii) Limit orders with a TIF of DAY, GTX, GTT, SYS, or IOC; and
 - (iii) Market orders with a TIF of DAY.
 - (D) For Halt Auctions (i.e., Halt Auction Book):

- (i) On-Open orders queued prior to Regular Market Hours if a Pre-Market Session halt persists through the start of Regular Market Hours and the Halt Auction is scheduled to occur during the Regular Market Session;
 - (ii) Limit orders with a TIF of GTT, SYS, or IOC received during the Order Acceptance Period;
 - (iii) Limit orders with a TIF of DAY received during the Order Acceptance Period within the Regular Market Session, or queued prior to the Regular Market Session for securities that have not traded during the Regular Market Session on that trading day;
 - (iv) Limit orders with a TIF of GTX received during the Order Acceptance Period within the Regular Market Session or Post-Market Session, or queued prior to the Regular Market Session for securities that have not traded during the Regular Market Session on that trading day;
 - (v) Market orders with a TIF of IOC received during the Order Acceptance Period within the Regular Market Session;
 - (vi) Market orders with a TIF of DAY received during the Order Acceptance Period within the Regular Market Session, or queued prior to the Regular Market Session for securities that have not traded during the Regular Market Session on that trading day; and
 - (vii) Displayed portions of limit orders on the Continuous Book at the time of the halt dissemination.
- (E) For Volatility Auctions (i.e., Volatility Auction Book):
- (i) On-Close orders, if an LTSE-listed security is paused pursuant to LTSE Rule 11.280(e) at or after the Closing Auction Lock-in Time, or the Order Acceptance Period of a Volatility Auction for a security paused before the Closing Auction Lock-in Time pursuant to LTSE Rule 11.280(e) would otherwise be extended by the Exchange to a time after the Closing Auction Lock-in Time;
 - (ii) Limit orders with a TIF of GTX, GTT, SYS, or IOC received during the Order Acceptance Period;

- (iv) Market orders with a TIF of IOC, or DAY received during the Order Acceptance Period within Regular Market Hours; and
 - (v) Displayed portions of limit orders on the Continuous Book at the time of the pause dissemination.
- (2) The term “Auction Eligible Order” shall mean all orders that are eligible for execution in the upcoming auction on the Auction Book and the Continuous Book (collectively, the Order Book) and are not Auction Ineligible Orders; such orders are used by the System to calculate LTSE Auction Information and to determine the clearing price of LTSE Auctions. For Opening or Closing Auctions, non-displayed buy (sell) orders on the Continuous Book with a resting price (as defined in LTSE Rule 11.350(b)(1)(A)(i)) within the Reference Price Range will be priced at the lower (upper) threshold of the Reference Price Range for the purpose of determining the clearing price, but will be ranked and eligible for execution in the Opening or Closing Auction match at the order’s resting price. If the Reference Price Range is a single price, non-displayed buy (sell) orders on the Continuous Book with a resting price above (below) the Reference Price Range will be priced equal to the Reference Price Range for the purpose of determining the clearing price, but will be ranked and eligible for execution in the Opening or Closing Auction match at the order’s resting price.
- (3) The term “Auction Ineligible Orders” refers to the orders specified below that are not eligible for execution in the auction, and shall mean:
 - (A) For Opening Auctions:
 - (i) Reserved.
 - (B) For IPO Auctions:

 - (ii) Non-displayed interest on the Continuous Book at the time of the halt.
 - (D) For Volatility Auctions:
 - (i) Reserved
 - (ii) Non-displayed interest on the Continuous Book at the time of the pause.

- (4) The term “Continuous Book” shall be in reference to all orders resting on the Order Book that are not on the Auction Book and are available for continuous trading. Market orders and orders with a TIF of IOC do not rest on the Continuous Book. During the Pre-Market Session, Auction Ineligible Orders queued for the Regular Market Session are not on the Continuous Book. There is no Continuous Book when continuous trading in a security is halted or paused; in the event of a halt or pause, Auction Eligible Orders on the Continuous Book shall be incorporated into the Halt or Volatility Auction Book, as applicable.
- (5) The term “Display Only Period” shall be in reference to the period of the time during which LTSE disseminates LTSE Auction Information for IPO, Halt, and Volatility Auctions. The Display Only Period begins thirty (30) minutes prior to the scheduled auction match for an IPO Auction, and the start of the Order Acceptance Period for Halt and Volatility Auctions. The Display Only Period shall end when the applicable auction match occurs.
- (6) The term “Final Consolidated Last Sale Eligible Trade” shall mean the last trade prior to the end of Regular Market Hours, or where applicable, prior to trading in the security being halted or paused, that is last sale eligible and reported to the Consolidated Tape System (“Consolidated Tape”), rounded to the nearest MPV or Midpoint Price calculated by the System, whichever is closer.
- (A) If there is no qualifying Final Consolidated Last Sale Eligible Trade for the current day, the previous official closing price;
- (i) If there is no qualifying previous official closing price for a security that is not the subject of an IPO or otherwise being priced pursuant to LTSE Rule 11.280(h)(9), the issue price; and
- (B) In the case of an IPO or the initial pricing of any other security pursuant to Rule 11.280(h)(9), the issue price.
- (7) The term “Final Last Sale Eligible Trade” shall mean the last trade on LTSE prior to the end of Regular Market Hours, or where applicable, prior to trading in the security being halted or paused, that is last sale eligible and reported to the Consolidated Tape.

- (i) If there is no qualifying previous official closing price for a security that is not the subject of an IPO or otherwise being priced pursuant to LTSE Rule 11.280(h)(9), the issue price; and

- (B) In the case of an IPO or the initial pricing of any other security pursuant to LTSE Rule 11.280(h)(9), the issue price.
- (8) The term “Hyper-aggressive Auction Orders” shall mean:
 - (A) For Opening Auctions, MOO orders and market orders with a TIF of DAY, as well as LOO orders and limit orders with a TIF of DAY or GTX to buy (sell) priced above (below) the latest upper (lower) threshold of the Opening/Closing Auction Collar calculated by the System.
 - (B) For Closing Auctions, MOC orders and LOC orders to buy (sell) priced above (below) the latest upper (lower) threshold of the Opening/Closing Auction Collar calculated by the System.
- (9) The term “LTSE Auction Information” shall mean the information disseminated pursuant to Rule 11.330(a) regarding the current status of price, size, imbalance information, auction collar information, and other relevant information related to auctions conducted by the Exchange. LTSE Auction Information shall include:
 - (A) Reference Price: The single price at or within the Reference Price Range at which orders on the Auction Book would match if the LTSE Auction were to occur at that time of dissemination. The Reference Price is set to the price that maximizes the number of the shares from orders on the Auction Book to be executed in the auction. If more than one price maximizes the number of shares that will execute resulting in an auction price range, the Reference Price is set to the price at or within such range that is not lower (higher) than the most aggressive unexecuted buy (sell) order. If more than one price satisfies the above conditions, the Reference Price is set to the price closest or equal to either the Volume Based Tie Breaker (if such range includes prices in the Reference Price Range) or the Reference Price Range (if such range does not include prices in the Reference Price Range) at the time of dissemination. In the case of an IPO or Halt Auction, the Reference Price shall be the same as the Auction Book Clearing Price.
 - (B) Paired Shares: The number of shares from orders on the Auction Book that can be matched with other orders on the Auction Book at the Reference Price at the time of dissemination.
 - (C) Imbalance Shares: The number of shares from orders on the Auction Book that may not be matched with other orders on the Auction Book at the Reference Price at the time of dissemination.

- (D) Imbalance Side: The buy/sell direction of any imbalance at the time of dissemination.
- (E) Indicative Clearing Price: The single price at or within the Opening/Closing Auction Collar at which Auction Eligible Orders would match if the LTSE Auction were to occur at the time of dissemination pursuant to the procedures for determining the clearing price set forth in the applicable auction rule. In the case of an IPO, Halt, or Volatility Auction, the Indicative Clearing Price shall be the same as the Auction Book Clearing Price.
- (F) Auction Book Clearing Price: The single price at which orders on the Auction Book would match if the LTSE Auction were to occur at the time of dissemination pursuant to the procedures for determining the clearing price set forth in the applicable auction rule, but shall not be constrained by the Opening/Closing Auction Collar, as applicable. If shares from market orders would remain unexecuted, LTSE shall disseminate an indicator for “market buy” or “market sell.”
- (G) Collar Reference Price: Opening/Closing Auction Collar Reference Price for the Opening and Closing Auctions. Volatility Auction Collar Reference Price for the Volatility Auction.
- (H) Lower Auction Collar: The lower threshold of the Opening/Closing Auction Collar for the Opening and Closing Auctions. The lower threshold of the Volatility Auction Collar for the Volatility Auction.
- (I) Upper Auction Collar: The upper threshold of the Opening/Closing Auction Collar for the Opening and Closing Auctions. The upper threshold of the Volatility Auction Collar for the Volatility Auction.
- (J) Scheduled Auction Time: The projected time of the auction match.
- (K) Extension Number: The total number of automatic Order Acceptance Period extensions an IPO, Halt, or Volatility Auction has received.
- (10) The term “LTSE Official Closing Price” shall mean the price disseminated by the Exchange to the Consolidated Tape as the market center official close of an LTSE-listed security.
- (11) The term “LTSE Official IPO Opening Price” shall mean the price disseminated by the Exchange to the Consolidated Tape following an IPO Auction as the market center official open for an initial public offering of an LTSE-listed security.

- (12) The term “LTSE Official Opening Price” shall mean the price disseminated by the Exchange to the Consolidated Tape as the market center official open of an LTSE-listed security.
- (13) The term “LTSE Re-opening Trade” shall mean the trade resulting from a Halt Auction or Volatility Auction (conducted prior to the Closing Auction Lock-in Time) that is disseminated by the Exchange to the Consolidated Tape as the market center re-opening trade of an LTSE-listed security.
- (14) Reserved
- (15) The term “Initial Consolidated Last Sale Eligible Trade” shall mean the first trade during Regular Market Hours that is last sale eligible and reported to the Consolidated Tape, including the Closing Auction.
- (A) If there is no qualifying Initial Consolidated Last Sale Eligible Trade for the current day, the previous official closing price will be used.
- (16) The term “Initial Last Sale Eligible Trade” shall mean the first trade on LTSE during Regular Market Hours that is last sale eligible and reported to the Consolidated Tape, including the Closing Auction.
- (A) If there is no qualifying Initial Last Sale Eligible Trade for the current day, the previous official closing price will be used.
- (17) The term “Impermissible Price” shall mean, for a Volatility Auction, an indeterminable auction price due to a market order imbalance, or an Indicative Clearing Price higher (lower) than the upper (lower) threshold of the Volatility Auction Collar at the scheduled auction match.
- (18) Reserved.
- (19) The term “Latest Consolidated Last Sale Eligible Trade” shall mean the last trade immediately prior to trading in the security being halted or paused that is last sale eligible and reported to the Consolidated Tape, rounded to the nearest MPV or Midpoint Price calculated by the System, whichever is closer.
- (A) If there is no qualifying Latest Consolidated Last Sale Eligible Trade for the current day, the previous official closing price.
- (20) The term “Limit-On-Close” or “LOC” shall mean a limit order that specifically requests execution at the LTSE Official Closing Price and is designated for execution in the Closing Auction, or in a Volatility Auction when such auction is

determining the LTSE Official Closing Price pursuant to LTSE Rule 11.350(f)(3). An LOC order submitted with a User instructed display quantity pursuant to Rule LTSE 11.190(b)(2) will be accepted, but the instruction will not be supported.

- (21) The term “Limit-On-Open” or “LOO” shall mean a limit order that specifically requests execution at the LTSE Official Opening Price (or the LTSE Official IPO Opening Price in the case of an IPO Auction) and is designated for execution in the Opening Auction, IPO Auction, or Halt Auction when queued prior to Regular Market Hours if a Pre-Market Session halt persists through the start of Regular Market Hours. An LOO order submitted with a User instructed display quantity pursuant to LTSE Rule 11.190(b)(2) will be accepted, but the instruction will not be supported.
- (22) The term “Lock-in Time” shall mean two (2) minutes prior to the Opening Auction match (i.e., 9:28 a.m.), and ten (10) minutes prior to the Closing Auction match (i.e., 3:50 p.m., or 10 minutes prior to the end of the Regular Market Session on days that LTSE is subject to an early closing), at which time:
 - (A) Auction Eligible Orders on the Auction Book may not be canceled or modified prior to the auction match (i.e., locked in);
 - (B) Hyper-aggressive Auction Orders are rejected upon receipt; and
 - (C) LTSE begins to disseminate LTSE Auction Information.
- (23) The term “Lock-out Time” shall mean ten (10) seconds prior to the Opening and Closing Auction match, at which time any new Auction Eligible Order otherwise eligible for the Auction Book is restricted from entering the Auction Book and is rejected upon receipt (i.e., locked out). Orders must be on the Auction Book prior to the Lock-out Time to guarantee eligibility for the auction. Orders submitted to the Continuous Book after the Lock-out Time remain eligible for execution on the Continuous Book, and in the upcoming Opening or Closing Auction match.
- (24) The term “Market-On-Close” or “MOC” shall mean a market order that specifically requests execution at the LTSE Official Closing Price and is designated for execution in the Closing Auction, or in a Volatility Auction when such auction is determining the LTSE Official Closing Price pursuant to LTSE Rule 11.350(f)(3). An MOC order submitted with a User instructed display quantity pursuant to LTSE Rule 11.190(b)(2) will be accepted, but the instruction will not be supported.
- (25) The term “Market-On-Open” or “MOO” shall mean a market order that specifically requests execution at the LTSE Official Opening Price (or the LTSE Official IPO

Opening Price in the case of an IPO Auction) and is designated for execution in the Opening Auction, IPO Auction, or Halt Auction when queued prior to Regular Market Hours if a Pre-Market Session halt persists through the start of Regular Market Hours. An MOO order submitted with a User instructed display quantity pursuant to LTSE Rule 11.190(b)(2) will be accepted, but the instruction will not be supported.

- (26) Reserved.
- (27) The term "Opening/Closing Auction Collar" shall mean, collectively, the upper and lower threshold prices at or within which the Opening and Closing Auction match must occur. The Opening/Closing Auction Collar is established by taking the greater of fifty cents (\$0.50) or a default threshold percentage of ten percent (10%) applied to the Opening/Closing Auction Collar Reference Price, which shall be added to (subtracted from) the Protected NBO (NBB) to establish the upper (lower) threshold of the Opening/Closing Auction Collar.
 - (A) If the Protected NBBO is crossed, the greater of fifty cents (\$0.50) or a default threshold percentage of ten percent (10%) applied to the Opening/Closing Auction Collar Reference Price, shall be added to (subtracted from) the LTSE best offer (bid) to establish the upper (lower) threshold of the Opening/Closing Auction Collar.
 - (B) If the Protected NBBO, or, when utilized, the LTSE best bid and best offer ("LTSE BBO"), is not two-sided, the greater of fifty cents (\$0.50) or a default threshold percentage of ten percent (10%) applied to the Opening/Closing Auction Collar Reference Price, shall be added to (subtracted from) the Opening/Closing Auction Collar Reference Price to establish the upper (lower) threshold of the Opening/Closing Auction Collar.
- (28) The term "Opening/Closing Auction Collar Reference Price" shall be the Volume Based Tie Breaker.
- (29) The term "Order Acceptance Period" shall be in reference to the period of time during which LTSE accepts orders submitted for participation in an IPO, Halt, or Volatility Auction. The Order Acceptance Period shall end when the applicable auction match occurs. The Order Acceptance Period shall begin:
 - (A) For an IPO Auction, 8:00 a.m., but is subject to change;
 - (B) For a Halt Auction, five (5) minutes prior to the scheduled auction match, or immediately after a Level 1 or Level 2 Market Decline pursuant to Rule 11.280(a)(1)-(3); and

- (C) For a Volatility Auction, immediately after the pause dissemination.
- (30) The term “Reference Price Range” is in reference to, for a Volatility Auction, the prices between and including the applicable Volatility Auction Collar, or, for an Opening or Closing Auction, the prices between and including the Protected NBB and Protected NBO for a particular security where the Protected NBBO is a Valid Protected NBBO.
- (A) The Protected NBBO is a “Valid Protected NBBO” where:
- (i) There is both a Protected NBB and Protected NBO for the security; and
 - (ii) The Protected NBBO is not crossed.
- (B) Where the Protected NBBO is not a Valid Protected NBBO, the LTSE BBO will be used where the LTSE BBO is a Valid LTSE BBO. The LTSE BBO is a “Valid LTSE BBO” where there is both an LTSE best bid and an LTSE best offer for the security.
- (C) If there is neither a Valid Protected NBBO nor a LTSE BBO and the market is one-sided, the Reference Price Range shall be equal to the price of the Final Consolidated Last Sale Eligible Trade, unless such price is:
- (i) Lower than the Protected NBB, in which case the Reference Price Range shall be equal to the price of the Protected NBB; or
 - (ii) Higher than the Protected NBO, in which case the Reference Price Range shall be equal to the price of the Protected NBO.
- (D) If there is neither a Valid Protected NBBO nor a Valid LTSE BBO and the market is two-sided, the Reference Price Range shall be equal to the price of the Final Consolidated Last Sale Eligible Trade, unless:
- (i) The Protected NBBO is not crossed and the price of the Final Consolidated Last Sale Eligible Trade is either:
 - a. Lower than the Protected NBB, in which case the Reference Price Range shall be equal to the price of the Protected NBB; or
 - b. Higher than the Protected NBO, in which case the Reference Price Range shall be equal to the price of the Protected NBO.
 - (ii) The Protected NBBO is crossed and the price of the Final Consolidated Last Sale Eligible Trade is either:

- a. Lower than the LTSE best bid, in which case the Reference Price Range shall be equal to the price of the LTSE best bid; or
 - b. Higher than the LTSE best offer, in which case the Reference Price Range shall be equal to the price of the LTSE best offer.
 - (E) If there is neither a Protected NBBO nor an LTSE BBO (i.e., a zero-sided market), the Reference Price Range will be the Final Consolidated Last Sale Eligible Trade.
- (31) The term “Volatility Auction Collar” represents the range of prices at or within which the Volatility Auction match can occur, and shall mean:
- (A) If the Volatility Auction Collar Reference Price is the Lower (Upper) Price Band, the initial lower (upper) threshold of the Volatility Auction Collar is 5% less (greater) than the Volatility Auction Collar Reference Price, rounded to the nearest passive MPV, and the upper (lower) threshold of the Volatility Auction Collar is the Upper (Lower) Price Band; or
 - (B) For securities with a Volatility Auction Collar Reference Price of \$3.00 or less, the initial lower (upper) threshold of the Volatility Auction Collar is \$0.15 less (greater) than the Volatility Auction Collar Reference Price, rounded to the nearest passive MPV and the upper (lower) threshold of the Volatility Auction Collar is the Upper (Lower) Price Band.
- (32) The term “Volatility Auction Collar Reference Price” shall mean the reference price for calculating the applicable Volatility Auction Collar, and shall equal the price of the Upper or Lower Price Band that triggered the LULD trading pause.
- (33) The term “Volume Based Tie Breaker” shall mean, for an Opening or Closing Auction, the midpoint of the Reference Price Range. In an Opening or Closing Auction, the Volume Based Tie Breaker will be rounded to the nearest MPV. If the Reference Price Range is a single price, the Volume Based Tie Breaker shall be equal to the Reference Price Range. In the case of a Halt Auction, or Volatility Auction that is not determining the LTSE Official Closing Price, the Volume Based Tie Breaker shall be equal to the Latest Consolidated Last Sale Eligible Trade. In the case of a Volatility Auction that is determining the LTSE Official Closing Price, the Volume Based Tie Breaker shall be equal to the Final Consolidated Last Sale Eligible Trade. In the case of an IPO Auction, the Volume Based Tie Breaker shall be equal to the issue price.

.01 Opening/Closing Auction Collar

For example, if the Protected NBBO is \$10.00 x \$11.00, then the Opening/Closing Auction Collar Reference Price equals \$10.50 and the threshold percentage is 10%, resulting in a threshold value of \$1.05 (10% of \$10.50 = \$1.05). This threshold value is then added to the Protected NBO and subtracted from the Protected NBB to obtain the auction's Opening/Closing Auction Collar. In this example, it would result in a lower threshold of \$8.95 ($\$10.00 - \$1.05 = \8.95) and an upper threshold of \$12.05 ($\$11.00 + \$1.05 = \12.05), thus creating a range of \$8.95 to \$12.05, within which the auction can occur. This means \$8.95 is the lowest price at which the auction can occur and \$12.05 is the highest price at which it can occur. The Opening/Closing Auction Collar is dynamic; as the Protected NBBO changes, the Opening/Closing Auction Collar updates to reflect such changes.

.02 Volatility Auction Collar

For example, if the Lower and Upper Price Bands are \$10.00 and \$11.00, respectively, and a pause is triggered following a Limit State at the Lower Price Band, the Volatility Auction Collar Reference Price would be equal to the Lower Price Band, \$10.00. The lower threshold of the Volatility Auction Collar ("lower Volatility Auction Collar") would be calculated by subtracting 5% of the Volatility Auction Collar Reference Price, or \$0.50 (5% of \$10.00 = \$0.50), from the Volatility Auction Collar Reference Price. The upper threshold of the Volatility Auction Collar ("upper Volatility Auction Collar") would be equal to the Upper Price Band. In this example, it would result in a lower Volatility Auction Collar of \$9.50 ($\$10.00 - \$0.50 = \9.50) and an upper Volatility Auction Collar of \$11.00, thus creating a range of \$9.50 to \$11.00, within which the Volatility Auction can occur. This means \$9.50 is the lowest price at which the Volatility Auction can occur and \$11.00 is the highest price at which it can occur.

In this example, if the pause was triggered at 12:00 p.m., the above calculated Volatility Auction Collar would be in effect during the initial Order Acceptance Period from 12:00 until 12:05 p.m. To continue the example, if the Indicative Clearing Price was above the upper Volatility Auction Collar at the time of the scheduled auction match, 12:05 p.m., then the Volatility Auction would receive an extension of 5 minutes (the "Initial Extension Period") and the upper Volatility Auction Collar would be updated by adding \$0.50 to the upper Volatility Auction Collar (which is equal to 5% of the original Volatility Auction Reference Price of \$10.00). The lower Volatility Auction Collar remains unchanged. In this example, it would result in an upper Volatility Auction Collar of \$11.50 ($\$11.00 + \$0.50 = \11.50) and a lower Volatility Auction Collar of \$9.50, thus creating a range of \$9.50 to \$11.50, within which the Volatility Auction can now occur. This means \$9.50 is the lowest price at which the Volatility Auction can occur and \$11.50 is the highest price at which it can now occur at the next scheduled auction match 5 minutes from now, at 12:10 p.m.

Furthermore, continuing the example, if the Indicative Clearing Price was below the lower Volatility Auction Collar at the time of the scheduled auction match of 12:10 p.m., then the Volatility Auction would receive an extension of 5 minutes (an "Additional Extension Period") and the lower Volatility Auction Collar would be updated by subtracting \$0.50 from the lower Volatility Auction Collar (which is equal to 5% of the original Volatility Auction Reference Price of \$10.00). In this example, it would result in a lower Volatility Auction Collar of \$9.00 ($\$9.50 - \$0.50 = \9.00) and an upper Volatility Auction Collar of \$11.50, thus creating a range of \$9.00 to \$11.50 within which the Volatility Auction can now occur. This means \$9.00 is the lowest price at which the Volatility Auction can occur and \$11.50 is the highest price at which it can now occur, and the Exchange shall attempt to conduct a

Volatility Auction every one (1) second during the course of each Additional Extension Period until the clearing price falls at or within the Volatility Auction Collar.

.03 Eligibility of Market Orders and Limit Orders with a TIF of DAY Outside Regular Market Hours

If a Volatility Auction originally scheduled to occur during Regular Market Hours receives an automatic extension which causes the auction to occur in the Post-Market Session, limit orders with a TIF of DAY and market orders which were submitted during the Order Acceptance Period within Regular Market Hours are included and are only canceled by the System after the auction match or if the auction is extended to the end of Post-Market Hours.

(b) LTSE Auction Priority.

(1) (1) Orders resting on the Order Book shall be ranked and maintained for the Opening, Closing, IPO, Halt, and Volatility Auction based on the following priority:

(A) Price. The best priced Auction Eligible Order (the highest priced resting order to buy or the lowest priced resting order to sell) has priority over all other orders to buy (or orders to sell) in all cases. Market orders have precedence over limit orders.

(i) Resting Price. Auction Eligible Orders resting on the Continuous Book are ranked by the price at which they are resting on the Continuous Book; Auction Eligible Orders resting on the Auction Book are ranked by the limit price defined by the User, if any (in either case, the order's "resting price"), as follows:

- a. Reserved
- b. Reserved
- c. Reserved

 - (ii) Halt or Volatility Auction. Displayed portions of limit orders on the Continuous Book at the time of a halt or pause dissemination are ranked on the Auction Book by the price at which such orders were resting on the Continuous Book at the time of the halt or pause dissemination.
- (B) Display. Equally priced Auction Eligible Orders are ranked by display priority.
 - (i) On-Open and On-Close orders are ranked with display priority.
 - (ii) Limit orders with a TIF of IOC are ranked with display priority.

- (C) Time. Equally priced Auction Eligible Orders with the same display priority are ranked in time priority.
 - (i) Where orders to buy (or sell) are ranked at the same price with the same display priority, the oldest order at such price and display shall have precedence at that price and display. Orders are ranked by the time at which they are posted to the Order Book at a given price, the first to be posted at a given price being the oldest. Orders maintain their time priority once booked until one of the following occur, at which time the order will receive a new timestamp:
 - a. An order on the Auction Book is incremented by the User;

 - c. Reserved

- (c) Opening Auction.
 - (1) (1) Order Entry and Cancellation Before Opening Auction

- (A) Users may submit orders to the Exchange at the beginning of the Pre-Market Session for participation in the Opening Auction. Any orders designated for the Opening Auction Book will be queued until the Opening Auction match. Auction Ineligible Orders that may rest on the Order Book will be queued and maintained prior to the auction match in accordance with LTSE Rule 11.220(a)(1); Auction Ineligible Orders with a TIF of IOC will be rejected prior to the auction match.

 - (C) Orders eligible for the Opening Auction Book received by the Exchange between the Opening Auction Lock-out Time and the Opening Auction match will be rejected.
 - (D) Orders on the Continuous Book and Auction Ineligible Orders may continue to be entered and canceled or modified at any time prior to execution.
- (2) Opening Auction Process. The Exchange will conduct an Opening Auction for all LTSE-listed securities.
- (A) Publication of LTSE Auction Information. Beginning at the Opening Auction Lock-in Time, and updated every one second thereafter, LTSE Auction Information associated with the Opening Auction will be disseminated via electronic means.
 - (B) Determination of LTSE Official Opening Price. The LTSE Official Opening Price will be the price of the Opening Auction. In the event that there is no Opening Auction for an LTSE-listed security, the security will be released for trading pursuant to section (3) below, and the LTSE Official Opening Price will be the price of the Initial Last Sale Eligible Trade.
 - (i) The Opening Auction shall occur at the price that maximizes the number of shares of Auction Eligible Orders to be executed;
 - (ii) If more than one price exists under subparagraph (i) resulting in an auction price range, the Opening Auction shall occur at the price at or within such range that is not lower (higher) than the most aggressive unexecuted buy (sell) order;

- (iii) If more than one price exists under subparagraph (ii), the Opening Auction shall occur at the price closest or equal to the Volume Based Tie Breaker; and
 - (iv) If the Opening Auction price established by subparagraphs (i) through (iii) is below (above) the lower (upper) threshold of the Opening/Closing Auction Collar in the Opening Auction, the LTSE Official Opening Price will be the price at or within the range of prices between the lower (upper) threshold of the Opening/Closing Auction Collar and the lower (upper) threshold of the Reference Price Range that best satisfies the conditions of subparagraphs (i) through (iii).
- (C) Execution Priority. Opening Auction execution priority occurs in accordance with LTSE Auction Priority as described in section (b) above. Market and MOO orders have priority over all other Auction Eligible Orders, and to the extent there is executable contra side interest, such market and MOO orders will execute at the LTSE Official Opening Price in accordance with time priority. After the execution of all market and MOO orders, the remaining Auction Eligible Orders with a resting price more aggressive than the LTSE Official Opening Price will be executed in price – display – time priority at the LTSE Official Opening Price. All remaining Auction Eligible Orders with a resting price equal to the LTSE Official Opening Price shall execute in display – time priority at the LTSE Official Opening Price. All AGID modifiers as defined in LTSE Rule 11.190(e), and Minimum Quantity instructions as defined in Rule LTSE 11.190(b)(11), will not be supported in the Opening Auction, but will be enforced on all unexecuted shares released to the Continuous Book following the Opening Auction match.
- (D) Pre-Market Session Halt. If an LTSE-listed security is subject to a Pre-Market Session halt, all orders on the Opening Auction Book will remain open. Users may resume submission of new or modifications to existing Auction Eligible Orders for the halted security during the Order Acceptance Period. Users may cancel open Auction Eligible Orders at any time during the halt. If a halt persists through the start of Regular Market Hours, no Opening Auction will occur, orders on the Opening Auction Book will become part of the Halt Auction Book, and the Halt Auction will determine the LTSE Official Opening Price in accordance with LTSE Rule 11.350(e) below.
- (E) The Halt Auction will determine the LTSE Official Opening Price for an LTSE-listed security pursuant to Rule 11.350(e) below if a Halt Auction is scheduled to occur during the Regular Market Session, and LTSE has not determined an LTSE Official Opening Price due to:

- (i) An overnight trading halt; or
 - (ii) A lack of crossing interest during the Opening Auction, there is no Initial Last Sale Eligible Trade, and the security is subsequently halted.
 - (F) The Volatility Auction will determine the LTSE Official Opening Price for an LTSE-listed security pursuant to LTSE Rule 11.350(f) below if LTSE has not determined an LTSE Official Opening Price due to:
 - (i) A lack of crossing interest during the Opening Auction, there is no Initial Last Sale Eligible Trade, and the security is subsequently paused.
- (3) Transition to Regular Market Session.
 - (A) LOO, MOO, and market orders that are not fully executed at the conclusion of the Opening Auction will be canceled immediately after the Opening Auction match. Limit orders to buy (sell) with a TIF of DAY or GTX and a limit price above (below) the upper (lower) threshold of the Opening/Closing Auction Collar that are not fully executed at the conclusion of the Opening Auction will be canceled immediately after the Opening Auction match;
 - (B) All remaining shares from Auction Eligible Orders that are not canceled by the System immediately after the Opening Auction match, along with all Auction Ineligible Orders queued for trading in the Regular Market Session, shall be released to the Continuous Book for trading in the Regular Market Session, subject to the orders' instructions; and
- (4) Opening Auction Contingency Procedures.
 - (A) When a disruption occurs that prevents the execution of the Opening Auction as set forth above, LTSE shall apply the following Opening Auction Contingency Procedures:
 - (B) LTSE will publicly announce that no Opening Auction will occur. The price of the Initial Consolidated Last Sale Eligible Trade will be used for the LTSE Official Opening Price. The LTSE Official Opening Price will be published to the Consolidated Tape. All orders on the Order Book will be canceled, and LTSE will open the security for trading without an auction.

- (i) If a security's LTSE Official Opening Price cannot be determined based on this procedure, LTSE will not publish an LTSE Official Opening Price for the security.
 - (ii) The Regular Market Session shall begin either as scheduled, or upon resolution of the disruption that triggered LTSE to operate the Opening Auction Contingency Procedures.
 - (d) Closing Auction.
 - (1) Order Entry and Cancellation Before Closing Auction
 - (A) Users may submit orders to the Exchange at the beginning of the Pre-Market Session, or at the beginning of the Order Acceptance Period for an IPO Auction, for participation in the Closing Auction. Any MOC and LOC orders designated for the Closing Auction Book will be queued until the Closing Auction match.
 - (B) Between the Closing Auction Lock-in Time and the Closing Auction match, orders on the Closing Auction Book may not be canceled or modified, and Hyper-aggressive Auction Orders submitted to the Exchange will be rejected upon entry.
 - (C) Between the Closing Auction Lock-in Time and five (5) minutes before the Closing Auction match (e.g., 3:55 p.m.), On-Close orders can be canceled only if the User requests that LTSE correct a legitimate error in the order (e.g., side, size, symbol, price, or duplication of an order). On-Close orders cannot be canceled or modified at or after five (5) minutes before the Closing Auction match (e.g., 3:55 p.m.) for any reason.
 - (D) Orders eligible for the Closing Auction Book received by the Exchange between the Closing Auction Lock-out Time and the Closing Auction match will be rejected.
 - (E) Orders on the Continuous Book may continue to be entered and canceled or modified at any time prior to execution.
 - (2) Closing Auction Process. The Exchange will conduct a Closing Auction for all LTSE-listed securities.
 - (A) Publication of LTSE Auction Information. At the beginning of the Closing Auction Lock-in Time, and updated every one second thereafter, LTSE

Auction Information associated with the Closing Auction will be disseminated via electronic means.

- (B) Determination of LTSE Official Closing Price. The LTSE Official Closing Price will be the price of the Closing Auction. In the event that there is no Closing Auction for an LTSE-listed security, the LTSE Official Closing Price will be the price of the Final Last Sale Eligible Trade, and the security will be released for trading pursuant to section (3) below.
- (i) The Closing Auction shall occur at the price that maximizes the number of shares of Auction Eligible Orders to be executed;
 - (ii) If more than one price exists under subparagraph (i) resulting in an auction price range, the Closing Auction shall occur at the price at or within such range that is not lower (higher) than the most aggressive unexecuted buy (sell) order;
 - (iii) If more than one price exists under subparagraph (ii), the Closing Auction shall occur at the price closest or equal to the Volume Based Tie Breaker; and
 - (iv) If the Closing Auction price established by subparagraphs (i) through (iii) is below (above) the lower (upper) threshold of the Opening/Closing Auction Collar in the Closing Auction, the LTSE Official Closing Price will be the price at or within the range of prices between the lower (upper) Opening/Closing Auction Collar and the lower (upper) threshold of the Reference Price Range that best satisfies the conditions of subparagraphs (i) through (iii).
- (C) Execution Priority. Closing Auction execution priority occurs in accordance with LTSE Auction Priority as described in section (b) above. MOC orders have priority over all other Auction Eligible Orders, and to the extent there is executable contra side interest, such MOC orders will execute at the LTSE Official Closing Price in accordance with time priority. After the execution of all MOC orders, the remaining Auction Eligible Orders with a resting price more aggressive than the LTSE Official Closing Price will be executed in price – display – time priority at the LTSE Official Closing Price. All remaining Auction Eligible Orders with a resting price equal to the LTSE Official Closing Price shall execute in display – time priority at the LTSE Official Closing Price. All AGID modifiers as defined in LTSE Rule 11.190(e), and Minimum Quantity instructions as defined in LTSE Rule 11.190(b)(11), will not be supported in

the Closing Auction, but will be enforced on all unexecuted shares released to the Continuous Book following the Closing Auction match.

- (D) If a halt is disseminated in an LTSE-listed security prior to the Closing Auction, all orders on the Auction Book will remain open. Users may resume submission of new or modifications to existing Auction Eligible Orders for the halted security during the Order Acceptance Period. Users may cancel open Auction Eligible Orders at any time during the halt. If a halt persists through the end of Regular Market Hours, no Closing Auction will occur, all On-Open orders, On-Close orders, market orders, and limit orders with a TIF of DAY will be canceled at the conclusion of Regular Market Hours, and the Final Last Sale Eligible Trade will be the LTSE Official Closing Price. However, where an LTSE-listed security is paused pursuant to LTSE Rule 11.280(e) at or after the Closing Auction Lock-in Time, or the Order Acceptance Period of a Volatility Auction for a security paused before the Closing Auction Lock-in Time pursuant to LTSE Rule 11.280(e) would otherwise be extended by the Exchange to a time after the Closing Auction Lock-in Time, On-Close orders are added to the Volatility Auction and such auction will be used to determine the LTSE Official Closing Price for the subject security at the conclusion of Regular Market Hours in accordance with LTSE Rule 11.350(f)(3) below.

(3) Transition to Post-Market Session.

- (A) LOC, MOC, as well as limit orders with a TIF of DAY that are not fully executed at the conclusion of the Closing Auction will be canceled immediately after the Closing Auction match;
- (B) All remaining shares from Auction Eligible Orders that are not canceled immediately by the System after the Closing Auction match will be released to the Continuous Book for trading in the Post-Market Session, subject to the orders' instructions; and

(4) Closing Auction Contingency Procedures.

- (A) When a disruption occurs that prevents the execution of the Closing Auction as set forth above, LTSE shall apply either the Primary Closing Auction Contingency Procedures pursuant to this paragraph (A), or the Secondary Closing Auction Contingency Procedures pursuant to paragraph (B) below. LTSE will employ the Primary Closing Auction Contingency Procedures if at all possible, and it will employ the Secondary Closing Auction Contingency Procedures only if it determines that both the standard procedures and the Primary Closing Auction Contingency Procedures are unavailable. The

determination to employ Primary or Secondary Closing Auction Contingency Procedures will be based upon all available information including the type of disruption, the system or sub-system disrupted, the availability of testing and diagnostic data, and observed Member and market impact. The determination to implement Primary or Secondary Closing Auction Contingency Procedures shall be made by the President of LTSE or a senior level employee designated by the President. If such a disruption occurs, LTSE shall publicly announce at the earliest possible time the initiation of Primary or Secondary Closing Auction Contingency procedures via system status alerts and email notification directories. If LTSE determines to initiate the Primary Closing Auction Contingency Procedures, the following Provisions shall apply:

- (i) LTSE will publicly announce that no Closing Auction will occur. The price of the Final Consolidated Last Sale Eligible Trade will be used for the LTSE Official Closing Price. The LTSE Official Closing Price will be published to the Consolidated Tape. LTSE will execute orders on the Closing Auction Book at the LTSE Official Closing Price to the extent executable buy and sell interest exists on the Closing Auction Book. All remaining orders on the Order Book will be canceled at the conclusion of the contingency process. LTSE will report the resulting execution to the Consolidated Tape and deliver execution reports to Users. If a security's LTSE Official Closing Price cannot be determined by this subsection, LTSE will not publish an LTSE Official Closing Price for the security and will cancel all orders on the Order Book. The Post Market Session shall begin either as scheduled, or upon resolution of the disruption that triggered LTSE to operate the Primary Contingency Procedures.
- (B) Secondary Closing Auction Contingency Procedures. When a determination to implement Secondary Closing Auction Contingency Procedures has been made by the President of LTSE or a senior level employee designated by the President pursuant to paragraph (A) above, LTSE shall publicly announce this determination at the earliest possible time via system status alerts and email notification directories. The following procedures shall apply:
- (i) If LTSE determines to follow Secondary Closing Auction Contingency Procedures for one or more securities at or before 3:00 p.m., LTSE shall cancel all open orders on the Order Book in the impacted securities to give Members the opportunity to route their orders to alternative execution venues. LTSE will designate an alternate exchange, and the LTSE Official Closing Price for those securities will be determined in accordance with the following procedures:

- a. The LTSE Official Closing Price will be the official closing price established for the security under the rules of the designated back-up exchange;
 - b. If there is no official closing price in a security on the designated back-up exchange, the LTSE Official Closing Price will be the volume weighted average price (“VWAP”) of the last sale eligible trades reported to the Consolidated Tape during the last five (5) minutes of Regular Market Hours on that trading day, including any closing transactions on an exchange and any trade breaks or corrections up to the time the VWAP is processed;
 - c. If there are no last sale eligible trades reported to the Consolidated Tape during the last five (5) minutes of Regular Market Hours, the LTSE Official Closing Price of such security will be the Final Consolidated Last Sale Eligible Trade for the security on that trading day;
 - d. If there were no last sale eligible trades reported to the Consolidated Tape on that trading day, the LTSE Official Closing Price will be the previous official closing price;
 - e. If a security’s LTSE Official Closing Price cannot be determined under subsection (a), (b), (c), and (d) above, LTSE will not publish an LTSE Official Closing Price for the security; and
 - f. The Post Market Session shall begin either as scheduled, or upon resolution of the disruption that triggered LTSE to operate the Secondary Contingency Procedures.
- (ii) If LTSE determines to follow Secondary Closing Auction Contingency Procedures for one or more securities after 3:00 p.m., LTSE shall cancel all open orders on the Order Book in the impacted securities to give Members the opportunity to route their orders to alternative execution venues, and the LTSE Official Closing Price for those securities will be:
- a. The LTSE Official Closing Price will be the VWAP of the last sale eligible trades reported to the Consolidated Tape during the last five (5) minutes of Regular Market Hours on that trading day, including any closing transactions on an exchange and any trade breaks or corrections up to the time the VWAP is processed;

- b. If there are no last sale eligible trades reported to the Consolidated Tape during the last five (5) minutes of Regular Market Hours, the LTSE Official Closing Price of such security will be the Final Consolidated Last Sale Eligible Trade for the security on that trading day;
 - c. If there were no last sale eligible trades reported to the Consolidated Tape on that trading day, the LTSE Official Closing Price will be the previous official closing price;
 - d. If a security's LTSE Official Closing Price cannot be determined under subsection (a), (b), and (c) above, LTSE will not publish an LTSE Official Closing Price for the security; and
 - e. The Post Market Session shall begin either as scheduled, or upon resolution of the disruption that triggered LTSE to operate the Secondary Contingency Procedures.
- (e) IPO and Halt Auctions. For trading in an LTSE-listed security in an initial public offering (an "IPO"), or the initial pricing of any other security pursuant to LTSE Rule 11.280(h)(9), the Exchange will conduct an IPO Auction, as described below. Following a trading halt in an LTSE-listed security pursuant to LTSE Rule 11.280(g)(1), (4), or (5), the Exchange will conduct a Halt Auction, as described below.

(1) Order Entry and Cancellation Before an IPO or Halt Auction.

- (A) Users may submit Auction Eligible Orders to the Exchange at the beginning of the Order Acceptance Period for participation in an IPO or Halt Auction. All Auction Eligible Orders associated with an IPO or Halt Auction will be queued until the applicable auction match. All orders associated with an IPO or Halt Auction must be received prior to the auction match in order to be eligible to execute in the auction. Auction Ineligible Orders that may rest on the Order Book will be queued and maintained during the Order Acceptance Period in accordance with LTSE Rule 11.220(a)(1); Auction Ineligible Orders with a TIF of IOC will be rejected prior to the auction match.
- (B) Auction Eligible Orders associated with an IPO or Halt Auction may be canceled or modified at any time prior to the auction match.

- (C) At the conclusion of Regular Market Hours, On-Open orders, On-Close orders, market orders, and limit orders with a TIF of DAY will be canceled automatically by the System.
- (D) In the event the Exchange cannot complete an IPO or Halt Auction before the end of Post-Market Hours, all open orders in the subject security on the Order Book will be canceled.

(2) IPO and Halt Auction Process.

- (A) Publication of LTSE Auction Information. At the start of the Display Only Period for a security and updated every one second thereafter, LTSE Auction Information associated with the IPO or Halt Auction will be disseminated via electronic means.
- (B) Extending the Order Acceptance Period. The Order Acceptance Period will be extended:
 - (i) Automatically for five (5) minutes in an IPO Auction, or one (1) minute for a Halt Auction, when there are unmatched shares from market orders on the Auction Book associated with the auction at the time of the auction match;
 - (ii) Automatically for five (5) minutes in an IPO Auction, or one (1) minute for a Halt Auction, when the Indicative Clearing Price differs by the greater of five percent (5%) or fifty cents (\$0.50) from any of the previous fifteen (15) Indicative Clearing Price disseminations at the time of the auction match;
 - (iii) Automatically in an IPO Auction during the Pre-Launch Period when the clearing price is above (below) the upper (lower) price band selected by the underwriter pursuant to Rule 11.280(h)(8), until the clearing price is within such price bands; or
 - (iv) Manually for an IPO Auction upon request for an extension from the underwriter.
- (C) Determination of LTSE IPO Opening Price and LTSE Re-opening Trade. The IPO Auction price will be the LTSE Official IPO Opening Price. The execution resulting from the Halt Auction will be the LTSE Re-opening Trade. If there is insufficient trading interest in the System to execute a Halt Auction for that security, no Halt Auction will occur, and the security will be released for trading pursuant to section (3) below. Pursuant to LTSE Rule 11.350(c)(2)(D)

or (E), as applicable, if LTSE has not determined the LTSE Official Opening Price for an LTSE-listed security, and the Halt Auction is scheduled to occur during the Regular Market Session, the LTSE Official Opening Price will be the price of the Halt Auction. If there is insufficient trading interest to complete the Halt Auction, the transition to the Regular Market Session shall be conducted pursuant to LTSE Rule 11.350(e)(3) below, no auction will occur, and the LTSE Official Opening Price will be the price of the Initial Last Sale Eligible Trade.

- (i) The auction shall occur at the price that maximizes the number of shares of Auction Eligible Orders to be executed;
 - (ii) If more than one price exists under subparagraph (i) resulting in an auction price range, the auction shall occur at the price at or within such range that is not lower (higher) than the most aggressive unexecuted buy (sell) order; and
 - (iii) If more than one price exists under subparagraph (ii), the auction shall occur at the price closest or equal to the Volume Based Tie Breaker.
 - (iv) If the IPO Auction price established by subparagraphs (i) through (iii) meets the conditions for extending the Order Acceptance Period described in LTSE Rule 11.350(e)(2)(B)(i)-(iii), the Order Acceptance Period shall be extended accordingly; or
 - (v) If the Halt Auction price established by subparagraphs (i) through (iii) meets the conditions for extending the Order Acceptance Period described in LTSE Rule 11.350(e)(2)(B)(i)-(ii), the Order Acceptance Period shall be extended accordingly.
- (D) Execution Priority. IPO and Halt Auction execution priority occurs in accordance with LTSE Auction Priority as described in section (b) above. Market and MOO orders have priority over all other Auction Eligible Orders in an IPO or Halt Auction. To the extent there is executable contra side interest, such market and MOO orders will be executed at the LTSE Official IPO Price or the price of the LTSE Re-Opening Trade according to time priority. After the execution of all market and MOO orders, the remaining Auction Eligible Orders with a resting price more aggressive than the LTSE Official IPO Price or the price of the LTSE Re-Opening Trade will be executed in price – display – time priority at the LTSE Official IPO Price, or the price of the LTSE Re-Opening Trade. All remaining Auction Eligible Orders with a resting price equal to the LTSE Official IPO Price or the price of the LTSE Re-Opening

Trade shall execute in display – time priority at the LTSE Official IPO Price, or the price of the LTSE Re-Opening Trade. All AGID modifiers as defined in Rule 11.190(e), and Minimum Quantity instructions as defined in Rule 11.190(b)(11), will not be supported in the IPO or Halt Auction, but will be enforced on all unexecuted shares released to the Continuous Book following the IPO or Halt Auction match.

(3) Transition to Continuous Trading.

- (A) LOO, MOO, and market orders, as well as Auction Eligible Orders with a TIF of IOC that are not fully executed at the conclusion of the IPO Auction will be canceled immediately after the IPO Auction match.
- (B) Auction Eligible Orders with a time-in-force of IOC and market orders (as well as On-Open orders when the Halt Auction is determining the LTSE Official Opening Price) that are not fully executed at the conclusion of the Halt Auction will be canceled immediately after the Halt Auction match.
- (C) All remaining shares from Auction Eligible Orders that are not canceled immediately by the System after an IPO or Halt Auction match and Auction Ineligible Orders will be released to the Continuous Book for trading in the applicable market session, subject to the orders' instructions; and

(4) Contingency Procedures. When a disruption occurs that prevents the execution of an IPO or Halt Auction as set forth above, LTSE shall apply the following Contingency Procedures:

- (A) For an IPO Auction, LTSE will publicly announce that the Order Acceptance Period for the IPO Auction will reset for the subject security. At which point, LTSE will cancel all orders on the Order Book and disseminate a new scheduled time for the Order Acceptance Period and auction match.
- (B) For a Halt Auction, LTSE will publicly announce that no Halt Auction will occur. All orders on the Order Book will be canceled, and LTSE will open the security for trading without an auction.

The Exchange will conduct an IPO Auction for securities that are the subject of an initial public offering. Pursuant to section 12(f)(1)(G)(i)-(ii) of the Securities and Exchange Act, a security is the subject of an initial public offering if the offering of the subject security is registered under the Securities Act of 1933, the issuer of the security, immediately prior to filing the registration

statement with respect to the offering, was not subject to the reporting requirements of the Securities and Exchange Act, and the initial public offering of such security commences at the opening of trading on the day on which such security commences trading on the national securities exchange with which such security is registered. In addition, the Exchange will also conduct an IPO Auction for the initial pricing of any other security pursuant to Rule 11.280(h)(9). Pursuant to Rule 11.280(h)(9), the process for halting and initial pricing of a security that is the subject of an IPO shall also be available for the initial pricing of any other security that has not been listed on a national securities exchange or traded in the over-the-counter market pursuant to FINRA Form 211 immediately prior to the initial pricing, provided that a broker-dealer serving in the role of financial advisor to the issuer of the securities being listed is willing to perform the functions under LTSE Rule 11.280(h)(8) that are performed by an underwriter with respect to an initial public offering.

.02

Initial trading for an LTSE-listed security that is not the subject of an IPO or otherwise being priced pursuant to Rule 11.280(h)(9) will be eligible to begin trading in the Pre-Market Session and have an Opening Auction on LTSE at the start of Regular Market Hours. For example, if an issuer with a class of common stock listed on LTSE offers and lists a preferred class of securities on LTSE, the offering of such securities would not constitute an initial public offering pursuant to section 12(f)(1)(G)(i) of the Securities and Exchange Act. Therefore, if the security does not qualify for the process of halting and initial pricing of a security pursuant to Rule 11.280(h)(9) (e.g., because there is no broker-dealer serving in the role of financial advisor to the issuer of the securities being listed that is willing to perform the functions under LTSE Rule 11.280(h)(8) that are performed by an underwriter with respect to an initial public offering), such security will be eligible for trading in the Pre-Market Session and have an Opening Auction on LTSE at the start of Regular Market Hours.

-
- (f) Volatility Auction. The Volatility Auction is used to re-open an LTSE-listed security after such security is subject to an LULD trading pause pursuant to LTSE Rule 11.280(e).
- (1) Order Entry and Cancellation Before a Volatility Auction.
- (A) Auction Eligible Orders may be submitted to the Exchange at the beginning of the five (5) minute Order Acceptance Period for participation in a Volatility Auction. However, when an LTSE-listed security is paused pursuant to LTSE Rule 11.280(e) at or after the Closing Auction Lock-in Time, or if the Order Acceptance Period of a Volatility Auction for a security paused before the Closing Auction Lock-in Time pursuant to LTSE Rule 11.280(e) would be in effect at the Closing Auction Lock-in Time, the Order Acceptance Period shall continue to the end of the Regular Market Session.
- (B) All Auction Eligible Orders will be queued until the auction match. All orders associated with a Volatility Auction must be received prior to the auction

match in order to be eligible for execution in the auction. Auction Ineligible Orders that may rest on the Order Book will be queued and maintained during the Order Acceptance Period in accordance with LTSE Rule 11.220(a)(1); Auction Ineligible Orders with a TIF of IOC will be rejected prior to the auction match.

- (C) Auction Eligible Orders associated with a Volatility Auction may be canceled or modified at any time prior to the auction match.

(2) Volatility Auction Process.

- (A) Publication of LTSE Auction Information. At the start of the Display Only Period and updated every one second thereafter, LTSE Auction Information associated with the Volatility Auction will be disseminated via electronic means.

- (B) Volatility Auction Collar. The Volatility Auction match must occur at a price at or within the Volatility Auction Collar.

- (C) Conditions for Extending the Order Acceptance Period. The Order Acceptance Period will be extended:

- (i) Automatically for five (5) minutes when the Indicative Clearing Price differs by the greater of five percent (5%) or fifty cents (\$0.50) from any of the previous fifteen (15) Indicative Clearing Price disseminations at the time of the auction match;
- (ii) Automatically for five (5) minutes when the Indicative Clearing Price, at the time of the auction match, is an Impermissible Price. Upon extension, the Volatility Auction Collar will be expanded in the direction of the Impermissible Price pursuant to section (D)(ii) below; the Volatility Auction will continue to be extended in five (5) minute increments and will continue to be expanded in the direction of the Impermissible Price until sufficient trading interest exists at an Indicative Clearing Price at or within the Volatility Auction Collar; or
- (iii) Automatically to the end of Regular Market Hours where an LTSE-listed security is paused pursuant to LTSE Rule 11.280(e) at or after the Closing Auction Lock-in Time, or the Order Acceptance Period of a Volatility Auction for a security paused before the Closing Auction Lock-in Time pursuant to LTSE Rule 11.280(e) would be in effect at the Closing Auction Lock-in Time, in which case the LTSE Official Closing

Price will be determined by the Volatility Auction pursuant to section (3) below.

- (D) Incremental Extensions of the Order Acceptance Period following a Trading Pause. Pursuant to section (a)(29)(C) above, the Order Acceptance Period for a Volatility Auction shall commence immediately after the Trading Pause. The Order Acceptance Period may be extended for five (5) minutes pursuant to section 11.350(f)(2)(C)(i) or (C)(ii) above (the “Initial Extension Period”). After the Initial Extension Period, the Order Acceptance Period may be extended for additional five (5) minute periods pursuant to section 11.350(f)(2)(C)(i) or (C)(ii) above (each an “Additional Extension Period”) until a Volatility Auction occurs. The Exchange shall attempt to conduct a Volatility Auction every one (1) second during the course of each Additional Extension Period. Should the Order Acceptance Period for a Volatility Auction be extended to a time past the Closing Auction Lock-in Time (i.e., 10 minutes prior to the end of the Regular Market Session), the Volatility Auction shall be conducted pursuant to section (f)(3) of this Rule.
- (i) At the beginning of the Order Acceptance Period, the Volatility Auction Collar Reference Price and the Volatility Auction Collar shall be determined in accordance with section (a)(32) and (a)(31) of the Rule, respectively.
 - (ii) At the beginning of the Initial Extension Period pursuant to section (C)(ii), the upper (lower) Volatility Auction Collar shall be increased (decreased) by five (5) percent of the original Volatility Auction Collar Reference Price in the direction of the Impermissible Price, rounded to the nearest passive MPV. After the execution of all market orders, the remaining Auction Eligible Orders with a resting price more aggressive than the price of the LTSE Re-Opening Trade will be executed in price – display – time priority at the price of the LTSE Re-Opening Trade. All remaining Auction Eligible Orders with a resting price equal to the price of the LTSE Re-Opening Trade shall execute in display – time priority at the price of the LTSE Re-Opening Trade. All AGID modifiers as defined in Rule 11.190(e), and Minimum Quantity instructions as defined in Rule 11.190(b)(11), will not be supported in the Volatility Auction, but will be enforced on all unexecuted shares released to the Continuous Book following the Volatility Auction match.

All orders on the Order Book will be canceled, and LTSE will open the security for trading without an auction after the single plan processor responsible for consolidation of information for the security has disseminated Price Bands.
- (3) Closing with a Volatility Auction. Where an LTSE-listed security is paused pursuant to LTSE Rule 11.280(e) at or after the Closing Auction Lock-in Time, or the Order Acceptance Period of a Volatility Auction for a security paused before the Closing Auction Lock-in Time pursuant to LTSE Rule 11.280(e) would otherwise be extended by the Exchange to a time after the Closing Auction Lock-in Time, no Closing Auction for the security will occur. If there is insufficient trading interest in the System to execute the Volatility Auction for that security, the Final Last Sale Eligible Trade shall be used as the LTSE Official Closing Price in that security, and the security will be released for trading pursuant to section (C) below. Pursuant to Rule 11.350(c)(2)(F), if LTSE has not determined the LTSE Official Opening Price for an LTSE-listed security, and the security is subject to an LULD trading pause, the LTSE Official Opening Price will be the price of the Volatility Auction.

- (iii) Execution Priority. Volatility Auction execution priority occurs in accordance with LTSE Auction Priority as described in section (b) above. Market and MOC orders have priority over all other Auction Eligible Orders in the Volatility Auction. To the extent there is executable contra side interest, such market and MOC orders will be executed at the LTSE Official Closing Price according to time priority. After the execution of all market and MOC orders, the remaining Auction Eligible Orders with a resting price more aggressive than the LTSE Official Closing Price will be executed in price – display – time priority at the LTSE Official Closing Price. All remaining Auction Eligible Orders with a resting price equal to the LTSE Official Closing Price shall execute in display – time priority at the LTSE Official Closing Price.  - (A) When the Short Sale Price Test of Rule 201 of Regulation SHO is in effect during the auction match for covered securities, and the inclusion of one or more sell short orders not marked short exempt would push the auction match price to a price at or below the current NBB price at the time of the auction match (i.e., the time of execution of orders in the auction), then such sell short order not marked short exempt and all other sell short orders not marked short exempt with lesser priority shall not receive an execution in the auction match.
 - (h) Whenever, in the judgment of the Exchange, the interests of a fair and orderly market so require, the Exchange may adjust the timing of or suspend the auctions set forth in this LTSE Rule with prior notice to Users.

- (28) "Round Lot" or "Normal Unit of Trading" means 100 shares of a security unless, with respect to a particular security, the Exchange determines that a normal unit of trading shall constitute other than 100 shares. If a normal unit of trading is other than 100 shares, a special identifier shall be appended to the Company's Exchange symbol.
- (29) "Round Lot Holder" means a holder of a Normal Unit of Trading. The number of beneficial holders will be considered in addition to holders of record.
- (30) "Shareholder" means a record or beneficial owner of a security listed or applying to list. For purposes of Chapter 14, the term "Shareholder" includes, for example, a limited partner, the owner of a depository receipt, or unit.
- (31) "Substantial Shareholder" is defined in LTSE Rule 14.412(e)(3).
- (32) "Substitution Listing Event" means: a reverse stock split, re-incorporation or a change in the Company's place of organization, the formation of a holding company that replaces a listed Company, reclassification or exchange of a Company's listed shares for another security, the listing of a new class of securities in substitution for a previously-listed class of securities or any technical change whereby the Shareholders of the original Company receive a share-for-share interest in the new Company without any change in their equity position or rights.
- (33) "Total Holders" means holders of a security that includes both beneficial holders and holders of record.

Rule Series 14.100. LTSE's Regulatory Authority

Rule 14.101. LTSE's Regulatory Authority

The Exchange is entrusted with the authority to preserve and strengthen the quality of and public confidence in its market. The Exchange stands for integrity and ethical business practices in order to enhance investor confidence, thereby contributing to the financial health of the economy and supporting the capital formation process. Exchange Companies, from new public Companies to Companies of international stature, are publicly recognized as sharing these important objectives.

The Exchange, therefore, in addition to applying the enumerated criteria set forth in Chapter 14, has broad discretionary authority over the initial and continued listing of securities on the Exchange in order to maintain the quality, transparency and integrity of and public confidence in its market; to prevent fraudulent and manipulative acts and practices; to promote just and equitable principles of trade; to protect investors and the public interest; and to protect the safety and security of the Exchange and its employees. The Exchange may use such discretion to deny initial listing, apply additional or more stringent criteria for the initial or continued listing of particular securities, or suspend or delist particular securities based on any event, condition, or circumstance that exists or occurs that makes initial or continued listing of the securities on the Exchange inadvisable or unwarranted in the opinion of the Exchange, even though the securities meet all enumerated criteria for initial or continued listing on the Exchange. In the event that the Exchange Staff makes a determination to suspend or deny continued listing pursuant to its discretionary authority, the Company may seek review of that determination through the procedures set forth in the LTSE Rule Series 14.500.

* * * * * **Supplementary Material** * * * * *

.01 Use of Discretionary Authority

To further Companies' understanding of this LTSE Rule, the Exchange has adopted this Supplementary Material .01 as a non-exclusive description of the circumstances in which the Rule is generally invoked.

The Exchange may use its authority under this LTSE Rule to deny initial or continued listing to a Company when an individual with a history of regulatory misconduct is associated with the Company. Such individuals are typically an officer, director, Substantial Shareholder (as defined in LTSE Rule 14.412(e)(3)), or consultant to the Company. In making this determination, the Exchange will consider a variety of factors, including:

- (a) the nature and severity of the conduct, taken in conjunction with the length of time since the conduct occurred;*
- (b) whether the conduct involved fraud or dishonesty;*
- (c) whether the conduct was securities-related;*
- (d) whether the investing public was involved;*
- (e) how the individual has been employed since the violative conduct;*

- (f) whether there are continuing sanctions (either criminal or civil) against the individual;
- (g) whether the individual made restitution;
- (h) whether the Company has taken effective remedial action; and
- (i) the totality of the individual's relationship to the Company, giving consideration to:
 - (j) the individual's current or proposed position;
 - (k) the individual's current or proposed scope of authority;
 - (l) the extent to which the individual has responsibility for financial accounting or reporting; and
 - (m) the individual's equity interest.

Based on this review, the Exchange may determine that the regulatory history rises to the level of a public interest concern, but may also consider whether remedial measures proposed by the Company, if taken, would allay that concern. Examples of such remedial measures could include any or all of the following, as appropriate:

- (1) the individual's resignation from officer and director positions, and/or other employment with the Company;**
- (2) divestiture of stock holdings;**
- (3) terminations of contractual arrangements between the Company and the individual; or**
- (4) the establishment of a voting trust surrounding the individual's shares.**

The Exchange staff is willing to discuss with Companies, on a case-by-case basis, what remedial measures may be appropriate to address public interest concerns, and for how long such remedial measures would be required. Alternatively, the Exchange may conclude that a public interest concern is so serious that no remedial measure would be sufficient to alleviate it. In the event that the Exchange staff denies continued listing based on such public interest considerations, the Company may seek review of that determination through the procedures set forth in the LTSE Rule 14.500 Series. On consideration of such appeal, a listing qualifications panel comprised of persons independent of the Exchange may accept, reject or modify the staff's recommendations by imposing conditions.

The Exchange may also use its discretionary authority, for example, when a Company files for protection under any provision of the federal bankruptcy laws or comparable foreign laws, when a Company's independent accountants issue a disclaimer opinion on financial statements required to be audited, or when financial statements do not contain a required certification.

In addition, pursuant to its discretionary authority, the Exchange will review the Company's past corporate governance activities. This review may include activities taking place while the Company is listed on the Exchange or an exchange that imposes corporate governance requirements, as well as activities taking place after a formerly listed company is no longer listed on the Exchange or such an exchange. Based on such review, and in accordance with the LTSE Rule 14.500 Series, the Exchange may take any appropriate action, including placing restrictions on or additional requirements for listing, or denying listing of a security, if the Exchange determines that there have been violations or evasions of such corporate governance standards. Such determinations will be made on a case-by-case basis as necessary to protect investors and the public interest.

Although the Exchange has broad discretion under this LTSE Rule to impose additional or more stringent criteria, this LTSE Rule does not provide a basis for the Exchange to grant exemptions or

exceptions from the enumerated criteria for initial or continued listing, which may be granted solely pursuant to LTSE Rules explicitly providing such authority.

Rule 14.102. Change of Control, Bankruptcy, Liquidation, and Reverse Mergers

(a) Business Combinations with non-LTSE Entities Resulting in a Change of Control.

A Company must apply for initial listing in connection with a transaction whereby the Company combines with, or into, an entity that is not an LTSE Company, resulting in a change of control of the Company and potentially allowing such entity to obtain an Exchange Listing. In determining whether a change of control has occurred, the Exchange shall consider all relevant factors including, but not limited to, changes in the management, board of directors, voting power, ownership, and financial structure of the Company. The Exchange shall also consider the nature of the businesses and the relative size of the LTSE Company and the entity that is not an LTSE Company. The Company must submit an application for the post-transaction entity with sufficient time to allow the Exchange to complete its review before the transaction is completed. If the Company's application for initial listing has not been approved prior to consummation of the transaction, the Exchange will issue a Staff Delisting Determination and begin delisting proceedings pursuant to LTSE Rule 14.500.

(b) Bankruptcy and Liquidation.

The Exchange may use its discretionary authority under Chapter 14 to suspend or terminate the listing of a Company that has filed for protection under any provision of the federal bankruptcy laws or comparable foreign laws, or has announced that liquidation has been authorized by its board of directors and that it is committed to proceed, even though the Company's securities otherwise meet all enumerated criteria for continued listing on the Exchange. In the event that the Exchange determines to continue the listing of such a Company during a bankruptcy reorganization, the Company shall nevertheless be required to satisfy all requirements for initial listing, including the payment of initial listing fees, upon emerging from bankruptcy proceedings.

(c) Reverse Mergers

(1) A Company that is formed by a Reverse Merger (a "Reverse Merger Company") shall be eligible to submit an application for initial listing only if the combined entity has, immediately preceding the filing of the initial listing application:

- (A) traded for at least one year in the U.S. over-the-counter market, on another national securities exchange, or on a regulated foreign exchange, following the filing with the Commission or Other Regulatory Authority of all required information about the transaction, including audited financial statements for the combined entity; and
 - (B) maintained a closing bid price of \$4 per share or higher for a sustained period of time, but in no event for less than 30 of the most recent 60 trading days.
- (2) In addition to satisfying all of the Exchange's other initial listing requirements, a Reverse Merger Company will only be approved for listing if, at the time of approval, it has:
- (A) timely filed all required periodic financial reports with the Commission or Other Regulatory Authority (Forms 10-Q, 10-K, or 20-F) for the prior year, including at least one annual report. The annual report must contain audited financial statements for a full fiscal year commencing after filing the information described in paragraph (1)(A) above; and
 - (B) maintained a closing bid price of \$4 per share or higher for a sustained period of time, but in no event for less than 30 of the most recent 60 trading days prior to approval.
- (3) A Reverse Merger Company will not be subject to the requirements of this LTSE Rule if, in connection with its listing, it completes a firm commitment underwritten public offering where the gross proceeds to the Reverse Merger Company will be at least \$40 million. In addition, a Reverse Merger Company will no longer be subject to the requirements of this LTSE Rule once it has satisfied the one-year trading requirement contained in paragraph (1)(A) above and has filed at least four annual reports with the Commission or Other Regulatory Authority containing all required audited financial statements for a full fiscal year commencing after filing the information described in that paragraph. In either case described in this paragraph (3), the Reverse Merger Company must satisfy all applicable requirements for initial listing, including the minimum bid price requirement and the requirement contained in LTSE Rule 14.203(e) that the Company not be delinquent in its filing obligation with the Commission or Other Regulatory Authority.

Rule Series 14.200. General Procedures and Prerequisites for Initial and Continued Listing on the Exchange.

Rule 14.201. Confidential Pre-Application Review of Eligibility

- (a) A Company seeking the initial listing of one or more classes of securities on the Exchange must participate in a free confidential pre-application eligibility review by the Exchange in order to determine whether it meets the Exchange's listing criteria. If, upon completion of this review, the Exchange determines that a company is eligible for listing, the Exchange will notify that company in writing (the "clearance letter") that it has been cleared to submit an original listing application. A clearance letter is valid for nine months from its date of issuance. If a company does not list within that nine month period and wishes to list thereafter, the Exchange will perform another confidential listing eligibility review as a condition to the issuance of a new clearance letter. Once a Company has cleared such review, it may file an original listing application pursuant to LTSE Rule 14.202.
- (b) Preliminary discussions with the Exchange on important matters in connection with the confidential pre-application eligibility review may be undertaken by Company officials interested in listing with the assurance that careful security measures have been adopted by the Exchange to avoid revealing any confidential information which the Company may disclose.

The information needed for the purpose of conducting a confidential pre-eligibility review is set forth in LTSE Rules 14.202, 14.203, and Chapter 14 generally.

Rule 14.202. The Applications and Qualifications Process

- (a) After receiving a clearance letter pursuant to LTSE Rule 14.201, a company choosing to list must file an original listing application. To apply for listing on the Exchange, a Company shall execute a Listing Agreement and a Listing Application on the forms designated by the Exchange providing the information required by Section 12(b) of the Act.
- (b) A Company's compliance with the initial listing criteria will be determined on the basis of the Company's most recent information filed with the Commission or Other Regulatory Authority and information provided to the Exchange. The Company shall certify, at or before the time of listing, that all applicable listing criteria have been satisfied.
- (c) A Company's qualifications will be determined on the basis of financial statements that are either: (i) prepared in accordance with U.S. generally accepted accounting principles; or (ii) reconciled to U.S. generally accepted accounting principles as required by the Commission's rules; or (iii) prepared in accordance with International Financial Reporting Standards, as issued by the International Accounting Standards

Board, for Companies that are permitted to file financial statements using those standards consistent with the Commission's rules.

- (d) A Company that has applied for initial listing on the Exchange shall file with the Exchange all reports and other documents filed or required to be filed with the Commission or Other Regulatory Authority. This requirement is satisfied by publicly filing documents through the EDGAR System. All required reports must be filed with the Exchange on or before the date they are required to be filed with the Commission or Other Regulatory Authority. Annual reports filed with the Exchange shall contain audited financial statements.
- (e) The Exchange may request any information or documentation, public or non-public, deemed necessary to make a determination regarding a security's initial listing, including, but not limited to, any material provided to or received from the Commission or Other Regulatory Authority. A Company's security may be denied listing if the Company fails to provide such information within a reasonable period of time or if any communication to the Exchange contains a material misrepresentation or omits material information necessary to make the communication to the Exchange not misleading.
- (f) All forms and applications relating to listing of securities on the Exchange referenced in Chapter 14 are available from the Exchange's Regulation Department.
- (g) The computation of Publicly Held Shares and Market Value of Publicly Held Shares shall be as of the date of application of the Company.
- (h) An account of a Member that is beneficially owned by a customer (as defined in LTSE Rule 1.160(m)) will be considered a holder of a security upon appropriate verification by the Member.
- (i) A Company may withdraw its application for initial listing at any time.

Rule 14.203. Prerequisites for Applying to List on the Exchange

All Companies applying to list on LTSE must meet the following prerequisites:

- (a) Registration under 12(b) of the Act. A security shall be eligible for listing on LTSE provided that it is: (i) registered pursuant to Section 12(b) of the Act; or (ii) subject to an exemption issued by the Commission that permits the listing of the security notwithstanding its failure to be registered pursuant to Section 12(b).

- (b) Auditor Registration. Each Company applying for initial listing must be audited by an independent public accountant that is registered as a public accounting firm with the Public Company Accounting Oversight Board, as provided for in Section 102 of the Sarbanes-Oxley Act of 2002 [15 U.S.C. 7212].
- (c) Direct Registration Program. All securities initially listing on LTSE, except securities which are book-entry only, must be eligible for a Direct Registration Program operated by a clearing agency registered under Section 17A of the Act. A foreign issuer, as defined under Rule 3b-4 under the Act, including a Foreign Private Issuer, shall not be subject to this requirement if it submits to LTSE a written statement from an independent counsel in such Company's home country certifying that a law or regulation in the home country prohibits compliance.
- (d) Fees. The Company is required to pay all applicable fees as described in LTSE Rule Series 14.600.
- (e) Good Standing. No security shall be approved for listing that is delinquent in its filing obligation with the Commission or Other Regulatory Authority or suspended from trading by the Commission pursuant to Section 12(k) of the Act or by the appropriate regulatory authorities of the Company's country of domicile.
- (f) Exchange Certification. Upon approval of a listing application, the Exchange shall certify to the Commission, pursuant to Section 12(d) of the Act and the rules thereunder, that it has approved the security for listing and registration. Listing can commence only upon effectiveness of the security's registration pursuant to Section 12(d).
- (g) Security Depository.
 - (1) "Securities Depository" means a securities depository registered as a clearing agency under Section 17A of the Act.
 - (2) For initial listing, a security shall have a CUSIP number or foreign equivalent identifying the securities included in the file of eligible issues maintained by a Securities Depository in accordance with the rules and procedures of such securities depository. This subparagraph shall not apply to a security if the terms of the security do not and cannot be reasonably modified to meet the criteria for depository eligibility at all Securities Depositories.
 - (3) A Security Depository's inclusion of a CUSIP number or foreign equivalent identifying a security in its file of eligible issues does not render the security "depository eligible" until:

- (A) in the case of any new issue distributed by an underwriting syndicate on or after the date a Securities Depository system for monitoring repurchases of distributed shares by the underwriting syndicate is available, the date of the commencement of trading in such security on the Exchange; or
 - (B) in the case of any new issue distributed by an underwriting syndicate prior to the date a Securities Depository system for monitoring repurchases of distributed shares by the underwriting syndicate is available where the managing underwriter elects not to deposit the securities on the date of the commencement of trading in such security on the Exchange, such later date designated by the managing underwriter in a notification submitted to the Securities Depository; but in no event more than three (3) months after the commencement of trading in such security on the Exchange.
- (h) Limited Partnerships. No security issued in a limited partnership rollup transaction (as defined by Section 14(h) of the Act), shall be eligible for listing unless:
- (1) the rollup transaction was conducted in accordance with procedures designed to protect the rights of limited partners as provided in Section 6(b)(9) of the Act, as it may from time to time be amended, and
 - (2) a broker-dealer that is a member of a national securities association subject to Section 15A(b)(12) of the Act participates in the rollup transaction.

The Company shall further provide an opinion of counsel stating that such broker-dealer's participation in the rollup transaction was conducted in compliance with the rules of a national securities association designed to protect the rights of limited partners, as specified in the Limited Partnership Rollup Reform Act of 1993.

In addition to any other applicable requirements, each limited partnership listed on the Exchange shall have a corporate general partner or co-general partner that satisfies the Independent Director and audit committee requirements set forth in the LTSE Rule 14.400 Series.

Note: The only currently existing national securities association subject to Section 15A(b)(12) of the Act is FINRA. Its rules designed to protect the rights of limited partners, pursuant to the Limited Partnership Rollup Reform Act of 1993, are specified in FINRA Rule 2310.

- (i) Reverse Mergers. A security issued by a Company formed by a Reverse Merger shall be eligible for initial listing only if the conditions set forth in LTSE Rule 14.102(c) are satisfied.

Rule 14.204. American Depositary Receipts

- (a) Eligibility. American Depositary Receipts can be listed on the Exchange provided they represent shares in a non-Canadian foreign Company.
- (b) Computations. In the case of American Depositary Receipts, annual income from continuing operations and Stockholders' Equity shall relate to the foreign issuer and not to any depositary or any other person deemed to be an issuer for purposes of Form S-12 under the Securities Act of 1933. The underlying security will be considered when determining annual income from continuing operations, Publicly Held Shares, Market Value of Publicly Held Shares, Stockholders' Equity, Round Lot or Public Holders, operating history, Market Value of Listed Securities, and total assets and total revenue.

Rule 14.205. Additional Requirements for LTSE-Listed Securities Issued by the Exchange or its Affiliates

- (a) For purposes of this LTSE Rule 14.205, the terms below are defined as follows:
 - (1) "LTSE Affiliate" means LTSE and any entity that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with LTSE, where "control" means that the one entity possesses, directly or indirectly, voting control of the other entity either through ownership of capital stock or other equity securities or through majority representation on the board of directors or other management body of such entity.
 - (2) "Affiliate Security" means any security issued by an LTSE Affiliate.
- (b) Upon initial and throughout continued listing of the Affiliate Security on LTSE, LTSE shall
 - (1) file a report quarterly with the Exchange's Regulatory Oversight Committee detailing LTSE's monitoring of:
 - (A) the LTSE Affiliate's compliance with the listing requirements contained in Chapter 14; and
 - (B) the trading of the Affiliate Security, which shall include summaries of all related surveillance alerts, complaints, regulatory referrals, trades canceled or adjusted pursuant to LTSE Rule 11.270, investigations, examinations, formal and informal disciplinary actions, exception reports and trading data of such security.

- (2) engage an independent accounting firm once a year to review and prepare a report on the Affiliate Security to ensure that the LTSE Affiliate is in compliance with the listing requirements contained in Chapter 14 and promptly forward to the Exchange's Regulatory Oversight Committee a copy of the report prepared by the independent accounting firm.
- (c) In the event that LTSE determines that the LTSE Affiliate is not in compliance with any of the listing requirements contained in Chapter 14, LTSE shall file a report with the Commission within five business days of providing notice to the LTSE Affiliate of its non-compliance. The report shall identify the date of non-compliance, type of non-compliance and any other material information conveyed to the LTSE Affiliate in the notice of non-compliance. Within five business days of receipt of a plan of compliance from the LTSE Affiliate, LTSE shall notify the Commission of such receipt, whether the plan of compliance was accepted by LTSE or what other action was taken with respect to the plan and the time period provided to regain compliance with Chapter 14, if any.

Rule 14.206. Listing Requirements for Units

- (a) Initial and Continued Listing Requirements
 - (1) All units shall have at least one equity component. All components of such units shall satisfy the requirements for initial and continued listing as LTSE Listed securities, or, in the case of debt components, satisfy the requirements of paragraph (a)(2) below.
 - (2) All debt components of a unit, if any, shall meet the following requirements:
 - (A) the debt issue must have an aggregate market value or principal amount of at least \$5 million;
 - (B) in the case of convertible debt, the equity into which the debt is convertible must itself be subject to real-time last sale reporting in the United States, and the convertible debt must not contain a provision which gives the company the right, at its discretion, to reduce the conversion price for periods of time or from time to time unless the company establishes a minimum period of ten business days within which such price reduction will be in effect.
 - (3) All components of the unit shall be issued by the same issuer. All units and issuers of such units shall comply with the initial and continued listing requirements of the Exchange.
- (b) Minimum Listing Period and Notice of Withdrawal

In the case of units, the minimum listing period of the units shall be 30 days from the first day of listing, except the period may be shortened if the units are suspended or withdrawn for regulatory purposes. Companies and underwriters seeking to withdraw units from listing must provide the Exchange with notice of such intent at least 15 days prior to withdrawal.

(c) Disclosure Requirements for Units

Each Exchange issuer of units shall include in its prospectus or other offering document used in connection with any offering of securities that is required to be filed with the Commission under the federal securities laws and the rules and regulations promulgated thereunder a statement regarding any intention to delist the units immediately after the minimum inclusion period. The issuer of a unit shall further provide information regarding the terms and conditions of the components of the unit (including information with respect to any original issue discount or other significant tax attributes of any component) and the ratio of the components comprising the unit. A Company shall also disclose when a component of the unit is separately listed on the Exchange. These disclosures shall be made on the Company's website, or if it does not maintain a website, in its annual report provided to unit holders. A Company shall also immediately make a public announcement by filing a Form 8-K, where required by SEC rules, or by issuing a press release disclosing, any change in the terms of the unit, such as changes to the terms and conditions of any of the components (including changes with respect to any original issue discount or other significant tax attributes of any component), or to the ratio of the components within the unit. Such public announcement shall be made as soon as practicable in relation to the effective date of the change.

(d) Market Makers

- (1) For initial inclusion, a unit shall have at least three registered and active Market Makers.
- (2) For continued listing, a unit shall have at least two registered and active Market Makers, one of which may be a Market Maker entering a stabilizing bid.

Rule 14.207. Obligations for Companies Listed on the Exchange

(a) Obligation to Provide Information to the Exchange

- (1) The Exchange may request any additional information or documentation, public or non-public, deemed necessary to make a determination regarding a Company's continued listing, including, but not limited to, any material provided to or received from the Commission or Other Regulatory Authority. A Company

may be denied continued listing if it fails to provide such information within a reasonable period of time or if any communication to the Exchange contains a material misrepresentation or omits material information necessary to make the communication to the Exchange not misleading. The Company shall provide full and prompt responses to requests by the Exchange or by FINRA acting on behalf of the Exchange for information related to unusual market activity or to events that may have a material impact on trading of its securities on the Exchange.

- (2) As set forth in LTSE Rule 14.410, a Company must provide the Exchange with prompt notification after an Executive Officer of the Company becomes aware of any noncompliance by the Company with the requirements of the Rule 14.400 Series.

(b) Obligation to Make Public Disclosure

(1) Disclosure of Material Information

Except in unusual circumstances, an Exchange-listed Company shall make prompt disclosure to the public through any Regulation FD compliant method (or combination of methods) of disclosure of any material information that would reasonably be expected to affect the value of its securities or influence investors' decisions. The Company shall, prior to the release of the information, provide notice of such disclosure to the Exchange's Regulation Department at least ten minutes prior to public announcement if the information involves any of the events set forth in Supplementary Material .01 to this LTSE Rule and the public release of the material information is made during System Hours (as defined in LTSE Rule 1.160(qq)). If the public release of the material information is made outside of System Hours, Exchange Companies must notify the Exchange's Regulation Department of the material information at least 10 minutes prior to the start of System Hours (as defined in LTSE Rule 1.160(qq)). As described in Supplementary Material .01 to this LTSE Rule, prior notice to the Exchange's Regulation Department must be made through the electronic disclosure submission system available at the Exchange's Web site, except in emergency situations.

(2) Disclosure of Notification of Deficiency

As set forth in LTSE Rule 14.501(c), a listed Company that receives a notification of deficiency from the Exchange is required to make a public announcement by filing a Form 8-K, where required by SEC rules, or by issuing a press release disclosing receipt of the notification and the Rule(s) upon which the deficiency is based, and describing each specific basis and concern identified by the Exchange in reaching its determination that the Company does not meet the listing standard.

However, note that in the case of a deficiency related to the requirement to file a periodic report contained in LTSE Rule 14.207(c)(1) or (2), the Company is required to make the public announcement by issuing a press release. As described in LTSE Rule 14.207(b)(1) above and Supplementary Material .01 below, the Company must notify the Exchange's Regulation Department about the announcement through the electronic disclosure submission system available on the Exchange's Web site, except in emergency situations when notification may instead be provided by telephone or facsimile. If the public announcement is made during System Hours (as defined in LTSE Rule 1.160(qq)), the Company must notify the Exchange's Regulation Department at least ten minutes prior to the announcement. If the public announcement is made outside of System Hours (as defined in LTSE Rule 1.160(qq)), the Company must notify the Exchange's Regulation Department of the announcement at least ten minutes prior to the start of System Hours (as defined in LTSE Rule 1.160(qq)).

(3) Disclosure of Third Party Director and Nominee Compensation

Companies must disclose all agreements and arrangements in accordance with this rule by no later than the date on which the Company files or furnishes a proxy or information statement subject to Regulation 14A or 14C under the Act in connection with the Company's next shareholders' meeting at which directors are elected (or, if they do not file proxy or information statements, no later than when the Company files its next Form 10-K or Form 20-F).

(A) A Company shall disclose either on or through the Company's website or in the proxy or information statement for the next shareholders' meeting at which directors are elected (or, if the Company does not file proxy or information statements, in its Form 10-K or 20-F), the material terms of all agreements and arrangements between any director or nominee for director, and any person or entity other than the Company (the "Third Party"), relating to compensation or other payment in connection with such person's candidacy or service as a director of the Company. A Company need not disclose pursuant to this rule agreements and arrangements that: (i) relate only to reimbursement of expenses in connection with candidacy as a director; (ii) existed prior to the nominee's candidacy (including as an employee of the other person or entity) and the nominee's relationship with the Third Party has been publicly disclosed in a proxy or information statement or annual report (such as in the director or nominee's biography); or (iii) have been disclosed under Item 5(b) of Schedule 14A of the Act or Item 5.02(d)(2) of Form 8-K in the current fiscal year. Disclosure pursuant to Commission rule shall not

relieve a Company of its annual obligation to make disclosure under subparagraph (B).

- (B) A Company must make the disclosure required in subparagraph (A) at least annually until the earlier of the resignation of the director or one year following the termination of the agreement or arrangement.
- (C) If a Company discovers an agreement or arrangement that should have been disclosed pursuant to subparagraph (A) but was not, the Company must promptly make the required disclosure by filing a Form 8-K or 6-K, where required by SEC rules, or by issuing a press release. Remedial disclosure under this subparagraph, regardless of its timing, does not satisfy the annual disclosure requirements under subparagraph (B).
- (D) A Company shall not be considered deficient with respect to this paragraph for purposes of LTSE Rule 14.501 if the Company has undertaken reasonable efforts to identify all such agreements or arrangements, including asking each director or nominee in a manner designed to allow timely disclosure, and makes the disclosure required by subparagraph (C) promptly upon discovery of the agreement or arrangement. In all other cases, the Company must submit a plan sufficient to satisfy Exchange staff that the Company has adopted processes and procedures designed to identify and disclose relevant agreements or arrangements.
- (E) A Foreign Private Issuer may follow its home country practice in lieu of the requirements of LTSE Rule 14.207(b)(3) by utilizing the process described in LTSE Rule 14.407(a)(3).

(c) Obligation to File Periodic Financial Reports

- (1) A Company shall timely file all required periodic financial reports with the Commission through the EDGAR System or with the Other Regulatory Authority. A Company that does not file through the EDGAR System shall supply to the Exchange two (2) copies of all reports required to be filed with the Other Regulatory Authority or email an electronic version of the report to the Exchange at continuedlisting@LTSE.com. All required reports must be filed with the Exchange on or before the date they are required to be filed with the Commission or Other Regulatory Authority. Annual reports filed with the Exchange shall contain audited financial statements.
- (2) Foreign Private Issuer Interim Reports

Each Foreign Private Issuer shall submit on a Form 6-K an interim balance sheet and income statement as of the end of its second quarter. This information, which must be presented in English, but does not have to be reconciled to U.S. GAAP, must be provided no later than six months following the end of the Company's second quarter. In the case of a Foreign Private Issuer that is a limited partnership, such information shall be distributed to limited partners if required by statute or regulation in the jurisdiction in which the limited partnership is formed or doing business or by the terms of the partnership's limited partnership agreement.

(3) Auditor Registration

Each listed Company shall be audited by an independent public accountant that is registered as a public accounting firm with the Public Company Accounting Oversight Board, as provided for in Section 102 of the Sarbanes-Oxley Act of 2002 [15 U.S.C. 7212].

(d) Distribution of Annual and Interim Reports

- (1) Distribution of Annual Reports. Each Company (including a limited partnership) shall make available to Shareholders an annual report containing audited financial statements of the Company and its subsidiaries (which, for example, may be on Form 10-K, 20-F, 40-F or N-CSR) within a reasonable period of time following the filing of the annual report with the Commission. A Company may comply with this requirement either:
 - (A) by mailing the report to Shareholders;
 - (B) by satisfying the requirements for furnishing an annual report contained in Rule 14a-16 under the Act; or
 - (C) by posting the annual report to Shareholders on or through the Company's website (or, in the case of a Company that is an investment company that does not maintain its own website, on a website that the Company is allowed to use to satisfy the website posting requirement in Rule 16a-3(k) under the Act), along with a prominent undertaking in the English language to provide Shareholders, upon request, a hard copy of the Company's annual report free of charge. A Company that chooses to satisfy this requirement pursuant to this paragraph (C) must, simultaneous with this posting, issue a press release stating that its annual report has been filed with the Commission (or Other Regulatory Authority). This press release shall also state that the annual report is available on the Company's website and include the website address and that Shareholders may receive a hard copy free of charge upon request.

A Company must provide such hard copies within a reasonable period of time following the request.

- (2) Distribution of Interim Reports. Exchange Companies that distribute interim reports to Shareholders should distribute such reports to both registered and beneficial Shareholders. Exchange Companies are also encouraged to consider additional technological methods to communicate such information to Shareholders in a timely and less costly manner as such technology becomes available.
- (3) Access to Quarterly Reports.
 - (A) Each Company that is not a limited partnership (limited partnerships are governed by paragraph (B) below) and is subject to Rule 13a-13 under the Act shall make available copies of quarterly reports including statements of operating results to Shareholders either prior to or as soon as practicable following the Company's filing of its Form 10-Q with the Commission. If the form of such quarterly report differs from the Form 10-Q, the Company shall file one copy of the report with the Exchange in addition to filing its Form 10-Q pursuant to Rule 14.207(c)(1). The statement of operations contained in quarterly reports shall disclose, at a minimum, any substantial items of an unusual or non-recurrent nature and net income before and after estimated federal income taxes or net income and the amount of estimated federal taxes.
 - (B) Each Company that is a limited partnership and is subject to Rule 13a-13 under the Act shall make available copies of quarterly reports including statements of operating results to limited partners either prior to or as soon as practicable following the partnership's filing of its Form 10-Q with the Commission. Such reports shall be distributed to limited partners if required by statute or regulation in the state in which the limited partnership is formed or doing business or by the terms of the partnership's limited partnership agreement. If the form of such quarterly report differs from the Form 10-Q, the Company shall file one copy of the report with the Exchange in addition to filing its Form 10-Q pursuant to LTSE Rule 14.207(c)(1).

The statement of operations contained in quarterly reports shall disclose, at a minimum, any substantial items of an unusual or non-recurrent nature and net income before and after estimated federal income taxes or net income and the amount of estimated federal taxes.

- (4) Access to Interim Reports

- (A) Each Company that is not a limited partnership and is not subject to Rule 13a-13 under the Act and that is required to file with the Commission, or Other Regulatory Authority, interim reports relating primarily to operations and financial position, shall make available to Shareholders reports which reflect the information contained in those interim reports. Such reports shall be made available to Shareholders either before or as soon as practicable following filing with the appropriate regulatory authority. If the form of the interim report provided to Shareholders differs from that filed with the regulatory authority, the Company shall file one copy of the report to Shareholders with the Exchange in addition to the report to the regulatory authority that is filed with the Exchange pursuant to LTSE Rule 14.207(c)(1).
- (B) Each Company that is a limited partnership that is not subject to Rule 13a-13 under the Act and is required to file with the Commission, or Other Regulatory Authority, interim reports relating primarily to operations and financial position, shall make available to limited partners reports which reflect the information contained in those interim reports. Such reports shall be distributed to limited partners if required by statute or regulation in the state in which the limited partnership is formed or doing business or by the terms of the partnership's limited partnership agreement. Such reports shall be distributed to limited partners either before or as soon as practicable following filing with the appropriate regulatory authority. If the form of the interim report provided to limited partners differs from that filed with the regulatory authority, the Company shall file one copy of the report to limited partners with the Exchange in addition to the report to the regulatory authority that is filed with the Exchange pursuant to LTSE Rule 14.207(c)(1).
- (5) A Foreign Private Issuer may follow its home country practice in lieu of the requirements of LTSE Rule 14.207(d)(1), (2), (3), or (4) or by utilizing the process described in LTSE Rule 14.407(a)(3).
- (6) The Company shall comply with any obligation of any person regarding filing or disclosure of information material to the Company or the security, whether such obligation arises under the securities laws of the United States or the Company's country of domicile, or other applicable federal or state statutes or rules.
- (e) Exchange Notification Requirements. Various corporate events resulting in material changes will trigger the requirement for Companies to submit certain forms and applicable fees to the Exchange as specified below. All applicable forms can be found on the Exchange's Web site.

- (1) Change in Number of Shares Outstanding. The Company shall file, on a form designated by the Exchange no later than 10 days after the occurrence, any aggregate increase or decrease of any class of securities listed on the Exchange that exceeds 5% of the amount of securities of the class outstanding.
- (2) Listing of Additional Shares. A Company shall be required to notify the Exchange, except for a Company solely listing American Depositary Receipts, at least 15 calendar days prior to:
 - (A) establishing or materially amending a stock option plan, purchase plan or other equity compensation arrangement pursuant to which stock may be acquired by officers, directors, employees, or consultants without shareholder approval; however the Exchange recognizes that when a Company makes an equity grant to induce an individual to accept employment, as permitted by the exception contained in LTSE Rule 14.412(c)(4), it may not be practical to provide the advance notice otherwise required by this LTSE Rule. Therefore, when a Company relies on that exception to make such an inducement grant without shareholder approval, it is sufficient to notify the Exchange about the grant and the use of the exception no later than the earlier of: (x) five calendar days after entering into the agreement to issue the securities; or (y) the date of the public announcement of the award required by LTSE Rule 14.412(c)(4); or
 - (B) issuing securities that may potentially result in a change of control of the Company; or
 - (C) issuing any common stock or security convertible into common stock in connection with the acquisition of the stock or assets of another company, if any officer or director or Substantial Shareholder of the Company has a 5% or greater interest (or if such persons collectively have a 10% or greater interest) in the Company to be acquired or in the consideration to be paid; or
 - (D) issuing any common stock, or any security convertible into common stock in a transaction that may result in the potential issuance of common stock (or securities convertible into common stock) greater than 10% of either the total shares outstanding or the voting power outstanding on a pre- transaction basis.

The notifications required by this paragraph must be made on the Notification Form: Listing of Additional Shares and the Exchange encourages Companies to file this form as soon as practicable, even if all of the relevant terms are not yet known. The Exchange reviews these forms to determine compliance with applicable LTSE

Rules, including the shareholder approval requirements. Therefore, if a Company fails to file timely the form required by this paragraph, the Exchange may issue either a Public Reprimand Letter or a Delisting Determination (pursuant to LTSE Rule 14.500).

- (3) Record Keeping Change
 - (A) The Company shall file on a form designated by the Exchange notification of any change to its name, the par value or title of its security, its symbol, or a similar change, no later than 10 days after the change.
 - (B) The Company shall also notify the Exchange promptly in writing, absent any fees, of any change in the general character or nature of its business and any change in the address of its principal executive offices.
 - (4) Substitution Listing. The Company shall notify the Exchange of a Substitution Listing Event (other than a re- incorporation or a change to a Company's place of organization) no later than 15 calendar days prior to the implementation of such event by filing the appropriate form as designated by the Exchange. For a re- incorporation or change to a Company's place of organization, a Company shall notify the Exchange as soon as practicable after such event has been implemented by filing the appropriate form as designated by the Exchange.
 - (5) Transfer Agent, Registrar, ADR Bank Changes. The issuer of any class of securities listed on the Exchange, except for American Depositary Receipts, shall notify the Exchange promptly in writing of any change in the Company's transfer agent or registrar.
 - (6) Dividend Action or Stock Distribution. In the case of any dividend action or action relating to a stock distribution of a listed stock the Company shall, no later than 10 calendar days prior to the record date of such action:
 - (A) Notify the Exchange by filing the appropriate form as designated by the Exchange; and
 - (B) Provide public notice using a Regulation FD compliant method.
 - (C) Notice to the Exchange should be given as soon as possible after declaration and, in any event, no later than simultaneously with the public notice.
- (f) Obligation to Pay Fees. The Company is required to pay all applicable fees as described in the Rule 14.600 Series.

.01 Disclosure of Material Information

(a) *General Disclosure Requirements*

Rule 14.207(b)(1) requires that, except in unusual circumstances, Exchange Companies disclose promptly to the public through any Regulation FD compliant method (or combination of methods) of disclosure any material information that would reasonably be expected to affect the value of their securities or influence investors' decisions. Exchange Companies must notify the Exchange at least ten minutes prior to the release to the public of material information that involves any of the events set forth below when the public release of the information is made during System Hours (as defined in LTSE Rule 1.160(qq)). If the public release of the material information is made outside of System Hours (as defined in LTSE Rule 1.160(qq)), Exchange Companies must notify the Exchange's Regulation Department of the material information at least ten minutes prior to the start of System Hours (as defined in LTSE Rule 1.160(qq)). Under unusual circumstances Companies may not be required to make public disclosure of material events; for example, where it is possible to maintain confidentiality of those events and immediate public disclosure would prejudice the ability of the Company to pursue its legitimate corporate objectives. However, the Exchange Companies remain obligated to disclose this information to the Exchange upon request pursuant to LTSE Rule 14.207(a).

Whenever unusual market activity takes place in an Exchange Company's securities, the Company normally should determine whether there is material information or news which should be disclosed. If rumors or unusual market activity indicate that information on impending developments has become known to the investing public, or if information from a source other than the Company becomes known to the investing public, a clear public announcement may be required as to the state of negotiations or development of Company plans. Such an announcement may be required, even though the Company may not have previously been advised of such information or the matter has not yet been presented to the Company's Board of Directors for consideration. In certain circumstances, it may also be appropriate to publicly deny false or inaccurate rumors, which are likely to have, or have had, an effect on the trading in its securities or would likely have an influence on investment decisions.

(b) *Notification to the Exchange's Regulation Department*

Companies must notify the Exchange's Regulation Department prior to the distribution of certain material news at least ten minutes prior to public announcement of the news when the public release of the information is made during System Hours (as defined in LTSE Rule 1.160(qq)). If the public release of the material information is made outside of System Hours (as defined in LTSE Rule 1.160(qq)), the Company must notify the Exchange's Regulation Department of the material information at least ten minutes prior to the start of System Hours (as defined in LTSE Rule 1.160(qq)). Except in emergency situations, this notification must be made through the Exchange's electronic disclosure submission system available on the Exchange's Web site. In emergency situations, Companies may instead provide notification by telephone or facsimile. Examples of an emergency situation include: lack of computer or internet access; technical problems on the Exchange and a material development such that no draft disclosure document exists, but immediate notification to the Exchange's Regulation Department is important based on the material event.

If a Company repeatedly fails to either notify the Exchange at least ten minutes prior to the distribution of material news during System Hours (as defined in LTSE Rule 1.160(qq)) or at least ten minutes prior to the start of System Hours (as defined in LTSE Rule 1.160(qq)) for material news distributed outside of System Hours (as defined in LTSE Rule 1.160(qq)), or repeatedly fails to use the electronic disclosure submission system when the Exchange finds no emergency situation existed, the Exchange may issue a Public Reprimand Letter (as defined in LTSE Rule 14.500(b)(5)) or, in extreme cases, a Staff Delisting Determination (as defined in LTSE Rule 14.500(b)(7)). In determining whether to issue a Public Reprimand Letter, the Exchange will consider whether the Company has demonstrated a pattern of failures, whether the Company has been contacted concerning previous violations, and whether the Company has taken steps to assure that future violations will not occur.

(c) Trading Halts

A trading halt benefits current and potential Shareholders by halting all trading in any Exchange securities until there has been an opportunity for the information to be disseminated to the public. This decreases the possibility of some investors acting on information known only to them. A trading halt provides the public with an opportunity to evaluate the information and consider it in making investment decisions. It also alerts the marketplace to the fact that news has been released.

The Exchange's Regulation Department monitors real time trading in all Exchange securities during the trading day for price and volume activity. In the event of certain price and volume movements, the Exchange's Regulation Department may contact a Company and its Market Makers in order to ascertain the cause of the unusual market activity. The Exchange's Regulation Department treats the information provided by the Company and other sources in a highly confidential manner, and uses it to assess market activity and assist in maintaining fair and orderly markets. An Exchange listing includes an obligation to disclose to the Exchange's Regulation Department information that the Company is not otherwise disclosing to the investing public or the financial community. On, occasion, changes in market activity prior to the Company's release of material information may indicate that the information has become known to the investing public. Changes in market activity also may occur when there is a release of material information by a source other than the Company, such as when an Exchange Company is subject to an unsolicited take-over bid by another company. Depending on the nature of the event and the Company's views regarding the business advisability of disclosing the information, the Exchange's Regulation Department may work with the Company to accomplish a timely release of the information. Furthermore, depending on the materiality of the information and the anticipated effect of the information on the price of the Company's securities, the Exchange's Regulation Department may advise the Company that a temporary trading halt is appropriate to allow for full dissemination of the information and to maintain an orderly market. The institution of a temporary trading halt pending the release of information is not a reflection on the value of the securities halted. Such trading halts are instituted, among other reasons, to insure that material information is fairly and adequately disseminated to the investing public and the marketplace, and to provide investors with the opportunity to evaluate the information in making investment decisions. A trading halt normally lasts one half hour but may last longer if a determination is made that news has not been adequately disseminated or that the original or an additional basis under LTSE Rule 11.280 exists for continuing the trading halt.

The Exchange's Regulation Department is required to keep non-public information, confidential and to use such information only for regulatory purposes.

Companies are required to notify the Exchange's Regulation Department of the release of material information included in the following list of events at least ten minutes prior to the release of such information to the public when the public release of the information is made during System Hours (as defined in LTSE Rule 1.160(qq)):

- (1) Financial-related disclosures, including quarterly or yearly earnings, earnings restatements, pre-announcements or "guidance."*
- (2) Corporate reorganizations and acquisitions, including mergers, tender offers, asset transactions and bankruptcies or receiverships.*
- (3) New products or discoveries, or developments regarding customers or suppliers (e.g., significant developments in clinical or customer trials, and receipt or cancellation of a material contract or order).*
- (4) Senior management changes of a material nature or a change in control.*
- (5) Resignation or termination of independent auditors, or withdrawal of a previously issued audit report.*
- (6) Events regarding the Company's securities — e.g., defaults on senior securities, calls of securities for redemption, repurchase plans, stock splits or changes in dividends, changes to the rights of security holders, or public or private sales of additional securities.*
- (7) Significant legal or regulatory developments. Regulation FD*
- (8) Any event requiring the filing of a Form 8-K.*

If the public release of the material information is made outside of System Hours (as defined in LTSE Rule 1.160(qq)), Exchange Companies must notify the Exchange's Regulation Department of the material information at least 10 minutes prior to the start of System Hours (as defined in LTSE Rule 1.160(qq)). It should also be noted that every development that might be reported to the Exchange in these areas would not necessarily be deemed to warrant a trading halt. In addition to the list of events set forth above, the Exchange encourages Companies to avail themselves of the opportunity for advance notification to the Exchange's Regulation Department in situations where they believe, based upon their knowledge of the significance of the information, that a temporary trading halt may be necessary or appropriate.

.02 Use of Regulation FD Compliant Methods in the Disclosure of Material Information

Regardless of the method of disclosure that a Company chooses to use, Companies are required to notify the Exchange's Regulation Department of the release of material information that involves any of the events set forth above at least ten minutes prior to its release to the public when the public release of the information is made during System Hours (as defined in LTSE Rule 1.160 (qq)). If the public release of the material information is made outside of System Hours (as defined in LTSE Rule 1.160(qq)), Exchange Companies must notify LTSE Regulation of the material information at least 10 minutes prior to the start of System Hours (as defined in LTSE Rule 1.160(qq)). When a Company chooses to utilize a Regulation FD compliant method for disclosure other than a press release or Form 8-K, the Company will be required to provide prior notice to the Exchange's Regulation Department of: 1) the press release announcing the logistics of the future disclosure event; and 2) a descriptive summary of the material information

to be announced during the disclosure event if the press release does not contain such a summary.

Depending on the materiality of the information and the anticipated effect of the information on the price of the Company's securities, the Exchange's Regulation Department may advise the Company that a temporary trading halt is appropriate to allow for full dissemination of the information and to maintain an orderly market. The Exchange's Regulation Department will assess with Companies using methods of disclosure other than a press release or Form 8-K the timing within the disclosure event when the Company will cover the material information so that the halt can be commenced accordingly. Companies will be responsible for promptly alerting the Exchange's Regulation Department of any significant changes to the previously outlined disclosure timeline. Companies are reminded that the posting of information on the company's website may not by itself be considered a sufficient method of public disclosure under Regulation FD and SEC guidance and releases thereunder, and as a result, under LTSE Rules.

.03 Disclosure of Third Party Director and Nominee Compensation

LTSE Rule 14.207(b)(3) requires listed companies to publicly disclose the material terms of all agreements and arrangements between any director or nominee and any person or entity (other than the Company) relating to compensation or other payment in connection with that person's candidacy or service as a director. The terms "compensation" and "other payment" as used in this rule are not limited to cash payments and are intended to be construed broadly.

Subject to exceptions provided in the rule, the disclosure must be made on or through the Company's website or in the proxy or information statement for the next shareholders' meeting at which directors are elected in order to provide shareholders with information and sufficient time to help them make meaningful voting decisions. A Company posting the requisite disclosure on or through its website must make it publicly available no later than the date on which the Company files a proxy or information statement in connection with such shareholders' meeting (or, if they do not file proxy or information statements, no later than when the Company files its next Form 10-K or Form 20-F). Disclosure made available on the Company's website or through it by hyperlinking to another website, must be continuously accessible. If the website hosting the disclosure subsequently becomes inaccessible or that hyperlink inoperable, the company must promptly restore it or make other disclosure in accordance with this rule.

LTSE Rule 14.207(b)(3) does not separately require the initial disclosure of newly entered into agreements or arrangements, provided that disclosure is made pursuant to this rule for the next shareholders' meeting at which directors are elected. In addition, for publicly disclosed agreements and arrangements that existed prior to the nominee's candidacy and thus not required to be disclosed in accordance with LTSE Rule 14.207(b)(3)(A)(ii) but where the director or nominee's remuneration is thereafter materially increased specifically in connection with such person's candidacy or service as a director of the Company, only the difference between the new and previous level of compensation or other payment obligation needs be disclosed.

All references in this rule to proxy or information statements are to the definitive versions thereof.

Rule 14.208. Direct Registration Program

- (a) Except as indicated in paragraph (c) below, all securities listed on the Exchange (except securities which are book- entry only) must be eligible for a Direct Registration Program operated by a clearing agency registered under Section 17A of the Act.
- (b) If a Company establishes or maintains a Direct Registration Program for its Shareholders, the Company shall, directly or through its transfer agent, participate in an electronic link with a clearing agency registered under Section 17A of the Act to facilitate the electronic transfer of securities held pursuant to such program.
- (c) Exemption
A foreign issuer, as defined under Rule 3b-4 under the Act, including a Foreign Private Issuer shall not be subject to this requirement if it submits to the Exchange a written statement from an independent counsel in such Company's home country certifying that a law or regulation in its home country prohibits compliance.

Rule 14.210. Dually-Listed Securities

- (a) A Company is permitted to have a class of securities that has been approved for listing on another national securities exchange registered with the Commission pursuant to Section 6(a) of the Act ("Dually-Listed Securities").
- (b) A Company that has Dually-Listed Securities must notify the Exchange promptly if it receives oral or written notification from the other national securities exchange on which the Company's Dually-Listed Securities are listed that such class of listed securities has fallen below the continued listing requirements of such other market. In addition, a Company that has Dually-Listed Securities must promptly notify the other national securities exchange on which the Company's Dually-Listed Securities are listed if it receives oral or written notification that such class of listed securities has fallen below the continued listing requirements of Chapter 14 of the LTSE Rules.
- (c) For so long as a Company that seeks to list or has listed Dually-Listed Securities on the Exchange is listed on another national securities exchange that is its primary listing market and requires a minimum number of market makers, the minimum market maker requirements of LTSE Rules 14.310 and 14.320 that require a company listed on the Exchange to maintain a particular minimum number of registered and active Market Makers will not be applicable to such Dually-Listed Security.

.01 Impact of Non-Designation of Dually-Listed Securities.

To foster competition among markets and further the development of the national market system, the Exchange shall permit Companies whose securities are or will be listed on another national securities exchange to apply to also list those securities on the Exchange. The Exchange shall make an independent determination of whether such Companies satisfy all applicable listing requirements and shall require Companies to enter into a dual-listing agreement with the Exchange.

The Exchange shall continue to honor the trade halt authority of the primary listing market under the CQ and CTA Plans or the UTP Plan, as applicable, pursuant to LTSE Rule 11.280(g) (Authority to Initiate Trading Halts). LTSE Rule 11.280 (g)(2) and (3) shall apply to such Dually-Listed Securities, whereas LTSE Rule 11.280(g)(1), (4), (5), (6), and (7) shall not. Listing fees pursuant to the LTSE Rule Series 14.600 (Listed Company Fees) shall continue to apply to Dually-Listed Securities. In addition, Dually-Listed Securities shall be LTSE securities for purposes of rules related to listing and delisting, and shall remain as CQS securities or UTP securities, as applicable, under all other Exchange rules.

Rule Series 14.300. Listings Requirements

Rule 14.301. General Listing Requirements

This section contains the initial and continued listing requirements and standards for listing a Company's Primary Equity Security on the Exchange. This section also contains the initial and continued listing requirements for Rights and Warrants, and Preferred and Secondary Classes of Common Stock on the Exchange.

In addition to meeting the quantitative requirements in this section, a Company must meet the requirements of LTSE Rule Series 14.200, including the disclosure obligations set forth in LTSE Rule 14.207, the Corporate Governance requirements set forth in the LTSE Rule Series 14.400, and pay any applicable fees in the LTSE Rule Series 14.600. A Company's failure to meet any of the continued listing requirements will be processed in accordance with the provisions set forth in LTSE Rule Series 14.500.

Rule 14.302. Definitions and Computations

- (a) A Company is affiliated with another Company if that other Company, directly or indirectly through one or more intermediaries, controls, is controlled by, or is under common control of the Company. Control, for these purposes, means having the ability to exercise significant influence. Ability to exercise significant influence will be presumed to exist where the parent or affiliated Company directly or indirectly owns 20% or more of the other Company's voting securities, and also can be indicated by

representation on the board of directors, participation in policy making processes, material intercompany transactions, interchange of managerial personnel, or technological dependency.

- (b) In computing Cash Flows, LTSE will rely on the net cash provided by operating activities, as reported in the Company's financial information as filed with the Commission in the Company's most recent periodic report and/or registration statement excluding changes in working capital or in operating assets and liabilities.
- (c) In computing income from continuing operations before income taxes, LTSE will rely on a Company's financial information as filed with the Commission in the Company's most recent periodic report and/or registration statement.
- (d) In computing the number of Publicly Held Shares, LTSE will not consider shares held by an officer, director or 10% or greater Shareholder of the Company.
- (e) In the case of a Company listing in connection with its initial public offering, compliance with the market capitalization requirements of LTSE Rules 14.310(b)(2), (3), and (4) will be based on the Company's market capitalization at the time of listing.
- (f) A period of less than three months shall not be considered a Fiscal Year, even if reported as a stub period in the Company's publicly reported financial statements.
- (g) If a Company has less than three years of publicly reported financial data, it may qualify under LTSE Rule 14.310(b)(1) if it has (1) reported aggregate income from continuing operations before income taxes of at least \$11 million, and (2) positive income from continuing operations before income taxes in each of the reported fiscal years.
- (h) If a Company has less than three years of publicly reported financial data, it may qualify under LTSE Rule 14.310(b)(2) if it has (1) reported aggregate cash flows of at least \$27.5 million, and (2) positive cash flows in each of the reported fiscal years.
- (i) In computing total assets and stockholders' equity for purposes of LTSE Rule 14.310(b)(4), LTSE will rely on a Company's most recent publicly reported financial statements subject to the adjustments described below:
 - (1) Application of Use of Proceeds - If a company is in registration with the SEC and is in the process of an equity offering, adjustments should be made to reflect the net proceeds of that offering, and the specified intended application(s) of such proceeds to:

(A) Pay off existing debt or other financial instruments: The adjustment will include elimination of the actual historical interest expense on debt or other financial instruments classified as liabilities under generally accepted accounting principles being retired with offering proceeds of all relevant periods or by conversion into common stock at the time of an initial public offering occurring in conjunction with the company's listing. If the event giving rise to the adjustment occurred during a time-period such that pro forma amounts are not set forth in the SEC registration statement (typically, the pro forma effect of repayment of debt will be provided in the current registration statement only with respect to the last fiscal year plus any interim period in accordance with SEC rules), the company must prepare the relevant adjusted financial data to reflect the adjustment to its historical financial data, and its outside audit firm must provide a report of having applied agreed-upon procedures with respect to such adjustments. Such report must be prepared in accordance with the standards established by the American Institute of Certified Public Accountants.

(B) Fund an acquisition:

- (i) The adjustments will include those applicable with respect to acquisition(s) to be funded with the proceeds. Adjustments will be made that are disclosed as such in accordance with Rule 3-05 "Financial Statements of Business Acquired or to be Acquired" and Article 11 of Regulation S-X. Adjustments will be made for all the relevant periods for those acquisitions for which historical financial information of the acquiree is required to be disclosed in the SEC registration statement; and
- (ii) Adjustments applicable to any period for which pro forma numbers are not set forth in the registration statement shall be accompanied by the relevant adjusted financial data to combine the historical results of the acquiree (or relevant portion thereof) and acquiror, as disclosed in the company's SEC filing. Under SEC rules, the number of periods disclosed depends upon the significance level of the acquiree to the acquiror. The adjustments will include those necessary to reflect (a) the allocation of the purchase price, including adjusting assets and liabilities of the acquiree to fair value recognizing any intangibles (and associated amortization and depreciation), and (b) the effects of additional financing to complete the acquisition. The company must prepare the relevant adjusted financial data to reflect the adjustment to its historical financial data, and its outside audit firm must provide a report of having applied

agreed-upon procedures with respect to such adjustments. Such report must be prepared in accordance with the standards established by the American Institute of Certified Public Accountants.

- (2) Acquisitions and Dispositions - In instances other than acquisitions (and related dispositions of part of the acquiree) funded with the use of proceeds, adjustments will be made for those acquisitions and dispositions that are disclosed as such in a company's financial statements in accordance with Rule 3-05 "Financial Statements of Business Acquired or to be Acquired" and Article 11 of Regulation S-X. If the disclosure does not specify pre-tax earnings from continuing operations, minority interest, and equity in the earnings or losses of investees, then such data must be prepared by the company's outside audit firm for the Exchange's consideration. In this regard, the audit firm would have to issue an independent accountant's report on applying agreed-upon procedures in accordance with the standards established by the American Institute of Certified Public Accountants.

Rule 14.310. Initial Listing Requirements for Primary Equity Securities

- (a) For initial listing on the Exchange, a Company's Primary Equity Security must meet the following requirements:
 - (1) Minimum bid price of at least \$4 per share;
 - (2) At least 1,250,000 Publicly Held Shares;
 - (3) Shareholders:
 - (A) At least 450 round lot shareholders; or

 - (C) At least 550 total shareholders and an average monthly trading volume over the prior 12 months of at least 1,100,000 shares per month.
 - (4) Market Value of Publicly Held Shares requirement:
 - (A) At least \$110 million; or
 - (B) At least \$100 million and stockholders' equity of at least \$110,000,000; or

Rule Series 14.400. Corporate Governance Requirements

Rule 14.401. Background

- (a) In addition to meeting applicable quantitative requirements in LTSE Rule Series 14.300, Companies applying to list and listed on the Exchange must meet the qualitative requirements outlined in this LTSE Rule Series 14.400. These requirements include rules relating to a Company's board of directors, including audit committees and Independent Director oversight of executive compensation and the director nomination process; code of conduct; shareholder meetings, including proxy solicitation and quorum; review of related party transactions; and shareholder approval, including voting rights. Exemptions to these rules are set forth in LTSE Rule 14.407 below.
- (b) The Exchange maintains a website that provides guidance on the applicability of the corporate governance requirements by FAQs and published summaries of anonymous versions of previously issued staff interpretative letters. Companies are encouraged to contact LTSE Regulation to discuss any complex issues or transactions. Companies can also submit a request for a written interpretation pursuant to paragraph (c) below.
- (c) Listed companies may request from LTSE a written interpretation of the Rules contained in Chapter 14. A response to such request will generally be provided within one-week following receipt by LTSE Regulation of all information necessary to respond to the request.

Rule 14.405. Board of Directors and Committees

- (a) Definitions
 - (1) "Executive Officer" means those officers covered in Rule 16a-1(f) under the Act.
 - (2) "Independent Director" means a person other than an Executive Officer or employee of the Company or any other individual having a relationship which, in the opinion of the Company's board of directors, would interfere with the exercise

of independent judgment in carrying out the responsibilities of a director. For purposes of this LTSE Rule, "Family Member" means a person's spouse, parents, children and siblings, whether by blood, marriage or adoption, or anyone residing in such person's home. The following persons shall not be considered independent:

- (A) a director who is, or at any time during the past three years was, employed by the Company;
- (B) a director who accepted or who has a Family Member who accepted any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than the following:
 - (i) compensation for board or board committee service;
 - (ii) compensation paid to a Family Member who is an employee (other than an Executive Officer) of the Company; or
 - (iii) benefits under a tax-qualified retirement plan, or non-discretionary compensation.

Provided, however, that in addition to the requirements contained in this paragraph (B), audit committee members are also subject to additional, more stringent requirements under LTSE Rule 14.405(c)(2).

- (C) a director who is a Family Member of an individual who is, or at any time during the past three years was, employed by the Company as an Executive Officer;
- (D) a director who is, or has a Family Member who is, a partner in, or a controlling Shareholder or an Executive Officer of, any organization to which the Company made, or from which the Company received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, other than the following:
 - (i) payments arising solely from investments in the Company's securities; or
 - (ii) payments under non-discretionary charitable contribution matching programs.

- (E) a director of the Company who is, or has a Family Member who is, employed as an Executive Officer of another entity where at any time during the past three years any of the Executive Officers of the Company serve on the compensation committee of such other entity; or
- (F) a director who is, or has a Family Member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.
- (G) in the case of an investment company, in lieu of paragraphs (A)-(F), a director who is an "interested person" of the Company as defined in Section 2(a)(19) of the Investment Company Act of 1940, other than in his or her capacity as a member of the board of directors or any board committee.

.01 Definition of Independence

It is important for investors to have confidence that individuals serving as Independent Directors do not have a relationship with the listed Company that would impair their independence. The board has a responsibility to make an affirmative determination that no such relationships exist through the application of LTSE Rule 14.405(a). LTSE Rule 14.405(a) also provides a list of certain relationships that preclude a board finding of independence. These objective measures provide transparency to investors and Companies, facilitate uniform application of the rules, and ease administration. Because LTSE does not believe that ownership of Company stock by itself would preclude a board finding of independence, it is not included in the aforementioned objective factors. It should be noted that there are additional, more stringent requirements that apply to directors serving on audit committees, as specified in LTSE Rule 14.405(c).

The Rule's reference to the "Company" includes any parent or subsidiary of the Company. The term "parent or subsidiary" is intended to cover entities the Company controls and consolidates with the Company's financial statements as filed with the Commission (but not if the Company reflects such entity solely as an investment in its financial statements). The reference to Executive Officer means those officers covered in Rule 16a-1(f) under the Act. In the context of the definition of Family Member under LTSE Rule 14.405(a)(2), the reference to marriage is intended to capture relationships specified in the Rule (parents, children and siblings) that arise as a result of marriage, such as "in-law" relationships.

The three year look-back periods referenced in paragraphs (A), (C), (E) and (F) of the Rule commence on the date the relationship ceases. For example, a director employed by the Company is not independent until three years after such employment terminates.

For purposes of paragraph (A) of the Rule, employment by a director as an Executive Officer on an interim basis shall not disqualify that director from being considered independent following such employment, provided the interim employment did not last longer than one year. A director would not be considered independent while serving as an interim officer. Similarly, for purposes of paragraph (B) of the Rule, compensation received by a director for former service as an interim Executive

Officer need not be considered as compensation in determining independence after such service, provided such interim employment did not last longer than one year. Nonetheless, the Company's board of directors still must consider whether such former employment and any compensation received would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director. In addition, if the director participated in the preparation of the Company's financial statements while serving as an interim Executive Officer LTSE Rule 14.405(c)(2)(A)(iii) would preclude service on the audit committee for three years.

Paragraph (B) of the Rule is generally intended to capture situations where a compensation is made directly to (or for the benefit of) the director or a Family Member of the director. For example, consulting or personal service contracts with a director or Family Member of the director would be analyzed under paragraph (B) of the Rule. In addition, political contributions to the campaign of a director or a Family Member of the director would be considered indirect compensation under paragraph (B). Non-preferential payments made in the ordinary course of providing business services (such as payments of interest or proceeds related to banking services or loans by a Company that is a financial institution or payment of claims on a policy by a Company that is an insurance company), payments arising solely from investments in the Company's securities and loans permitted under Section 13(k) of the Act will not preclude a finding of director independence as long as the payments are non-compensatory in nature. Depending on the circumstances, a loan or payment could be compensatory if, for example, it is not on terms generally available to the public.

Paragraph (D) of the Rule is generally intended to capture payments to an entity with which the director or Family Member of the director is affiliated by serving as a partner, controlling Shareholder or Executive Officer of such entity. Under exceptional circumstances, such as where a director has direct, significant business holdings, it may be appropriate to apply the corporate measurements in paragraph (D), rather than the individual measurements of paragraph (B). Issuers should contact LTSE Regulation if they wish to apply the Rule in this manner. The reference to a partner in paragraph (D) is not intended to include limited partners. It should be noted that the independence requirements of paragraph (D) of the Rule are broader than Rule 10A-3(e)(8) under the Act.

Under paragraph (D), a director who is, or who has a Family Member who is, an Executive Officer of a charitable organization may not be considered independent if the Company makes payments to the charity in excess of the greater of 5% of the charity's revenues or \$200,000. However, LTSE encourages Companies to consider other situations where a director or their Family Member and the Company each have a relationship with the same charity when assessing director independence.

For purposes of determining whether a lawyer is eligible to serve on an audit committee, Rule 10A-3 under the Act generally provides that any partner in a law firm that receives payments from the issuer is ineligible to serve on that issuer's audit committee. In determining whether a director may be considered independent for purposes other than the audit committee, payments to a law firm would generally be considered under LTSE Rule 14.405(a)(2), which looks to whether the payment exceeds the greater of 5% of the recipient's gross revenues or \$200,000; however, if the firm is a sole proprietorship, LTSE Rule 14.405(a)(2)(B), which looks to whether the payment exceeds \$120,000, applies.

Paragraph (G) of the Rule provides a different measurement for independence for investment companies in order to harmonize with the Investment Company Act of 1940. In particular, in lieu of paragraphs (A)-(F), a director who is an "interested person" of the Company as defined in Section

2(a)(19) of the Investment Company Act of 1940, other than in his or her capacity as a member of the board of directors or any board committee, shall not be considered independent.

(b) Independent Directors

(1) Majority Independent Board

A majority of the board of directors must be comprised of Independent Directors as defined in LTSE Rule 14.405(a)(2). The Company, other than a Foreign Private Issuer, must comply with the disclosure requirements set forth in Item 407(a) of Regulation S-K. A Foreign Private Issuer must disclose in its next annual report (e.g., Form 20-F or 40-F) those directors that the board of directors has determined to be independent under LTSE Rule 14.405(a)(2).

(A) Cure Period for Majority Independent Board

If a Company fails to comply with this requirement due to one vacancy, or one director ceases to be independent due to circumstances beyond their reasonable control, the Company shall regain compliance with the requirement by the earlier of its next annual shareholders meeting or one year from the occurrence of the event that caused the failure to comply with this requirement; provided, however, that if the annual shareholders meeting occurs no later than 180 days following the event that caused the failure to comply with this requirement, the Company shall instead have 180 days from such event to regain compliance. A Company relying on this provision shall provide notice to LTSE immediately upon learning of the event or circumstance that caused the noncompliance.

.02 Majority Independent Board

Independent Directors (as defined in LTSE Rule 14.405(a)(2)) play an important role in assuring investor confidence. Through the exercise of independent judgment, they act on behalf of investors to maximize shareholder value in the Companies they oversee and guard against conflicts of interest. Requiring that the board be comprised of a majority of Independent Directors empowers such directors to carry out more effectively these responsibilities.

(2) Executive Sessions

Independent Directors must have regularly scheduled meetings at which only Independent Directors are present ("executive sessions").

* * * * * **Supplementary Material** * * * * *

.03 Executive Sessions of Independent Directors

Regularly scheduled executive sessions encourage and enhance communication among Independent Directors. It is contemplated that executive sessions will occur at least twice a year, and perhaps more frequently, in conjunction with regularly scheduled board meetings.

(c) Audit Committee Requirements

(1) Audit Committee Charter

Each Company must certify that it has adopted a formal written audit committee charter and that the audit committee will review and reassess the adequacy of the formal written charter on an annual basis. The charter must specify:

- (A) the scope of the audit committee's responsibilities, and how it carries out those responsibilities, including structure, processes and membership requirements;
- (B) the audit committee's responsibility for ensuring its receipt from the outside auditors of a formal written statement delineating all relationships between the auditor and the Company, actively engaging in a dialogue with the auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor and for taking, or recommending that the full board take, appropriate action to oversee the independence of the outside auditor;
- (C) the committee's purpose of overseeing the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company; and
- (D) the specific audit committee responsibilities and authority set forth in LTSE Rule 14.405(c)(3).

* * * * * **Supplementary Material** * * * * *

.04 Audit Committee Charter

Each Company is required to adopt a formal written charter that specifies the scope of its responsibilities and the means by which it carries out those responsibilities; the outside auditor's accountability to the audit committee; and the audit committee's responsibility to ensure the independence of the outside auditor. Consistent with this, the charter must specify all audit committee responsibilities set forth in Rule 10A-3(b)(2), (3), (4), and (5) under the Act. Rule 10A-3(b)(3)(ii) under the Act requires that each audit committee must establish procedures for the confidential, anonymous submission by employees of the listed Company of concerns regarding questionable accounting or auditing matters. The rights and responsibilities as articulated in the audit committee charter empower the audit committee and enhance its effectiveness in carrying out its responsibilities.

LTSE Rule 14.405(c)(3) imposes additional requirements for investment company audit committees that must also be set forth in audit committee charters for these Companies.

(2) Audit Committee Composition

(A) Each Company must have, and certify that it has and will continue to have, an audit committee of at least three members, each of whom must: (i) be an Independent Director as defined under LTSE Rule 14.405(a)(2); (ii) meet the criteria for independence set forth in Rule 10A-3(b)(1) under the Act (subject to the exemptions provided in Rule 10A-3(c) under the Act); (iii) not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years; and (iv) be able to read and understand fundamental financial statements, including a Company's balance sheet, income statement, and cash flow statement. Additionally, each Company must certify that it has, and will continue to have, at least one member of the audit committee who has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

(B) Non-Independent Director for Exceptional and Limited Circumstances

Notwithstanding paragraph (2)(A)(i), one director who: (i) is not an Independent Director as defined in LTSE Rule 14.405(a)(2); (ii) meets the criteria set forth in Section 10A(m)(3) under the Act and the rules thereunder; and (iii) is not currently an Executive Officer or employee or a Family Member of an Executive Officer, may be appointed to the audit committee, if the board, under exceptional and limited circumstances, determines that membership on the committee by the individual is required by the best interests of the

Company and its Shareholders. A Company, other than a Foreign Private Issuer, that relies on this exception must comply with the disclosure requirements set forth in Item 407(d)(2) of Regulation S-K. A Foreign Private Issuer that relies on this exception must disclose in its next annual report (e.g., Form 20-F or 40-F) the nature of the relationship that makes the individual not independent and the reasons for the board's determination. A member appointed under this exception may not serve longer than two years and may not chair the audit committee.

* * * * * **Supplementary Material** * * * * *

.05 Audit Committee Composition

Audit committees are required to have a minimum of three members and be comprised only of Independent Directors. In addition to satisfying the Independent Director requirements under LTSE Rule 14.405(a)(2), audit committee members must meet the criteria for independence set forth in Rule 10A-3(b)(1) under the Act (subject to the exemptions provided in Rule 10A-3(c) under the Act): they must not accept any consulting, advisory, or other compensatory fee from the Company other than for board service, and they must not be an affiliated person of the Company. As described in Rule 10A-3(d)(1) and (2), a Company must disclose reliance on certain exceptions from Rule 10A-3 and disclose an assessment of whether, and if so, how, such reliance would materially adversely affect the ability of the audit committee to act independently and to satisfy the other requirements of Rule 10A-3. It is recommended also that a Company disclose in its annual proxy (or, if the Company does not file a proxy, in its Form 10-K or 20-F) if any director is deemed eligible to serve on the audit committee but falls outside the safe harbor provisions of Rule 10A-3(e)(1)(ii) under the Act. A director who qualifies as an audit committee financial expert under Item 407(d)(5)(ii) and (iii) of Regulation S-K is presumed to qualify as a financially sophisticated audit committee member under LTSE Rule 14.405(c)(2)(A).

(3) **Audit Committee Responsibilities and Authority**

The audit committee must have the specific audit committee responsibilities and authority necessary to comply with Rule 10A-3(b)(2), (3), (4), and (5) under the Act (subject to the exemptions provided in Rule 10A-3(c) under the Act), concerning responsibilities relating to: (i) registered public accounting firms, (ii) complaints relating to accounting, internal accounting controls or auditing matters, (iii) authority to engage advisers, and (iv) funding as determined by the audit committee. Audit committees for investment companies must also establish procedures for the confidential, anonymous submission of concerns regarding questionable accounting or auditing matters by employees of the investment adviser, administrator, principal underwriter, or any other provider of accounting related

services for the investment company, as well as employees of the investment company.

.06 The Audit Committee Responsibilities and Authority

Audit committees must have the specific audit committee responsibilities and authority necessary to comply with Rule 10A-3(b)(2), (3), (4), and (5) under the Act (subject to the exemptions provided in Rule 10A-3(c) under the Act), concerning responsibilities relating to registered public accounting firms; complaints relating to accounting; internal accounting controls or auditing matters; authority to engage advisers; and funding. Audit committees for investment companies must also establish procedures for the confidential, anonymous submission of concerns regarding questionable accounting or auditing matters by employees of the investment adviser, administrator, principal underwriter, or any other provider of accounting related services for the investment company, as well as employees of the investment company.

(4) Cure Periods for Audit Committee

- (A) If a Company fails to comply with the audit committee composition requirement under Rule 10A-3(b)(1) under the Act and LTSE Rule 14.405(c)(2)(A) because an audit committee member ceases to be independent for reasons outside the member's reasonable control, the audit committee member may remain on the audit committee until the earlier of its next annual shareholders meeting or one year from the occurrence of the event that caused the failure to comply with this requirement. A Company relying on this provision must provide notice to LTSE immediately upon learning of the event or circumstance that caused the noncompliance.

- (B) If a Company fails to comply with the audit committee composition requirement under LTSE Rule 14.405(c)(2)(A) due to one vacancy on the audit committee, and the cure period in paragraph (A) is not otherwise being relied upon for another member, the Company will have until the earlier of the next annual shareholders meeting or one year from the occurrence of the event that caused the failure to comply with this requirement; provided, however, that if the annual shareholders meeting occurs no later than 180 days following the event that caused the vacancy, the Company shall instead have 180 days from such event to regain compliance. A Company relying on this provision must provide notice to LTSE immediately upon learning of the event or circumstance that caused the noncompliance.

(5) Exception

At any time when a Company has a class of common equity securities (or similar securities) that is listed on another national securities exchange or national securities association subject to the requirements of Rule 10A-3 under the Act, the listing of classes of securities of a direct or indirect consolidated subsidiary or an at least 50% beneficially owned subsidiary of the Company (except classes of equity securities, other than non-convertible, non-participating preferred securities, of such subsidiary) shall not be subject to the requirements of LTSE Rule 14.405(c).

(d) Compensation Committee Requirements

(1) Compensation Committee Charter

Each Company must certify that it has adopted a formal written compensation committee charter and that the compensation committee will review and reassess the adequacy of the formal written charter on an annual basis. The charter must specify:

- (A) the scope of the compensation committee's responsibilities, and how it carries out those responsibilities, including structure, processes and membership requirements;
- (B) the compensation committee's responsibility for determining, or recommending to the board for determination, the compensation of the chief executive officer and all other Executive Officers of the Company;
- (C) that the chief executive officer may not be present during voting or deliberations on his or her compensation; and
- (D) the specific compensation committee responsibilities and authority set forth in LTSE Rule 14.405(d)(3).

(2) Compensation Committee Composition

- (A) Each Company must have, and certify that it has and will continue to have, a compensation committee of at least two members. Each committee member must be an Independent Director as defined under LTSE Rule 14.405(a)(2). In addition, in affirmatively determining the independence of any director who will serve on the compensation committee of a board of directors, the board of directors must consider all factors specifically relevant to determining whether a director has a relationship to the Company which is material to that

director's ability to be independent from management in connection with the duties of a compensation committee member, including, but not limited to:

- (i) the source of compensation of such director, including any consulting, advisory or other compensatory fee paid by the Company to such director; and
- (ii) whether such director is affiliated with the Company, a subsidiary of the Company or an affiliate of a subsidiary of the Company.

(B) Non-Independent Committee Member under Exceptional and Limited Circumstances

Notwithstanding LTSE Rule 14.405(d)(2)(A) above, if the compensation committee is comprised of at least three members, one director who does not meet the requirements of LTSE Rule 14.405(d)(2)(A) and is not currently an Executive Officer or employee or a Family Member of an Executive Officer, may be appointed to the compensation committee if the board, under exceptional and limited circumstances, determines that such individual's membership on the committee is required by the best interests of the Company and its Shareholders. A Company that relies on this exception must disclose either on or through the Company's website or in the proxy statement for the next annual meeting subsequent to such determination (or, if the Company does not file a proxy, in its Form 10-K or 20-F), the nature of the relationship and the reasons for the determination. In addition, the Company must provide any disclosure required by Instruction 1 to Item 407(a) of Regulation S-K regarding its reliance on this exception. A member appointed under this exception may not serve longer than two years.

(3) Compensation Committee Responsibilities and Authority

As required by Rule 10C-1(b)(2), (3) and (4)(i)-(vi) under the Act, the compensation committee must have the following specific responsibilities and authority.

- (A) The compensation committee may, in its sole discretion, retain or obtain the advice of a compensation consultant, legal counsel or other adviser.
- (B) The compensation committee shall be directly responsible for the appointment, compensation and oversight of the work of any compensation consultant, legal counsel and other adviser retained by the compensation committee.

- (C) The Company must provide for appropriate funding, as determined by the compensation committee, for payment of reasonable compensation to a compensation consultant, legal counsel or any other adviser retained by the compensation committee.
- (D) The compensation committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the compensation committee, other than in-house legal counsel, only after taking into consideration the following factors:
 - (i) the provision of other services to the Company by the person that employs the compensation consultant, legal counsel or other adviser;
 - (ii) the amount of fees received from the Company by the person that employs the compensation consultant, legal counsel or other adviser, as a percentage of the total revenue of the person that employs the compensation consultant, legal counsel or other adviser;
 - (iii) the policies and procedures of the person that employs the compensation consultant, legal counsel or other adviser that are designed to prevent conflicts of interest;
 - (iv) any business or personal relationship of the compensation consultant, legal counsel or other adviser with a member of the compensation committee;
 - (v) any stock of the Company owned by the compensation consultant, legal counsel or other adviser; and
 - (vi) any business or personal relationship of the compensation consultant, legal counsel, other adviser or the person employing the adviser with an Executive Officer of the Company.

Nothing in this LTSE Rule shall be construed: (i) to require the compensation committee to implement or act consistently with the advice or recommendations of the compensation consultant, legal counsel or other adviser to the compensation committee; or (ii) to affect the ability or obligation of a compensation committee to exercise its own judgment in fulfillment of the duties of the compensation committee.

The compensation committee is required to conduct the independence assessment outlined in this LTSE Rule with respect to any compensation consultant, legal counsel or other adviser that provides advice to the compensation committee, other

than in-house legal counsel. However, nothing in this LTSE Rule requires a compensation consultant, legal counsel or other compensation adviser to be independent, only that the compensation committee consider the enumerated independence factors before selecting, or receiving advice from, a compensation adviser. Compensation committees may select, or receive advice from, any compensation adviser they prefer, including ones that are not independent, after considering the six independence factors outlined above.

For purposes of this LTSE Rule, the compensation committee is not required to conduct an independence assessment for a compensation adviser that acts in a role limited to the following activities for which no disclosure is required under Item 407(e)(3)(iii) of Regulation S-K: (a) consulting on any broad-based plan that does not discriminate in scope, terms, or operation, in favor of Executive Officers or directors of the Company, and that is available generally to all salaried employees; and/or (b) providing information that either is not customized for a particular issuer or that is customized based on parameters that are not developed by the adviser, and about which the adviser does not provide advice.

(4) Cure Period for Compensation Committee

If a Company fails to comply with the compensation committee composition requirement under LTSE Rule 14.405(d)(2)(A) due to one vacancy, or one compensation committee member ceases to be independent due to circumstances beyond the member's reasonable control, the Company shall regain compliance with the requirement by the earlier of its next annual shareholders meeting or one year from the occurrence of the event that caused the failure to comply with this requirement; provided, however, that if the annual shareholders meeting occurs no later than 180 days following the event that caused the failure to comply with this requirement, the Company shall instead have 180 days from such event to regain compliance. A Company relying on this provision shall provide notice to LTSE immediately upon learning of the event or circumstance that caused the noncompliance.

(5) Smaller Reporting Companies

A Smaller Reporting Company, as defined in Rule 12b-2 under the Act, is not subject to the requirements of LTSE Rule 14.405(d), except that a Smaller Reporting Company must have, and certify that it has and will continue to have, a compensation committee of at least two members, each of whom must be an Independent Director as defined under LTSE Rule 14.405(a)(2). A Smaller Reporting Company may rely on the exception in LTSE Rule 14.405(d)(2)(B) and

the cure period in LTSE Rule 14.405(d)(4). In addition, a Smaller Reporting Company must certify that it has adopted a formal written compensation committee charter or board resolution that specifies the content set forth in LTSE Rule 14.405(d)(1)(A) through (C). A Smaller Reporting Company does not need to include in its formal written compensation committee charter or board resolution the specific compensation committee responsibilities and authority set forth in LTSE Rule 14.405(d)(3).

.07 Independent Director Oversight of Executive Compensation

Independent oversight of executive officer compensation helps assure that appropriate incentives are in place, consistent with the board's responsibility to act in the best interests of the corporation. Compensation committees are required to have a minimum of two members and be comprised only of Independent Directors as defined under LTSE Rule 14.405(a)(2).

In addition, LTSE Rule 14.405(d)(2)(A) includes an additional independence test for compensation committee members. When considering the sources of a director's compensation for this purpose, the board should consider whether the director receives compensation from any person or entity that would impair the director's ability to make independent judgments about the Company's executive compensation. Similarly, when considering any affiliate relationship a director has with the Company, a subsidiary of the Company, or an affiliate of a subsidiary of the Company, in determining independence for purposes of compensation committee service, the board should consider whether the affiliate relationship places the director under the direct or indirect control of the Company or its senior management, or creates a direct relationship between the director and members of senior management, in each case of a nature that would impair the director's ability to make independent judgments about the Company's executive compensation. In that regard, while a board may conclude differently with respect to individual facts and circumstances, LTSE does not believe that ownership of Company stock by itself, or possession of a controlling interest through ownership of Company stock by itself, precludes a board finding that it is appropriate for a director to serve on the compensation committee. In fact, it may be appropriate for certain affiliates, such as representatives of significant stockholders, to serve on compensation committees since their interests are likely aligned with those of other stockholders in seeking an appropriate executive compensation program.

For purposes of the additional independence test for compensation committee members described in LTSE Rule 14.405(d)(2)(A), any reference to the "Company" includes any parent or subsidiary of the Company. The term "parent or subsidiary" is intended to cover entities the Company controls and consolidates with the Company's financial statements as filed with the Commission (but not if the Company reflects such entity solely as an investment in its financial statements).

A Smaller Reporting Company must have a compensation committee with a minimum of two members. Each compensation committee member must be an Independent Director as defined under LTSE Rule 14.405(a)(2). In addition, each Smaller Reporting Company must have a formal written compensation committee charter or board resolution that specifies the committee's responsibilities and authority set forth in LTSE Rule 14.405(d)(1)(A)-(C). However,

in recognition of the fact that Smaller Reporting Companies may have fewer resources than larger Companies, Smaller Reporting Companies are not required to adhere to the additional compensation committee eligibility requirements in LTSE Rule 14.405(d)(2)(A), or to incorporate into their formal written compensation committee charter or board resolution the specific compensation committee responsibilities and authority set forth in LTSE Rule 14.405(d)(3).

(e) Independent Director Oversight of Director Nominations

(1) Director nominees must either be selected, or recommended for the Board's selection, either by:

(A) Independent Directors constituting a majority of the Board's Independent Directors in a vote in which only Independent Directors participate, or

(B) a nominations committee comprised solely of Independent Directors.

(2) Each Company must certify that it has adopted a formal written charter or board resolution, as applicable, addressing the nominations process and such related matters as may be required under the federal securities laws.

(3) Non-Independent Committee Member under Exceptional and Limited Circumstances

Notwithstanding LTSE Rule 14.405(e)(1)(B) above, if the nominations committee is comprised of at least three members, one director, who is not an Independent Director as defined in LTSE Rule 14.405(a)(2) and is not currently an Executive Officer or employee or a Family Member of an Executive Officer, may be appointed to the nominations committee if the board, under exceptional and limited circumstances, determines that such individual's membership on the committee is required by the best interests of the Company and its Shareholders. A Company that relies on this exception must disclose either on or through the Company's website or in the proxy statement for next annual meeting subsequent to such determination (or, if the Company does not file a proxy, in its Form 10-K or 20-F), the nature of the relationship and the reasons for the determination. In addition, the Company must provide any disclosure required by Instruction 1 to Item 407(a) of Regulation S-K regarding its reliance on this exception. A member appointed under this exception may not serve longer than two years.

(4) Independent Director oversight of director nominations shall not apply in cases where the right to nominate a director legally belongs to a third party. However,

this does not relieve a Company's obligation to comply with the committee composition requirements under LTSE Rules 14.405(c), (d), and (e).

- (5) This LTSE Rule 14.405(e) is not applicable to a Company if the Company is subject to a binding obligation that requires a director nomination structure inconsistent with this LTSE Rule and such obligation pre-dates the approval date of this LTSE Rule.

.08 Independent Director Oversight of Director Nominations

Independent Director oversight of nominations enhances investor confidence in the selection of well-qualified director nominees, as well as independent nominees as required by the rules. This LTSE Rule is also intended to provide flexibility for a Company to choose an appropriate board structure and reduce resource burdens, while ensuring that Independent Directors approve all nominations.

This LTSE Rule does not apply in cases where the right to nominate a director legally belongs to a third party. For example, investors may negotiate the right to nominate directors in connection with an investment in the Company, holders of preferred stock may be permitted to nominate or appoint directors upon certain defaults, or the Company may be a party to a shareholder's agreement that allocates the right to nominate some directors. Because the right to nominate directors in these cases does not reside with the Company, Independent Director approval would not be required. This LTSE Rule is not applicable if the Company is subject to a binding obligation that requires a director nomination structure inconsistent with the rule and such obligation pre-dates the approval date of this LTSE Rule.

Rule 14.406. Code of Conduct

Each Company shall adopt a code of conduct applicable to all directors, officers and employees, which shall be publicly available. A code of conduct satisfying this LTSE Rule must comply with the definition of a "code of ethics" set out in Section 406(c) of the Sarbanes-Oxley Act of 2002 ("the Sarbanes-Oxley Act") and any regulations promulgated thereunder by the Commission. See 17 C.F.R. 228.406 and 17 C.F.R. 229.406. In addition, the code must provide for an enforcement mechanism. Any waivers of the code for directors or Executive Officers must be approved by the Board. Companies, other than Foreign Private Issuers, shall disclose such waivers within four business days by filing a current report on Form 8-K with the Commission or, in cases where a Form 8-K is not required, by distributing a press release. Foreign Private Issuers shall disclose such waivers either by distributing a press release or including disclosure in a Form 6-K or in the next Form 20-F or 40-F. Alternatively, a Company,

including a Foreign Private Issuer, may disclose waivers on the Company's website in a manner that satisfies the requirements of Item 5.05(c) of Form 8-K.

.01 Code of Conduct

Ethical behavior is required and expected of every corporate director, officer and employee whether or not a formal code of conduct exists. The requirement of a publicly available code of conduct applicable to all directors, officers and employees of a Company is intended to demonstrate to investors that the board and management of LTSE Companies have carefully considered the requirement of ethical dealing and have put in place a system to ensure that they become aware of and take prompt action against any questionable behavior. For Company personnel, a code of conduct with enforcement provisions provides assurance that reporting of questionable behavior is protected and encouraged, and fosters an atmosphere of self-awareness and prudent conduct.

LTSE Rule 14.406 requires Companies to adopt a code of conduct complying with the definition of a "code of ethics" under Section 406(c) of the Sarbanes-Oxley Act of 2002 ("the Sarbanes-Oxley Act") and any regulations promulgated thereunder by the Commission. See 17 C.F.R. 228.406 and 17 C.F.R. 229.406. Thus, the code must include such standards as are reasonably necessary to promote the ethical handling of conflicts of interest, full and fair disclosure, and compliance with laws, rules and regulations, as specified by the Sarbanes-Oxley Act. However, the code of conduct required by Rule 14.406 must apply to all directors, officers, and employees. Companies can satisfy this obligation by adopting one or more codes of conduct, such that all directors, officers and employees are subject to a code that satisfies the definition of a "code of ethics."

As the Sarbanes-Oxley Act recognizes, investors are harmed when the real or perceived private interest of a director, officer or employee is in conflict with the interests of the Company, as when the individual receives improper personal benefits as a result of his or her position with the Company, or when the individual has other duties, responsibilities or obligations that run counter to his or her duty to the Company. Also, the disclosures a Company makes to the Commission are the essential source of information about the Company for regulators and investors — there can be no question about the duty to make them fairly, accurately and timely. Finally, illegal action must be dealt with swiftly and the violators reported to the appropriate authorities. Each code of conduct must require that any waiver of the code for Executive Officers or directors may be made only by the board and must be disclosed to Shareholders, along with the reasons for the waiver. All Companies, other than Foreign Private Issuers, must disclose such waivers within four business days by filing a current report on Form 8-K with the Commission, providing website disclosure that satisfies the requirements of Item 5.05(c) of Form 8-K, or, in cases where a Form 8-K is not required, by distributing a press release. Foreign Private Issuers must disclose such waivers either by providing website disclosure that satisfies the requirements of Item 5.05(c) of Form 8-K, by including disclosure in a Form 6-K or in the next Form 20-F or 40-F or by distributing a press release. This disclosure requirement provides investors the comfort that waivers are not granted except where they are truly necessary and warranted, and that they are limited and qualified so as to protect the Company and its Shareholders to the greatest extent possible.

Each code of conduct must also contain an enforcement mechanism that ensures prompt and consistent enforcement of the code, protection for persons reporting questionable behavior, clear and objective standards for compliance, and a fair process by which to determine violations.

Rule 14.407. Exemptions from Certain Corporate Governance Requirements

This LTSE Rule provides the exemptions from the corporate governance rules afforded to certain types of Companies, and sets forth the phase-in schedules for initial public offerings, Companies emerging from bankruptcy, Companies transferring from other markets and Companies ceasing to be Smaller Reporting Companies. This LTSE Rule also describes the applicability of the corporate governance rules to Controlled Companies and sets forth the phase-in schedule afforded to Companies ceasing to be Controlled Companies.

(a) Exemptions to the Corporate Governance Requirements

(1) Asset-backed Issuers and Other Passive Issuers

The following are exempt from the requirements related to Majority Independent Board (LTSE Rule 14.405(b)), Audit Committee (LTSE Rule 14.405(c)), Compensation Committee (LTSE Rule 14.405(d)), Director Nominations (LTSE Rule 14.405(e)), the Controlled Company Exemption (LTSE Rule 14.407(c)(2)) and Code of Conduct (LTSE Rule 14.406):

- (A) asset-backed issuers; and
- (B) issuers, such as unit investment trusts, including Portfolio Depository Receipts, which are organized as trusts or other unincorporated associations that do not have a board of directors or persons acting in a similar capacity and whose activities are limited to passively owning or holding (as well as administering and distributing amounts in respect of) securities, rights, collateral or other assets on behalf of or for the benefit of the holders of the listed securities.

*** * * * * Supplementary Material * * * * ***

.01 Asset-backed Issuers Supplemental

Because of their unique attributes, LTSE Rules 14.405 (b), (c), (d), (e), and 14.406 do not apply to asset-backed issuers and issuers, such as unit investment trusts, that are organized as trusts or other unincorporated associations that do not have a board of directors or persons acting in a similar capacity and whose activities are limited to passively owning or holding (as well as

administering and distributing amounts in respect of) securities, rights, collateral or other assets on behalf of or for the benefit of the holders of the listed securities.

(2) Cooperatives

Cooperative entities, such as agricultural cooperatives, that are structured to comply with relevant state law and federal tax law and that do not have a publicly traded class of common stock are exempt from LTSE Rules 14.405 (b), (d), (e), and 14.407(c)(2). However, such entities must comply with all federal securities laws, including without limitation those rules required by Section 10A(m) of the Act and Rule 10A-3 thereunder.

*** * * * * Supplementary Material * * * * ***

.02 Cooperatives Supplemental

Certain member-owned cooperatives that list their preferred stock are required to have their common stock owned by their members. Because of their unique structure and the fact that they do not have a publicly traded class of common stock, such entities are exempt from LTSE Rule 14.405(b), (d), and (e).

(3) Foreign Private Issuers

(A) A Foreign Private Issuer may follow its home country practice in lieu of the requirements of the LTSE Rule 14.400 Series, the requirement to disclose third-party director and nominee compensation set forth in LTSE Rule 14.207(b)(3), and the requirement to distribute annual and interim reports set forth in LTSE Rule 14.207(d), provided, however, that such a Company shall: comply with the Notification of Noncompliance requirement (LTSE Rule 14.410), the Voting Rights requirement (LTSE Rule 14.413), have an audit committee that satisfies LTSE Rule 14.405(c)(3), and ensure that such audit committee's members meet the independence requirement in LTSE Rule 14.405(c)(2)(A)(ii). Except as provided in this paragraph, a Foreign Private Issuer must comply with the requirements of Chapter 14.

(B) Disclosure Requirements

(i) A Foreign Private Issuer that follows a home country practice in lieu of one or more of the LTSE Listing Rules shall disclose in its annual reports

filed with the Commission each requirement that it does not follow and describe the home country practice followed by the Company in lieu of such requirements. Alternatively, a Foreign Private Issuer that is not required to file its annual report with the Commission on Form 20-F may make this disclosure only on its website. A Foreign Private Issuer that follows a home country practice in lieu of the requirement in LTSE Rule 14.405(d)(2) to have an independent compensation committee must disclose in its annual reports filed with the Commission the reasons why it does not have such an independent committee.

- (ii) A Foreign Private Issuer making its initial public offering or first U.S. listing on LTSE shall disclose in its registration statement or on its website each requirement that it does not follow and describe the home country practice followed by the Company in lieu of such requirements.

* * * * * **Supplementary Material** * * * * *

.03 Foreign Private Issuer Supplemental

A Foreign Private Issuer (as defined in LTSE Rule 14.002) listed on LTSE may follow the practice in such Company's home country (as defined in General Instruction F of Form 20-F) in lieu of the provisions of the LTSE Rule Series 14.400 and LTSE Rule 14.207(d), subject to several important exceptions. First, such an issuer shall comply with LTSE Rule 14.410 (Notification of Noncompliance). Second, such a Company shall have an audit committee that satisfies LTSE Rule 14.405(c)(3). Third, members of such audit committee shall meet the criteria for independence referenced in LTSE Rule 14.405(c)(2)(A)(ii) (the criteria set forth in Rule 10A-3(b)(1) under the Act, subject to the exemptions provided in Rule 10A-3(c) under the Act). Finally, a Foreign Private Issuer that elects to follow home country practice in lieu of a requirement of LTSE Rules 14.400 or 14.207(d) shall submit to LTSE a written statement from an independent counsel in such Company's home country certifying that the Company's practices are not prohibited by the home country's laws. In the case of new listings, this certification is required at the time of listing. For existing Companies, the certification is required at the time the Company seeks to adopt its first noncompliant practice. In the interest of transparency, the rule requires a Foreign Private Issuer to make appropriate disclosures in the Company's annual filings with the Commission (typically Form 20-F or 40-F), and at the time of the Company's original listing in the United States, if that listing is on LTSE, in its registration statement (typically Form F-1, 20-F, or 40-F); alternatively, a Company that is not required to file an annual report on Form 20-F may provide these disclosures in English on its website in addition to, or instead of, providing these disclosures on its registration statement or annual report. The Company shall disclose each requirement that it does not follow and include a brief statement of the home country practice the Company follows in lieu of these corporate governance requirement(s). If the disclosure is only available on the website, the annual report and registration statement should so state and provide the web address at which the information may be obtained. Companies that must file annual reports on Form 20-F are encouraged to provide these disclosures on their websites, in addition to the required Form 20-F disclosures, to provide maximum transparency about their practices.

(4) Limited Partnerships

A limited partnership is not subject to the requirements of the LTSE Rule Series 14.400, except as provided in this LTSE Rule 14.407(a)(4). A limited partnership may request a written interpretation pursuant to LTSE Rule 14.401(c).

(A) No provision of this LTSE Rule shall be construed to require any foreign Company that is a partnership to do any act that is contrary to a law, rule or regulation of any public authority exercising jurisdiction over such Company or that is contrary to generally accepted business practices in the Company's country of domicile. LTSE shall have the ability to provide exemptions from applicability of these provisions as may be necessary or appropriate to carry out this intent.

(B) Corporate General Partner

Each Company that is a limited partnership shall maintain a corporate general partner or co-general partner, which shall have the authority to manage the day-to-day affairs of the partnership.

(C) Independent Directors/Audit Committee

The corporate general partner or co-general partner shall maintain a sufficient number of Independent Directors on its board to satisfy the audit committee requirements set forth in LTSE Rule 14.405(c).

(D) Partner Meetings

A Company that is a limited partnership shall not be required to hold an annual meeting of limited partners unless required by statute or regulation in the state in which the limited partnership is formed or doing business or by the terms of the partnership's limited partnership agreement.

(E) Quorum

In the event that a meeting of limited partners is required pursuant to paragraph (D), the quorum for such meeting shall be not less than 33-1/3 percent of the limited partnership interests outstanding.

(F) Solicitation of Proxies

In the event that a meeting of limited partners is required pursuant to paragraph (D), the Company shall provide all limited partners with proxy or information statements and if a vote is required, shall solicit proxies thereon.

(G) Review of Related Party Transactions

Each Company that is a limited partnership shall conduct an appropriate review of all related party transactions on an ongoing basis and shall utilize the Audit Committee or a comparable body of the Board of Directors for the review of potential material conflict of interest situations where appropriate.

(H) Shareholder Approval

Each Company that is a limited partnership must obtain shareholder approval when a stock option or purchase plan is to be established or materially amended or other equity compensation arrangement made or materially amended, pursuant to which stock may be acquired by officers, directors, employees, or consultants, as would be required under LTSE Rule 14.412(c) and Supplementary Material .01 to LTSE Rule 14.412(c)

(I) Auditor Registration

Each Company that is a limited partnership must be audited by an independent public accountant that is registered as a public accounting firm with the Public Company Accounting Oversight Board, as provided for in Section 102 of the Sarbanes-Oxley Act of 2002 [15 U.S.C. 7212].

(J) Notification of Noncompliance.

Each Company that is a limited partnership must provide LTSE with prompt notification after an Executive Officer of the Company, or a person performing an equivalent role, becomes aware of any noncompliance by the Company with the requirements of this LTSE Rule Series 14.400.

(5) Management Investment Companies

Management investment companies (including business development companies) are subject to all the requirements of the Rule 14.400 Series, except that management investment companies registered under the Investment Company Act of 1940 are exempt from the Independent Directors requirement, the Compensation Committee requirement, the Independent Director Oversight of

Director Nominations requirement, and the Code of Conduct requirement, set forth in LTSE Rules 14.405(b), (d), and (e) and 14.406, respectively.

* * * * * **Supplementary Material** * * * * *

.04 Management Investment Companies Supplemental

Management investment companies registered under the Investment Company Act of 1940 are already subject to a pervasive system of federal regulation in certain areas of corporate governance covered by the LTSE Rule Series 14.400. In light of this, the Exchange exempts from LTSE Rules 14.405(b), (d), and (e) and 14.406 management investment companies registered under the Investment Company Act of 1940. Business development companies, which are a type of closed- end management investment company defined in Section 2(a)(48) of the Investment Company Act of 1940 that are not registered under that Act, are required to comply with all of the provisions of the Rule 14.400 Series. Management investment companies that are Index Fund Shares and Managed Fund Shares are exempt from the Audit Committee requirements set forth in LTSE Rule 14.405(c), except for the applicable requirements of SEC Rule 10A-3.

(b) Phase-In Schedules

(1) Initial Public Offerings

A Company listing in connection with its initial public offering shall be permitted to phase in its compliance with the independent committee requirements set forth in LTSE Rules 14.405(d)(2) and (e)(1)(B) on the same schedule as it is permitted to phase in its compliance with the independent audit committee requirement pursuant to Rule 10A-3(b)(1)(iv)(A) under the Act. Accordingly, a Company listing in connection with its initial public offering shall be permitted to phase in its compliance with the committee composition requirements set forth in LTSE Rule 14.405(d)(2) and (e)(1)(B) as follows: (1) one member must satisfy the requirement at the time of listing; (2) a majority of members must satisfy the requirement within 90 days of listing; and (3) all members must satisfy the requirement within one year of listing. Furthermore, a Company listing in connection with its initial public offering shall have twelve months from the date of listing to comply with the majority independent board requirement in LTSE Rule 14.405(b). It should be noted, however, that pursuant to Rule 10A-3(b)(1)(iii) under the Act investment companies are not afforded the exemptions under Rule 10A-3(b)(1)(iv) under the Act. Companies may choose not to adopt a nomination committee and may instead rely upon a majority of the Independent Directors to discharge responsibilities under LTSE Rule 14.405(b). For purposes of the LTSE Rule Series 14.400 other than

LTSE Rules 14.405(c)(2)(A)(ii) and 14.410, a Company shall be considered to be listing in conjunction with an initial public offering if, immediately prior to listing, it does not have a class of common stock registered under the Act. For purposes of LTSE Rule 14.405(c)(2)(A)(ii) and LTSE Rule 14.410, a Company shall be considered to be listing in conjunction with an initial public offering only if it meets the conditions in Rule 10A-3(b)(1)(iv)(A) under the Act, namely, that the Company was not, immediately prior to the effective date of a registration statement, required to file reports with the Commission pursuant to Section 13(a) or 15(d) of the Act.

(2) Companies Emerging from Bankruptcy

Companies that are emerging from bankruptcy shall be permitted to phase-in independent nomination and compensation committees and majority independent boards on the same schedule as Companies listing in conjunction with their initial public offering.

(3) Transfers from other Markets

Companies transferring from other markets with a substantially similar requirement shall be afforded the balance of any grace period afforded by the other market. Companies transferring from other listed markets that do not have a substantially similar requirement shall be afforded one year from the date of listing on LTSE. This transition period is not intended to supplant any applicable requirements of Rule 10A-3 under the Act.

(4) Phase-In Schedule for a Company Ceasing to be a Smaller Reporting Company

Pursuant to Rule 12b-2 under the Act, a Company tests its status as a Smaller Reporting Company on an annual basis as of the last business day of its most recently completed second fiscal quarter (for purposes of this LTSE Rule, the "Determination Date"). A Company with a public float of \$75 million or more as of the Determination Date will cease to be a Smaller Reporting Company as of the beginning of the fiscal year following the Determination Date (the "Start Date").

By six months from the Start Date, a Company must comply with Rule 14.405(d)(3) and certify to LTSE that: (i) it has complied with the requirement in LTSE Rule 14.405(d)(1) to adopt a formal written compensation committee charter including the content specified in LTSE Rule 14.405(d)(1)(A) through (D); and (ii) it has complied, or within the applicable phase-in schedule will comply, with the additional requirements in LTSE Rule 14.405(d)(2)(A) regarding compensation committee composition.

A Company shall be permitted to phase in its compliance with the additional compensation committee eligibility requirements of LTSE Rule 14.405(d)(2)(A) relating to compensatory fees and affiliation as follows: (i) one member must satisfy the requirements by six months from the Start Date; (ii) a majority of members must satisfy the requirements by nine months from the Start Date; and (iii) all members must satisfy the requirements by one year from the Start Date.

Since a Smaller Reporting Company is required to have a compensation committee comprised of at least two Independent Directors, a Company that has ceased to be a Smaller Reporting Company may not use the phase-in schedule for the requirements of LTSE Rule 14.405(d)(2)(A) relating to minimum committee size or that the committee consist only of Independent Directors as defined under LTSE Rule 14.405(a)(2).

During this phase-in schedule, a Company that has ceased to be a Smaller Reporting Company must continue to comply with Rule 14.405(d)(5).

(c) How the Rules Apply to a Controlled Company

(1) Definition

A Controlled Company is a Company of which more than 50% of the voting power for the election of directors is held by an individual, a group or another company.

(2) Exemptions Afforded to a Controlled Company

A Controlled Company is exempt from the requirements of LTSE Rules 14.405(b), (d), and (e), except for the requirements of subsection (b)(2) which pertain to executive sessions of Independent Directors. A Controlled Company, other than a Foreign Private Issuer, relying upon this exemption must comply with the disclosure requirements set forth in Instruction 1 to Item 407(a) of Regulation S-K. A Foreign Private Issuer must disclose in its next annual report (e.g., Form 20-F or 40-F) that it is a Controlled Company and the basis for that determination.

(3) Phase-In Schedule for a Company Ceasing to be a Controlled Company

A Company that has ceased to be a Controlled Company within the meaning of LTSE Rule 14.407(c)(1) shall be permitted to phase-in its independent nomination and compensation committees and majority independent board on the same schedule as Companies listing in conjunction with their initial public offering. It should be noted, however, that a Company that has ceased to be a Controlled Company within the meaning of LTSE Rule 14.407(c)(1) must comply with the

audit committee requirements of LTSE Rule 14.405(c) as of the date it ceased to be a Controlled Company. Furthermore, the executive sessions requirement of LTSE Rule 14.405(b)(2) applies to Controlled Companies as of the date of listing and continues to apply after it ceases to be controlled.

.05 Controlled Company Exemption

This exemption recognizes that majority Shareholders, including parent companies, have the right to select directors and control certain key decisions, such as executive officer compensation, by virtue of their ownership rights. In order for a group to exist for purposes of this LTSE Rule, the Shareholders must have publicly filed a notice that they are acting as a group (e.g., a Schedule 13D). A Controlled Company not relying upon this exemption need not provide any special disclosures about its controlled status. It should be emphasized that this controlled company exemption does not extend to the audit committee requirements under LTSE Rule 14.405(c) or the requirement for executive sessions of Independent Directors under LTSE Rule 14.405(b)(2).

Rule 14.408. Meetings of Shareholders

- (a) Each Company listing common stock or voting preferred stock, and their equivalents, shall hold an annual meeting of Shareholders no later than one year after the end of the Company's fiscal year-end, unless such Company is a limited partnership that meets the requirements of LTSE Rule 14.407(a)(4)(D).

* * * * * **Supplementary Material** * * * * *

.01 Meetings of Shareholders or Partners

LTSE Rule 14.408 requires that each Company listing common stock or voting preferred stock, and their equivalents, hold an annual meeting of Shareholders within one year of the end of each fiscal year. At each such meeting, Shareholders must be afforded the opportunity to discuss Company affairs with management and, if required by the Company's governing documents, to elect directors. A new listing that was not previously subject to a requirement to hold an annual meeting is required to hold its first meeting within one-year after its first fiscal year-end following listing. Of course, LTSE's meeting requirement does not supplant any applicable state or federal securities laws concerning annual meetings.

This requirement is not applicable as a result of a Company listing securities listed pursuant to LTSE Rule 14.316 (such as Trust Preferred Securities and Contingent Value Rights), unless the listed security is a common stock or voting preferred stock equivalent (e.g., a callable common stock). Notwithstanding, if the Company also lists common stock or voting preferred

stock, or their equivalent, the Company must still hold an annual meeting for the holders of that common stock or voting preferred stock, or their equivalent.

(b) Proxy Solicitation

Each Company that is not a limited partnership shall solicit proxies and provide proxy statements for all meetings of Shareholders and shall provide copies of such proxy solicitation to the Exchange. Limited partnerships that are required to hold an annual meeting of partners are subject to the requirements of LTSE Rule 14.407(a)(4)(F).

(c) Quorum

Each Company that is not a limited partnership shall provide for a quorum as specified in its by-laws for any meeting of the holders of common stock; provided, however, that in no case shall such quorum be less than 33 1/3 % of the outstanding shares of the Company's common voting stock. Limited partnerships that are required to hold an annual meeting of partners are subject to the requirements of LTSE Rule 14.407(a)(4)(E).

Rule 14.410. Notification of Noncompliance

A Company must provide the Exchange with prompt notification after an Executive Officer of the Company becomes aware of any noncompliance by the Company with the requirements of this LTSE Rule Series 14.400.

Rule 14.411. Review of Related Party Transactions

- (a) Each Company that is not a limited partnership shall conduct an appropriate review and oversight of all related party transactions for potential conflict of interest situations on an ongoing basis by the Company's audit committee or another independent body of the board of directors. For purposes of this LTSE Rule, the term "related party transaction" shall refer to transactions required to be disclosed pursuant to Item 404 of Regulation S-K under the Act. However, in the case of non-U.S. issuers, the term "related party transactions" shall refer to transactions required to be disclosed pursuant to Form 20-F, Item 7.B.
- (b) Limited partnerships shall comply with the requirements of LTSE Rule 14.407(a)(4)(G).

Rule 14.412. Shareholder Approval

This LTSE Rule sets forth the circumstances under which shareholder approval is required prior to an issuance of securities in connection with: (1) the acquisition of the stock or assets of another company; (2) a change of control; (3) equity-based compensation of officers, directors, employees, or consultants; and (4) private placements. General provisions relating to shareholder approval are set forth in LTSE Rule 14.412(e), and the financial viability exception to the shareholder approval requirement is set forth in LTSE Rule 14.412(f). Exchange-listed Companies and their representatives are encouraged to use the interpretative letter process described in LTSE Rule 14.401(c).

(a) Acquisition of Stock or Assets of Another Company

Shareholder approval is required prior to the issuance of securities in connection with the acquisition of the stock or assets of another company if:

- (1) where, due to the present or potential issuance of common stock, including shares issued pursuant to an earn-out provision or similar type of provision, or securities convertible into or exercisable for common stock, other than a public offering for cash:
 - (A) the common stock has or will have upon issuance voting power equal to or in excess of 20% of the voting power outstanding before the issuance of stock or securities convertible into or exercisable for common stock; or
 - (B) the number of shares of common stock to be issued is or will be equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance of the stock or securities; or
- (2) any director, officer or Substantial Shareholder (as defined by LTSE Rule 14.412(e)(3)) of the Company has a 5% or greater interest (or such persons collectively have a 10% or greater interest), directly or indirectly, in the Company or assets to be acquired or in the consideration to be paid in the transaction or series of related transactions and the present or potential issuance of common stock, or securities convertible into or exercisable for common stock, could result in an increase in outstanding common shares or voting power of 5% or more.

(b) Change of Control

Shareholder approval is required prior to the issuance of securities when the issuance or potential issuance will result in a change of control of the Company.

(c) Equity Compensation

Shareholder approval is required prior to the issuance of securities when a stock option or purchase plan is to be established or materially amended or other equity compensation arrangement made or materially amended, pursuant to which stock may be acquired by officers, directors, employees, or consultants, except for:

- (1) warrants or rights issued generally to all security holders of the Company or stock purchase plans available on equal terms to all security holders of the Company (such as a typical dividend reinvestment plan);
- (2) tax qualified, non-discriminatory employee benefit plans (e.g., plans that meet the requirements of Section 401(a) or 423 of the Internal Revenue Code) or parallel nonqualified plans, provided such plans are approved by the Company's independent compensation committee or a majority of the Company's Independent Directors; or plans that merely provide a convenient way to purchase shares on the open market or from the Company at Market Value;
- (3) plans or arrangements relating to an acquisition or merger as permitted under Supplementary Material .01 to LTSE Rule 14.412; or
- (4) issuances to a person not previously an employee or director of the Company, or following a bona fide period of non-employment, as an inducement material to the individual's entering into employment with the Company, provided such issuances are approved by either the Company's independent compensation committee or a majority of the Company's Independent Directors. Promptly following an issuance of any employment inducement grant in reliance on this exception, a Company must disclose in a press release the material terms of the grant, including the recipient(s) of the grant and the number of shares involved.

.01 Shareholder Approval for Stock Option Plans or Other Equity Compensation Arrangements

Employee ownership of Company stock can be an effective tool to align employee interests with those of other Shareholders. Stock option plans or other equity compensation arrangements can also assist in the recruitment and retention of employees, which is especially critical to young, growing Companies, or Companies with insufficient cash resources to attract and retain highly qualified employees. However, these plans can potentially dilute shareholder interests. LTSE Rule 14.412(c) ensures that Shareholders have a voice in these situations, given this potential for dilution.

LTSE Rule 14.412(c) requires shareholder approval when a plan or other equity compensation arrangement is established or materially amended. For these purposes, a material amendment would include, but not be limited to, the following:

- (1) *any material increase in the number of shares to be issued under the plan (other than to reflect a reorganization, stock split, merger, spinoff or similar transaction);*

- (2) any material increase in benefits to participants, including any material change to: (i) permit a repricing (or decrease in exercise price) of outstanding options, (ii) reduce the price at which shares or options to purchase shares may be offered, or (iii) extend the duration of a plan;
- (3) any material expansion of the class of participants eligible to participate in the plan; and
- (4) any expansion in the types of options or awards provided under the plan.

While general authority to amend a plan would not obviate the need for shareholder approval, if a plan permits a specific action without further shareholder approval, then no such approval would generally be required. However, if a plan contains a formula for automatic increases in the shares available (sometimes called an "evergreen formula"), or for automatic grants pursuant to a dollar-based formula (such as annual grants based on a certain dollar value, or matching contributions based upon the amount of compensation the participant elects to defer), such plans cannot have a term in excess of ten years unless shareholder approval is obtained every ten years. However, plans that do not contain a formula and do not impose a limit on the number of shares available for grant would require shareholder approval of each grant under the plan. A requirement that grants be made out of treasury shares or repurchased shares will not alleviate these additional shareholder approval requirements.

As a general matter, when preparing plans and presenting them for shareholder approval, Companies should strive to make plan terms easy to understand. In that regard, it is recommended that plans meant to permit repricing use explicit terminology to make this clear.

LTSE Rule 14.412(c) provides an exception to the requirement for shareholder approval for warrants or rights offered generally to all Shareholders. In addition, an exception is provided for tax qualified, non-discriminatory employee benefit plans as well as parallel nonqualified plans as these plans are regulated under the Internal Revenue Code and Treasury Department regulations. An equity compensation plan that provides non-U.S. employees with substantially the same benefits as a comparable tax qualified, non-discriminatory employee benefit plan or parallel nonqualified plan that the Company provides to its U.S. employees, but for features necessary to comply with applicable foreign tax law, is also exempt from shareholder approval under this section.

Further, the rule provides an exception for inducement grants to new employees because in these cases a Company has an arm's length relationship with the new employees. Inducement grants for these purposes include grants of options or stock to new employees in connection with a merger or acquisition. The rule requires that such issuances be approved by the Company's independent compensation committee or a majority of the Company's Independent Directors. The rule further requires that promptly following an issuance of any employment inducement grant in reliance on this exception, a Company must disclose in a press release the material terms of the grant, including the recipient(s) of the grant and the number of shares involved.

In addition, plans or arrangements involving a merger or acquisition do not require shareholder approval in two situations. First, shareholder approval will not be required to convert, replace or adjust outstanding options or other equity compensation awards to reflect the transaction. Second, shares available under certain plans acquired in acquisitions and mergers may be used for certain post-transaction grants without further shareholder approval. This exception applies to situations where the party which is not a listed company following the transaction has shares available for grant under pre-existing plans that meet the requirements of this LTSE Rule 14.412(c). These shares may be used for post-transaction grants of options and other equity

awards by the listed Company (after appropriate adjustment of the number of shares to reflect the transaction), either under the pre-existing plan or arrangement or another plan or arrangement, without further shareholder approval, provided: (1) the time during which those shares are available for grants is not extended beyond the period when they would have been available under the pre-existing plan, absent the transaction, and (2) such options and other awards are not granted to individuals who were employed by the granting company or its subsidiaries at the time the merger or acquisition was consummated. LTSE would view a plan or arrangement adopted in contemplation of the merger or acquisition transaction as not pre-existing for purposes of this exception. This exception is appropriate because it will not result in any increase in the aggregate potential dilution of the combined enterprise. In this regard, any additional shares available for issuance under a plan or arrangement acquired in connection with a merger or acquisition would be counted by LTSE in determining whether the transaction involved the issuance of 20% or more of the Company's outstanding common stock, thus triggering the shareholder approval requirements under LTSE Rule 14.412(a).

Inducement grants, tax qualified non-discriminatory benefit plans, and parallel nonqualified plans are subject to approval by either the Company's independent compensation committee or a majority of the Company's Independent Directors. It should also be noted that a Company would not be permitted to use repurchased shares to fund option plans or grants without prior shareholder approval.

For purposes of LTSE Rule 14.412(c) and Supplementary Material .01, the term "parallel nonqualified plan" means a plan that is a "pension plan" within the meaning of the Employee Retirement Income Security Act ("ERISA"), 29 U.S.C. §1002 (1999), that is designed to work in parallel with a plan intended to be qualified under Internal Revenue Code Section 401(a), to provide benefits that exceed the limits set forth in Internal Revenue Code Section 402(g) (the section that limits an employee's annual pre-tax contributions to a 401(k) plan), Internal Revenue Code Section 401(a)(17) (the section that limits the amount of an employee's compensation that can be taken into account for plan purposes) and/or Internal Revenue Code Section 415 (the section that limits the contributions and benefits under qualified plans) and/or any successor or similar limitations that may thereafter be enacted. However, a plan will not be considered a parallel nonqualified plan unless: (i) it covers all or substantially all employees of an employer who are participants in the related qualified plan whose annual compensation is in excess of the limit of Code Section 401(a)(17) (or any successor or similar limitation that may hereafter be enacted); (ii) its terms are substantially the same as the qualified plan that it parallels except for the elimination of the limitations described in the preceding sentence; and, (iii) no participant receives employer equity contributions under the plan in excess of 25% of the participant's cash compensation.

(d) Private Placements

Shareholder approval is required prior to the issuance of securities in connection with a transaction other than a public offering involving:

- (1) the sale, issuance or potential issuance by the Company of common stock (or securities convertible into or exercisable for common stock) at a price less than

the greater of book or market value which together with sales by officers, directors or Substantial Shareholders of the Company equals 20% or more of common stock or 20% or more of the voting power outstanding before the issuance; or

- (2) the sale, issuance or potential issuance by the Company of common stock (or securities convertible into or exercisable common stock) equal to 20% or more of the common stock or 20% or more of the voting power outstanding before the issuance for less than the greater of book or market value of the stock.

.02 Interpretative Material Regarding the Use of Share Caps to Comply with Rule 14.412

LTSE Rule 14.412 limits the number of shares or voting power that can be issued or granted without shareholder approval prior to the issuance of certain securities. (An exception to this LTSE Rule is available to Companies when the delay in securing stockholder approval would seriously jeopardize the financial viability of the enterprise as set forth in LTSE Rule 14.412(f). However, a share cap is not permissible in conjunction with the financial viability exception provided in LTSE Rule 14.412(f), because the application to the Exchange and the notice to Shareholders required in the rule must occur prior to the issuance of any common stock or securities convertible into or exercisable for common stock.) Generally, this limitation applies to issuances of 20% or more of the common stock or 20% or more of the voting power outstanding before the issuance. (While the Exchange notes that this issue is generally implicated with respect to these situations, it may also arise with respect to the 5% threshold set forth in LTSE Rule 14.412(a)(2)). Companies sometimes comply with the 20% limitation by placing a “cap” on the number of shares that can be issued in the transaction, such that there cannot, under any circumstances, be an issuance of 20% or more of the common stock or voting power previously outstanding without prior shareholder approval. If a Company determines to defer a shareholder vote in this manner, shares that are issuable under the cap (in the first part of the transaction) must not be entitled to vote to approve the remainder of the transaction. In addition, a cap must apply for the life of the transaction, unless shareholder approval is obtained. For example, caps that no longer apply if a Company is not listed on the Exchange are not permissible under the Rule. Of course, if shareholder approval is not obtained, then the investor will not be able to acquire 20% or more of the common stock or voting power outstanding before the transaction and would continue to hold the balance of the original security in its unconverted form.

Companies have also attempted to cap the issuance of shares at below 20% but have also provided an alternative outcome based upon whether shareholder approval is obtained, including, but not limited to a “penalty” or a “sweetener.” Instead, if the terms of a transaction can change based upon the outcome of the shareholder vote, no common shares may be issued prior to the approval of the Shareholders. Companies that engage in transactions with defective caps may be subject to delisting. For example, a Company issues a convertible preferred stock or debt instrument that provides for conversions of up to 20% of the total shares outstanding with any further conversions subject to shareholder approval. However, the terms of the instrument provide that if Shareholders reject the transaction, the coupon or conversion ratio will increase or the Company will be penalized by a specified monetary payment, including a rescission of the transaction. Likewise, a transaction may provide for improved terms if shareholder approval is obtained. The

Exchange believes that in such situations the cap is defective because the presence of the alternative outcome has a coercive effect on the shareholder vote, and thus may deprive Shareholders of their ability to freely exercise their vote. Accordingly, the Exchange will not accept a cap that defers the need for shareholder approval in such situations.

Companies having questions regarding this policy are encouraged to contact LTSE Regulation, which will provide a written interpretation of the application of LTSE Rules to a specific transaction, upon prior written request of the Company.

.2 Definition of a Public Offering

LTSE Rule 14.412(d) provides that shareholder approval is required for the issuance of common stock (or securities convertible into or exercisable for common stock) equal to 20 percent or more of the common stock or 20 percent or more of the voting power outstanding before the issuance for less than the greater of book or market value of the stock. Under this LTSE Rule, however, shareholder approval is not required for a “public offering.”

Companies are encouraged to consult with LTSE Regulation in order to determine if a particular offering is a “public offering” for purposes of the shareholder approval rules. Generally, a firm commitment underwritten securities offering registered with the Securities and Exchange Commission will be considered a public offering for these purposes. Likewise, any other securities offering which is registered with the Securities and Exchange Commission and which is publicly disclosed and distributed in the same general manner and extent as a firm commitment underwritten securities offering will be considered a public offering for purposes of the shareholder approval rules. However, the Exchange staff will not treat an offering as a “public offering” for purposes of the shareholder approval rules merely because they are registered with the Commission prior to the closing of the transaction.

When determining whether an offering is a “public offering” for purposes of these rules, LTSE Regulation will consider all relevant factors, including but not limited to:

- (a) the type of offering (including whether the offering is conducted by an underwriter on a firm commitment basis, or an underwriter or placement agent on a best-efforts basis, or whether the offering is self-directed by the Company);
- (b) the manner in which the offering is marketed (including the number of investors offered securities, how those investors were chosen, and the breadth of the marketing effort);
- (c) the extent of the offering’s distribution (including the number and identity of the investors who participate in the offering and whether any prior relationship existed between the Company and those investors);
- (d) the offering price (including the extent of any discount to the market price of the securities offered); and
- (e) the extent to which the Company controls the offering and its distribution.

(e) Definitions and Computations Relating to the Shareholder Approval Requirements

- (1) For purposes of making any computation in this paragraph, when determining the number of shares issuable in a transaction, all shares that could be issued are included, regardless of whether they are currently treasury shares. When determining the number of shares outstanding, only shares issued and outstanding are considered. Treasury shares, shares held by a subsidiary, and unissued shares reserved for issuance upon conversion of securities or upon exercise of options or warrants are not considered outstanding.
 - (2) Voting power outstanding as used in this LTSE Rule refers to the aggregate number of votes which may be cast by holders of those securities outstanding which entitle the holders thereof to vote generally on all matters submitted to the Company's security holders for a vote.
 - (3) An interest consisting of less than either 5% of the number of shares of common stock or 5% of the voting power outstanding of a Company or party shall not be considered a substantial interest or cause the holder of such an interest to be regarded as a "Substantial Shareholder."
 - (4) Where shareholder approval is required, the minimum vote that will constitute shareholder approval shall be a majority of the total votes cast on the proposal. These votes may be cast in person, by proxy at a meeting of Shareholders or by written consent in lieu of a special meeting to the extent permitted by applicable state and federal law and rules (including interpretations thereof), including, without limitation, Regulations 14A and 14C under the Act. Nothing contained in this LTSE Rule 14.412(e)(4) shall affect a Company's obligation to hold an annual meeting of Shareholders as required by LTSE Rule 14.408.
 - (5) Shareholder approval shall not be required for any share issuance if such issuance is part of a court-approved reorganization under the federal bankruptcy laws or comparable foreign laws.
- (f) Financial Viability Exception

An exception applicable to a specified issuance of securities may be made upon prior written application to LTSE Regulation when:

- (1) the delay in securing stockholder approval would seriously jeopardize the financial viability of the enterprise; and
- (2) reliance by the Company on this exception is expressly approved by the audit committee or a comparable body of the board of directors comprised solely of independent, disinterested directors. LTSE Regulation shall respond to each application for such an exception in writing.

A Company that receives such an exception must mail to all Shareholders not later than ten days before issuance of the securities a letter alerting them to its omission to seek the shareholder approval that would otherwise be required. Such notification shall disclose the terms of the transaction (including the number of shares of common stock that could be issued and the consideration received), the fact that the Company is relying on a financial viability exception to the stockholder approval rules, and that the audit committee or a comparable body of the board of directors comprised solely of independent, disinterested directors has expressly approved reliance on the exception. The Company shall also make a public announcement by filing a Form 8-K, where required by SEC rules, or by issuing a press release disclosing the same information as promptly as possible, but no later than ten days before the issuance of the securities.

.03 Interpretive Material Regarding Future Priced Securities and Other Securities with Variable Conversion Terms

Summary

Provisions of this Supplementary Material .03 would apply to any security with variable conversion terms. For example, Future Priced Securities are private financing instruments which were created as an alternative means of quickly raising capital for Companies. The security is generally structured in the form of a convertible security and is often issued via a private placement. Companies will typically receive all capital proceeds at the closing. The conversion price of the Future Priced Security is generally linked to a percentage discount to the market price of the underlying common stock at the time of conversion and accordingly the conversion rate for Future Priced Securities floats with the market price of the common stock. As such, the lower the price of the Company's common stock at the time of conversion, the more shares into which the Future Priced Security is convertible. The delay in setting the conversion price is appealing to Companies who believe that their stock will achieve greater value after the financing is received. However, the issuance of Future Priced Securities may be followed by a decline in the common stock price, creating additional dilution to the existing holders of the common stock. Such a price decline allows holders to convert the Future Priced Security into large amounts of the Company's common stock. As these shares are issued upon conversion of the Future Priced Security, the common stock price may tend to decline further.

For example, a Company may issue \$10 million of convertible preferred stock (the Future Priced Security), which is convertible by the holder or holders into \$10 million of common stock based on a conversion price of 80% of the closing price of the common stock on the date of conversion. If the closing price is \$5 on the date of conversion, the Future Priced Security holders would receive 2,500,000 shares of common stock. If, on the other hand, the closing price is \$1 on the date of conversion, the Future Priced Security holders would receive 12,500,000 shares of common stock.

Unless the Company carefully considers the terms of the securities in connection with several LTSE Rules, the issuance of Future Priced Securities could result in a failure to comply with the Exchange listing standards and the concomitant delisting of the Company's securities from the Exchange. The Exchange understands that Companies do not always appreciate this potential

consequence. The LTSE Rules that bear upon the continued listing qualification of a Company and that must be considered when issuing Future Priced Securities include:

- (a) the shareholder approval rules [see LTSE Rule 14.412]
- (b) the voting rights rules [see LTSE Rule 14.413]
- (c) the bid price requirement [see LTSE Rule 14.320(a)(1)]
- (d) the listing of additional shares rules [see LTSE Rule 14.207(e)(2)]
- (e) the change in control rules [see LTSE Rules 14.102 and 14.412(b)]
- (f) the Exchange's discretionary authority rules [see LTSE Rule Series 14.100]

It is important for Companies to clearly understand that failure to comply with any of these rules could result in the delisting of the Company's securities.

This notice is intended to be of assistance to Companies considering financings involving Future Priced Securities. By adhering to the above requirements, Companies can avoid unintended listing qualifications problems. Companies having any questions about this notice should contact LTSE Regulation. The Exchange will provide a Company with a written interpretation of the application of the LTSE Rules to a specific transaction, upon request of the Company.

How the Rules Apply Shareholder Approval

LTSE Rule 14.412(d) provides, in part: Each Company shall require shareholder approval prior to the issuance of securities in connection with a transaction other than a public offering involving the sale, issuance or potential issuance by the issuer of common stock (or securities convertible into or exercisable for common stock) at a price less than the greater of book or market value which together with sales by officers, directors or Substantial Shareholders of the Company equals 20% or more of the common stock or 20% or more of the voting power outstanding before the issuance.

(The Exchange may make exceptions to this requirement when the delay in securing stockholder approval would seriously jeopardize the financial viability of the enterprise and reliance by the Company on this exception is expressly approved by the Audit Committee or a comparable body of the Board of Directors.)

When the Exchange staff is unable to determine the number of shares to be issued in a transaction, it looks to the maximum potential issuance of shares to determine whether there will be an issuance of 20 percent or more of the common stock outstanding. In the case of Future Priced Securities, the actual conversion price is dependent on the market price at the time of conversion and so the number of shares that will be issued is uncertain until the conversion occurs. Accordingly, staff will look to the maximum potential issuance of common shares at the time the Future Priced Security is issued. Typically, with a Future Priced Security, the maximum potential issuance will exceed 20 percent of the common stock outstanding because the Future Priced Security could, potentially, be converted into common stock based on a share price of one cent per share, or less. Further, for purposes of this calculation, the lowest possible conversion price is below the book or market value of the stock at the time of issuance of the Future Priced Security.

Therefore, shareholder approval must be obtained prior to the issuance of the Future Priced Security. Companies should also be cautioned that obtaining shareholder ratification of the transaction after the issuance of a Future Priced Security does not satisfy the shareholder approval requirements.

Some Future Priced Securities may contain features to obviate the need for shareholder approval by: (1) placing a cap on the number of shares that can be issued upon conversion, such that the holders of the Future Priced Security cannot, without prior shareholder approval, convert the security into 20% or more of the common stock or voting power outstanding before the issuance of the Future Priced Security (See Supplementary Material .02 to LTSE Rule 14.412, Interpretative Material Regarding the Use of Share Caps to Comply with LTSE Rule 14.412), or (2) placing a floor on the conversion price, such that the conversion price will always be at least as high as the greater of book or market value of the common stock prior to the issuance of the Future Priced Securities. Even when a Future Priced Security contains these features, however, shareholder approval is still required under LTSE Rule 14.412(b) if the issuance will result in a change of control. Additionally, discounted issuances of common stock to officers, directors, employees or consultants require shareholder approval pursuant to LTSE Rule 14.412(c).

Voting Rights

LTSE Rule 14.413 provides:

Voting rights of existing Shareholders of publicly traded common stock registered under Section 12 of the Act cannot be disparately reduced or restricted through any corporate action or issuance.

Supplementary Material .01 to LTSE Rule 14.413 also provides rules relating to voting rights of the Exchange Companies.

Under the voting rights rules, a Company cannot create a new class of security that votes at a higher rate than an existing class of securities or take any other action that has the effect of restricting or reducing the voting rights of an existing class of securities. The voting rights rules are typically implicated when the holders of the Future Priced Security are entitled to vote on an as-converted basis or when the holders of the Future Priced Security are entitled to representation on the Board of Directors. The percentage of the overall vote attributable to the Future Priced Security holders and the Future Priced Security holders' representation on the board of directors must not exceed their relative contribution to the Company based on the Company's overall book or market value at the time of the issuance of the Future Priced Security. Staff will consider whether a voting rights violation exists by comparing the Future Priced Security holders' voting rights to their relative contribution to the Company based on the Company's overall book or market value at the time of the issuance of the Future Priced Security. If the voting power or the board percentage exceeds that percentage interest, a violation exists because a new class of securities has been created that votes at a higher rate than an already existing class. Future Priced Securities that vote on an as-converted basis also raise voting rights concerns because of the possibility that, due to a decline in the price of the underlying common stock, the Future Priced Security holder will have voting rights disproportionate to its investment in the Company.

It is important to note that compliance with the shareholder approval rules prior to the issuance of a Future Priced Security does not affect whether the transaction is in violation of the voting rights rule. Furthermore, Shareholders can not otherwise agree to permit a voting rights violation by the Company. Because a violation of the voting rights requirement can result in delisting of the Company's securities from the Exchange, careful attention must be given to this issue to prevent a violation of the rule.

The Bid Price Requirement

The bid price requirement establishes a minimum bid price for issues listed on the Exchange. The LTSE Rules provide that, for an issue to be eligible for continued listing on the Exchange,

the minimum bid price per share shall be \$1. An issue is subject to delisting from the Exchange, as described in LTSE Rule Series 14.500 if its bid price falls below \$1.

The bid price rules must be thoroughly considered because the characteristics of Future Priced Securities often exert downward pressure on the price of the Company's common stock. Specifically, dilution from the discounted conversion of the Future Priced Security may result in a significant decline in the price of the common stock. Furthermore, there appear to be instances where short selling has contributed to a substantial price decline, which, in turn, could lead to a failure to comply with the bid price requirement. (If used to manipulate the price of the stock, short selling by the holders of the Future Priced Security is prohibited by the antifraud provisions of the securities laws and by the LTSE Rules and may be prohibited by the terms of the placement.)

Listing of Additional Shares

LTSE Rule 14.207(e)(2) provides:

The Company shall be required to notify the Exchange on the appropriate form no later than 15 calendar days prior to: establishing or materially amending a stock option plan, purchase plan or other equity compensation arrangement pursuant to which stock may be acquired by officers, directors, employees, or consultants without shareholder approval; issuing securities that may potentially result in a change of control of the Company; issuing any common stock or security convertible into common stock in connection with the acquisition of the stock or assets of another company, if any officer or director or Substantial Shareholder of the Company has a 5% or greater interest (or if such persons collectively have a 10% or greater interest) in the Company to be acquired or in the consideration to be paid; or entering into a transaction that may result in the potential issuance of common stock (or securities convertible into common stock) greater than 10% of either the total shares outstanding or the voting power outstanding on a pre-transaction basis.

Companies should be cognizant that under this LTSE Rule notification is required at least 15 days prior to issuing any security (including a Future Priced Security) convertible into shares of a class of securities already listed on the Exchange. Failure to provide such notice can result in a Company's removal from the Exchange.

Public Interest Concerns

LTSE Rule 14.101 provides:

The Exchange is entrusted with the authority to preserve and strengthen the quality of and public confidence in its market. The Exchange stands for integrity and ethical business practices in order to enhance investor confidence, thereby contributing to the financial health of the economy and supporting the capital formation process. The Exchange Companies, from new public Companies to Companies of international stature, are publicly recognized as sharing these important objectives.

The Exchange, therefore, in addition to applying the enumerated criteria set forth in the Listing Rules, has broad discretionary authority over the initial and continued listing of securities in the Exchange in order to maintain the quality, transparency and integrity of and public confidence in its market; to prevent fraudulent and manipulative acts and practices; to promote just and equitable principles of trade; and to protect investors and the public interest; and to protect the safety and security of the Exchange and its employees. The Exchange may use such discretion to deny initial listing, apply additional or more stringent criteria for the initial or continued listing of particular securities, or suspend or delist particular securities based on any event, condition, or

circumstance that exists or occurs that makes initial or continued listing of the securities on the Exchange inadvisable or unwarranted in the opinion of the Exchange, even though the securities meet all enumerated criteria for initial or continued listing on the Exchange.

The returns on Future Priced Securities may become excessive compared with those of public investors in the Company's common securities. In egregious situations, the use of a Future Priced Security may raise public interest concerns under LTSE Rule 14.101. In addition to the demonstrable business purpose of the transaction, other factors that the Exchange staff will consider in determining whether a transaction raises public interest concerns include: (1) the amount raised in the transaction relative to the Company's existing capital structure; (2) the dilutive effect of the transaction on the existing holders of common stock; (3) the risk undertaken by the Future Priced Security investor; (4) the relationship between the Future Priced Security investor and the Company; (5) whether the transaction was preceded by other similar transactions; and (6) whether the transaction is consistent with the just and equitable principles of trade.

Some Future Priced Securities may contain features that address the public interest concerns. These features tend to provide incentives to the investor to hold the security for a longer time period and limit the number of shares into which the Future Priced Security may be converted.

Such features may limit the dilutive effect of the transaction and increase the risk undertaken by the Future Priced Security investor in relationship to the reward available.

Business Combinations with non-LTSE Entities Resulting in a Change of Control LTSE Rule 14.102(a) provides:

A Company must apply for initial listing in connection with a transaction whereby the Company combines with, or into, an entity that is not an LTSE Company, resulting in a change of control of the Company and potentially allowing such entity to obtain an Exchange Listing. In determining whether a change of control has occurred, the Exchange shall consider all relevant factors including, but not limited to, changes in the management, board of directors, voting power, ownership, and financial structure of the Company. The Exchange shall also consider the nature of the businesses and the relative size of the LTSE Company and entity that is not an LTSE Company. The Company must submit an application for the post-transaction entity with sufficient time to allow the Exchange to complete its review before the transaction is completed. If the Company's application for initial listing has not been approved prior to consummation of the transaction, the Exchange will issue a Staff Determination Letter as set forth in LTSE Rule 14.501 and begin delisting proceedings pursuant to LTSE Rule 14.500.

This provision, which applies regardless of whether the Company obtains shareholder approval for the transaction, requires Companies to qualify under the initial listing standards in connection with a combination that results in a change of control. It is important for Companies to realize that in certain instances, the conversion of a Future Priced Security may implicate this provision. For example, if there is no limit on the number of common shares issuable upon conversion, or if the limit is set high enough, the exercise of conversion rights under a Future Priced Security could result in the holders of the Future Priced Securities obtaining control of the listed Company. In such event, a Company may be required to re-apply for initial listing and satisfy all initial listing requirements.

Rule 14.413. Voting Rights

Voting rights of existing Shareholders of publicly traded common stock registered under Section 12 of the Act cannot be disparately reduced or restricted through any corporate action or issuance. Examples of such corporate action or issuance include, but are not limited to, the adoption of time-phased voting plans, the adoption of capped voting rights plans, the issuance of super-voting stock, or the issuance of stock with voting rights less than the per share voting rights of the existing common stock through an exchange offer.

* * * * * **Supplementary Material** * * * * *

.01 Voting Rights Policy

The following Voting Rights Policy is based upon, but more flexible than, former Rule 19c-4 under the Act. Accordingly, the Exchange will permit corporate actions or issuances by the Exchange Companies that would have been permitted under former Rule 19c-4, as well as other actions or issuances that are not inconsistent with this policy. In evaluating such other actions or issuances, the Exchange will consider, among other things, the economics of such actions or issuances and the voting rights being granted. The Exchange's interpretations under the policy will be flexible, recognizing that both the capital markets and the circumstances and needs of the Exchange Companies change over time. The text of the Exchange Voting Rights Policy is as follows:

Companies with Dual Class Structures.

The restriction against the issuance of super voting stock is primarily intended to apply to the issuance of a new class of stock, and Companies with existing dual class capital structures would generally be permitted to issue additional shares of the existing super voting stock without conflict with this policy.

Consultation with the Exchange.

Violation of the Exchange Voting Rights Policy could result in the loss of a Company's Exchange or public trading market. The policy can apply to a variety of corporate actions and securities issuances, not just super voting or so-called "time phase" voting common stock. While the policy will continue to permit actions previously permitted under former Rule 19c-4, it is extremely important that the LTSE Companies communicate their intentions to their Exchange representatives as early as possible before taking any action or committing to take any action that may be inconsistent with the policy. The Exchange urges Companies listed on the Exchange not to assume, without first discussing the matter with the Exchange staff, that a particular issuance of common or preferred stock or the taking of some other corporate action will necessarily be consistent with the policy. It is suggested that copies of preliminary proxy or other material concerning matters subject to the policy be furnished to the Exchange for review prior to formal filing.

Review of Past Voting Rights Activities.

In reviewing an application for initial qualification for listing of a security in the Exchange, the Exchange will review the Company's past corporate actions to determine whether another self-regulatory organization (SRO) has found any of the Company's actions to have been a violation or evasion of the SRO's voting rights policy. Based on such review, the Exchange may take any appropriate action, including the denial of the application or the placing of restrictions on such

listing. The Exchange will also review whether a Company seeking initial listing of a security in the Exchange has requested a ruling or interpretation from another SRO regarding the application of that SRO's voting rights policy with respect to a proposed transaction. If so, the Exchange will consider that fact in determining its response to any ruling or interpretation that the Company may request on the same or similar transaction.

Non-U.S. Companies.

The Exchange will accept any action or issuance relating to the voting rights structure of a non-U.S. Company that is in compliance with the Exchange's requirements for domestic Companies or that is not prohibited by the Company's home country law.

Rule 14.414. Internal Audit Function

- (a) Each Company must establish and maintain an internal audit function to provide management and the audit committee with ongoing assessments of the Company's risk management process and system of internal control. The Company may choose to outsource this function to a third party service provider other than its independent auditor. The audit committee must meet periodically with the internal auditors (or other personnel responsible for this function) and assist the Board in its oversight of the performance of this function. The audit committee should also discuss with the outside auditor the responsibilities, budget and staffing of the internal audit function.
- (b) Transition Periods
 - (1) A Company listing in conjunction with its initial public offering or a spin-off transaction must comply with the requirements of LTSE Rule 14.414(a) within one year of the listing date.
 - (2) A Company previously registered pursuant to Section 12(b) of the Exchange Act must satisfy the requirements of LTSE Rule 14.414(a) within one year of the listing date to the extent the national securities exchange on which it was listed did not have the same requirement. If the other exchange had a substantially similar requirement and the company was afforded a transition period that had not expired, the company will have the same transition period as would have been available to it on the other exchange.

Rule 14.500. Failure to Meet Listing Standards

- (a) Securities of a Company that does not meet the listing standards set forth in Chapter 14 are subject to delisting from the Exchange. This Section sets forth procedures for the independent review, suspension, and delisting of Companies that fail to satisfy

one or more standards for continued listing and thus are "deficient" with respect to the listing standards.

LTSE Regulation is responsible for identifying deficiencies that may lead to delisting; notifying the Company of the deficiency; and issuing Staff Delisting Determinations and Public Reprimand Letters. Rule 14.501 contains provisions regarding LTSE Regulation's process for notifying Companies of different types of deficiencies and their corresponding consequences.

The Listings Review Committee, upon timely request by a Company, will review a Staff Delisting Determination or Public Reprimand Letter at an oral or written hearing, and issue a Decision that may, among other things, grant an "exception" to the Exchange's listing standards or affirm a delisting. Rule 14.502 contains provisions relating to the hearings process.

Procedures related to SEC notification of the Exchange's final Delisting Determinations are discussed in LTSE Rule 14.503. Rules applicable to the Listings Review Committee and Advisors are provided in LTSE Rule 14.504 and general information relating to the adjudicatory process is provided in LTSE Rule 14.505.

A Company's failure to maintain compliance with the applicable provisions of Chapter 14 will result in the termination of the listing unless an exception is granted to the Company, as described below. The termination of the Company's listing will become effective in accordance with the procedures set forth herein, including LTSE Rule 14.503.

(b) Definitions

- (1) "Advisor" means an individual employed by the Exchange who is advising the Listings Review Committee with respect to a proceeding under this section.
- (2) "Decision" means a written decision of an Adjudicatory Body.
- (3) "LTSE Regulation" is the department of the Exchange responsible for evaluating Company compliance with quantitative and qualitative listing standards and determining eligibility for initial and continued listing of a Company's securities.
- (4) The "Listings Review Committee" is the committee designated by the Exchange's Board of Directors to review Company appeals of Staff Delisting Determinations and Public Reprimand Letters. The Listings Review Committee shall be composed of at least five members. Any action by the Listings Review Committee shall require a quorum, which shall be at least three members.

- (5) "Public Reprimand Letter" means a letter issued by Staff or a Decision of the Listings Review Committee in cases where the Company has violated an Exchange corporate governance or notification listing standard (other than one required by Rule 10A-3 of the Act) and Staff or the Listings Review Committee determines that delisting is an inappropriate sanction. In determining whether to issue a Public Reprimand Letter, Staff or the Listings Review Committee will consider whether the violation was inadvertent, whether the violation materially adversely affected shareholders' interests, whether the violation has been cured, whether the Company reasonably relied on an independent advisor and whether the Company has demonstrated a pattern of violations.
- (6) "Staff" refers to employees of LTSE Regulation.
- (7) "Staff Delisting Determination" or "Delisting Determination" is a written determination by LTSE Regulation to delist a listed Company's securities for failure to meet a continued listing standard.

Rule 14.501. Notification of Deficiency by LTSE Regulation

- (a) When LTSE Regulation determines that a Company does not meet a listing standard set forth in Chapter 14, it will immediately notify the Company of the deficiency. As explained in more detail below, deficiency notifications are of four types:
 - (1) Staff Delisting Determinations, which are notifications of deficiencies that, unless appealed, subject the Company to immediate suspension and delisting;
 - (2) notifications of deficiencies for which a Company may submit a plan of compliance for staff review;
 - (3) notifications of deficiencies for which a Company is entitled to an automatic cure or compliance period; and
 - (4) Public Reprimand Letters, except such notification type is not available for unresolved deficiencies from the standards of Rules 14.207(c) {Obligation to File Periodic Financial Reports}, 14.407(a)(4)(D) {Partner Meetings of Limited Partnerships} and 14.408(a) {Meetings of Shareholders}.

Notifications of deficiencies that allow for submission of a compliance plan or an automatic cure or compliance period may result, after review of the compliance plan or expiration of the cure or compliance period, in issuance of a Staff Delisting Determination or a Public Reprimand Letter.

- (b) Information Contained in Deficiency Notification and Delisting Determination

Deficiency notifications and Delisting Determinations will:

- (1) inform the Company of the factual bases for Staff's determination of deficiency or delisting, and the quantitative or qualitative standard the Company has failed to satisfy;
- (2) provide the Company with instructions regarding its obligations to disclose the deficiency under Exchange Listing Rules; and
- (3) inform the Company:
 - (A) in the case of a Staff Delisting Determination, that the Company's securities will be suspended as of a date certain; the Company has a right to request review of the Delisting Determination by the Listings Review Committee; and that a request for review within seven days (as set forth in LTSE Rule 14.502(a)(1)) will stay the suspension;
 - (B) in the case of a deficiency for which the Company may submit a plan of compliance for review by Staff, the deadline by which a plan must be submitted;
 - (C) in the case of a deficiency for which the Company is entitled to an automatic cure or compliance period, the expiration date of the cure or compliance period; and
 - (D) in the case of a Public Reprimand Letter, an explanation of why Staff concluded the letter is appropriate and the Company's right to request review of the Letter by Listings Review Committee.

(c) Company Disclosure Obligations

A Company that receives a notification of deficiency, Staff Delisting Determination, or Public Reprimand Letter is required to make a public announcement disclosing receipt of the notification and the Rule(s) upon which the deficiency is based. A Company that receives a notification of deficiency or Staff Delisting Determination related to the requirement to file a periodic report contained in LTSE Rule 14.207(c)(1) or (2) is required to make the public announcement by issuing a press release disclosing receipt of the notification and the Rule(s) upon which the deficiency is based, in addition to filing any Form 8-K required by SEC rules. In all other cases, the Company may make the public announcement either by filing a Form 8-K, where required by SEC rules, or by issuing a press release. As described in LTSE Rule 14.207(b)(1) and Supplementary Material .01 to LTSE Rule 14.207 (Disclosure of Material Information), the Company must notify LTSE Regulation about the announcement through the electronic disclosure submission system

available on the Exchange's Web site, except in emergency situations when notification may instead be provided by telephone or facsimile. If the public announcement is made during System Hours (as defined in LTSE Rule 1.160(qq)), the Company must notify LTSE Regulation at least ten minutes prior to the announcement. If the public announcement is made outside of System Hours (as defined in LTSE Rule 1.160(qq)), the Company must notify LTSE Regulation of the announcement at least 10 minutes prior to the start of System Hours (as defined in LTSE Rule 1.160(qq)). The Company should make the public announcement as promptly as possible but not more than four business days following receipt of the notification.

.01 Disclosure of Written Notice of Staff Determination

LTSE Rule 14.501(c) requires that a Company make a public announcement by filing a Form 8-K, where required by SEC rules, or by issuing a press release disclosing the receipt of (i) a notice that the Company does not meet a listing standard set forth in Chapter 14, (ii) a Staff Delisting Determination to limit or prohibit continued listing of the Company's securities under LTSE Rule 14.501 as a result of the Company's failure to comply with the continued listing requirements, or (iii) a Public Reprimand Letter; provided, however, that if the notification relates to a failure to meet the requirements of LTSE Rules 14.207(c)(1) or (2), the Company must make the public announcement by issuing a press release. Such public announcement shall be made as promptly as possible, but not more than four business days following the receipt of the notification, Staff Delisting Determination, or Public Reprimand Letter, as applicable. In addition to containing all disclosure required by Form 8-K, if applicable, the public announcement must describe each specific basis and concern identified by LTSE Regulation in its determination that the Company does not meet the listing standard and identify the Rules upon which the deficiency is based. For example, if the LTSE Regulation determines to delist a Company based on its discretionary authority under LTSE Rule 14.101, the Company must include in its public announcement the specific concerns cited in the Staff Delisting Determination. In addition, a Company may provide its own analysis of the issues raised in the Staff Delisting Determination.

If the public announcement is not made by the Company within the time allotted or does not include all of the required information, trading of its securities shall be halted (if not already halted), even if the Company appeals the Staff Delisting Determination or Public Reprimand Letter as set forth in LTSE Rule 14.502, and LTSE Regulation may make a public announcement with the required information. If the company's failure to make this public announcement is the only basis for a trading halt, LTSE would ordinarily resume trading if LTSE Regulation makes the public announcement. If the Company fails to make the public announcement by the time that the Hearings Panel issues its Decision, that Decision will also determine whether to delist the Company's securities for failure to make the public announcement.

LTSE Rule 14.501(c) does not relieve a Company of its disclosure obligation under the federal securities laws, nor should it be construed as providing a safe harbor under the federal securities laws. It is suggested that the Company consult with corporate/securities counsel in assessing its disclosure obligations under the federal securities laws.

(d) Types of Deficiencies and Notifications

The type of deficiency at issue determines whether the Company will be immediately suspended and delisted, or whether it may submit a compliance plan for review or is entitled to an automatic cure or compliance period before a Staff Delisting Determination is issued. In the case of a deficiency not specified below, Staff will issue the Company a Staff Delisting Determination or a Public Reprimand Letter.

(1) Deficiencies that Immediately Result in a Staff Delisting Determination.

Staff's notice will inform the Company that its securities are immediately subject to suspension and delisting when:

- (A) a Company fails to timely solicit proxies; or
- (B) Staff has determined, under its discretionary authority in LTSE Rule 14.101, that the Company's continued listing raises a public interest concern.

(2) Deficiencies for which a Company may Submit a Plan of Compliance for Staff Review.

(A) Submission of Plan of Compliance. Unless the Company is currently under review by the Listings Review Committee for a Staff Delisting Determination, LTSE Regulation may accept and review a plan to regain compliance when a Company is deficient with respect to one of the standards listed in subsections (i) through (v) below. In accordance with Rule 14.501(d)(2)(C), plans provided pursuant to subsections (i) through (iv) below must be provided generally within 45 calendar days, and in accordance with Rule 14.501(d)(2)(F), plans provided pursuant to subsection (v) must be provided generally within 60 calendar days.

- (i) all quantitative deficiencies from standards that do not provide a compliance period;
- (ii) deficiencies from the standards of LTSE Rules 14.405 (Board of Directors and Committees) or 14.407(a)(4)(C) (Independent Directors/Audit Committee of Limited Partnerships) where the cure period of the Rule is not applicable;
- (iii) deficiencies from the standards of LTSE Rules 14.408(a) {Meetings of Shareholders}, 14.408(c) {Quorum}, 14.411{Review of Related Party Transactions}, 14.412 {Shareholder Approval}, 14.207(c)(3) {Auditor Registration}, 14.208(a) {Direct Registration Program}, 14.406 {Code of

Conduct}, 14.407(a)(4)(D) {Partner Meetings of Limited Partners}, 14.407(a)(4)(E) {Quorum of Limited Partnerships}, 14.407(a)(4)(G) {Related Party Transactions of Limited Partnerships}, 14.413 {Voting Rights}, or 14.414 {Internal Audit Function}; or

(iv) failure to make the disclosure required by LTSE Rule 14.207(b)(3); or

(v) failure to file periodic reports as required by LTSE Rule 14.207(c)(1) or (2).

(B) Staff Alternatives Upon Review of Plan. Staff may request such additional information from the Company as is necessary to make a determination, as described below. In cases other than filing delinquencies and annual meeting deficiencies, which are governed by LTSE Rule 14.501(d)(2)(F) and 14.501(d)(2)(G) respectively, upon review of a plan of compliance, Staff may either:

(i) grant an extension of time to regain compliance not greater than 180 calendar days from the date of Staff's initial notification, unless the Company is currently under review by the Listings Review Committee for a Staff Delisting Determination. If Staff grants an extension, it will inform the Company in writing of the basis for granting the extension and the terms of the extension;

(ii) issue a Staff Delisting Determination letter that includes a description of the basis for denying the extension; or

(iii) issue a Public Reprimand Letter, as defined in LTSE Rule 14.500(b)(5).

(C) Timeline for Submission of Compliance Plans. Except for deficiencies from the standards of LTSE Rule 14.207(c)(1) or (2), Staff's notification of deficiencies that allow for compliance plan review will inform the Company that it has 45 calendar days to submit a plan to regain compliance with the Exchange's listing standard(s). Staff may extend this deadline for up to an additional 5 calendar days upon good cause shown and may request such additional information from the Company as is necessary to make a determination regarding whether to grant such an extension.

(D) Restrictions on Compliance Plans for Certain Deficiencies. Staff will not accept a plan to achieve compliance with deficiencies in total assets and total revenue, since compliance requires stated levels of assets and revenues during completed fiscal years and therefore can only be demonstrated through audited financial statements. Similarly, a Company may not submit a

plan relying on partial-year performance to demonstrate compliance with these standards. A Company may, however, submit a plan that demonstrates current or near-term compliance with the listing requirement relating to stockholders' equity or Market Value of Listed Securities.

- (E) Failure to Meet the Terms of a Staff Extension. If the Company does not regain compliance within the time period provided by all applicable Staff extensions, Staff will immediately issue a Staff Delisting Determination indicating the date on which the Company's securities will be suspended unless it requests review by a Hearings Panel.
- (F) Filing Delinquencies. In the case of deficiencies from the standards of LTSE Rule 14.207(c)(1) or (2):
 - (i) Staff's notice shall provide the Company with 60 calendar days to submit a plan to regain compliance with the listing standard; provided, however, that the Company shall not be provided with an opportunity to submit such a plan if review under LTSE Rule 14.500 of a prior Staff Delisting Determination with respect to the Company is already pending. Staff may extend this deadline for up to an additional 15 calendar days upon good cause shown and may request such additional information from the Company as is necessary to make a determination regarding whether to grant such an extension.
 - (ii) The maximum additional time provided by all exceptions granted by Staff for a deficiency described in paragraph (i) above is 180 calendar days from the due date of the first late periodic report (as extended by Rule 12b-25 under the Act, if applicable). In determining whether to grant an exception, and the length of any such exception, Staff will consider, and the Company should address in its plan of compliance, the Company's specific circumstances, including the likelihood that the filing can be made within the exception period, the Company's past compliance history, the reasons for the late filing, corporate events that may occur within the exception period, the Company's general financial status, and the Company's disclosures to the market. This review will be based on information provided by a variety of sources, which may include the Company, its audit committee, its outside auditors, the staff of the SEC and any other regulatory body.
- (G) Annual Meeting. In the case of deficiencies from the standards of Rules 14.408(a) and 14.407(a)(4)(D):

- (i) Staff's notice shall provide the Company with 45 calendar days to submit a plan to regain compliance with the listing standard; provided, however, that the Company shall not be provided with an opportunity to submit such a plan if review under the Rule Series 14.500 of a prior Staff Delisting Determination with respect to the Company is already pending. Staff may extend this deadline for up to an additional 15 calendar days upon good cause shown and may request such additional information from the Company as is necessary to make a determination regarding whether to grant such an extension.
 - (ii) The maximum additional time provided by all exceptions granted by Staff is 180 calendar days from the deadline to hold the annual meeting (one year after the end of the Company's fiscal year). In determining whether to grant an exception, and the length of any such exception, Staff will consider, and the Company should address in its plan of compliance, the Company's specific circumstances, including the likelihood that the Company would be able to hold an annual meeting within the exception period, the Company's past compliance history, the reasons for the failure to hold the annual meeting timely, corporate events that may occur within the exception period, the Company's general financial status, and the Company's disclosures to the market. This review will be based on information provided by a variety of sources, which may include the Company, its audit committee, its outside auditors, the staff of the SEC and any other regulatory body.
- (3) Deficiencies for which the Rules Provide a Specified Cure or Compliance Period.

With respect to deficiencies related to the standards listed in (A) - (E) below, Staff's notification will inform the Company of the applicable cure or compliance period provided by these Rules and discussed below. If the Company does not regain compliance within the specified cure or compliance period, LTSE Regulation will immediately issue a Staff Delisting Determination letter.

- (A) Bid Price Requirement. A failure to meet the continued listing requirement for minimum bid price shall be determined to exist only if the deficiency continues for a period of 30 consecutive business days. Upon such failure, the Company shall be notified promptly and shall have a period of 180 calendar days from such notification to achieve compliance. Compliance can be achieved during any compliance period by meeting the applicable standard for a minimum of 10 consecutive business days during the applicable compliance period, unless Staff exercises its discretion to extend this 10 day period as discussed in LTSE Rule 14.501(d)(3)(F).

- (B) **Market Makers.** A failure to meet the continued listing requirement for a number of Market Makers shall be determined to exist only if the deficiency continues for a period of 10 consecutive business days. Upon such failure, the Company shall be notified promptly and shall have a period of 30 calendar days from such notification to achieve compliance. Compliance can be achieved by meeting the applicable standard for a minimum of 10 consecutive business days during the 30 day compliance period.
- (C) **Market Value of Listed Securities.** A failure to meet the continued listing requirements for Market Value of Listed Securities shall be determined to exist only if the deficiency continues for a period of 30 consecutive business days. Upon such failure, the Company shall be notified promptly and shall have a period of 180 calendar days from such notification to achieve compliance. Compliance can be achieved by meeting the applicable standard for a minimum of 10 consecutive business days during the 180 day compliance period.
- (D) **Market Value of Publicly Held Shares.** A failure to meet the continued listing requirement for Market Value of Publicly Held Shares shall be determined to exist only if the deficiency continues for a period of 30 consecutive business days. Upon such failure, the Company shall be notified promptly and shall have a period of 180 calendar days from such notification to achieve compliance. Compliance can be achieved by meeting the applicable standard for a minimum of 10 consecutive business days during the 180 day compliance period.
- (E) **Independent Director and Audit Committee Rules.** If a Company fails to meet the majority board independence requirement in LTSE Rule 14.405(b)(1) due to one vacancy, or because one director ceases to be independent for reasons beyond his/her reasonable control, LTSE Regulation will promptly notify the Company and inform it has until the earlier of its next annual shareholders meeting or one year from the event that caused the deficiency to cure the deficiency. However, if the Company's next annual shareholders' meeting is held sooner than 180 days after the event that caused the deficiency, then the Company has 180 days from the event that caused the deficiency to cure it.

If a Company fails to meet the audit committee composition requirements in LTSE Rule 14.405(c)(2) because an audit committee member ceases to be independent for reasons outside his/her control, LTSE Regulation will promptly notify the Company and inform it that has until the earlier of its next annual shareholders meeting or one year from the occurrence of the event

that caused the failure, to cure the deficiency. If the Company fails to meet the audit committee composition requirement due to one vacancy on the audit committee, and the Company is not relying upon a cure period for another member, LTSE Regulation will promptly notify the Company and inform it that it has until the earlier of its next annual shareholders meeting or one year from the event that caused the failure to cure the deficiency. However, if the Company's next annual shareholders' meeting is held sooner than 180 days after the event that caused the deficiency, then the Company has 180 days from the event that caused the deficiency to cure it.

(F) Staff Discretion Relating to the Price-based Requirements. If a Company fails to meet the Market Value of Listed Securities, Market Value of Publicly Held Shares, or Bid Price requirements, each of which is related to the Company's security price and collectively called the "Price-based Requirements," compliance is generally achieved by meeting the requirement for a minimum of ten consecutive business days. However, Staff may, in its discretion, require a Company to satisfy the applicable Price-based Requirement for a period in excess of ten consecutive business days, but generally no more than 20 consecutive business days, before determining that the Company has demonstrated an ability to maintain long-term compliance. In determining whether to require a Company to meet the applicable Price-based-requirement beyond ten business days, Staff may consider all relevant facts and circumstances, including without limitation:

- (i) the margin of compliance (the amount by which a Company exceeds the applicable Price-based requirement);
- (ii) the trading volume (a lack of trading volume may indicate a lack of bona fide market interest in the security at the posted bid price);
- (iii) the Market Maker quoting activity (the number of Market Makers quoting at or above \$1.00 or the minimum price necessary to satisfy another Price-based Requirement; and the size of their quotes); and
- (iv) the trend of the stock price (is it up or down).

(4) Public Reprimand Letter.

Staff's notification may be in the form of a Public Reprimand Letter in cases where the Company has violated an Exchange corporate governance or notification listing standard (other than one required by Rule 10A-3 of the Act) and Staff determines that delisting is an inappropriate sanction. In determining whether to issue a public

reprimand letter, LTSE Regulation will consider whether the violation was inadvertent, whether the violation materially adversely affected shareholders' interests, whether the violation has been cured, whether the Company reasonably relied on an independent advisor and whether the Company has demonstrated a pattern of violations.

(e) Additional Deficiencies

LTSE Regulation continues to evaluate the compliance of Companies while they are under review by the Listings Review Committee and may identify additional deficiencies. Upon identification of an additional deficiency, Staff will issue an additional notification of deficiency to the Company and send a copy to the Listings Review Committee.

- (1) Staff's notification of the additional deficiency will conform to the requirements set forth in LTSE Rule 14.501(b) if:
 - (A) the matter under review by the Listings Review Committee is a Public Reprimand Letter; or
 - (B) the additional deficiency identified is one that has an automatic cure or compliance period. If the additional deficiency is one that would in the normal course result in immediate suspension and delisting, or one for which the Company may submit a compliance plan to Staff for review, Staff's notification will instruct the Company to address the issue to the Listings Review Committee at its hearing, unless the hearing for the original deficiency has already taken place. If the hearing has already taken place, Staff's notification will instruct the Company to provide in writing, within a specified time period, a submission that addresses the deficiency to the Listings Review Committee before which its matter is pending.

Rule 14.502. Review of Staff Determinations by the Listings Review Committee

When a Company receives a Staff Delisting Determination or a Public Reprimand Letter issued by LTSE Regulation it may request in writing that the Listings Review Committee review the matter in a written or an oral hearing. This section sets forth the procedures for requesting a hearing before the Listings Review Committee, describes the Listings Review Committee and the possible outcomes of a hearing, and sets forth Listings Review Committee procedures.

- (a) Procedures for Requesting and Preparing for a Hearing
 - (1) Timely Request Stays Delisting

(A) A Company may, within seven calendar days of the date of the Staff Delisting Determination notification or Public Reprimand Letter request a written or oral hearing before the Listings Review Committee to review the Staff Delisting Determination or Public Reprimand Letter. Subject to the limitation in paragraph (B) below, a timely request for a hearing will stay the suspension and delisting action pending the issuance of a written Listings Review Committee Decision. Requests for hearings should be submitted in writing to the General Counsel.

(B) A request for a hearing shall ordinarily stay the delisting action pending the issuance of a Listings Review Committee Decision. However, if the Staff Delisting Determination relates to deficiencies from the standards of LTSE Rule 14.207(c)(1) or (2), which require a Company to timely file its periodic reports with the Commission, the delisting action will only be stayed for 15 calendar days from the deadline to request a hearing unless the Company specifically requests and the Listings Review Committee grants a further stay. A request for a further stay must include an explanation of why such a stay would be appropriate and should be included in the Company's request for a hearing. Based on that submission and any recommendation provided by Staff, the Listings Review Committee will determine whether to grant the Company a further stay. In determining whether to grant the stay, the Listings Review Committee will consider the Company's specific circumstances, including the likelihood that the filing can be made within any exception period that could subsequently be granted, the Company's past compliance history, the reasons for the late filing, corporate events that may occur within the exception period, the Company's general financial status, and the Company's disclosures to the market. The Listings Review Committee will notify the Company of its conclusion as soon as is practicable, but in no event more than 15 calendar days following the deadline to request the hearing. In the event the Listings Review Committee determines not to grant the Company a stay, the Company's securities will be immediately suspended and will remain suspended unless the Listings Review Committee Decision issued after the hearing determines to reinstate the securities.

(2) Failure to Request Results in Immediate Delisting

If a Company fails to request in writing a hearing within seven calendar days, it waives its right to request review of a Delisting Determination or Public Reprimand Letter. In that event, LTSE Regulation will take action to suspend trading of the securities and follow procedures to delist the securities.

(3) Fees

Within 15 calendar days of the date of the Staff Delisting Determination or Public Reprimand Letter the Company must submit a hearing fee to the Exchange, to cover the cost of the hearing, as follows:

- (A) when the Company has requested a written hearing, \$1,000; or
- (B) when the Company has requested an oral hearing, whether in person or by telephone, \$5,000.

(4) Scheduling of Hearings

The General Counsel will schedule hearings to take place, to the extent practicable, within 45 days of the request for a hearing, at a location determined by the General Counsel. The General Counsel will send written acknowledgment of the Company's hearing request and inform the Company of the date, time, and location of the hearing, and deadlines for written submissions to the Listings Review Committee. The Company will be provided at least ten calendar days' notice of the hearing unless the Company waives such notice.

(5) Submissions from Company

The Company may submit to the General Counsel a written plan of compliance and request that the Listings Review Committee grant an exception to the listing standards for a limited time period, as permitted by LTSE Rule 14.502(b)(1)(A) or may set forth specific grounds for the Company's contention that the issuance of a Staff Delisting Determination or Public Reprimand Letter was in error, and may also submit public documents or other written material in support of its position, including any information not available at the time of the Staff Determination. The Listings Review Committee will review the written record, as described in LTSE Rule 14.505(a), before the hearing.

(6) Presentation at Hearing

At an oral hearing, the Company may make such presentation as it deems appropriate, including the appearance by its officers, directors, accountants, counsel, investment bankers, or other persons, and the Listings Review Committee may question any representative appearing at the hearing. Hearings are generally scheduled to last one hour, but the Hearings Panel may extend the time. The General Counsel or his or her designee will arrange for and keep on file a transcript of oral hearings.

(b) Scope of the Listing Review Committee's Discretion

- (1) The Listing Review Committee may, where it deems appropriate:
 - (A) grant an exception to the continued listing standards for a period not to exceed 180 days from the date of the Staff Delisting Determination with respect to the deficiency for which the exception is granted;
 - (B) suspend and delist the Company's securities;
 - (C) issue a Decision that serves as a Public Reprimand Letter in cases where the Company has violated an Exchange corporate governance or notification listing standard (other than one required by Rule 10A-3 of the Act) and the Listings Review Committee determines that delisting is an inappropriate sanction. In determining whether to issue a Public Reprimand Letter, the Listings Review Committee will consider whether the violation was inadvertent, whether the violation materially adversely affected shareholders' interests, whether the violation has been cured, whether the Company reasonably relied on an independent advisor and whether the Company has demonstrated a pattern of violations;
 - (D) find the Company in compliance with all applicable listing standards; or
 - (E) in the case of a Company that fails to file a periodic report (e.g., Form 10-K, 10-Q, 20-F, 40-F, or N-CSR), the Listings Review Committee may grant an exception for a period not to exceed 360 days from the due date of the first such late periodic report. The Company can regain compliance with the requirement by filing that periodic report and any other delinquent reports with due dates falling before the end of the exception period. In determining whether to grant an exception, and the length of any such exception, the Listings Review Committee will consider the Company's specific circumstances, including the likelihood that the filing can be made within the exception period, the Company's past compliance history, the reasons for the late filing, corporate events that may occur within the exception period, the Company's general financial status, and the Company's disclosures to the market. This review will be based on information provided by a variety of sources, which may include the Company, its audit committee, its outside auditors, the staff of the SEC and any other regulatory body.
 - (F) In the case of a Company or Limited Partnership that fails to hold an annual meeting, the Listings Review Committee may grant an exception for a period not to exceed 360 days from the deadline to hold the annual meeting (one year after the end of the Company's fiscal year).

- (2) The Listings Review Committee may consider any failure to meet any quantitative or qualitative standard for continued listing, including failures previously not considered by Staff. The Company will be given written notice of such consideration and an opportunity to respond.
 - (3) Under the authority described in LTSE Rule 14.101, the Listings Review Committee may subject the Company to additional or more stringent criteria for the continued listing of particular securities based on any event, condition, or circumstance that exists or occurs that makes continued listing of the securities inadvisable or unwarranted in its opinion, even though the securities meet all enumerated criteria for continued listing on the Exchange.
- (c) Listings Review Committee Procedures
- (1) Decision

After the hearing, the General Counsel, on behalf of the Listings Review Committee, will issue a Decision that meets the requirements of LTSE Rule 14.505(c) and has been approved by at least a majority of the members of the Listings Review Committee in attendance. The Listings Review Committee Decision shall be promptly provided to the Company, and is effective immediately upon issuance, unless it specifies to the contrary. If the Listings Review Committee is deadlocked, the Chair's vote shall count twice, or if the Chair is not in attendance, the vote of the next most senior member of the Listings Review Committee shall count twice.
 - (2) Form 25 Notification of Delisting

If the Listings Review Committee issues a Decision to delist the Company's securities, LTSE Regulation will immediately take action to suspend trading of the securities, unless the Decision specifies to the contrary, and the Exchange will follow the procedures described in LTSE Rule 14.503 to submit an application on Form 25 to the SEC to strike the security from listing.
 - (3) Procedures Applicable for Recurring Deficiencies
 - (A) Listings Review Committee Monitor

The Listings Review Committee may, after a Company regains compliance with all applicable listing standards, monitor the Company's continued compliance for up to one year after the compliance date, if the Listings Review Committee concludes that there is a likelihood that the issuer will fail

to maintain compliance with one or more listing standards during that period. If the Listings Review Committee or LTSE Regulation determines that a Company under Listings Review Committee monitor fails any listing standard during the monitor period, the Staff will issue a Staff Delisting Determination and the General Counsel or his or her designee will promptly schedule a new hearing. The hearing may be oral or written, at the Company's election.

Notwithstanding LTSE Rule 14.501(d)(2), the Company will not be permitted to provide LTSE Regulation with a plan of compliance with respect to any deficiency that arises during the monitor period, and LTSE Regulation will not be permitted to grant additional time for the Company to regain compliance with respect to any deficiency. The Listings Review Committee will consider the Company's compliance history when rendering its Decision.

(B) No Listings Review Committee Monitor

If the Listings Review Committee has not opted to monitor a Company that has regained compliance with the listing standards requiring the Company to maintain certain levels of stockholders' equity or to timely file periodic reports, and within one year of the date the Company regained compliance with such listing standard, LTSE Regulation finds the Company again out of compliance with the requirement that was the subject of the exception, then, notwithstanding LTSE Rule 14.501(d)(2), LTSE Regulation will not allow the Company to provide it with a plan of compliance or grant additional time for the Company to regain compliance. Rather, LTSE Regulation will promptly issue a Staff Delisting Determination, and the Company may request review by the Listings Review Committee. The Listings Review Committee will consider the Company's compliance history when rendering its Decision.

(4) Request for Listings Review Committee Reconsideration

A Company may request, in writing, that the Listings Review Committee reconsider a Listings Review Committee Decision only upon the basis that a mistake of material fact existed at the time of the Listings Review Committee Decision. The Company's request for reconsideration shall be made within seven calendar days of the date of issuance of the Listings Review Committee Decision. A Company's request for reconsideration will not stay a delisting determination or suspension of trading of the Company's securities, unless the Listings Review Committee, before the scheduled date for suspension, issues a written determination staying the suspension and/or reversing the determination to delist.

If the Listings Review Committee grants a Company's reconsideration request, it will issue a modified Decision meeting the requirements of LTSE Rule 14.505(c) within 15 calendar days of the date of the original Listings Review Committee Decision.

Rule 14.503. Finality of Delisting Determination

When the Exchange has made a final determination to delist a Company's securities, it will follow procedures consistent with the Act to strike the security from listing. The Exchange's determination to delist a Company's securities is final when, after a Delisting Determination has been issued, all available reconsideration procedures and periods available under these Rules have expired.

The Exchange will issue a press release and post a notice on its website announcing its final determination to remove a security from listing, consistent with Rule 12d2-2 under the Act. Under Rule 12d2-2, the Exchange must disseminate this public notice not less than 10 days before the delisting becomes effective and maintain the website notice until the delisting is effective. Following the public notification, the Exchange will file an application on Form 25 with the Commission to delist the security, and will promptly provide a copy of that Form 25 to the Company. The delisting of the security becomes effective 10 days after the Form 25 is filed pursuant to Rule 12d2-2(d)(1) under the Act, unless the Commission postpones the delisting pursuant to Rule 12d2-2(d)(3).

Rule 14.504. Rules Applicable to the Listings Review Committee and Advisors

(a) Ex Parte Communications

(1) No Ex parte Communications

No member of the staff of LTSE Regulation or its counsel, and no Company representative will make or knowingly cause to be made an ex parte communication relevant to the merits of a proceeding under this Section to the Listings Review Committee, any member thereof or any Advisor. Similarly, neither the Listings Review Committee, any member thereof nor any Advisor will make or knowingly cause to be made an ex parte communication relevant to the merits of a proceeding to a Company representative, a member of the staff of LTSE Regulation or its counsel.

(2) If an ex parte communication as described in paragraph (1) is made, received or caused to be made, the person making such ex parte communication will place a copy of it, or its substance if it is an oral communication, in the record of the proceeding. Staff of LTSE Regulation or the Company, as applicable, will be

permitted to respond to the ex parte communication, and any response will be placed in the record of the proceeding.

(b) Recusal or Disqualification

No person will participate as a member of the Listings Review Committee, the staff of LTSE Regulation, or Advisor to either thereof, in a matter as to which he or she has a conflict of interest or bias, or circumstances otherwise exist where his or her fairness might reasonably be questioned. In any such case, the person will recuse himself or herself, or will be disqualified. The Chair of the Listings Review Committee shall have authority to order the disqualification of a member of the Listings Review Committee and a majority of the Listings Review Committee excluding the Chair, shall have authority to order the disqualification of the Chair. A Company that has requested a review by the Listings Review Committee shall provide such information as determined by LTSE necessary to enable LTSE and the members of the Listing Review Committee, the staff of LTSE Regulation, or an Advisor to either thereof to determine whether he or she has a conflict of interest or bias, or circumstances otherwise existing where his or her fairness might reasonably be questioned.

Rule 14.505. Adjudicatory Process: General Information

(a) Record on Review

At each proceeding under this Section, the written record may consist of the following items, as applicable: correspondence between the Exchange and the Company; the Company's public filings; information released to the public by the Company; written submissions, exhibits, or requests submitted by either the Company or LTSE Regulation and responses thereto; and any additional information considered by the Listings Review Committee as part of the review process. The written record will be supplemented by the transcript of any hearings held during the review process and all Decisions issued.

At each review under this Section, the Company will be informed of the contents of the written record. The Company will be provided a copy of any documents in the record that were not provided by the Company or are not publicly available, at least three calendar days before the deadline for Company submissions, unless the Company waives this production.

If additional issues arising under Chapter 14 are considered, as permitted by LTSE Rule 14.500, the notice of such consideration and any response to such notice shall be made a part of the record.

(b) Additional Information Requested or Considered

At each proceeding under this Section, the Listings Review Committee, as part of its review:

- (1) may request additional information from the Company or LTSE Regulation; and
- (2) may consider additional information available from other sources it deems relevant. The Company and LTSE Regulation will be afforded written notice and an opportunity to address the significance of any information requested or considered, and the notice, responses to the notice, and the information considered will be made part of the record.

(c) Contents of Decisions

Each Listings Review Committee written Decision will include:

- (1) a statement describing the procedural history of the proceeding, including investigations or reviews undertaken by LTSE Regulation;
- (2) the quantitative or qualitative standard that the Company is alleged to have failed to satisfy;
- (3) a statement setting forth the findings of fact with respect to the Company;
- (4) the conclusions of the Listings Review Committee as to whether the Company has failed to satisfy the quantitative or qualitative standards for initial or continued listing; and
- (5) a statement of the Listings Review Committee in support of its disposition of the matter, and, if applicable, the rationale for any exception to the initial or continued listing requirements granted.

(d) Correction of Clerical Errors

The Listings Review Committee may correct clerical or other non-substantive errors in its Decisions either on their own motion or at the request of a Company. A copy of any such corrected Decision will be provided to the Company.

(e) Computation and Adjustment of Time

- (1) Except as described in paragraph (B) below, in counting any time under this Section, the day of the act, event, or default from which the period of time begins to run, is not to be included. The last day of the period is included, unless it is a Saturday, Sunday, federal holiday, or Exchange holiday in which case the period

runs until the end of the next day that is not a Saturday, Sunday, federal holiday or Exchange holiday.

- (2) When Staff determines whether a deficiency has occurred with respect to the Price, Market Value of Listed Securities, or Market Value of Publicly Held Shares requirements, the first trading day that the Price or Market Value is below required standards is included in computing the total number of consecutive trading days of default. Similarly, when Staff determines whether a Company has regained compliance with the Price, Market Value of Listed Securities, or Market Value of Publicly Held Shares requirements, the first trading day that the Price or Market Value is at or above required standards is included in computing the total number of consecutive trading days.
- (3) If the Office of General Counsel determines that notice required to be provided under this Section was not properly given or that other extenuating circumstances exist, the Office of General Counsel may adjust the periods of time provided by the rules for the filing of written submissions, the scheduling of hearings, or the performance of other procedural actions by the Company or the Listings Review Committee, as applicable, to allow the Company or the Listings Review Committee the time contemplated by these rules.
- (4) A Company may waive any notice period specified in this Section.

(f) Delivery of Documents

Delivery of any document under this Section may be made by electronic delivery, hand delivery, facsimile, regular mail, or overnight courier. Delivery will be considered timely if the electronic delivery, hand delivery, fax, or overnight courier is received on or before the relevant deadline. If a Company has not specified a facsimile number, e-mail address, or street address, delivery will be made to the last known facsimile number, e-mail address, and street address. If a Company is represented by counsel or a representative, delivery may be made to the counsel or representative.

(g) Document Retention Procedures

Any document submitted to the Exchange in connection with a proceeding under this Section will be retained in accordance with applicable record retention policies.

(h) Documentation of Decisions

LTSE Regulation or the Advisor to the Listings Review Committee, as applicable, shall document the date on which a Decision with respect to a Company is implemented.

(i) Re-Listing of a Company

A Company that has been the subject of a Decision by the Listings Review Committee to delist such Company shall be required, prior to re-listing, to comply with the requirements for initial listing. A Company that has been suspended but that has not been the subject of such a Decision shall be required, prior to re-listing, to comply with requirements for continued listing.

(j) Voluntary Delisting

(1) A Company may voluntarily terminate its listing upon compliance with all requirements of Rule 12d2-2(c) under the Act. In part, Rule 12d2-2(c) requires that the Company may delist by filing an application on Form 25 with the Commission, provided that the Company: (i) complies with all applicable laws in effect in the state in which it is incorporated and with the applicable LTSE Rules; (ii) provides notice to the Exchange no fewer than 10 days before the Company files the Form 25 with the Commission, including a statement of the material facts relating to the reasons for delisting; and (iii) contemporaneous with providing notice to the Exchange, publishes notice of its intent to delist, along with its reasons therefore, via a press release and on its web site, if it has one. Any notice provided on the Company's web site pursuant to Rule 12d2-2(c) must remain available until the delisting has become effective. The Company must also provide a copy of the Form 25 to the Exchange simultaneously with its filing with the Commission. The Exchange will provide notice on its web site of the Company's intent to delist as required by Rule 12d2-2(c)(3).

(2) A Company that seeks to voluntarily delist a class of securities pursuant to LTSE Rule 14.505(j)(1) that has received notice from the Exchange, pursuant to LTSE Rule 14.500 or otherwise, that it fails to comply with one or more requirements for continued listing, or that is aware that it is below such continued listing requirements notwithstanding that it has not received such notice from the Exchange, must disclose this fact (including the specific continued listing requirement that it is below) in: (i) its statement of all material facts relating to the reasons for withdrawal from listing provided to the Exchange along with written notice of its determination to withdraw from listing required by Rule 12d2-2(c)(2)(ii) under the Act; and (ii) its press release and web site notice required by Rule 12d2-2(c)(2)(iii) under the Act.

(k) Disclosure of Public Reprimand Letter

A Company that receives a Listings Review Committee Decision that serves as a Public Reprimand Letter must make a public announcement by filing a Form 8-K, where required

by SEC rules, or by issuing a press release disclosing the receipt of the Decision, including the Rule(s) upon which the Decision was based. As described in LTSE Rule 14.207(b)(1) and Supplementary Material .01 to LTSE Rule 14.207, the Company must notify the LTSE Regulation about the announcement through the electronic disclosure submission system available on the Exchange's Web site, except in emergency situations when notification may instead be provided by telephone or facsimile. If the public announcement is made during System Hours (as defined in LTSE Rule 1.160(qq)), the Company must notify LTSE Regulation at least ten minutes prior to the announcement. If the public announcement is made outside of System Hours (as defined in LTSE Rule 1.160(qq)), the Company must notify LTSE Regulation of the announcement at least ten minutes prior to the start of System Hours (as defined in LTSE Rule 1.160(qq)). The Company should make the public announcement as promptly as possible but not more than four business days following receipt of the Decision.

(l) Disclosure by LTSE

In order to maintain the quality of and public confidence in its market and to protect investors and the public interest, LTSE may, at any level of a proceeding under this LTSE Rule 14.500, make a public announcement, including by press release, describing a notification, Public Reprimand Letter, Staff Delisting Determination, Adjudicatory Body Decision, or other event involving a Company's listing or trading on LTSE.

Rule Series 14.600. Listed Company Fees

Rule 14.601. Reserved.

CHAPTER 15. DUES, FEES, ASSESSMENTS, AND OTHER CHARGES; EFFECTIVE DATE

Rule 15.110. Authority to Prescribe Dues, Fees, Assessments, and Other Charges

- (a) Generally. The Exchange may prescribe such reasonable dues, fees, assessments, or other charges as it may, in its discretion, deem appropriate. Such dues, fees, assessments, and charges may include membership dues, transaction fees, communication and technology fees, regulatory charges, listing fees, and other fees and charges as the Exchange may determine. All such dues, fees, and charges shall be equitably allocated among Members, issuers, and other persons using the Exchange's facilities.
- (b) Regulatory Transaction Fee. Under Section 31 of the Act, the Exchange must pay certain fees to the Commission. To help fund the Exchange's obligations to the Commission under Section 31, this Regulatory Transaction Fee is assessed to Members. To the extent there may be any excess monies collected under this LTSE Rule 15.110, the Exchange may retain those monies to help fund its general operating expenses. Each Member engaged in executing transactions on the Exchange shall pay, in such manner and at such times as the Exchange shall direct, a Regulatory Transaction Fee equal to (i) the rate determined by the Commission to be applicable to covered sales occurring on the Exchange in accordance with Section 31 of the Act multiplied by (ii) the Member's aggregate dollar amount of covered sales occurring on the Exchange during any computational period.
- (c) Trading Fees. The Exchange will provide Members with notice of all relevant dues, fees, assessments, and charges of the Exchange. Such notice may be made available to Members on the Exchange's website or by any other method deemed reasonable by the Exchange.
- (d) Connection Fees. To the extent the Exchange is charged a fee by a third party that results directly from a Member cross-connecting its trading hardware to the Exchange's System from another trading center's system that is located in the same data center as the Exchange, the Exchange will pass that fee on, in full, to the Member.

Rule 15.120. Collection of Exchange Fees and Other Claims and Billing Policy

- (a) Each LTSE Member, and all applicants for registration as such, shall be required to provide a clearing account number for an account at the National Securities Clearing Corporation ("NSCC") for purposes of permitting the Exchange to debit any undisputed or final fees, fines, charges, and/or other monetary sanctions or other

monies due and owing to the Exchange or other charges pursuant to LTSE Rule 15.110, including the Exchange Fee Schedule thereto; Regulatory Transaction Fees pursuant to LTSE Rule 15.110(b); dues, assessments and other charges pursuant to LTSE Rule 2.200 to the extent the Exchange were to determine to charge such fees; and fines, sanctions, and other charges pursuant to Chapters 8 and 9 of the LTSE Rulebook, which are due and owing to LTSE. If an LTSE Member disputes an invoice, the Exchange will not include the disputed amount in the debit if the Member has provided written notification of the dispute to the LTSE Accounting Department at accounting@ltse.com by the later of the 25th of the month (or the following business day if the 25th is not a business day) or ten days after the date the electronic invoice was sent to the Member, and the amount in dispute is at least \$10,000 or greater.

- (b) All pricing disputes concerning fees, which are listed in paragraph (a), billed by the Exchange must be submitted to the Exchange in writing and must be accompanied by supporting documentation. All pricing disputes must be submitted no later than sixty (60) days after receipt of a billing invoice.

* * * * * **Supplementary Material** * * * * *

The Exchange will not debit fees due to FINRA pursuant to LTSE Rule 15.110(a), which are collected and retained by FINRA.

CHAPTER 16. RESERVED
