**EXHIBIT G**

**Exhibit Request:**

A complete set of all forms of financial statements, reports, or questionnaires required of members, subscribers, or any other users relating to financial responsibility or minimum capital requirements for such members, or any other users. Provide a table of contents listing the forms included in this Exhibit G.

**Response:**

As broker-dealers, Members will be required to comply with the Commission’s net capital and customer protection rules set forth in Rules 15c3-1 and 15c3-3 of the Securities Exchange Act of 1934, as amended. See also, Chapter XVI of the proposed Rules. In addition, a Member that fails or is unable to perform any of its contracts or is insolvent is required to immediately notify the Exchange in writing. Moreover, whenever it appears that a Member has failed to perform its contracts, is insolvent or in such other financial and operating condition or is conducting its business in a manner that is not safe to customers, creditors and other Members, the President of the Exchange may impose restrictions on such Member. See proposed Exchange Rule 305.

Other than those forms and financial statements required to be submitted with an application for Membership (see Exhibit F), the Exchange will not have specific forms of financial statements, reports or questionnaires required of its Members with respect to financial responsibility or minimum capital requirements. The Exchange will, however, be able to obtain such financial information from a Member’s Designated Examining Authority if necessary.
