ORDER DETERMINING WHISTLEBLOWER AWARD CLAIM

The Claims Review Staff ("CRS") issued a Preliminary Determination recommending that [Redacted] ("Claimant") receive a whistleblower award of over $20,000, which is equal to [Redacted] percent (\(\%\)) of the amounts collected in the above-referenced Covered Action ("Covered Action").

The recommendation of the CRS is adopted. The record demonstrates that Claimant voluntarily provided original information to the Commission and that this original information led to the successful enforcement of the Covered Action.\(^1\)

In coming to this conclusion, the Commission considered that Claimant provided significant information that alerted Commission staff to an ongoing fraud, prompting the opening of the investigation. Claimant also provided critical documents and participated in post-tip conversations with Commission staff that helped advance the investigation.

Accordingly, it is hereby ORDERED that Claimant shall receive an award of *** percent (***%) of the monetary sanctions collected or to be collected in the Covered Action.

By the Commission.
