Securities & Exchange Commission

Subject: Rules & Regulation

Dear S.E.C.

I am writing this letter of support for SEC File No. 4-500 Request for Rulemaking Regarding Member Records of "Short" Positions and Reporting and Public Dissemination of Aggregate Positions by Security.

Without this rule change investors and securities regulators are blind to any short selling activity in Pink Sheets and OTCBB stocks. I would like for you to know that the lack of short sale information in these securities is unacceptable and I am requesting that you change NASD Rule 3360 immediately.

Your help in this matter is greatly appreciated.
