In re: New Confirmation and Point of Sale Disclosure Requirements?

Dear Sir:

For a long time, I have been very dissatisfied with the so-called disclosures so as things are being stirred up with so many wrong doings being divulged, I think it is time I wrote to ask that investors be given all (and I emphasize all) information that is informative and useful, including those mutual funds that give commission to brokers for them to tout their funds.

Thank you for your attention.
