Comments: I have reviewed your questionnaire
and find it well organized and comprehensive
comprehensive.

I would like to see the SEC have
the authority to enforce the rules for the
protection of an individual investor such as
myself. I dealt with what I thought was a
reputable company and broker only to have been
totally misled as to the fund. They misrepresented
the content of the fund and the fact it was the
company's own product. After the fact, I learned
that their broker had filed bankruptcy during this
time. As an individual, I feel there is no
protection against such actions
