Comments: *Yes Sirs, you are correct in saying I contacted the (S.E.C. N.A.S.D.A.C. and all other agencies), concerning the Mutual Fund Fees and expenses. (I'm sure you have all my Correspondance, I also have all Copies). It went so far that I was being Churned sometimes weekly, sometimes Monthly, at the same time being told, it wasn't Costing me a fee or one Cent. went so far in one instance as to move me from one which had just earned me \$14,000.00 and put me in another, which I have just been informed I lost \$25,000.00*

I am almost 80 years old and was depending on the broker M. L. Stern, Sacramento office, Name Larry Brooks. you people wrote back. "Could find no fault". They found no fault with Christ, But Crucified him anyway. CONTINUED See Back Page

you gave no help, yet I gave you all the facts and figures, undoubtedly you probably didn't even bother to read + do the math work in order that I might prevail on lost monies in Churnings.

would you be so kind as to review my Case? The Company is doing the same to others. There were many articles in the newspaper concerning other companies and people you helped to recoup some of their losses. But not me - Why?

Sincerely,
B. Horberry
