 COMMENTATION & ASSISTANCE

I am a senior citizen. When I signed up with Salomon Smith Barney, I told them my income was S.S. and I needed money for income to supplement S.S.

I cannot understand what they did, or if your enclosed forms would be adequate. Therefore I am sending you copies of all my transactions from Salomon Smith Barney. All I know is I was made to sell my no load funds & talked into the benefits of load funds. Well, it cost me a load to get out of them. I don't even know how much but it was many thousands. Could really use some of it back.

More space provided on back of page.

Thank you for looking into this matter, because I have no idea what the fees were or commissions I guess it might have appeared in the statement, but I do not understand the statement. My broker never disclosed same.

He made me buy some fidelity stock + then within a few months he made me sell because the manager was on vacation? I thought this odd. He also explained that a load fund compared to a no load fund was like comparing a Cadillac to a Ford.

I am enclosing copies of my transactions from Smith Barney for your review.

Thank you for looking into this
