II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

(1) Purpose

The Exchange proposes to delete the recently approved changes to its rules establishing a new class of off-floor market makers known as Designated Amex Remote Traders, or "DARTs." The Exchange plans to refile the proposed rule change with some revisions and subject to a new comment period. The Exchange is taking this action to facilitate the Commission's addressing, to the extent still germane, the substance of

comments it previously received on the original filing.<sup>6</sup>

(2) Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,<sup>7</sup> in general, and furthers the objectives of Section 6(b)(5),<sup>8</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

time as the Commission may designate if consistent with the protection of investors and the public interest, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>9</sup> and Rule 19b-4(f)(6) thereunder.<sup>10</sup>

The Exchange has requested that the Commission waive the 30-day pre-operative period, so that the proposal may become operative as of the date of filing. The Commission hereby grants the Exchange's request. The Commission believes that such action is consistent with the protection of investors and the public interest, because the Exchange will be able to submit the revised DART proposal without delay and interested parties will have the benefit of a notice-and-comment period on the new proposal.<sup>11</sup>
