

SECURITIES AND EXCHANGE COMMISSION
(Release No. 34-51955; File No. SR-Amex-2005-057)

June 30, 2005

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change and Amendments No. 1 and 2 Thereto Relating to Continuation of a Quote Assist Feature in the ANTE System on a Pilot Basis

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 24, 2005, the American Stock Exchange LLC. (“Amex” or “Exchange”) submitted to the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Amex. On May 31, 2005, the Amex filed Amendment No. 1 to the proposed rule change.³ On June 24, 2005, the Amex filed Amendment No. 2 to the proposed rule change.⁴ The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act⁵ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Amex proposes to amend Rule 950-ANTE (g) and 958A-ANTE (e) to extend its pilot program implementing a quote-assist feature until April 30, 2006. The text of the proposed

rule change is available on Amex's Web site (<http://www.amex.com>), at the Amex's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Amex included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Exchange Rule 958A-ANTE (e) currently requires all option specialists to execute or display customer limit orders that improve the bid or offer by price or size immediately upon receipt, unless one of the exceptions set forth in the rule applies. "Immediately upon receipt" is defined in the rule "as soon as practicable which shall mean, under normal market conditions, no later than 30 seconds after receipt."⁶

In order to assist the specialists in complying with Amex Rule 958A-ANTE (e) as described above, the ANTE System⁷ provides specialists with an automated quote assist feature on a pilot basis. The quote assist feature automatically displays eligible limit orders within a configurable time that can be set on a class-by-class basis by the Exchange. While all customer limit orders are expected to be displayed immediately, the quote assist feature can be set to

⁶ See Securities Exchange Act Release No. 51062 (January 21, 2005), 70 FR 4163 (January 28, 2005).

⁷ See Securities Exchange Act Release No. 49747 (May 20, 2004), 69 FR 30344 (May 27, 2004).

automatically display limit orders at or close to the end of the 30-second time frame or within any other shorter time frame established by the Exchange. In the event there are instances where the specialist has not yet addressed the order within the applicable 30-second period, the quote assist feature will automatically display the eligible customer limit order in the limit order book at or close to the end of that period. The quote assist feature helps to ensure that eligible customer limit orders are displayed within the required time period then in effect. Commentary .01 to Amex Rule 950-ANTE (g) currently requires the specialist to maintain and keep active the limit order quote assist feature. The specialist may establish the time frame within which the quote assist feature displays eligible customer limit orders, which time frame does not exceed the customer limit order display requirement set forth in Amex Rule 958A-ANTE (e). The specialist may deactivate the quote assist feature provided Floor Official approval is obtained. The specialist must obtain Floor Official approval as soon as practicable but in no event later than three minutes after deactivation. If the specialist does not receive approval within three minutes after deactivation, the Exchange will review the matter as a regulatory issue. Floor Officials will grant approval only in instances when there is an unusual influx of orders or movement of the underlying that would result in gap pricing or other unusual circumstances. The Exchange will document all instances where a Floor Official has granted approval.

The Exchange now proposes to extend the quote assist feature on a pilot basis until April 30, 2006. The Exchange also proposes to move the text of Commentary .01 to Amex Rule 958A-ANTE (e), since the approval of the Amex's limit order display rule negates the need for the application of the specialist's due diligence obligation found in Amex Rule 156 and made applicable to options trading by Amex Rule 950-ANTE (g).

The Exchange notes that the quote assist feature does not relieve the specialists of their obligation to display customer limit orders immediately. To the extent that a specialist excessively relies on the quote assist feature to display eligible limit orders without attempting to address the orders immediately, the specialist could be violating Amex Rule 958A-ANTE (e). However, brief or intermittent reliance on the quote assist feature by a specialist during an unexpected surge in trading activity in an option class would not violate Rule 958A-ANTE (e) if used when the specialist is not physically able to address all the eligible limit orders within 30 seconds. The Exchange has issued a regulatory notice discussing the issue of excessive reliance on the quote assist feature.

The Exchange will continue to conduct surveillance to ensure that specialists comply with their obligation to execute or book all eligible limit orders within the time period prescribed by Exchange rules. The Exchange commits to conduct surveillance designed to detect whether specialists, as a matter of course, rely on the quote-assist feature to display all eligible limit orders. A practice of excessive reliance upon the quote assist feature will be reviewed by Member Firm Regulation as a possible violation of Amex Rule 958A-ANTE (e). The Exchange runs its limit order display exception report at various display intervals in an attempt to detect a pattern suggestive of undue reliance on the quote assist feature. The Exchange reports to the Commission every three months the statistical data it uses to determine whether there has been impermissible reliance on the quote assist feature by specialists.

2. Statutory Basis

The Exchange believes that the proposed rule change, as amended, is consistent with Section 6 of the Act, in general,⁸ and furthers the objectives of Section 6(b)(5) of the Act, in

⁸ 15 U.S.C. 78f.

particular,⁹ in that it is designed to prevent fraudulent and manipulative acts and practices and to promote just and equitable principles of trade. The quote assist feature provides a mechanism to ensure that eligible customer limit orders are displayed within the appropriate time frame.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were either solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has been designated by the Amex as a “non-controversial” rule change pursuant to Section 19(b)(3)(A) of the Act¹⁰ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹¹ Consequently, because the foregoing rule change: (1) does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, and the Exchange provided the Commission with written notice of its intent to file the proposed rule change at least five days prior to the filing date, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and Rule 19b-4(f)(6) thereunder.¹³

¹² 15 U.S.C. 78s(b)(3)(A).

¹³ 17 CFR 240.19b-4(f)(6).

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Amex has requested that the Commission waive the 30-day operative delay specified in Rule 19b-4(f)(6) so that the Amex may continue the quote assist pilot program on the ANTE System uninterrupted. The Exchange states that the proposed rule is substantially similar to comparable rules the Commission has approved for the Amex,¹⁴ the Chicago Board Options Exchange (“CBOE”),¹⁵ and the New York Stock Exchange (“NYSE”).¹⁶ Accordingly, the Amex believes that its proposal does not raise new regulatory issues, significantly affect the protection of investors or the public interest, or impose any significant burden on competition.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest.¹⁷ The Commission believes that the Amex’s proposal raises no new issues or regulatory concerns that the Commission did not consider in approving the Amex, CBOE, and NYSE proposals.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate the rule change if it appears to the Commission that the action is necessary or appropriate in the public interest, for the protection of investors, or would otherwise further the purposes of the Act.¹⁸

¹⁶ See Securities Act Release No. 41386 (May 10, 1999), 64 FR 26809 (May 17, 1999).

¹⁷ For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule’s impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

¹⁸ For purposes of calculating the 60-day abrogation period, the Commission considers the proposal to have been filed on June 24, 2005, the date the Amex filed Amendment No. 2.
