members and member organizations and to Exchange members and member organizations designated to the Exchange pursuant to Rule 17d-1 under the Act for examination for compliance with applicable financial responsibility rules; (ii) the provisions and procedures relating to the maintenance of records containing the information required to be filed with the Exchange; and (iii) the provisions and procedures relating to transmitting this information to the Commission.

The Exchange believes that the Amended Plan complies with the requirements of Rule 17a-5(a)(4). Among its other features, the Amended Plan eliminates the FOCUS Part I filing requirement. This standardizes the Exchange's requirements with those of other self-regulatory organizations while also reducing the filing burden on Amex members. In addition, the Amended Plan covers electronic filing of FOCUS Reports.⁶

⁶ The Amex intends to continue the process that is currently in place, whereby the NASD generates and submits the FOCUS information data electronically to the Commission on behalf of the Amex.

The Commission has reviewed the Amended Plan and, having due regard for the fulfillment of the Commission's duties and responsibilities under the provisions of the Act, declares the Amended Plan to be effective.
