July 15, 2009

Self-Regulatory Organizations; BATS Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Related to Fees for Use of BATS Exchange, Inc.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 9, 2009, BATS Exchange, Inc. (the “Exchange” or “BATS”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. BATS has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify BATS Rule 15.1, entitled “Authority to Prescribe Dues, Fees, Assessments and Other Charges,” effective immediately.

The text of the proposed rule change is available at the Exchange’s Web site at <http://www.batstrading.com>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to modify BATS Rule 15.1 to adopt new paragraph (d), which will allow the Exchange to pass on certain, specific fees that it is charged by the company that operates the data center where the Exchange's System⁵ is located, as described in further detail below.

Exchange Members wishing to co-locate their trading hardware to the Exchange's System can do so by leasing space directly from the company that owns the data center. The Exchange has no involvement in determining the terms of any fees paid by the Member to lease co-location space and does not receive any proceeds from such fee. Certain Members of the Exchange maintain a co-location relationship with another Trading Center's⁶ system that is located in the same data center as the Exchange. To co-locate to the Exchange, rather than leasing additional space near the Exchange's System, some Members choose instead to simply cross-connect their existing trading hardware from the space near another Trading Center's system to the Exchange's System. In such cases, the company that owns the data center charges

⁵ The term "System" is defined in BATS Rule 1.5(aa).

⁶ The term "Trading Center" is defined in BATS Rule 2.11.

the Exchange a monthly cross-connection fee. Pursuant to the proposed rule the Exchange will pass this cross connection fee on, in full, to the applicable Member.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6 of the Act.⁷ Specifically, the Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act,⁸ in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using any facility or system which the Exchange operates or controls. The Exchange notes that in the current, competitive market environment, market participants can connect to numerous competing venues in numerous different ways, and that the Exchange currently does not charge any direct fees for connecting to the Exchange. In addition, the fees applied through the proposed rule will not result in any direct revenue for the Exchange, but rather, are a pass-through of fees charged to the Exchange as a result of certain Member's connections to the Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change imposes any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received.

⁸ 15 U.S.C. 78f(b)(4).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has been designated as a fee change pursuant to Section 19(b)(3)(A)(ii) of the Act⁹ and Rule 19b-4(f)(2) thereunder,¹⁰ because it establishes or changes a due, fee or other charge imposed on members by the Exchange. Accordingly, the proposal is effective upon filing with the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
