January 11, 2016

Self-Regulatory Organizations; BATS Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Rules 27.1, Definitions, and 27.4, Temporary Rule Governing Phase-Out of P and P/A Orders

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),\(^1\) and Rule 19b-4 thereunder,\(^2\) notice is hereby given that on December 28, 2015, BATS Exchange, Inc. (the “Exchange” or “BATS”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A) of the Act\(^3\) and Rule 19b-4(f)(6)(iii) thereunder,\(^4\) which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. **Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange filed a proposal to authorize the BATS Options Market (“BATS Options”) to delete its rule entitled “Temporary Rule Governing Phase-Out of P and P/A Orders” and

amend any references in the rules to the Plan for the Purpose of Creating and Operating an Intermarket Linkage (“Linkage Plan”). 5

The text of the proposed rule change is available at the Exchange’s website at www.batstrading.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to eliminate existing references to the Linkage Plan and also replace any references to the Linkage Plan with references to the Options Order Protection and Locked/Crossed Market Plan (“Plan”) in order to clarify the current rules in effect.

On February 4, 2010, the Exchange filed the Plan, joining all other approved options exchanges in adopting the Plan. 6 The Plan required each options exchange to adopt rules

implementing various requirements specified in the Plan. The Plan replaced the former Linkage Plan. The Linkage Plan required Participating Exchanges to operate a standalone system or “Linkage” for sending order-flow between exchanges to limit trade-throughs. The Options Clearing Corporation (“OCC”) operated the Linkage system (the “System”). The Exchange adopted various rules in connection with the Plan to avoid trade-throughs and locked markets, among other things. The Exchange currently offers private routing directly to away markets.

The Exchange adopted a temporary rule entitled “Temporary Rule Governing Phase-Out of P and P/A Orders” (“Temporary Rule”), in order to facilitate the participation of certain Participating Exchanges who may require the use of Principal Acting as Agent Orders (“P/A Orders”) and Principal Orders (“P”) after implementation of the Plan. Certain Participating Exchanges required a temporary transition period during which they continued to utilize these order types that existed under the Linkage Plan. The Exchange proposed

The term “Participating Exchanges” refers to all options exchanges that had been approved to participate in the Linkage Plan.

A P/A Order is an order for the principal account of a Primary Market Maker (or equivalent entity on another Eligible Exchange that is authorized to represent Public Customer orders), reflecting the terms of a related unexecuted Public Customer order for which the Primary Market Maker is acting as agent. See Chapter XXVII, Rule 27.4(d)(4)(A).

A Principal Order is an order for the principal account of a market maker (or equivalent entity on another Eligible Exchange) and is not a P/A Order. See Chapter XXVII, Rule 27.4(d)(4)(B).
substantially similar rules with that of the other Participating Exchanges to accommodate the possibility of continued use of P/A Orders and P Orders. At this time all Participating Exchanges have discontinued use of the Linkage Plan. The Exchange proposes at this time to delete this Temporary Rule because it is no longer necessary in light of the discontinued use of the Linkage Plan. Additionally, the Exchange proposes to amend Section 17, Definitions, in Chapter XXVII, Intermarket Linkage Rules, to redefine “Plan” to comport with the Plan.

In addition to the changes set forth above, the Exchange proposes to add the letter “(a)” to Rule 27.1 to conform with the typical numbering used in Exchange rules.

2. Statutory Basis

The Exchange believes that its proposal is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.\(^{14}\) In particular, the proposal is consistent with Section 6(b)(5) of the Act\(^{15}\) because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest by proposing the elimination of the Temporary Rule, which reflects usage of the former Linkage Plan that has been replaced by the Plan. The Exchange believes that elimination of the reference to the Temporary Rule will help to avoid potential confusion by Members and other market participants.

participants because the Linkage Plan is and has been in full effect for some time, and, therefore, the Temporary Rule is outdated and unnecessary.

(B) Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposal will simply eliminate the Temporary Rule, which is outdated and no longer necessary for the reasons described above. Accordingly, the Exchange does not believe that the proposal has any competitive effect.

(C) Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act\(^\text{16}\) and Rule 19b-4(f)(6) thereunder.\(^\text{17}\) Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder.\(^\text{18}\)

\(^{18}\) In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange’s intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the
A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the Exchange may eliminate its Temporary Rule, which has been replaced by the Plan. The Commission believes that removal of the obsolete rule could avoid potential confusion by Members and other market participants. Based on the foregoing, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. The Commission hereby grants the Exchange’s request and designates the proposal operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule’s impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).
