(Release No. 34-81369; File No. SR-BatsEDGA-2017-20)

August 10, 2017

Self-Regulatory Organizations; Bats EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Fees for Use on Bats EDGA Exchange, Inc.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 31, 2017, Bats EDGA Exchange, Inc. (the “Exchange” or “EDGA”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend the fee schedule applicable to Members⁵ and non-Members of the Exchange pursuant to EDGA Rules 15.1(a) and (c).

² 17 CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A)(ii).

⁴ 17 CFR 240.19b-4(f)(2).

⁵ The term “Member” is defined as “any registered broker or dealer that has been admitted to membership in the Exchange.” See Exchange Rule 1.5(n).

The text of the proposed rule change is available at the Exchange's website at www.bats.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its fee schedule to increase the fee for orders in securities priced at or above \$1.00 that yield fee code RT.⁶ Fee code RT is appended to orders that are routed using a ROUT⁷ routing strategy. ROUT is a routing strategy that checks the System⁸ for available shares and it then sent to destinations on the System Routing Table.⁹ The Exchange proposes to increase the fee charged for orders that yield fee code RT from \$0.00250

⁶ The Exchange does not propose to amend the fees for orders yielding fee code RT in securities priced below \$1.00.

⁷ See Exchange Rule 11.11(g)(3).

⁸ The term "System" is defined as the electronic communications and trading facility designated by the Board through which securities orders of Users are consolidated for ranking, execution and, when applicable, routing away. See Exchange Rule 1.5(cc).

⁹ The System Routing Table refers to the proprietary process for determining the specific trading venues to which the System routes orders and the order in which it routes them. See Exchange Rule 11.11(g). See also Exchange Rule 11.11(g)(3).

to \$0.00260 per share. The Exchange proposes to implement this amendment to its fee schedule August 1, 2017.¹⁰

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,¹¹ in general, and furthers the objectives of Section 6(b)(4),¹² in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities.

The Exchange believes that its proposal to increase the fee for orders that yield fee code RT represents an equitable allocation of reasonable dues, fees, and other charges among Members and other persons using its facilities in that they are designed in part to cover the costs of routing. While the affected Members' orders will be charged higher fees due to the proposal, the increased revenue received by the Exchange will be used to fund the Exchange generally, including the cost of maintaining and improving the technology used to handle and route orders from the Exchange as well as programs that the Exchange believes help to attract additional liquidity and thus improve the depth of liquidity available on the Exchange. Accordingly, although the cost of routing is increasing, the Exchange believes that the increase is modest and that higher routing fees will benefit Members in other ways. Furthermore, the Exchange notes that routing through the Exchange is voluntary. Lastly, the Exchange also believes that the proposed amendment is non-discriminatory because it applies uniformly to all Members.

¹⁰ By way of background, on May 1, 2017, the Exchange previously charged \$0.00250 per share for orders in securities priced at or above \$1.00 that yield fee code RT. See Securities Exchange Act Release Nos. 80653 (May 11, 2017), 82 FR 22685 (May 17, 2017) (SR-BatsEDGA-2017-12); and 79305 (November 14, 2016), 81 FR 81892 (November 18, 2016) (SR-BatsEDGA-2016-26).

¹² 15 U.S.C. 78f(b)(4).

B. Self-Regulatory Organization's Statement on Burden on Competition

This proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the change to fee code RT represents a significant departure from previous pricing offered by the Exchange or from pricing offered by the Exchange's competitors. Additionally, Members may opt to disfavor the Exchange's pricing if they believe that alternatives offer them better value. Accordingly, the Exchange does not believe that the proposed changes will impair the ability of Members or competing venues to maintain their competitive standing in the financial markets. The Exchange believes that its proposal would not burden intramarket competition because the proposed rates would apply uniformly to all Members.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹³ and paragraph (f) of Rule 19b-4 thereunder.¹⁴ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
