**BOX OPTIONS EXCHANGE LLC**

\* \* \* \* \*

**Rule 5050 Series of Options Contracts Open for Trading**

**(a) through (e) No Change.**

**(f) *RealDay<sup>TM</sup> Options.*** Notwithstanding anything to the contrary, BOX may list a type of delayed start option called RealDay Options, which are options that have expirations every trading day, including trading days on which monthly options series, Short Term Options Series and Quarterly Options Series, expire, and are listed at least two weeks before their expiration but no greater than nine (9) months prior to their expiration. RealDay Options overlay 100 shares of the underlying security.

(1) through (8) No change.

(9) *Pilot Program.* The Exchange will list RealDay Options pursuant to a pilot program through February 2, 2019 [ending 12 months after the Exchange receives approval to list RealDay Options].

(10) No change.

**(g) No change.**
