The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to update Rule 6090(a)(4)(ii) to note the expiration date of the pilot program for the listing and trading of options settling to the RealVol™ SPY Index (“Index”). specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to notify market participants of the May 6, 2018 expiration date of the pilot period for the listing and trading of options settling to the RealVol™ SPY Index (“Index”). This filing does not propose any substantive changes to the listing and trading of options settling to the RealVol™ SPY (“the RealVol™ SPY Pilot Program” or “Pilot Program”). The Exchange has not yet begun to list or trade options settling to the RealVol™ SPY Index; should the Exchange choose to re-instate the Pilot Program then it will submit a new proposed rule change with the Commission at a later date.

2. Statutory Basis

The Exchange believes that the proposal is consistent with the requirements of Section 6(b) of the Act,³ in general, and Section 6(b)(5) of the Act,⁴ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes the proposed rule change provides clarity for market participants regarding the expiration date of the Pilot Program.

⁴ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange notes that the proposed change will alert market participants of the expiration of the Pilot Program. The proposed change also allows the Exchange to submit a new proposed rule change with the Commission to re-instate the Pilot Program for the listing and trading of options settling to the RealVol™ SPY Index at a later date. As such, the Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁵ and Rule 19b-4(f)(6) thereunder.⁶

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such

⁶ 17 CFR 240.19b-4(f)(6). action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
