**7190 Clearing Participant Give-Up**

- (a) General. An Options Participant [must give up] may indicate, at the time of the trade or through post trade allocation, [the name of the] any Options Clearing Corporation (“OCC”) number of a Clearing Participant through [whom] which the transaction will be cleared (“Give Up”), provided the Clearing Participant has not elected to Opt In, as defined and described in paragraph (b) below, and restrict one or more of its OCC number(s) (“Restricted OCC Number”). An Options Participant may Give Up a Restricted OCC Number provided the Options Participant has written authorization as described in paragraph (b)(2) below (“Authorized Participant”). [If there is a subsequent change in identity of the Clearing Participant through whom a transaction will be cleared, the Options Participant must, as promptly as possible, report such change to the Exchange.]
- (b) Opt In. Clearing Participants may request the Exchange restrict one or more of their OCC clearing numbers (“Opt In”) as described in subparagraph (1) below. If a Clearing Participant Opts In, the Exchange will require written authorization from the Clearing Participant permitting a Participant to Give Up a Clearing Participant’s Restricted OCC Number. An Opt In would remain in effect until the Clearing Participant terminates the Opt In as described in subparagraph (3) below. If a Clearing Participant does not Opt In, that Clearing Participant’s OCC number would be subject to Give Up by any Participant.
- (1) Clearing Participant Process to Opt In. A Clearing Participant may Opt In by sending a completed “Clearing Participant Restriction Form” listing all Restricted OCC Numbers and Authorized Participants. A Clearing Participant may elect to restrict one or more OCC clearing numbers that are registered in its name at OCC. The Clearing Participant would be required to submit the Clearing Participant Restriction Form to the Exchange’s Membership Department as described on the form. Once submitted, the Exchange requires ninety days before a Restricted OCC Number is effective within the Trading Host.

- (2) Participant Give Up Process for Restricted OCC Numbers. A Participant desiring to Give Up a Restricted OCC Number must become an Authorized Participant. The Clearing Participant will be required to authorize an Options Participant as described in subparagraph (1) or (3), unless the Restricted OCC Number is already subject to a Letter of Guarantee that the Options Participant is a party to, as set forth in paragraph (d) below.
- (3) Amendments to Authorized Participant or Restricted OCC Numbers. A Clearing Participant may amend its Authorized Participants or Restricted OCC Numbers by submitting a new Clearing Participant Restriction Form to the Exchange's Membership Department indicating the amendment as described on the form. Once a Restricted OCC Number is effective within the Trading Host pursuant to paragraph (1) above, the Exchange may permit the Clearing Participant to authorize, or remove authorization for, a Participant to Give Up the Restricted OCC Number intra-day only in unusual circumstances, and on the next business day in all regular circumstances. The Exchange will promptly notify Participants if they are no longer authorized to Give Up a Clearing Participant's Restricted OCC Number. If a Clearing Participant removes a Restricted OCC Number, any Participant may Give Up that OCC clearing number once the removal has become effective on or before the next business day.
- (c) Trading Host. The Trading Host will not allow an unauthorized Participant to Give Up a Restricted OCC Number. If an unauthorized Give Up with a Restricted OCC Number is submitted to the System, the System will process that transaction using the Participant's default OCC clearing number.
- (d) Letter of Guarantee. A clearing arrangement subject to a Letter of Guarantee would immediately permit the Give Up of a Restricted OCC Number by the Participant that is party to the arrangement.
- (e) An intentional misuse of this Rule is impermissible, and may be treated as a violation of Rule 3000.
- (f) Notwithstanding anything to the contrary in this Rule, if a Clearing Participant that a Participant has indicated as the Give Up rejects a trade, the Clearing Participant that has issued a Letter of Guarantee pursuant to Rule 7200(b), for such executing Participant, shall be responsible for the clearance of the subject trade.
