II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the BSE included statements concerning the purpose of, and basis for, the proposed rule change, as amended, and discussed any comments it received on the proposal. The text of these statements may be examined at the places specified in Item IV below. The BSE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change, as amended, is to amend certain sections of BOXR’s By-Laws concerning the requirement that the Exchange’s Chairman be a member of the BOXR Board of Directors and Executive Committee.

The BSE’s Constitution permits, but does not mandate, that the Exchange’s Chairman and chief executive officer (“CEO”) roles be separated so as to provide for a separation of the Exchange’s regulatory and business functions.⁷ Presently, BOXR’s By-Laws require that the Exchange’s Chairman be a Director on the BOXR Board. BOXR is, as set forth in Chapter XXXVI of the Exchange’s rules, in the Plan of Delegation of Functions and Authority by the BSE to Boston Options Exchange Regulation, LLC, a wholly owned subsidiary of the BSE. The Exchange has delegated certain functions to BOXR, so that BOXR is responsible for the regulatory oversight of the Boston Options Exchange, a facility of the BSE.

If the Exchange’s Board of Governors deems it prudent to separate the Exchange’s Chairman and CEO positions, so that the Chairman would be responsible for only the regulatory functions of the Exchange, then the mandate that the Exchange’s Chairman be a member of the BOXR Board would be in congruence with BOXR’s regulatory mandate. If, however, the Exchange’s Board of Governors did not separate the Chairman and CEO roles, then the Exchange’s Chairman would not be responsible for only the regulatory functions of the BSE, but, as CEO, for the business functions as well.

⁷ See Securities Exchange Act Release No. 49611 (April 23, 2004), 69 FR 23833 (April 30, 2004) (order approving proposed rule change to permit the separation of the roles of Chairman and CEO).

Accordingly, the Exchange seeks to make BOXR's By-Laws more flexible to reflect the corresponding flexibility in the Exchange's Constitution regarding the separation of the Chairman and CEO roles. Rather than mandating that the Exchange's Chairman be a member of the BOXR Board, the BSE would change certain provisions of BOXR's By-Laws to provide that at least one Governor of the BSE Board of Governors be a member of the BOXR Board. Also, the Exchange is seeking to mandate that at least one Governor of the BSE Board of Governors, who is also a member of the BOXR Board, be a member of the BOXR Executive Committee. In this way, the Exchange is assuring adequate and informed representation on its subsidiary's Board and Executive Committee, while not being constrained to limit its representation on the BOXR Board and its Executive Committee to strictly the Exchange's Chairman. The Exchange believes that this approach ensures not only proper representation on the BOXR Board and its Executive Committee, but also serves to provide the Exchange a mechanism by which it can maintain an adequate separation of its business and regulatory functions, regardless of the status of the BSE's Chairman and CEO positions.

The Exchange is also seeking to eliminate language in both Sections 3 (Number of Directors) and 4 (Qualifications) of BOXR's By-laws, which explains that the BSE Chairman would not be considered a member of the BOXR Board for "qualification purposes." The referenced qualification purposes are set forth in Section 4, which establishes the percentage of the BOXR Board that must be constituted by Industry Directors, Public Directors and Directors who represent BOX Options Participants. Pursuant to the existing rule, the BSE Chairman is not considered to be qualified as an Industry, Public or BOX Participant representative, and thus does not serve to fill either percentage requirement as set forth, although the Chairman is a voting member of the BOXR Board. The BSE is seeking to eliminate the language regarding

qualification percentages as they relate to the BSE Chairman because by replacing the BSE's Chairman on the BOXR Board with a member of the BSE Board, the member of the BSE Board who is also a member of the BOXR Board would be considered for the purposes of determining the qualification percentages of the BOXR Board. Thus, for example, if the member of the BSE Board who also served on the BOXR Board was an Industry Director, he or she would be considered as such in determining the percentage of Industry Directors on the BOXR Board.

The BSE understands that the Commission has recently proposed rules relating to the governance of self-regulatory organizations.⁸ If enacted, the Exchange represents that it is cognizant of the fact that certain of these proposed governance rules could mandate further changes to the BSE Constitution, Rules, and BOXR's By-Laws, beyond the scope of the changes proposed herein.

2. Statutory Basis

The Exchange believes that the proposed rule change, as amended, is consistent with the requirements of Section 6(b) of the Act,⁹ in general, and, in particular, furthers the objectives of Section 6(b)(1) of the Act,¹⁰ in that the proposal is designed so that the Exchange is organized and has the capacity to carry out the purposes of the Act; Section 6(b)(3) of the Act,¹¹ in that the proposal is designed so the rules of the Exchange assure a fair representation of its members in the selection of its directors and the administration of its affairs; and Section 6(b)(5) of the Act,¹²

⁸ See Securities Exchange Act Release No. 50699 (November 18, 2004), 69 FR 71125 (December 8, 2004).

¹⁰ 15 U.S.C. 78f(b)(1).

¹¹ 15 U.S.C. 78f(b)(3).

¹² 15 U.S.C. 78f(b)(5).

in that the proposal is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and is not designed to permit unfair discrimination between customers, issuer, brokers, or dealers, or to regulate by virtue of any authority conferred by Title I of the Act matters not related to the purposes or Title I of the Act or the administration of the Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change, as amended, will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received written comments with respect to the proposed rule change, as amended.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action
