(Release No. 34-60958; File No. SR-BX-2009-070)

November 6, 2009

Self-Regulatory Organizations; NASDAQ OMX BX, Inc.; Notice of Filing of Proposed Rule Change To Modify Fees for Members Using the NASDAQ OMX BX Equities System

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 28, 2009, NASDAQ OMX BX, Inc. (“BX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

BX is filing a proposed rule change to modify pricing for BX members using the NASDAQ OMX BX Equities System. BX will implement the proposed rule change on November 2, 2009. The text of the proposed rule change is attached as Exhibit 5 and is available at <http://nasdaqomxbx.cchwallstreet.com>.³

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, BX included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below.

² 17 CFR 240.19b-4.

³ See infra note 9.

BX has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

BX is proposing to modify its fees to execute transactions on the NASDAQ OMX BX Equities System.⁴ For securities listed on The NASDAQ Stock Market (“NASDAQ”) or the New York Stock Exchange (“NYSE”), BX currently provides a credit for accessing liquidity of \$0.0001 per share executed and assesses a charge of \$0.0003 per share executed to members providing liquidity. For securities other than those listed on NASDAQ and NYSE (“Tape B securities”), BX currently charges a fee of \$0.0016 per share executed to access liquidity and provides a credit of \$0.0014 per share executed for providing liquidity. Under the proposed rule change, BX will make the fees and credits for Tape B securities identical to those for securities listed on NASDAQ and NYSE, resulting in a uniform fee schedule for all types of securities. The change will result in a fee reduction for persons accessing liquidity in Tape B securities and a fee increase for liquidity providers in those securities. BX notes that many market participants have responded favorably to BX’s pricing structure for NASDAQ and NYSE stocks, and it has concluded that it should be applied uniformly to all securities.

2. Statutory Basis

BX believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁵ in general, and with Section 6(b)(4) of the Act,⁶ in particular, in that it provides for

⁴ The changes all relate to transactions that execute at prices of \$1 or more. For transactions at prices below \$1, there is a charge of 0.1% of total transaction cost to remove liquidity and no charge or rebate to provide liquidity.

⁵ 15 U.S.C. 78f.

the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which BX operates or controls. The proposed fee change applies uniformly to all BX members. The impact of the changes upon the net fees paid by a particular market participant will depend upon the types of stocks that it trades, the order types that it uses, and the prices of its quotes and orders (i.e., its propensity to add or remove liquidity). BX notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. BX believes that its fees remain competitive with other venues and are reasonable and equitably allocated to those members on the basis of whether they opt to direct orders to BX.

B. Self-Regulatory Organization's Statement on Burden on Competition

BX does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁷ and subparagraph (f)(2) of Rule 19b-4 thereunder.⁸ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if
