1 “ADV” means average daily volume calculated as the number of shares added or removed, combined, per day on a monthly basis; routed shares are not included in ADV calculation; with prior notice to the Exchange, a Member may aggregate ADV with other Members that control, are controlled by, or are under common control with such Member (as evidenced on such Member’s Form BD).

2 “TCV” means total consolidated volume calculated as the volume reported by all exchanges and trade reporting facilities to a consolidated transaction reporting plan for the month for which the fees apply.
