(Release No. 34-65452; File No. SR-C2-2011-023)

September 30, 2011

Self-Regulatory Organizations; C2 Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend C2 Rule 8.2 Concerning the Market-Maker Registration Cost for SPXPM

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 20, 2011, the C2 Options Exchange, Incorporated (“Exchange” or “C2”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The filing proposes to amend C2 rules relating to the Market-Maker registration cost for P.M.-settled S&P 500 Index options (SPXPM). The text of the proposed rule change is available on the Exchange’s Web site (<http://www.cboe.org/legal>), at the Exchange’s Office of the Secretary, and at the Commission.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

² 17 CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A)(iii).

⁴ 17 CFR 240.19b-4(f)(6).

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this rule change is to amend C2 Rule 8.2 to establish Market-Maker registration costs for SPXPM options before trading commences in that options class.⁵ The Exchange proposes to amend Rule 8.2(d) to specifically reference SPXPM options as having a registration cost of 1.0. The Exchange notes that the new registration cost for SPXPM options will be the initial registration cost because this options class is not currently trading. Thus, to trade SPXPM, a C2 Market-Maker will be required to obtain a dedicated Market-Maker permit. Pursuant to the C2 fee schedule, a Market-Maker permit costs \$5,000 per month (additionally the Exchange anticipates adopting an SPXPM Tier Appointment cost in the near future).

Among other reasons, the Exchange believes that the registration cost change for SPXPM is reasonable in light of the fact that it is a new product and the registration cost is comparable to the 1.0 appointment cost for A.M.-settled S&P 500 Index options traded on the Chicago Board Options Exchange, Incorporated ("CBOE") under CBOE Rule 8.2(c)(iii).

⁵ See Securities Exchange Act Release No. 34-65256 (September 2, 2011), 76 FR 55969 (September 9, 2011) (SR-C2-2011-008).

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of Section 6(b) of the Act. Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5) Act⁶ requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest. Among other reasons, the Exchange believes that the registration cost change for SPXPM is reasonable in light of the fact that it is a new product and the registration cost is comparable to the 1.0 appointment cost for A.M.-settled S&P 500 Index options traded on the CBOE under CBOE Rule 8.2(c)(iii).

B. Self-Regulatory Organization's Statement on Burden on Competition

C2 does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change or such shorter

time as designated by the Commission, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸

The Exchange has requested that the Commission waive the 30-day operative delay period. Waiving the operative delay will enable the Exchange to impose the market-maker registration cost for SPXPM options before the commencement of trading in that options class. Because C2's proposal for a 1.0 registration cost for SPXPM is comparable to the existing 1.0 registration cost for the similar S&P 500 index option traded on CBOE, C2's proposal is consistent with CBOE's current rule and does not raise any new or novel issues. Accordingly, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, and designates the proposed rule change to be operative upon filing with the Commission.⁹

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

⁹ For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).
