August 16, 2012

Self-Regulatory Organizations; C2 Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Making Technical, Non-Substantive Clarifications to its Fees Schedule

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on August 3, 2012, C2 Options Exchange, Incorporated (the “Exchange” or “C2”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to make clarifying, non-substantive changes to its Fees Schedule in order to make it easier to comprehend for market participants. First, the Exchange proposes to begin referring to “straight, one-sided orders” as “simple orders”. Investors generally refer to orders as either “simple” or “complex” and the terminology “straight, one-sided orders” is not as commonly-known. Since simple orders are straight, one-sided orders, the Exchange proposes to call “straight, one-sided orders” “simple orders” in order to make the Fees Schedule easier for investors to understand. The Exchange further proposes to clarify that such orders are not complex orders (to which a separate set of fees apply) by referring to simple orders as “simple, non-complex” orders.<sup>3</sup>

Second, the Fees Schedule currently applies sets of fees for simple and complex transactions (with the exception of SPXPM) to “multiply-listed, equity and ETF options classes.” While this is true, since SPXPM (as a singly-listed index options class) is neither a multiply-listed, equity or ETF options class, it reads slightly confusingly because there is no mention of index options classes. As such, the Exchange proposes to replace the term “multiply-listed, equity and ETF options classes” with “multiply-listed index, equity and ETF options classes” to

<sup>3</sup> The Commission notes that, in this proposed rule change, C2 failed to update similar references to “straight one-sided orders” in Section 1.B. of its Fees Schedule. C2 has submitted a separate proposed rule change to update these references. See SR-C2-2012-028.

clarify that the sets of fees apply to all index, equity and ETF options classes that are multiply-listed.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>4</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>5</sup> requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts, to remove impediments to and to perfect the mechanism for a free and open market and a national market system, and, in general, to protect investors and the public interest. The proposed clarifying changes to the Fees Schedule serve to eliminate potential confusion, thereby perfecting the mechanism for a free and open market and a national market system, and, in general, protecting investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

C2 does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
