Rule 8.5. Obligations of Market-Makers

(a) In registering as a Market-Maker, a Participant commits itself to various obligations. Transactions of a Market-Maker in its market making capacity must constitute a course of dealings reasonably calculated to contribute to the maintenance of a fair and orderly market, and Market-Makers should not make bids or offers or enter into transactions that are inconsistent with such course of dealings. Ordinarily, Market Makers are expected to adhere to the following obligations:

(1) During trading hours a Market-Maker must maintain a continuous two-sided market in 60% of the non-adjusted option series of each registered class that have a time to expiration of less than nine months. For purposes of this subparagraph, “continuous” means 90% of the time. If a technical failure or limitation of the System prevents a Market-Maker from maintaining, or from communicating to the Exchange, timely and accurate quotes in a series, the duration of such failure shall not be considered in determining whether that Market-Maker has satisfied the 90% quoting standard with respect to that series. An “adjusted option series” is an option series wherein, as a result of a corporate action by the issuer of the underlying security, one option contract in the series represents the delivery of other than 100 shares of underlying stock or Units. This obligation does not apply to intra-day add-on series on the day during which such series are added for trading. The Exchange may consider other exceptions to this obligation based on demonstrated legal or regulatory requirements or other mitigating circumstances.

(2) – (6) No changes.

(b) – (d) No changes.

Rule 8.17. DPM Obligations

(a) *Dealer Transactions.* Each DPM shall fulfill all of the obligations of a Market-Maker under the Rules, and shall satisfy each of the following requirements in respect of each of the securities allocated to the DPM. To the extent that there is any inconsistency between the specific obligations of a DPM set forth in this Rule 8.17 and the general obligations of a Market-Maker under the Rules, this Rule 8.17 shall govern. Each DPM shall:

(1) provide continuous quotes in at least the lesser of 99% of the non-adjusted option

series (as defined in Rule 8.5(a)(1)) or 100% of the non-adjusted option series minus one call-put pair of each option class allocated to it, with the term “call-put pair” referring to one call and one put that cover the same underlying instrument and have the same expiration date and exercise price, and assure that its disseminated market quotations are accurate. This obligation does not apply to intra-day add-on series on the day during which such series are added for trading. For purposes of this subparagraph (a)(1), “continuous” means 90% of the time. If a technical failure or limitation of the System prevents a DPM from maintaining, or from communicating to the Exchange, timely and accurate quotes in a series, the duration of such failure shall not be considered in determining whether that DPM has satisfied the 90% quoting standard with respect to the series;

(2) – (5) No changes.

Rule 8.19. Participation Entitlement of DPMs

(a) No changes.

(b) The participation entitlement for DPMs shall operate as follows:

(1) *Generally.*

(A) To be entitled to a participation entitlement, the DPM must be quoting at the BBO.

(B) A DPM may not be allocated a total quantity greater than the quantity that the DPM is quoting at the BBO.

(C) The participation entitlement is based on the number of contracts remaining after all public customer orders in the Book at the BBO have been satisfied.

(2) *Participation Rates Applicable to DPMs.* The collective DPM participation entitlement shall be: 50% when there is one Market-Maker also quoting at the BBO and 40% when there are two or more Market-Makers also quoting at the BBO. If only the DPM is quoting at BBO (with no Market-Makers quoting at the BBO), the participation entitlement shall not be applicable and the allocation procedures under Rule 6.12 shall apply.

(3) *Participation Entitlement in Instances Where a Preferred Market-Maker Receives a Participation Entitlement Pursuant to Rule 8.13.* A DPM will not receive its participation entitlement set forth in this Rule in trades for which a Preferred Market Maker receives a participation entitlement pursuant to Rule 8.13, based on the order priority determined by the Exchange under Rule 6.12.

. . . Interpretations and Policies:

.01 No changes.

.02 Rule 8.17(a)(1) does not require a DPM to provide continuous quotes in intra-day add-on series on the day during which such series are added for trading. However, a DPM may still receive a participation entitlement in such series if it elects to quote in such series and otherwise satisfies the requirements set forth in Rule 8.19(b).
