II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this rule change is to amend CBOE Rule 8.3 in connection with CBOE's determination to trade options on the NASDAQ 100 Index (NDX) on the Hybrid 2.0 Platform.⁵ Additionally, CBOE proposes to amend Rule 8.3 in connection with CBOE's determination to trade options on the S&P 100 (XEO) on the Hybrid Trading System.

NDX currently has an appointment cost of 1.0. CBOE intends to lower NDX's appointment cost to .50 when NDX trades on the Hybrid 2.0 Platform. As a result, NDX will be classified in Tier AA. CBOE intends to trade NDX on the Hybrid 2.0 Platform beginning on February 6, 2007.

CBOE proposes to amend Rule 8.3(c)(ii) to specifically reference XEO as an option class trading on the Hybrid Trading System.⁶ Presently, XEO and options on the S&P 100 (OEX)

⁵ CBOE Rule 1.1(aaa) defines Hybrid Trading System and Hybrid 2.0 Platform.

⁶ Reference to XEO will also be deleted in the table listing the non-Hybrid option classes and their related appointment costs. (See Rule 8.3(c)(iv).)

collectively have an appointment cost of 1.0. CBOE proposes to maintain the same appointment cost when XEO trades on the Hybrid Trading System. CBOE intends to trade XEO on the Hybrid Trading System beginning on January 30, 2007.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of Section 6(b) of the Act.⁷ Specifically, the Exchange believes the proposed rule change is consistent with Section 6(b)(5) of the Act,⁸ which requires that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and subparagraph (f)(6) of Rule 19b-4¹⁰ thereunder because it does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on

⁸ 15 U.S.C. 78f(b)(5).

competition; (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate; and the Exchange has given the Commission written notice of its intention to file the proposed rule change at least five business days prior to filing. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Under Rule 19b-4(f)(6) of the Act,¹¹ the proposal does not become operative for 30 days after the date of its filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative date, so that the proposal may take effect on January 30, 2007 for XEO options and on February 6, 2007 for NDX options. The Exchange believes that the proposed rule change does not raise any new regulatory issues. The Commission agrees and, consistent with the protection of investors and the public interest, has determined to waive the 30-day operative date, which renders the proposal effective on January 30, 2007 for XEO options and on February 6, 2007 for NDX options.¹²

¹¹ Id. Rule 19b-4(f)(6) also requires the self-regulatory organization to give the Commission notice of its intention to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing the proposed rule change, or such shorter time designated by the Commission. CBOE has satisfied the five day pre-filing requirement.

¹² For purposes only of accelerating the operative date of this proposal, the Commission has considered the proposed rule's impact on efficiency, competition and capital formation. 15 U.S.C. 78c(f).
