Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Penny Pilot Program

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹, and Rule 19b-4 thereunder,² notice is hereby given that on June 30, 2009, the Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The industry-wide Penny Pilot Program is scheduled to expire on July 3, 2009. CBOE is filing this proposed rule change to amend the Penny Pilot Program such that it will continue "as is" until October 31, 2009, in the option classes that have been selected to participate in the Penny Pilot Program. Extending the Pilot Program as proposed in this rule filing will allow further analysis of the Pilot Program.

Additionally, CBOE states that it intends to submit to the SEC a report analyzing the Penny Pilot Program for the period May 1, 2009 through July 31, 2009. CBOE's report should be submitted by the end of August 2009.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of Section 6(b) of the Act. Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5) Act⁵ requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest, in that extending the Penny Pilot Program will allow for further analysis.

⁵ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange neither solicited nor received comments on the proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms does not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A)⁶ of the Act and subparagraph (f)(6) of Rule 19b-4 thereunder.⁷

A proposed rule change filed under Rule 19b-4(f)(6)⁸ normally does not become operative for 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii)⁹ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The

⁷ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to provide the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

⁹ 17 CFR 240.19b-4(f)(6)(iii).

Exchange states that extending the Penny Pilot Program until October 31, 2009, will allow further analysis of the Penny Pilot Program, and that waiving the 30 days will allow the Penny Pilot Program to continue uninterrupted.

The Commission believes waiving the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver will allow the Penny Pilot Program to continue without interruption through October 31, 2009.¹⁰ Accordingly, the Commission designates the proposed rule change operative upon filing with the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
