II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to correct an inadvertent typographical error in Rule 3.6A.08. The Exchange proposes to make the change so the text properly reflects the intention and practice of Rule 3.6A.08. The typographical error is explained below.

On October 9, 2015, the Exchange filed a rule change to replace the Proprietary Trader (PT) registration category and qualification examination (Series 56) with the Securities Trader (TD) registration category and qualification examination (Series 57). As part of that filing, an inadvertent typographical error was made in the sentence that begins with the two asterisks (**) in Interpretation and Policy .08(b). That sentence incorrectly refers to paragraph (a)(2)(i) in

Interpretation and Policy .08. The intention was to reference paragraph (a)(2) in its entirety, not just paragraph (a)(2)(i), as the purpose of the reference is to describe the various types of supervisory authority an individual may have that requires the individual to register and qualify as a Securities Trader Principal (TP). The Exchange is now proposing to amend this error to accurately describe the intention and practice of the rule.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁵ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁶ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁷ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, the proposed rule change is consistent with these provisions because it will more accurately describe the intention and practice of the Exchange with respect to registration requirements of Trading Permit Holders. The Exchange believes that having accurate and clear

rules is in the best interests of investors and the general public. The proposed rule change is correcting an inadvertent typographical error.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is attempting to correct a typographical error and does not impact the Exchange's existing operations or rules related to registration requirements. The proposed rule change has no impact on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

- A. significantly affect the protection of investors or the public interest;
- B. impose any significant burden on competition; and
- C. become operative for 30 days from the date on which it was filed, or such shorter

time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6)⁹ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the

Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.
