Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Extend the Duration of CBOE Rule 6.45A(b) Pertaining to Orders Represented in Open Outcry

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 13, 2005, the Chicago Board Options Exchange, Incorporated (“CBOE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the CBOE. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders it effective upon filing with the Commission.⁵ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

In March 2005, the Commission approved revisions to CBOE Rule 6.45A related to the introduction of Remote Market-Makers.⁶ Among other things, the Rule, pertaining to the allocation of orders represented in open outcry in equity options classes traded on Hybrid, was amended to clarify that only in-crowd market participants would be eligible to participate in open outcry trade allocations. In addition, the Rule was amended to limit its duration until September 14, 2005, unless otherwise extended. The duration of the Rule was thereafter extended until December 14, 2005.⁷ As the duration period expires on December 14, 2005, the Exchange proposes to extend the effectiveness of the Rule through March 14, 2006.⁸

⁶ See Securities Exchange Act Release No. 51366 (March 14, 2005), 70 FR 13217 (March 18, 2005) (SR-CBOE-2004-75).

⁷ See Securities Exchange Act Release No. 52423 (September 14, 2005), 70 FR 55194 (September 20, 2005) (SR-CBOE-2005-76).

⁸ In order to effect proprietary transactions on the floor of the Exchange, in addition to complying with the requirements of the Rule, members are also required to comply with

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of Section 6(b) of the Act.⁹ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹⁰ requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

the requirements of Section 11(a)(1) of the Act, 15 U.S.C. 78k(a)(1), or qualify for an exemption. Section 11(a)(1) restricts securities transactions of a member of any national securities exchange effected on that exchange for (i) the member's own account, (ii) the account of a person associated with the member, or (iii) an account over which the member or a person associated with the member exercises discretion, unless a specific exemption is available. The Exchange issued a regulatory circular to members informing them of the applicability of these Section 11(a)(1) requirements when the duration of the Rule was extended until December 14, 2005. See CBOE Regulatory Circular RG05-103 (November 2, 2005). The Exchange has represented that it expects to issue a similar regulatory circular to members reminding them of the applicability of the Section 11(a)(1) requirements with respect to the proposed rule change. ¹⁰ 15 U.S.C. 78f(b)(5).

Because the foregoing proposed rule change: (1) does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative for thirty days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6)¹² thereunder.¹³

A proposed rule change filed under Commission Rule 19b-4(f)(6)¹⁴ normally does not become operative prior to thirty days after the date of filing. The CBOE requests that the Commission waive the 30-day operative delay, as specified in Rule 19b-4(f)(6)(iii), and designate the proposed rule change to become operative immediately to allow the Exchange to continue to operate under the existing allocation parameters for orders represented in open outcry in Hybrid on an uninterrupted basis. The Commission hereby grants the request. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver will allow the CBOE to continue to operate under the Rule without interruption. For these reasons, the Commission designates the proposed rule change as effective and operative immediately.¹⁵

¹² 17 CFR 240.19b-4(f)(6).

¹³ Pursuant to Rule 19b-4(f)(6)(iii), the Exchange has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date on which the Exchange filed the proposed rule change. See 17 CFR 240.19b-4(f)(6)(iii).

¹⁴ 17 CFR 240.19b-4(f)(6).

¹⁵ For the purposes only of waiving the operative date of this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such proposed rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
