This Rule contains the requirements for listing other securities on the Exchange, including Exchange Traded Funds, Portfolio [Depositary] Depositary Receipts, Index Fund Shares, and various other types of securities, as set forth below (collectively, “Other Securities”). A Company with securities listed under this Rule 14.11 must provide the Exchange with prompt notification after the Company becomes aware of any noncompliance by the Company with the requirements of Rule 14.11. The Exchange may submit a rule filing pursuant to Section 19(b) of the Act to permit the listing of a series of Other Securities that does not otherwise meet the respective standards set forth in this Rule 14.11. The Exchange may also be required to submit a rule filing pursuant to Section 19(b) of the Act to permit the listing of certain types of Other Securities, as provided in this Rule 14.11. In either case, any of the statements or representations regarding the index composition, the description of the portfolio or reference assets, limitations on portfolio holdings or reference assets, dissemination and availability of index, reference asset, and intraday indicative values (as applicable), or the applicability of Exchange listing rules specified in any filing to list a series of Other Securities (collectively, “Continued Listing Representations”) shall constitute continued listing requirements for the securities listed on the Exchange.

(B) Reporting Authority. The term “Reporting Authority” in respect to a particular series of Portfolio Depositary Receipts means the Exchange, a wholly-owned subsidiary of the Exchange, an institution (including the Trustee for a series of Portfolio Depositary Receipts), or a reporting service designated by the Exchange or its subsidiary as the official source for calculating and reporting information relating to such series, including, but not limited to, any current index or portfolio value; the current value of the portfolio of securities required to be deposited to the Trust in connection with issuance of Portfolio Depositary Receipts; the amount of any dividend equivalent payment or cash distribution to holders of Portfolio Depositary Receipts, net asset value, and other information relating to the creation, redemption or trading of Portfolio Depositary Receipts.
