May 10, 2017

Self-Regulatory Organizations; Chicago Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Modify the Date of Appendix B Website Data Publication Pursuant to the Regulation NMS Plan to Implement a Tick Size Pilot Program

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹, and Rule 19b-4² thereunder, notice is hereby given that on April 28, 2017, the Chicago Stock Exchange, Inc. (“CHX” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

CHX proposes to amend Article 20, Rule 13(b) of the Rules of the Exchange (“CHX Rules”) to modify the date of Appendix B website data publication pursuant to the Regulation NMS Plan to Implement a Tick Size Pilot Program (“Plan”).

The text of this proposed rule change is available on the Exchange’s Web site at www.chx.com and in the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CHX included statements concerning the purpose of and basis for the proposed rule changes and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Item IV below. The CHX has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

Article 20, Rule 13(b) (Compliance with Data Collection Requirements)³ implements the data collection and website publication requirements of the Plan.⁴ Paragraph .08 of Article 20, Rule 13(b) currently provides, among other things, that with respect to data for the Pre-Pilot Period⁵ and the Pilot Period, the Exchange shall make certain Appendix C data available to FINRA for aggregation and publication on the FINRA website pursuant to FINRA Rules and the Exchange will publish Appendix B data on the Exchange website, which shall commence on April 28, 2017.⁶ The Exchange is proposing to further delay the website publication of Appendix

⁴ The Plan Participants filed the Plan to comply with an order issued by the Commission on June 24, 2014. See Letter from Brendon J. Weiss, Vice President, Intercontinental Exchange, Inc., to Secretary, Commission, dated August 25, 2014 (“SRO Tick Size Plan Proposal”). See Securities Exchange Act Release No 72460 (June 24, 2014), 79 FR 36840 (June 30, 2014); see also Securities Exchange Act Release No. 74892 (May 6, 2015), 80 FR 27513 (May 13, 2015).

⁵ Unless otherwise defined herein, capitalized terms have the meaning ascribed to them in CHX Article 20, Rule 13.

Shillman, Associate Director, Division of Trading and Markets, Commission, to Robert L.D. Colby, Executive Vice President and Chief Legal Officer, FINRA, dated February 28, 2017.

B data until August 31, 2017 to permit additional time to consider a methodology to mitigate concerns raised in connection with the publication of Appendix B data.⁷

Pursuant to this proposed amendment, the Exchange would publish the required Appendix B data for the Pre-Pilot Period through April 30, 2017 by August 31, 2017. Thereafter, Appendix B data for a given month would be published within 120 calendar days following month end.⁸ Thus, for example, Appendix B data for May 2017 would be made available on the Exchange website by September 28, 2017, and data for the month of June 2017 would be made available on the FINRA [sic] website by October 28, 2017.

As noted in Item 2 of this filing, the Exchange has filed the proposed rule change for immediate effectiveness. The operative date of the proposed rule change will be the date of filing.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁹ in general, and furthers the objectives of Section 6(b)(5) of the Act¹⁰ in particular, in that it is

⁷ On March 3, 2017, FINRA filed a proposed rule change to implement an anonymous, grouped masking methodology for Appendix B.I, B.II. and B.IV. data. The comment period ended on April 5, 2017, and the Commission received three comment letters. See Securities Exchange Act Release No. 80193 (March 9, 2017) 82 FR 13901 (March 15, 2017). FINRA and the Exchange also submitted an exemptive request to the SEC, which, if granted, would permit FINRA to, among other things, publish on its website Appendix B.I., B.II. and B.IV. data for over-the-counter activity with respect to Trading Centers for which FINRA or the Exchange is the designated examining authority, in a manner consistent with FINRA's proposed anonymous, grouped masking methodology. See Letter from Marcia E. Asquith, Executive Vice President, Board and External Relations, FINRA, to Robert W. Errett, Deputy Secretary, SEC, dated March 2, 2017.

⁸ FINRA, on behalf of the Participants, is submitting an exemptive request to the SEC in connection with the instant filing.

designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest; and are not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Plan is designed to allow the Commission, market participants, and the public to study and assess the impact of increment conventions on the liquidity and trading of the common stock of small-capitalization companies. The Exchange believes that this proposal is consistent with the Act because it is in furtherance of the objectives of Section VII(A) of the Plan in that it is designed to provide the Exchange with additional time to consider a methodology to mitigate concerns raised in connection with the publication of Appendix B data.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange notes that the proposed rule change implements the provisions of the Plan.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time

as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6) thereunder.¹²

A proposed rule change filed under Rule 19(b)-4(f)(6) normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii), the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has filed the proposed rule change for immediate effectiveness and has requested that the Commission waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing so that it may become operative on the date of filing.

The Exchange notes that the proposed rule change is intended to mitigate confidentiality concerns raised in connection with Section VII(A) of the Plan, which provides that the data made publicly available will not identify the Trading Center that generated the data. The Exchange states that the additional time would allow consideration of a methodology to mitigate concerns related to the publication of Appendix B data.¹³

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because it will synchronize the timing for publication of Appendix B data for all Participants, which should enhance the consistency and

¹³ The Commission recently approved a FINRA proposal to implement an aggregated, anonymous grouped masking methodology for the publication of Appendix B data related to OTC trading activity. usefulness of the data.¹⁴ Therefore, the Commission hereby waives the 30-day operative delay and designates the proposed rule change to be operative on the date of filing.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
