September 30, 2013

Self-Regulatory Organizations; Chicago Mercantile Exchange Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Regarding its Acceptance of a New Series of Credit Default Swap Index Products

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Exchange Act” or “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 18, 2013, Chicago Mercantile Exchange Inc. (“CME”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change described in Items I, II and III below, which Items have been prepared primarily by CME. CME filed the proposal pursuant to Section 19(b)(3)(A) of the Act,³ and Rule 19b-4(f)(4)(ii) thereunder,⁴ so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

CME is filing proposed rules changes that are limited to its business as a derivatives clearing organization (“DCO”). More specifically, the proposed rule changes involve CME’s acceptance of a new credit default swap index product series.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose and basis for the proposed rule change and discussed any comments it

received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

CME is registered as a DCO with the Commodity Futures Trading Commission ("CFTC") and currently offers clearing services for many different futures and swaps products. CME currently offers clearing services for certain credit default swap index products. Currently, CME offers clearing of the Markit CDX North American Investment Grade Index Series 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19 and 20 and also offers clearing of the Markit CDX North American High Yield Index Series 11, 12, 13, 14, 15, 16, 17, 18, 19 and 20.

The proposed rule changes would expand CME's Markit CDX North American Investment Grade ("CDX IG") Index and Markit CDX North American High Yield ("CDX HY") Index product offerings by incorporating the upcoming Series 21 for both sets of index products.

Although these changes will be effective on filing, CME plans to operationalize the proposed changes as follows: CDX IG 21 will become available for clearing on September 20, 2013 and CDX HY 21 will become available for clearing on September 27, 2013.

The changes that are described in this filing are limited to CME's business as a DCO clearing products under the exclusive jurisdiction of the CFTC and do not materially impact CME's security-based swap clearing business in any way. CME notes that it has also certified the proposed rule changes that are the subject of this filing to its primary regulator, the Commodity Futures Trading Commission, in a separate filing.

CME believes the proposed rule changes are consistent with the requirements of the Exchange Act including Section 17A of the Exchange Act.⁵ The proposed rule changes would expand CME's CDX IG and CDX HY product offerings by incorporating the upcoming Series 21 for both sets of index products and would therefore provide investors with an expanded range of derivatives products for clearing. As such, the proposed changes are designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivatives agreements, contracts, and transactions, to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible, and, in general, to protect investors and the public interest consistent with Section 17A(b)(3)(F) of the Exchange Act.⁶

Furthermore, the proposed changes are limited in their effect to swaps products offered under CME's authority to act as a DCO. These products are under the exclusive jurisdiction of the CFTC. As such, the proposed CME changes are limited to CME's activities as a DCO clearing swaps that are not security-based swaps; CME notes that the policies of the CFTC with respect to administering the Commodity Exchange Act are comparable to a number of the policies underlying the Exchange Act, such as promoting market transparency for over-the-counter derivatives markets, promoting the prompt and accurate clearance of transactions and protecting investors and the public interest.

Because the proposed changes are limited in their effect to swaps products offered under CME's authority to act as a DCO, the proposed changes are properly classified as effecting a change in an existing service of CME that:

⁵ 15 U.S.C. 78q-1.

⁶ 15 U.S.C. 78q-1(b)(3)(F).

(a) primarily affects the clearing operations of CME with respect to products that are not securities, including futures that are not security futures, and swaps that are not security-based swaps or mixed swaps; and

(b) does not significantly affect any securities clearing operations of CME or any rights or obligations of CME with respect to securities clearing or persons using such securities-clearing service.

As such, the changes are therefore consistent with the requirements of Section 17A of the Exchange Act⁷ and are properly filed under Section 19(b)(3)(A)⁸ and Rule 19b-4(f)(4)(ii)⁹ thereunder.

B. Self-Regulatory Organization's Statement on Burden on Competition

CME does not believe that the proposed rule change will have any impact, or impose any burden, on competition. The rule changes simply facilitate the offering of two new series of credit default swap index products.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

CME has not solicited, and does not intend to solicit, comments regarding this proposed rule change. CME has not received any unsolicited written comments from interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)¹⁰ of the Act and paragraph (f)(4)(ii) of Rule 19b-4¹¹ thereunder. At any time within

⁷ 15 U.S.C. 78q-1.

⁸ 15 U.S.C. 78s(b)(3)(A).

⁹ 17 CFR 240.19b-4(f)(4)(ii).

¹⁰ 15 U.S.C. 78s(b)(3)(A).

¹¹ 17 CFR 240.19b-4(f)(4)(ii).

60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
