II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CME included statements concerning the purpose and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CME has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

CME is registered as a derivatives clearing organization with the Commodity Futures Trading Commission and currently offers clearing services for many different futures and swaps products. With this filing, CME proposes to make certain amendments related to the fees it applies to certain interest rate swaps cleared at CME. The proposed changes involve a fee waiver program that applies to house account clearing of MXN OTC IRS products. The changes are designed to incentivize market participants to submit additional transactions in MXN OTC IRS products to CME for clearing. There is no limit to the number of participants that may participate in the proposed fee waiver program; it will be open to all market participants and will be automatically applied to all transaction fees for house accounts on MXN OTC IRS.

The changes that are described in this filing are limited to fee changes for OTC IRS products. Although the proposed changes would become effective on filing, CME plans to operationalize the fee waiver program on April 1, 2014. The terms of program are set to expire on March 31, 2015.

The proposed fee changes are limited to CME's business as a derivatives clearing organization clearing products under the exclusive jurisdiction of the Commodity Futures Trading Commission ("CFTC") and do not materially impact CME's security-based swap clearing business in any way. CME has also certified the proposed rule changes that are the subject of this filing to the Commodity Futures Trading Commission ("CFTC") in CFTC Submission 14-082.

CME believes the proposed rule changes are consistent with the requirements of the Exchange Act including Section 17A of the Exchange Act.<sup>5</sup> More specifically, the proposed rule changes establish or change a member due, fee or other charge imposed by CME under Section 19(b)(3)(A)(ii)<sup>6</sup> of the Securities Exchange Act of 1934 and Rule 19b-4(f)(2)<sup>7</sup> thereunder. CME believes that the proposed fee change is consistent with the requirements of the Securities Exchange Act of 1934 and the rules and regulations thereunder and, in particular, to 17A(b)(3)(D)<sup>8</sup>, because the proposed fee changes apply equally to all market participants clearing MXN OTC IRS in house accounts and therefore the proposed changes provide for the equitable allocation of reasonable dues, fees and other charges among participants. CME also notes that it operates in a highly competitive market in which market participants can readily direct business to competing venues. As such, the proposed changes are appropriately filed pursuant to Section 19(b)(3)(A)<sup>9</sup> of the Act and paragraph (f)(2) of Rule 19b-4 thereunder.

**B. Self-Regulatory Organization's Statement on Burden on Competition**

CME does not believe that the proposed rule change will have any impact, or impose any burden, on competition. The proposed rule changes modify pricing for house account clearing of MXN OTC IRS products. These products are swaps under the exclusive jurisdiction of the CFTC, and, as such, these proposed changes do not affect the security-based swap clearing

activities of CME in any way and therefore do not impose any burden on competition that is inappropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

CME has not solicited, and does not intend to solicit, comments regarding this proposed rule change. CME has not received any unsolicited written comments from interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)<sup>10</sup> of the Act and paragraph (f)(2) of Rule 19b-4 thereunder.<sup>11</sup> At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
