## CHAPTER XIII. MISCELLANEOUS PROVISIONS

Rules 13.1- 13.7 (No change)

Rule 13.8 EDGA Book Feed

(a) The EDGA Book Feed is a data feed that contains all displayed orders for listed securities trading on EDGA, order executions, order cancellations, order modifications, order identification numbers, and administrative messages.

(b) Members may obfuscate their unique order identifications number on the EDGA Book Feed per Market Participant Identifier for all logical ports or specific logical ports for subsequent replenishments of reserve orders, as designated by the Member. In order to do so, the Member must contact the Exchange's Member Services ("Member Services") department. In such case, a randomly generated order identification number would be applied the next trading day by the Exchange for all subsequent replenishments of reserve orders until further instructions are received by Member Services from the Member .
