(the “Exchange” or the “EDGX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which items have been prepared by the self-regulatory organization. places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, the BY flag is yielded when an order is routed to BATS BYX Exchange and removes liquidity using order types ROUC and ROBY, as defined in Exchange Rules 11.9(b)(3)(a) and (g). The Exchange proposes to decrease the rebate from \$0.0004 to \$0.0002 when an order is routed to BATS BYX Exchange and removes liquidity.

The Exchange also proposes to eliminate the text in footnote 7, which describes the INET tier, and replace it with the words “intentionally omitted.” This tier provides that “Members routing an average daily volume (“ADV”): (i) less than 5,000,000 shares will be charged \$0.0030 per share, as described in the schedule; (ii) equal to or greater than 5,000,000 shares but less than 20,000,000 shares will be charged Nasdaq’s best removal tier rate per share; (iii) equal to or greater than 20,000,000 shares but less than 30,000,001 shares will be charged Nasdaq’s best removal tier rate - \$0.0001 per share; and (iv) equal to or greater than 30,000,001 shares will be charged Nasdaq’s best removal tier rate - \$0.0002 per share. The rates, in all cases, are calculated for shares removed from Nasdaq.” Conforming changes have been made to eliminate the references to footnotes 7 and a on Flags 2 and L, as they are no longer applicable.

The Exchange proposes to implement these amendments to its fee schedule on August 1, 2011.

## 2. Statutory Basis

The Exchange believes that the proposed rule changes are consistent with the objectives of Section 6 of the Exchange Act,<sup>4</sup> in general, and furthers the objectives of Section 6(b)(4),<sup>5</sup> in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities.

The Exchange believes that the proposed decrease in rebate associated with the BY flag (from \$0.0004 per share to \$0.0002 per share) represents an equitable allocation of reasonable dues, fees, and other charges since it reflects a pass through of the BATS fee for removing liquidity. EDGA believes that it is reasonable and equitable to pass on these fees to its members. The Exchange believes that the proposed decrease in rebate is non-discriminatory in that it applies uniformly to all Members.

The Exchange believes that the proposed elimination of the INET tier in footnote 7 represents an equitable allocation of reasonable dues, fees, and other charges as the INET tier is not used by any Members and therefore, its elimination will not impact any Members. The proposed elimination of the tier also provides more simplicity to the fee schedule.

The Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. The proposed rule changes reflect a competitive pricing structure designed to incent market participants to direct their order flow to the Exchange. The Exchange believes that the proposed rates are non-discriminatory in that they apply uniformly to

all Members. The Exchange believes the fees and credits remain competitive with those charged by other venues and therefore continue to be reasonable and equitably allocated to Members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3) of the Act<sup>6</sup> and Rule 19b-4(f)(2)<sup>7</sup> thereunder. At any time within 60 days<sup>7</sup> of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
