4000. FINANCIAL AND OPERATIONAL RULES

* * * * *

4210. Margin Requirements

(a) Definitions

For purposes of this Rule, the following terms shall have the meanings specified below:

(1) through (12) No Change.

(13) The term “exempt account” means:

(A) No Change.

(B) any person that:

(i) has a net worth of at least \$45 million and financial assets of at least \$40 million for purposes of paragraphs (e)(2)(F), [and] (e)(2)(G)[,] and (e)(2)(H), and

(ii) No Change.

(14) through (16) No Change.

(b) through (d) No Change.

(e) Exceptions to Rule

The foregoing requirements of this Rule are subject to the following exceptions:

(1) No Change.

(2) Exempted Securities, Non-equity Securities and Baskets

(A) through (E) No Change.

**(F) Transactions with Exempt Accounts Involving Certain
“Good Faith” Securities**

Other than for Covered Agency Transactions as defined in paragraph (e)(2)(H) of this Rule, [O]on any “long” or “short” position resulting from a transaction involving exempted securities, mortgage related securities, or major foreign sovereign debt securities made for or with an “exempt account,” no margin need be required and any marked to the market loss on such position need not be collected. However, the amount of any uncollected marked to the market loss shall be deducted in computing the member’s net capital as provided in SEA Rule 15c3-1 and, if applicable, Rule 4110(a), subject to the limits provided in paragraph (e)(2)([H]I) [below] of this Rule.

Members shall maintain a written risk analysis methodology for assessing the amount of credit extended to exempt accounts pursuant to paragraph (e)(2)(F) of this Rule which shall be made available to FINRA upon request. The risk limit determination shall be made by a designated credit risk officer or credit risk committee in accordance with the member’s written risk policies and procedures.

**(G) Transactions With Exempt Accounts Involving Highly
Rated Foreign Sovereign Debt Securities and Investment Grade Debt
Securities**

On any “long” or “short” position resulting from a transaction made for or with an “exempt account” (other than a position subject to paragraph (e)(2)(F) or (e)(2)(H) of this Rule), the margin to be maintained on highly rated foreign sovereign debt and investment grade debt securities shall be, in lieu of any greater requirements imposed under this Rule, (i) 0.5 percent of current market value in the case of highly rated foreign sovereign debt securities, and (ii) 3 percent of current market value in the case of all other investment grade debt securities. The member need not collect any such margin, provided the amount equal to the margin required shall be deducted in computing the member’s net capital as provided in SEA Rule 15c3-1 and, if applicable, Rule 4110(a), subject to the limits provided in paragraph (e)(2)(~~[H]~~I) [below] of this Rule.

Members shall maintain a written risk analysis methodology for assessing the amount of credit extended to exempt accounts pursuant to paragraph (e)(2)(G) of this Rule which shall be made available to FINRA upon request. The risk limit determination shall be made by a designated credit risk officer or credit risk committee in accordance with the member’s written risk policies and procedures.

(H) Covered Agency Transactions

(i) Definitions

For purposes of paragraph (e)(2)(H) of this Rule:

a. The term “bilateral transaction” means a

Covered Agency Transaction that is not cleared through a

registered clearing agency as defined in paragraph (f)(2)(A)(xxviii) of this Rule.

b. The term “counterparty” means any person that enters into a Covered Agency Transaction with a member and includes a “customer” as defined in paragraph (a)(3) of this Rule.

c. The term “Covered Agency Transaction” means:

1. To Be Announced (“TBA”) transactions, as defined in Rule 6710(u), inclusive of adjustable rate mortgage (“ARM”) transactions, for which the difference between the trade date and contractual settlement date is greater than one business day;

2. Specified Pool Transactions, as defined in Rule 6710(x), for which the difference between the trade date and contractual settlement date is greater than one business day; and

3. Transactions in Collateralized Mortgage Obligations (“CMOs”), as defined in Rule 6710(dd), issued in conformity with a program of an Agency, as defined in Rule 6710(k), or a Government-Sponsored Enterprise, as defined in Rule 6710(n), for which the difference between the trade date and

contractual settlement date is greater than three business days.

d. The term “deficiency” means the amount of any required but uncollected maintenance margin and any required but uncollected mark to market loss.

e. The term “gross open position” means, with respect to Covered Agency Transactions, the amount of the absolute dollar value of all contracts entered into by a counterparty, in all CUSIPs; provided, however, that such amount shall be computed net of any settled position of the counterparty held at the member and deliverable under one or more of the counterparty’s contracts with the member and which the counterparty intends to deliver.

f. The term “maintenance margin” means margin equal to 2 percent of the contract value of the net “long” or net “short” position, by CUSIP, with the counterparty.

g. The term “mark to market loss” means the counterparty’s loss resulting from marking a Covered Agency Transaction to the market.

h. The term “mortgage banker” means an entity, however organized, that engages in the business of providing real estate financing collateralized by liens on such real estate.

i. The term “round robin” trade means any transaction or transactions resulting in equal and offsetting positions by one customer with two separate dealers for the purpose of eliminating a turnaround delivery obligation by the customer.

j. The term “standby” means contracts that are put options that trade OTC, as defined in paragraph (f)(2)(A)(xxvii) of this Rule, with initial and final confirmation procedures similar to those on forward transactions.

(ii) Margin Requirements for Covered Agency

Transactions

a. All Covered Agency Transactions with any counterparty, regardless of the type of account to which booked, shall be subject to the provisions of paragraph (e)(2)(H) of this Rule, except:

1. with respect to Covered Agency Transactions with any counterparty that is a Federal banking agency, as defined in 12 U.S.C. 1813(z), central bank, multinational central bank, foreign sovereign, multilateral development bank, or the Bank for International Settlements, a member may elect not to apply the margin requirements specified

in paragraph (e)(2)(H) of this Rule provided the member makes a written risk limit determination for each such counterparty that the member shall enforce pursuant to paragraph (e)(2)(H)(ii)b.; and

2. a member is not required to apply the margin requirements specified in paragraph (e)(2)(H) of this Rule with respect to Covered Agency Transactions with a counterparty in multifamily housing securities or project loan program securities, provided:

A. such securities are issued in conformity with a program of an Agency, as defined in Rule 6710(k), or a Government-Sponsored Enterprise, as defined in Rule 6710(n), and are documented as Freddie Mac K Certificates, Fannie Mae Delegated Underwriting and Servicing bonds, or Ginnie Mae Construction Loan or Project Loan Certificates, as commonly known to the trade, or are such other multifamily housing securities or project loan program securities with substantially similar characteristics, issued in conformity with a

program of an Agency or a Government-Sponsored Enterprise, as FINRA may designate by Regulatory Notice or similar communication; and

B. the member makes a written risk limit determination for each such counterparty that the member shall enforce pursuant to paragraph (e)(2)(H)(ii)b.

b. A member that engages in Covered Agency Transactions with any counterparty shall make a determination in writing of a risk limit for each such counterparty that the member shall enforce. The risk limit determination shall be made by a designated credit risk officer or credit risk committee in accordance with the member's written risk policies and procedures.

c. The margin requirements specified in paragraph (e)(2)(H) of this Rule shall not apply to:

1. Covered Agency Transactions that are cleared through a registered clearing agency, as defined in paragraph (f)(2)(A)(xxviii) of this Rule, and are subject to the margin requirements of that clearing agency; and

2. any counterparty that has gross open positions in Covered Agency Transactions with the member amounting to \$10 million or less in aggregate, if the original contractual settlement for all such transactions is in the month of the trade date for such transactions or in the month succeeding the trade date for such transactions and the counterparty regularly settles its Covered Agency Transactions on a Delivery Versus Payment (“DVP”) basis or for “cash”; provided, however, that such exception from the margin requirements shall not apply to a counterparty that, in its transactions with the member, engages in dollar rolls, as defined in Rule 6710(z), or “round robin” trades, or that uses other financing techniques for its Covered Agency Transactions.

d. Transactions with Exempt Accounts: On any net “long” or net “short” position, by CUSIP, resulting from bilateral transactions with a counterparty that is an “exempt account” no maintenance margin shall be required. However, such transactions shall be marked to the market daily and the member shall collect any net mark to market loss, unless otherwise provided under paragraph

(e)(2)(H)(ii)f. of this Rule. If the mark to market loss is not satisfied by the close of business on the next business day after the business day on which the mark to market loss arises, the member shall be required to deduct the amount of the mark to market loss from net capital as provided in SEA Rule 15c3-1 until such time the mark to market loss is satisfied. If such mark to market loss is not satisfied within five business days from the date the loss was created, the member shall promptly liquidate positions to satisfy the mark to market loss, unless FINRA has specifically granted the member additional time. Members may treat mortgage bankers that use Covered Agency Transactions to hedge their pipeline of mortgage commitments as exempt accounts for purposes of paragraph (e)(2)(H) of this Rule.

e. Transactions with Non-Exempt Accounts: On any net “long” or net “short” position, by CUSIP, resulting from bilateral transactions with a counterparty that is not an “exempt account,” maintenance margin, plus any net mark to market loss on such transactions, shall be required margin, and the member shall collect the deficiency, as defined in paragraph (e)(2)(H)(i)d. of this Rule, unless otherwise provided under paragraph (e)(2)(H)(ii)f. of this Rule. If the deficiency is not satisfied by the close of

business on the next business day after the business day on which the deficiency arises, the member shall be required to deduct the amount of the deficiency from net capital as provided in SEA Rule 15c3-1 until such time the deficiency is satisfied. If such deficiency is not satisfied within five business days from the date the deficiency was created, the member shall promptly liquidate positions to satisfy the deficiency, unless FINRA has specifically granted the member additional time. No maintenance margin is required if the original contractual settlement for the Covered Agency Transaction is in the month of the trade date for such transaction or in the month succeeding the trade date for such transaction and the customer regularly settles its Covered Agency Transactions on a DVP basis or for “cash”; provided, however, that such exception from the required maintenance margin shall not apply to a non-exempt account that, in its transactions with the member, engages in dollar rolls, as defined in Rule 6710(z), or “round robin” trades, or that uses other financing techniques for its Covered Agency Transactions.

f. Any aforementioned deficiency, as set forth in paragraph (e)(2)(H)(ii)e. of this Rule, or mark to market losses, as set forth in paragraph (e)(2)(H)(ii)d. of this Rule,

with a single counterparty shall not give rise to any margin requirement, and as such need not be collected or charged to net capital, if the aggregate of such amounts with such counterparty does not exceed \$250,000 (“the de minimis transfer amount”). The full amount of the sum of the required maintenance margin and any mark to market loss must be collected when such sum exceeds the de minimis transfer amount.

g. Unrealized profits in one Covered Agency Transaction position may offset losses from other Covered Agency Transaction positions in the same counterparty’s account and the amount of net unrealized profits may be used to reduce margin requirements. With respect to standbys, only profits (in-the-money amounts), if any, on “long” standbys shall be recognized.

([H]I) Limits on Net Capital Deductions [for Exempt Accounts]

[(i) Members shall maintain a written risk analysis methodology for assessing the amount of credit extended to exempt accounts pursuant to paragraph (e)(2)(F) and (e)(2)(G) which shall be made available to FINRA upon request.]

[(ii) In the event that the net capital deductions taken by a member as a result of deficiencies or marked to the market losses incurred under paragraphs (e)(2)(F) and (e)(2)(G) of this Rule

(exclusive of the percentage requirements established thereunder),
plus any mark to market loss as set forth under paragraph
(e)(2)(H)(ii)d. of this Rule and any deficiency as set forth under
paragraph (e)(2)(H)(ii)e. of this Rule, and inclusive of all amounts
excepted from margin requirements as set forth under paragraph
(e)(2)(H)(ii)c.2. of this Rule or any de minimis transfer amount as
set forth under paragraph (e)(2)(H)(ii)f. of this Rule, exceed:

a. [on] for any one account or group of commonly
controlled accounts, 5 percent of the member's tentative net
capital (as such term is defined in SEA Rule 15c3-1), or

b. [on] for all accounts combined, 25 percent of the
member's tentative net capital (as such term is defined in
SEA Rule 15c3-1), and,

c. such excess as calculated in paragraphs
(e)(2)(I)(i)a. or b. of this Rule continues to exist[s] on the
fifth business day after it was incurred,

the member shall give prompt written notice to FINRA and
shall not enter into any new transaction(s) subject to the provisions
of paragraphs (e)(2)(F), [or] (e)(2)(G) or (e)(2)(H) of this Rule that
would result in an increase in the amount of such excess under, as
applicable, [subparagraph (ii)] paragraph (e)(2)(I)(i) of this Rule.

(3) through (8) No Change.

(f) Other Provisions

(1) through (5) No Change.

(6) Time Within Which Margin or “Mark to Market” Must Be Obtained

The amount of margin or “mark to market” required by any provision of this Rule, other than that required under paragraph (e)(2)(H) of this Rule, shall be obtained as promptly as possible and in any event within 15 business days from the date such deficiency occurred, unless FINRA has specifically granted the member additional time.

(7) through (10) No Change.

(g) through (h) No Change.

••• Supplementary Material: -----

.01 No Change.

.02 Monitoring Procedures. For purposes of paragraph (e)(2)(H)(ii)d. of this Rule, members shall adopt written procedures to monitor the mortgage banker’s pipeline of mortgage loan commitments to assess whether the Covered Agency Transactions are being used for hedging purposes.

.03 Mark to Market Loss/Deficiency. For purposes of paragraph (e)(2)(H) of this Rule, to the extent a mark to market loss or deficiency is cured by subsequent market movements prior to the time the margin call must be met, the margin call need not be met and the position need not be liquidated; provided, however, if the mark to market loss or deficiency is not satisfied by the close of business on the next business day after the business day on which the mark to market loss or deficiency arises, the member shall be

required to deduct the amount of the mark to market loss or deficiency from net capital as provided in SEA Rule 15c3-1 until such time the mark to market loss or deficiency is satisfied.

.04 Determination of Exempt Account. For purposes of paragraph (e)(2)(H) of this Rule, the determination of whether an account qualifies as an exempt account shall be made based upon the beneficial ownership of the account. Sub-accounts managed by an investment adviser, where the beneficial owner is other than the investment adviser, shall be margined individually.

.05 Risk Limit Determination.

(a) For purposes of any risk limit determination pursuant to paragraphs (e)(2)(F), (e)(2)(G) or (e)(2)(H) of this Rule:

(1) If a member engages in transactions with advisory clients of a registered investment adviser, the member may elect to make the risk limit determination at the investment adviser level;

(2) Members of limited size and resources that do not have a credit risk officer or credit risk committee may designate an appropriately registered principal to make the risk limit determinations;

(3) The member may base the risk limit determination on consideration of all products involved in the member's business with the counterparty, provided the member makes a daily record of the counterparty's risk limit usage; and

(4) A member shall consider whether the margin required pursuant to this Rule is adequate with respect to a particular counterparty account or all its counterparty accounts and, where appropriate, increase such requirements.
