(Release No. 34-54335; File No. SR-ISE-2006-47)

August 18, 2006

Self-Regulatory Organizations; International Securities Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Extension of a Pilot Period to Increase Position Limits and Exercise Limits for Equity Options and Options on the Nasdaq-100 Tracking Stock

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 10, 2006, the International Securities Exchange, Inc. (“ISE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the ISE. The Exchange has filed the proposal as a “non-controversial” rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The ISE proposes to extend the time period for the ISE Rule 412 and ISE Rule 414 position and exercise limits pilot program for equity option contracts and options on the Nasdaq-100 Index Tracking Stock (“QQQQ”) (“Pilot Program”). The text of the proposed rule change is available on the ISE’s Web site (<http://www.iseoptions.com>), at the ISE’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the ISE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Pilot Program provides for an increase to the standard position and exercise limits for equity option contracts and for options on QQQQs.⁵ The Pilot Program, after being extended on two prior occasions, is set to expire on September 1, 2006.⁶ Specifically, the Pilot Program increased the applicable position and exercise limits for equity options and options on the QQQQ to the following levels:

Current Equity Option Contract Limit⁷	Pilot Program Equity Option Contract Limit
13,500 contracts	25,000 contracts
22,500 contracts	50,000 contracts
31,500 contracts	75,000 contracts

⁵ See Securities Exchange Act Release No. 51295 (March 2, 2005), 70 FR 11292 (March 8, 2005) (notice of filing and immediate effectiveness of SR-ISE-2005-14) ("Pilot Program Notice").

⁶ See Securities Exchange Act Release Nos. 53345 (February 22, 2006), 71 FR 10579 (March 1, 2006) (notice of filing and immediate effectiveness of SR-ISE-2006-10); and 52265 (August 15, 2005), 70 FR 48996 (August 22, 2005) (notice of filing and immediate effectiveness of SR-ISE-2005-39).

⁷ Except when the Pilot Program is in effect.

60,000 contracts	200,000 contracts
75,000 contracts	250,000 contracts
Current QQQQ Option Contract Limit	Pilot Program QQQQ Option Contract Limit
300,000 contracts	900,000 contracts

The purpose of the proposed rule change is to extend the Pilot Program for an additional six-month period, until March 1, 2007. The Exchange believes that extending the Pilot Program for six months is warranted due to the positive feedback from members and for the reasons cited in the original rule filing that proposed the adoption of the Pilot Program.⁸ Additionally, the Exchange represents that it has not experienced any problems or difficulties relating to the Pilot Program since its inception. For these reasons, the Exchange requests that the Commission extend the Pilot Program until March 1, 2007.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁹ in general, and furthers the objective of Section 6(b)(5) of the Act¹⁰ in particular, in that it is designed to promote just and equitable principles of trade and to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition.

⁸ See Pilot Program Notice, *supra* note 5.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the forgoing rule change does not: (1) significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6) thereunder.¹²

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.¹³ However, Rule 19b-4(f)(6)(iii)¹⁴ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange provided the Commission with written notice of its intent to file this proposed rule change at least five business days prior to the date of filing the proposed rule change. In addition, the Exchange has requested that the Commission waive the 30-day pre-operative delay. The Commission believes that waiving the 30-day pre-operative delay is

consistent with the protection of investors and in the public interest because it will allow the Pilot Program to continue uninterrupted.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the Act.
