A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Recently, the U.S. Securities and Exchange Commission ("SEC" or "Commission") authorized ISE to list and trade options on the SPDR Gold Trust,³ the iShares COMEX Gold Trust and the iShares Silver Trust,⁴ the ETFS Gold Trust and the ETFS Silver Trust.⁵ Now, the Exchange proposes to list and trade options on the ETFS Palladium Trust and the ETFS Platinum Trust.

Under current Rule 502(h), only Exchange-Traded Fund Shares, or ETFs, that are traded on a national securities exchange and are defined as an "NMS" stock under Rule 600 of Regulation NMS, and that (i) represent interests in registered investment companies (or series thereof) organized as open-end management investment companies, unit investment trusts or similar entities that hold portfolios of securities and/or financial instruments, including, but not limited to, stock index futures contracts, options on futures, options on securities and indices, equity caps, collars and floors, swap agreements, forward contracts, repurchase agreements and reverse repurchase agreements (the "Financial Instruments"), and money market instruments, including, but not limited to, U.S. government securities and repurchase agreements (the "Money

Market Instruments”) comprising or otherwise based on or representing investments in broad-based indexes or portfolios of securities and/or Financial Instruments and Money Market Instruments (or that hold securities in one or more other registered investment companies that themselves hold such portfolios of securities and/or Financial Instruments and Money Market Instruments) or (ii) represent interests in a trust that holds a specified non-U.S. currency or currencies deposited with the trust when aggregated in some specified minimum number may be surrendered to the trust by the beneficial owner to receive the specified non-U.S. currency or currencies and pays the beneficial owner interest and other distributions on the deposited non-U.S. currency or currencies, if any, declared and paid by the trust (“Funds”) or (iii) represent commodity pool interests principally engaged, directly or indirectly, in holding and/or managing portfolios or baskets of securities, commodity futures contracts, options on commodity futures contracts, swaps, forward contracts and/or options on physical commodities and/or non-U.S. currency (“Commodity Pool ETFs”) or (iv) represent interests in the SPDR® Gold Trust, the iShares COMEX Gold Trust, the iShares Silver Trust, the ETFS Gold Trust or the ETFS Silver Trust or (v) represents an interest in a registered investment company (“Investment Company”) organized as an open-end management company or similar entity, that invests in a portfolio of securities selected by the Investment Company’s investment adviser consistent with the Investment Company’s investment objectives and policies, which is issued in a specified aggregate minimum number in return for a deposit of a specified portfolio of securities and/or a cash amount with a value equal to the next determined net asset value (“NAV”), and when aggregated in the same specified minimum number, may be redeemed at a holder’s request, which holder will be paid a specified portfolio of securities and/or cash with a value equal to the next determined NAV (“Managed Fund Share”) are eligible as underlying securities for options

traded on the Exchange.⁶ This rule change proposes to expand the types of ETFs that may be approved for options trading on the Exchange to include the ETFS Palladium Trust and the ETFS Platinum Trust.

Apart from allowing the ETFS Palladium Trust and the ETFS Platinum Trust to be an underlying for options traded on the Exchange as described above, the listing standards for ETFs will remain unchanged from those that apply under current Exchange rules. ETFs on which options may be listed and traded must still be listed and traded on a national securities exchange and must satisfy the other listing standards set forth in ISE Rule 502(h).

Specifically, in addition to satisfying the aforementioned listing requirements,

ETFs must meet either (1) the criteria and guidelines under ISE Rules 502(a) and (b) or (2) they must be available for creation or redemption each business day from or through the issuing trust, investment company, commodity pool or other entity in cash or in kind at a price related to net asset value, and the issuer must be obligated to issue Exchange-Traded Fund Shares in a specified aggregate number even if some or all of the investment assets and/or cash required to be deposited have not been received by the issuer, subject to the condition that the person obligated to deposit the investment assets has undertaken to deliver them as soon as possible and such undertaking is secured by the delivery and maintenance of collateral consisting of cash or cash equivalents satisfactory to the issuer, as provided in the respective prospectus.

The Exchange states that the current continued listing standards for options on

ETFs will apply to options on the ETFS Palladium Trust and the ETFS Platinum Trust. Specifically, under ISE Rule 503(h), options on Exchange-Traded Fund Shares may be subject to the suspension of opening transactions as follows: (1) following the initial twelve-month period

⁶ See ISE Rule 502(h).

beginning upon the commencement of trading of the Exchange-Traded Fund Shares, there are fewer than 50 record and/or beneficial holders of the Exchange-Traded Fund Shares for 30 or more consecutive trading days; (2) the value of the underlying palladium or underlying platinum is no longer calculated or available; or (3) such other event occurs or condition exists that in the opinion of the Exchange makes further dealing on the Exchange inadvisable.

Additionally, the ETFS Palladium Trust and the ETFS Platinum Trust shall not be deemed to meet the requirements for continued approval, and the Exchange shall not open for trading any additional series of option contracts of the class covering the ETFS Palladium Trust and the ETFS Platinum Trust, respectively, if the ETFS Palladium Trust and the ETFS Platinum Trust ceases to be an "NMS stock" as provided for in ISE Rule 503(b)(5) or the ETFS Palladium Trust and the ETFS Platinum Trust is halted from trading on its primary market.

The addition of the ETFS Palladium Trust and the ETFS Platinum Trust to ISE Rule 502(h) will not have any effect on the rules pertaining to position and exercise limits⁷ or margin.⁸

The Exchange represents that its surveillance procedures applicable to trading in options on the ETFS Palladium Trust and the ETFS Platinum Trust will be similar to those applicable to all other options on other ETFs currently traded on the Exchange. Also, the Exchange may obtain information from the New York Mercantile Exchange, Inc. ("NYMEX") (a member of the Intermarket Surveillance Group) related to any financial instrument that is based, in whole or in part, upon an interest in or performance of palladium or platinum.

⁷ See ISE Rules 412 and 414.

⁸ See ISE Rule 1202.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b)⁹ of the Securities Exchange Act of 1934 (the “Act”), in general, and furthers the objectives of Section 6(b)(5)¹⁰ in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanisms of a free and open market and a national market system in a manner consistent with the protection of investors and the public interest. In particular, the Exchange believes that amending its rules to accommodate the listing and trading of options on the ETFS Palladium Trust and the ETFS Platinum Trust will benefit investors by providing them with valuable risk management tools.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others
