Rule 604. Continuing Education for Registered Persons

Each registered person shall complete the Regulatory Element of the continuing education program on the occurrence of their second registration anniversary date and every three years thereafter or as otherwise prescribed by the Exchange. On each occasion, the Regulatory Element must be completed within 120 days after the person's registration anniversary date. A person's initial registration date shall establish the cycle of anniversary dates for purposes of this Rule. The content of the Regulatory Element of the program shall be determined by the Exchange for each registration category of persons subject to the Rule.

(1) **Failure to Complete.** Unless otherwise determined by the Exchange, any registered persons who have not completed the Regulatory Element of the program within the prescribed time frames will have their registration deemed inactive until such time as the requirements of the program have been satisfied. Any person whose registration has been deemed inactive under this Rule shall cease all activities as a registered person and is prohibited from performing any duties and functioning in any capacity requiring registration. The Exchange may, upon application and a showing of good cause, allow for additional time for a registered person to satisfy the program requirements.

(2) **Re-Entry Into Program.** Unless otherwise determined by the Exchange, a registered person will be required to re-enter the Regulatory Element and satisfy all of its requirements in the event such person:

(i) becomes subject to any statutory disqualification as defined in Section 3(a)(39) of the Exchange Act,

(ii) becomes subject to suspension or to the imposition of a fine of \$5,000 or more for violation of any provision of any securities law or regulation, or any agreement with or rule or standard of conduct of any securities governmental agency, securities SRO, or as imposed by any such regulatory organization in connection with a disciplinary proceeding, or

(iii) is ordered as a sanction in a disciplinary action to re-enter the continuing education program by any securities governmental agency or securities SRO.

Re-entry shall commence with initial participation within 120 days of the registered person becoming subject to the statutory disqualification, in the case of (i) above, or the disciplinary action becoming final, in the case of (ii) or (iii) above. The date that the disciplinary action becomes final will be deemed the person's initial registration anniversary date for purposes of this Rule.

(3) Required Programs. For purposes of this Rule, the Exchange offers the following Regulatory Elements for Exchange registered persons: the S201 Supervisor Program for registered principals and supervisors and the S101 General Program for Series 7, Series 57, and all other registered persons.

(i) Each Member must maintain a continuing and current education program for its covered registered persons to enhance their securities knowledge, skills and professionalism. At a minimum each Member shall at least annually evaluate and prioritize its training needs and develop a written training plan. The plan must take into consideration the Member's size, organizational structure and scope of business activities, as well as regulatory development and the performance of covered registered persons in the Regulatory Element. If a Member's analysis determines a need for supervisory training for persons with supervisory responsibilities, such training must be included in the Member's training plan.

(ii) **Minimum Standards for Training Programs.** Programs used to implement a Member's training plan must be appropriate for the business of the Member and, at a minimum, must cover the following matters concerning securities products, services and strategies offered by the Member:

(A) general investment features and associated risk factors;

(B) suitability and sales practice considerations; and

(C) applicable regulatory requirements.

(iii) **Administration of Continuing Education Program.** Each Member must administer its continuing education program in accordance with its annual evaluation and written plan and must maintain records documenting the content of the programs and completion of the programs by covered registered persons.

(3) **Participation in the Firm Element.** Covered registered persons included in a Member's plan must take all appropriate and reasonable steps to participate in continuing education programs as required by the Member.

1200. Registration, Qualification and Continuing Education

1210. Registration Requirements

Each person engaged in the securities business of a member shall be registered with the Exchange as a representative or principal in each category of registration appropriate to his or her functions and responsibilities as specified in Rule 1220, unless exempt from registration pursuant to Rule 1230. Such person shall not be qualified to function in any registered capacity other than that for which the person is registered, unless otherwise stated in the rules.

••• Supplementary Material: -----

.01 Minimum Number of Registered Principals. Each member, except a member with only one associated person, shall have at least two officers or partners who are registered as General Securities Principals pursuant to Rule 1220(a)(2), provided that a member that is limited in the scope of its activities may instead have two officers or partners who are registered in a principal category under Rule 1220(a) that corresponds to the scope of the member's activities; and provided further that a proprietary trading firm with 25 or fewer registered representatives shall only be required to have one officer or partner who is registered as a principal. The requirement that a member have a minimum of two principals shall apply to persons seeking admission as members and existing members.

Pursuant to the 9600 Series, the Exchange may waive the requirement that a member have a minimum of two principals in situations that indicate conclusively that only one person associated with an applicant for membership or existing member should be required to register as a principal.

.02 Permissive Registrations. A member may make application for or maintain the registration as a representative or principal, pursuant to Rule 1220, of any associated person of the member and any individual engaged in the securities business of a foreign securities affiliate or subsidiary of the member. Individuals maintaining such permissive registrations shall be considered registered persons and subject to all Exchange rules, to the extent relevant to their activities.

Consistent with the requirements of the Exchange's supervision rules, members shall have adequate supervisory systems and procedures reasonably designed to ensure that individuals with permissive registrations do not act outside the scope of their assigned functions. With respect to an individual who solely maintains a permissive registration(s), the individual's direct supervisor shall not be required to be a registered person. However, for purposes of compliance with the Exchange's supervision rules, a member shall assign a registered supervisor who shall be responsible for periodically contacting such individual's direct supervisor to verify that the individual is not acting outside the scope of his or her assigned functions. If such individual is permissively registered as a representative, the registered supervisor shall be registered as a representative or principal. If the individual is permissively registered as a principal, the registered supervisor shall be registered as a principal. Moreover, the registered supervisor of an individual who solely maintains a permissive registration(s) shall not be required to be

registered in the same representative or principal registration category as the permissively-registered individual.

.03 Qualification Examinations and Waivers of Examinations. Before the registration of a person as a representative can become effective under Rule 1210, such person shall pass the Securities Industry Essentials ("SIE") and an appropriate representative qualification examination as specified in Rule 1220(b). Before the registration of a person as a principal can become effective under Rule 1210, such person shall pass an appropriate principal qualification examination as specified in Rule 1220(a).

If the job functions of a registered representative, other than an individual registered as an Order Processing Assistant Representative, change so as to require the person to register in another representative category, the person shall not be required to pass the SIE. Rather, the registered person would need to pass only an appropriate representative qualification examination as specified in Rule 1220(b). All associated persons shall be eligible to take the SIE. In addition, individuals who are not associated persons shall be eligible to take the SIE. However, passing the SIE alone shall not qualify an individual for registration with the Exchange. To be eligible for registration with the Exchange, an individual shall pass an applicable representative or principal qualification examination as specified in Rule 1220 and satisfy all other applicable prerequisite registration requirements.

Pursuant to the Rule 9600 Series, the Exchange may, in exceptional cases and where good cause is shown, waive the applicable qualification examination(s) and accept other standards as evidence of an applicant's qualifications for registration. Age or disability will not individually of themselves constitute sufficient grounds to waive a qualification examination. Experience in fields ancillary to the securities business may constitute sufficient grounds to waive a qualification examination. The Exchange shall only consider waiver requests submitted by a member for individuals associated with the member who are seeking registration in a representative or principal registration category. Moreover, the Exchange shall consider waivers of the SIE alone or the SIE and the applicable representative and principal examination(s) for such individuals. The Exchange shall not consider a waiver of the SIE for individuals who are not associated persons or for associated persons who are not registering with the Exchange as representatives or principals.

.04 Requirements for Registered Persons Functioning as Principals for a Limited Period. Subject to the requirements of Rule 1220.03, a member may designate any person currently registered, or who becomes registered, with the member as a representative to function as a principal for a period of 120 calendar days prior to passing an appropriate principal qualification examination as specified under Rule 1220(a), provided that such person has at least 18 months of experience functioning as a registered representative within the five-year period immediately preceding the designation and has fulfilled all applicable prerequisite registration, fee and examination requirements prior to designation as a principal. However, in no event may such person function as a principal beyond the initial 120 calendar day period without having successfully passed an

appropriate principal qualification examination as specified under Rule 1220(a). The requirements above apply to designations to any principal category, including those categories that are not subject to a prerequisite representative registration requirement. Further, a person registered as an Order Processing Assistant Representative shall not be eligible to be designated as a principal under Supplementary Material .04 of this rule.

Subject to the requirements of Rule 1220.03, a member may designate any person currently registered, or who becomes registered, with the member as a principal to function in another principal category for a period of 120 calendar days prior to passing an appropriate qualification examination as specified under Rule 1220. However, in no event may such person function in such other principal category beyond the initial 120 calendar day period without having successfully passed an appropriate qualification examination as specified under Rule 1220.

.05 Rules of Conduct for Taking Examinations and Confidentiality of Examinations.

Associated persons taking the SIE shall be subject to the SIE Rules of Conduct. Associated persons taking any representative or principal examination shall be subject to the Rules of Conduct for representative and principal examinations. A violation of the SIE Rules of Conduct or the Rules of Conduct for representative and principal examinations by an associated person shall be deemed to be a violation of Exchange rules requiring observance of high standards of commercial honor or just and equitable principles of trade. If the Exchange determines that an associated person has violated the SIE Rules of Conduct or the Rules of Conduct for representative and principal examinations, the associated person may forfeit the results of the examination and may be subject to disciplinary action by the Exchange. The Exchange considers all of the qualification examinations content to be highly confidential. The removal of examination content from an examination center, reproduction, disclosure, receipt from or passing to any person, or use for study purposes of any portion of such qualification examination or any other use that would compromise the effectiveness of the examinations and the use in any manner and at any time of the questions or answers to the examinations shall be prohibited and shall be deemed to be a violation of Exchange rules requiring observance of high standards of commercial honor or just and equitable principles of trade. An applicant cannot receive assistance while taking the examination and shall certify that no assistance was given to or received by him or her during the examination.

.06 Waiting Periods for Retaking a Failed Examination. Any person who fails to pass a qualification examination prescribed by the Exchange shall be permitted to take that examination again after a period of 30 calendar days has elapsed from the date of such person's last attempt to pass that examination, except that any person who fails to pass an examination three or more times in succession within a two-year period shall be prohibited from again taking that examination until a period of 180 calendar days has elapsed from the date of such person's last attempt to pass that examination.

The waiting periods for retaking a failed examination shall apply to the SIE and the representative and principal examinations specified under Rule 1220.

.07 All Registered Persons Must Satisfy the Regulatory Element of Continuing Education. All registered persons, including those individuals who solely maintain permissive registrations pursuant to Rule 1210.02, shall satisfy the Regulatory Element of continuing education as specified in Rule 1240(a).

If a person registered with a member has a continuing education deficiency with respect to that registration as provided under Rule 1240(a), such person shall not be permitted to be registered in another registration category with the Exchange under Rule 1220 with that member or to be registered in any registration category with the Exchange under Rule 1220 with another member, until the person has satisfied the deficiency.

.08 Lapse of Registration and Expiration of SIE. Any person who was last registered as a representative two or more years immediately preceding the date of receipt by the Exchange of a new application for registration as a representative shall be required to pass a representative qualification examination appropriate to his or her category of registration as specified in Rule 1220(b). Any person who last passed the SIE or who was last registered as a representative, whichever occurred last, four or more years immediately preceding the date of receipt by the Exchange of a new application for registration as a representative shall be required to pass the SIE in addition to a representative qualification examination appropriate to his or her category of registration as specified in Rule 1220(b).

Any person who was last registered as a principal two or more years immediately preceding the date of receipt by the Exchange of a new application for registration as a principal shall be required to pass a principal qualification examination appropriate to his or her category of registration as specified in Rule 1220(a).

Any person whose registration has been revoked pursuant to Rule 8310 shall be required to pass a principal or representative qualification examination appropriate to his or her category of registration as specified in Rule 1220(a) or Rule 1220(b), respectively, to be eligible for registration with the Exchange.

For purposes of Supplementary Material .08 of this Rule, an application shall not be considered to have been received by the Exchange if that application does not result in a registration.

.09 Waiver of Examinations for Individuals Working for a Financial Services Industry Affiliate of a Member. Upon request by a member, the Exchange shall waive the applicable qualification examination(s) for an individual designated with the Exchange as working for a financial services industry affiliate of a member if the following conditions are met:

(a) Prior to the individual's initial designation, the individual was registered as a representative or principal for a total of five years within the most recent 10- year period, including for the most recent year with the member that initially designated the individual;

(b) The waiver request is made within seven years of the individual's initial designation;

(c) The initial designation and any subsequent designation(s) were made concurrently with the filing of the individual's related Form U5;

(e) The individual has complied with the Regulatory Element of continuing education as specified in Rule 1240(a); and

(f) The individual does not have any pending or adverse regulatory matters, or terminations, that are reportable on the Form U4, and has not otherwise been subject to a statutory disqualification as defined in Section 3(a)(39) of the Exchange Act while the individual was designated as eligible for a waiver.

As used in Supplementary Material .09 of this Rule, a "financial services industry affiliate of a member" is a legal entity that controls, is controlled by or is under common control with a member and is regulated by the SEC, Commodity Futures Trading Commission, state securities authorities, federal or state banking authorities, state insurance authorities, or substantially equivalent foreign regulatory authorities.

.10 Status of Persons Serving in the Armed Forces of the United States. The following provisions address the status of current and former registered persons serving in active duty in the Armed Forces of the United States:

(a) Inactive Status of Currently Registered Persons

A registered person of a member who volunteers for or is called into active duty in the Armed Forces of the United States shall be placed, after proper notification to the Exchange, on inactive status and need not be re-registered by such member upon his or her return to active employment with the member. Such person shall remain eligible to receive transaction-related compensation, including continuing commissions. The employing member also may allow such person to enter into an arrangement with another registered person of the member to take over and service the person's accounts and to share transaction-related compensation based upon the business generated by such accounts. However, because such persons are inactive, they may not perform any of the functions and responsibilities performed by a registered person.

A registered person who is placed on inactive status pursuant to this paragraph (a) shall not be included within the scope of fees, if any, charged by the Exchange with respect to registered persons. In addition, a registered person who is placed on inactive status pursuant to this paragraph (a) shall not be required to complete either the Regulatory Element or Firm Element set forth in Rule 1240 during the pendency of such inactive status.

The relief provided in this paragraph (a) shall be available to a registered person who is placed on inactive status pursuant to this paragraph (a) during the period that such person remains registered with the member with which he or she was registered at the beginning of active duty in the Armed Forces of the United States, regardless of whether

the person returns to active employment with another member upon completion of his or her active duty in the Armed Forces of the United States.

The relief described in this paragraph (a) shall be provided only to a person registered with a member and only while the person remains on active military duty. Further, the member with which such person is registered shall promptly notify the Exchange in such manner as the Exchange may specify of such person's return to active employment with the member.

(b) Inactive Status of Sole Proprietorships

A member that is a sole proprietor who temporarily closes his or her business by reason of volunteering for or being called into active duty in the Armed Forces of the United States, shall be placed, after proper notification to the Exchange, on inactive status while the member remains on active military duty.

A sole proprietor member placed on inactive status as set forth in this paragraph (b) shall not be required to pay dues or assessments during the pendency of such inactive status and shall not be required to pay an admission fee upon return to active participation in the securities business.

The relief described in this paragraph (b) shall be provided only to a sole proprietor member and only while the person remains on active military duty. Further, the sole proprietor shall promptly notify the Exchange in such manner as the Exchange may specify of his or her return to active participation in the securities business.

(c) Status of Formerly Registered Persons

If a person who was formerly registered with a member volunteers for or is called into active duty in the Armed Forces of the United States at any time within two years after the date the person ceased to be registered with a member, the Exchange shall defer the lapse of registration requirements set forth in Rule 1210.08 (i.e., toll the two-year expiration period for representative and principal qualification examinations) and the lapse of the SIE (i.e., toll the four-year expiration period for the SIE). The Exchange shall defer the lapse of registration requirements and the SIE commencing on the date the person begins actively serving in the Armed Forces of the United States, provided that the Exchange is properly notified of the person's period of active military service within 90 days following his or her completion of active service or upon his or her re-registration with a member, whichever occurs first. The deferral will terminate 90 days following the person's completion of active service in the Armed Forces of the United States. Accordingly, if such person does not re-register with a member within 90 days following his or her completion of active service in the Armed Forces of the United States, the amount of time in which the person must become re-registered with a member without being subject to a representative or principal qualification examination or the SIE shall consist of the standard two-year period for representative and principal qualification examinations or the standard four-year period for the SIE, whichever is applicable, as

provided in Rule 1210.08 reduced by the period of time between the person's termination of registration and beginning of active service in the Armed Forces of the United States.

If a person placed on inactive status while serving in the Armed Forces of the United States ceases to be registered with a member, the Exchange shall defer the lapse of registration requirements set forth in Rule 1210.08 (i.e., toll the two-year expiration period for representative and principal qualification examinations) and the lapse of the SIE (i.e., toll the four-year expiration period for the SIE) during the pendency of his or her active service in the Armed Forces of the United States. The Exchange shall defer the lapse of registration requirements based on existing information in the CRD system, provided that the Exchange is properly notified of the person's period of active military service within two years following his or her completion of active service or upon his or her re-registration with a member, whichever occurs first. The deferral shall terminate 90 days following the person's completion of active service in the Armed Forces of the United States. Accordingly, if such person does not re-register with a member within 90 days following his or her completion of active service in the Armed Forces of the United States, the amount of time in which the person must become re-registered with a member without being subject to a representative or principal qualification examination or the SIE shall consist of the standard two-year period for representative and principal qualification examinations or the standard four-year period for the SIE, whichever is applicable, as provided in Rule 1210.08.

.11 Impermissible Registrations. Members shall not register or maintain the registration of any person unless consistent with the requirements of Rule 1210.

.12 Application for Registration and Jurisdiction

(a) Application for Registration

(1) Application by any person for registration with the Exchange, properly signed by the applicant, shall be made to the Exchange on Form U4 via the CRD system, and shall contain:

(A) an agreement to comply with the federal securities laws, the rules and regulations thereunder, the Exchange Rules, and all rulings, orders, directions, and decisions issued and sanctions imposed under the Exchange Rules; and

(B) such other reasonable information with respect to the applicant as the Exchange may require.

(2) The Exchange shall not approve an application for registration of any person who is not eligible to be an associated person of an Exchange member under Exchange Rules.

(3) Every application for registration filed with the Exchange shall be kept current at all times by supplementary amendments to Form U4 via the CRD system. Such amendments to the application shall be filed with the Exchange not later than 30 days after the

applicant learns of the facts or circumstances giving rise to the amendment. If such amendment involves a statutory disqualification, such amendment shall be filed not later than ten days after such disqualification occurs.

(b) Notification by Member to the Exchange and Associated Person of Termination; Amendment to Notification

(1) Following the termination of the association with an Exchange member of a person who is registered with it, such Exchange member shall, not later than 30 days after such termination, give notice of the termination of such association to the Exchange via the CRD system using Form U5, and concurrently shall provide to the person whose association has been terminated a copy of said notice as filed with the Exchange. An Exchange member that does not submit such notification and provide a copy to the person whose association has been terminated, within the time period prescribed, shall be assessed any late filing fee that is specified by Exchange Rules. Termination of registration of such person associated with an Exchange member shall not take effect so long as any complaint or action under the Exchange Rules is pending against an Exchange member and to which complaint or action such person associated with an Exchange member is also a respondent, or so long as any complaint or action is pending against such person individually under the Exchange Rules. The Exchange, however, may in its discretion declare the termination effective at any time.

(2) The Exchange member shall notify the Exchange, via the CRD system, by means of an amendment to the notice filed pursuant to paragraph (1) in the event that the Exchange member learns of facts or circumstances causing any information set forth in said notice to become inaccurate or incomplete. Such amendment shall be filed with the Exchange via the CRD system, and a copy provided to the person whose association with the Exchange member has been terminated not later than 30 days after the Exchange member learns of the facts or circumstances giving rise to the amendment.

(c) No Exchange member shall permit any person associated with the Exchange member to engage in the securities business unless the Exchange member determines that such person satisfies the qualification requirements established by the Exchange Board and is not subject to statutory disqualification.

••• Supplementary Material: -----

.01 Foreign Registrations. Persons who are in good standing as a representative with the Financial Conduct Authority in the United Kingdom or with a Canadian stock exchange or securities regulator shall be exempt from the requirement to pass the SIE.

.02 Additional Qualification Requirements for Persons Engaged in Security Futures Activities. Each person who is registered with the Exchange as a General Securities Representative, Options Representative, Registered Options Principal or General Securities Sales Supervisor shall be eligible to engage in security futures activities as a representative or principal, as applicable, provided that such individual completes a Firm Element program as set forth in Rule 1240 that addresses security futures products before such person engages in security futures activities.

.03 Members With One Registered Options Principal. A member that has one Registered Options Principal shall promptly notify the Exchange in the event such person is terminated, resigns, becomes incapacitated or is otherwise unable to perform the duties of a Registered Options Principal. Following receipt of such notification, the Exchange shall require the member to agree, in writing, to refrain from engaging in any options-related activities that would necessitate the prior or subsequent approval of a Registered Options Principal until such time as a new Registered Options Principal has been qualified. Members failing to qualify a new Registered Options Principal within two weeks following the loss of their sole Registered Options Principal, or by the earliest available date for administration of the Registered Options Principal examination, whichever is longer, shall be required to cease doing an options business; provided, however, they may effect closing transactions in options to reduce or eliminate existing open options positions in their own account as well as the accounts of their customers.

.04 Scope of General Securities Sales Supervisor Registration Category. The General Securities Sales Supervisor category is an alternate category of registration designed to lessen the qualification burdens on principals of general securities firms who supervise sales. Without this category of limited registration, such principals would be required to separately qualify pursuant to the rules of multiple exchanges. While persons may continue to separately qualify with all relevant self-regulatory organizations, the General Securities Sales Supervisor examinations permit qualification as a supervisor of sales of all securities through one registration category. Persons registered as General Securities Sales Supervisors may also qualify in any other category of principal registration. Persons who are already qualified in one or more categories of principal

registration may supervise sales activities of all securities by also qualifying as General Securities Sales Supervisors. Any person required to be registered as a principal who supervises sales activities in corporate, municipal and option securities, investment company products, variable contracts, direct participation program securities and security futures may be registered solely as a General Securities Sales Supervisor. In addition to branch office managers, other persons such as regional and national sales managers may also be registered solely as General Securities Sales Supervisors as long as they supervise only sales activities.

.05 Scope of Operations Professional Requirement. Reserved.

.06 Eliminated Registration Categories. Subject to the lapse of registration provisions in Rule 1210.08, each person who is registered with the Exchange in any capacity recognized by the Exchange immediately prior to October 1, 2018, and each person who was registered with the Exchange in such categories within two years prior to October 1, 2018, shall be eligible to maintain such registrations with the Exchange. However, if persons registered in such categories subsequently terminate such registration(s) with the Exchange and the registration remains terminated for two or more years, they shall not be eligible to re-register in such categories.

Persons registered as Order Processing Assistant Representatives shall be subject to the following conditions: (a) An Assistant Representative—Order Processing may not solicit transactions or new accounts on behalf of the member, render investment advice, make recommendations to customers regarding the appropriateness of securities transactions, or effect transactions in securities markets on behalf of the member. Persons registered in this category may not be registered concurrently in any other capacity. (b) Compensation--Members may only compensate Assistant Representatives—Order Processing on an hourly wage or salaried basis and may not in any way, directly or indirectly, relate their compensation to the number or size of transactions effected for customers. This provision shall not prohibit persons registered in this capacity from receiving bonuses or other compensation based on a member's profit sharing plan or similar arrangement. (c) Supervision--The activities of Assistant Representatives—Order Processing may only be conducted at a business location of the member that is under the direct supervision of an appropriately registered principal.

.01 Registration Requirements for Associated Persons Who Accept Customer Orders. The function of accepting customer orders is not considered a clerical or ministerial function. Each person associated with a member who accepts customer orders under any circumstances shall be registered in an appropriate registration category pursuant to Rule 1220. An associated person shall not be considered to be accepting a customer order where occasionally, when an appropriately registered person is unavailable, the associated person transcribes order details submitted by a customer and the registered person contacts the customer to confirm the order details before entering the order.

1240. Continuing Education Requirements.

This Rule prescribes requirements regarding the continuing education of specified persons subsequent to their initial registration with the Exchange. The requirements shall consist of a Regulatory Element and a Firm Element as set forth below.

(a) Regulatory Element

(1) Requirements

All covered persons shall comply with the requirement to complete the Regulatory Element.

Each covered person shall complete the Regulatory Element on the occurrence of their second registration anniversary date and every three years thereafter, or as otherwise prescribed by the Exchange. On each occasion, the Regulatory Element must be completed within 120 days after the person's registration anniversary date. A person's initial registration date, also known as the "base date," shall establish the cycle of anniversary dates for purposes of this Rule. The content of the Regulatory Element shall be appropriate to either the registered representative or principal status of the person subject to the Rule. The content of the Regulatory Element for a person designated as eligible for a waiver pursuant to Rule 1210.09 shall be determined based on the person's most recent registration status and the Regulatory Element shall be completed based on the same cycle had the person remained registered.

(2) Failure to Complete

Unless otherwise determined by the Exchange, any covered persons who have not completed the Regulatory Element within the prescribed time frames will have their registrations deemed inactive until such time as the requirements of the program have been satisfied. Any person whose registration has been deemed inactive under this Rule shall cease all activities as a registered person and is prohibited from performing any duties and functioning in any capacity requiring registration. Further, such person may not accept or solicit business or receive any compensation for the purchase or sale of securities. However, such person may receive trail or residual commissions resulting from transactions completed before the inactive status, unless the member with which such person is associated has a policy prohibiting such trail or residual commissions. A

registration that is inactive for a period of two years will be administratively terminated. A person whose registration is so terminated may reactivate the registration only by reapplying for registration and meeting the qualification requirements of the applicable provisions of Rules 1210 and 1220. The Exchange may, upon application and a showing of good cause, allow for additional time for a covered person to satisfy the program requirements. If a person designated as eligible for a waiver pursuant to Rule 1210.09 fails to complete the Regulatory Element within the prescribed time frames, the person shall no longer be eligible for such a waiver.

(3) Disciplinary Actions

Unless otherwise determined by the Exchange, a covered person other than a person designated as eligible for a waiver pursuant to Rule 1210.09 will be required to retake the Regulatory Element and satisfy all of its requirements in the event such person:

(A) is subject to any statutory disqualification as defined in Section 3(a)(39) of the Exchange Act;

(B) is subject to suspension or to the imposition of a fine of \$5,000 or more for violation of any provision of any securities law or regulation, or any agreement with or rule or standard of conduct of any securities governmental agency, securities self-regulatory organization, or as imposed by any such regulatory or self-regulatory organization in connection with a disciplinary proceeding; or

(C) is ordered as a sanction in a disciplinary action to retake the Regulatory Element by any securities governmental agency or self-regulatory organization.
