June 30, 2005

Self-Regulatory Organizations; Municipal Securities Rulemaking Board; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Regarding Technical Amendment to Rule G-37, on Political Contributions and Prohibitions on Municipal Securities Business

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 2, 2005, the Municipal Securities Rulemaking Board (“MSRB” or “Board”), filed with the Securities and Exchange Commission (“Commission” or “SEC”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the MSRB. The MSRB has filed the proposal as a “non-controversial” rule change pursuant to Section 19(b)(3)(A)(iii) of the Act,³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

The MSRB is filing with the Commission a proposed rule change consisting of a technical amendment to Rule G-37, on political contributions and prohibitions on municipal securities business. II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the MSRB included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The MSRB has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Rule G-37, on political contributions and prohibitions on municipal securities business, provides that contributions to officials of an issuer by a municipal finance professional ("MFP") of a dealer can result in the dealer being banned from municipal securities business with such issuer for a period of two years. When a person first becomes an MFP, the rule imposes a "look back" in which certain contributions made by such person prior to becoming an MFP (in addition to contributions made after becoming an MFP) can result in the imposition of the ban. The nature of such look back varies depending on the type of MFP. In the case of persons who become MFPs solely as a result of their supervisory activities or firm leadership positions within the meaning of clause (C), (D) or (E) of Rule G-37(g)(iv) ("supervisor MFPs"), the look back period established in Rule G-37(b)(iii) is limited to the six month period prior to becoming an MFP.

The MSRB has learned that some people may read the language in Rule G-37(b)(iii) literally to provide that the only contributions of supervisor MFPs that can result in a ban on business are those made during the six month look back period, and that contributions made after becoming such an MFP are excluded. This interpretation clearly was not the intent of this provision. The proposed rule change would clarify this language to ensure that those contributions made after becoming an MFP are also subject to the potential ban.

2. Statutory Basis

The MSRB believes that the proposed rule change is consistent with Section 15B(b)(2)(C) of the Act,⁵ which provides that MSRB rules shall:

be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in municipal securities, to remove impediments to and perfect the mechanism of a free and open market in municipal securities, and, in general, to protect investors and the public interest . . .

The MSRB believes that the proposed rule change clarifies the rule's intent of ensuring that the high standards and integrity of the municipal securities industry are maintained.

B. Self-Regulatory Organization's Statement on Burden on Competition

The MSRB does not believe that the proposed rule change will result in any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

⁵ 15 U.S.C. 78o-4(b)(2)(C).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

Written comments were neither solicited nor received on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not become operative for 30 days from June 2, 2005, the date on which it was filed, and the MSRB provided the Commission with written notice of its intent to file the proposed rule change at least five business days prior to the filing date, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁶ and Rule 19b-4(f)(6) thereunder.⁷

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.⁸

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

⁶ 15 U.S.C. 78s(b)(3)(A).

⁷ 17 CFR 240.19b-4(f)(6).
