Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on May 23, 2006, the National Association of Securities Dealers, Inc. (“NASD”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by NASD. On May 31, 2006, NASD filed Amendment No. 1 to the proposed rule change.<sup>3</sup> NASD has designated this proposal as establishing or changing a due, fee, or other charge imposed by NASD pursuant to Section 19(b)(3)(A)(ii) of the Act,<sup>4</sup> and Rule 19b-4(f)(2) thereunder,<sup>5</sup> which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

system processing fee for one branch office per member per year and, as specified in the proposed rule change, as amended, the annual branch office registration fee for one branch office per member per year. NASD intends to implement the proposed rule change, as amended, on July 3, 2006. The text of the proposed rule change, as amended, is available on NASD's Web site ([www.nasd.com](http://www.nasd.com)), at NASD's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change, as amended, and discussed any comments it received on the proposed rule change, as amended. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On September 30, 2005, the SEC approved NASD's proposed Uniform Branch Office Registration Form ("Form BR"), which became effective on October 31, 2005. The Form BR replaces Schedule E of the Form BD, the New York Stock Exchange LLC ("NYSE") Branch Office Application Form, and certain state branch office forms. The Form BR enables firms to register branch offices electronically with NASD, NYSE, and states that require branch registration or reporting via a single filing through the Central Registration Depository ("CRD®" or "CRD system"). Branch office registration through the CRD system creates efficiencies for firms by, among other things, making it easier for firms to register or report branch offices and to

manage their ongoing registration and/or reporting responsibilities with regard to those branch offices. In addition to being able to submit a single filing to fulfill the branch office registration requirements of NASD, NYSE, and states, firms benefit from the centralized fee collection, online work queues, electronic notifications and other features available through the CRD system. Firms are also able to link their registered persons to the physical location from which they work via the Form BR, which not only aids regulators' examination efforts, but helps firms in meeting certain recordkeeping requirements.

The purpose of the branch office system processing fee is to recover the cost to NASD of developing and implementing the Form BR, as well as ongoing branch office system maintenance and enhancements. NASD staff will monitor this fee to determine whether adjustments are appropriate and will file rule changes to modify this fee, as appropriate. The fee is \$20.00 upon the registration of a branch office and \$20.00 annually thereafter per registered branch.

NASD proposes to begin assessing the branch office system processing fee during the third quarter of 2006 for all branch offices in existence as of July 3, 2006. NASD proposes to bill firms for all branch offices in existence as of July 3, 2006 via invoices, rather than through the CRD system. For any branch office that is registered on or after July 3, 2006, NASD proposes to assess and collect the branch office system processing fee through the CRD system at such time as the firm registers that new branch office.<sup>6</sup> Starting in December 2006, all firms

---

<sup>6</sup> The CRD system will be available on July 3, 2006, for purposes of registering branch offices, but will not be available on July 4, 2006. Firms will again be able to register branch offices through the CRD system on July 5, 2006.

will be assessed \$20.00 annually for each existing branch office as part of the CRD renewal program.<sup>7</sup>

In addition, NASD proposes to waive the annual branch office registration fee (for those NASD members who have been assessed such fee pursuant to Section 4(a)(1)(i) of Schedule A to the NASD By-Laws) and the annual branch office system processing fee (for all NASD members) for one branch office per NASD member per year. The fee waiver is prospective only, and will take effect for the year 2006 on July 3, 2006, the implementation date for this proposed rule change, as amended.<sup>8</sup>

NASD has filed the proposed rule change, as amended, for immediate effectiveness. The implementation date shall be July 3, 2006.

## 2. Statutory Basis

NASD believes that the proposed rule change, as amended, is consistent with the provisions of Section 15A(b)(5) of the Act,<sup>9</sup> which requires, among other things, that NASD rules provide for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using any facility or system that NASD operates or controls. NASD believes that the proposed rule change, as amended, is designed to accomplish these ends by equitably assessing the costs of establishing and maintaining the CRD branch

---

<sup>7</sup> This proposed rule change, as amended, addresses the assessment and collection of branch office system processing fees and the waiver of both the annual branch office registration fee and the annual branch office system processing fee for one branch office per member per year only with respect to NASD member firms. The manner of assessment and collection of branch office system processing fees from firms that are solely members of other self-regulatory organizations (“SROs”) that require their members to register branch offices via the Form BR (currently, only NYSE) will be addressed by such SROs.

<sup>8</sup> Firms that have already paid their annual \$75.00 branch office fees for the year 2006 will receive a \$75.00 credit for one branch office.

office registration system.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change, as amended, will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received on the proposed rule change, as amended.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change, as amended, has become effective pursuant to Section 19(b)(3)(A)(ii)<sup>10</sup> of the Act and paragraph (f)(2) of Rule 19b-4 thereunder,<sup>11</sup> in that it establishes or changes a due, fee, or other charge applicable to NASD members. NASD intends to implement the proposed rule change, as amended, on July 3, 2006.

At any time within 60 days of the filing of the proposed rule change, as amended, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.<sup>12</sup>
