

Ref. NASL 2004 183

NASD

My license to market Variable Annuities
It has been discouraging to see how
it pleases me to comment that more
Consumers need protection - the ethics
to be desired, and the efforts of NAI
industry won't govern itself it's time
Check out the Sales of Equity Index
non-registered insurance agents, etc.
to me that they are a product that
selling them should be registered.
every little thing I do for our
it's a small price to pay to discourage
rules. Thanks for listening!

* I am a member of both NAIFA & FSP.

has been in force for almost 40 years.
this product has been marketed &
regulation, not less, is needed!
and morals of many leaves much
A* and FSP* are minimal. When an
time for government to step in!
d Annuities - being marketed by
- their very name "Equity" indicates
needs regulation and the people
I don't like to have to report
- supervisory staff, but figure
- people who won't follow the
