Re: File Number SR-NASD-2004-183, Amendment Number 2

Dear Ms. Morris,

I am a Registered Representative with Transamerica Financial Advisors and am writing to you to express my opposition to any additional requirements that may be proposed.

It appears to me that there already are sufficient guidelines and requirements in place to make the purchase of a Variable Annuity a suitable investment for the appropriate consumer. As I review the proposed Amendment, it appears that the majority of the changes are just variations of the requirements that are already in place.

My profession is already suffocating in a mountain of rules and regulations and I strongly oppose any additional obstructions to this honorable occupation.

Truly yours,

Miles M. Ono
