II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq is adding a new fee tier for orders routed to the New York Stock Exchange (“NYSE”) through the Nasdaq Market Center. The new tier recognizes that some market participants use Nasdaq as a preferred means to route orders to NYSE, but less frequently access liquidity on the Nasdaq book. Nevertheless, Nasdaq believes that offering a modest price reduction for firms that make significant use of Nasdaq as a router is appropriate in light of the overall level of fees paid by such firms. Specifically, the reduced fee would apply to members with an average daily volume in all securities during the month of more than 60 million shares of liquidity routed to the NYSE without attempting to execute in the Nasdaq Market Center in any respect. Directed Intermarket Sweep Orders would not count toward the 60 million share requirement, nor would orders that access only displayed quotes in Nasdaq prior to routing. The fee for routing to NYSE in such cases would be $0.0003 per share executed, which compares favorably to fees of $0.000325 and $0.00035 for firms that provide up to 35 million shares of liquidity through Nasdaq (but which are higher than the fee of
$0.000275 for firms providing more liquidity). Firms in the new tier would continue to pay a fee of $0.00035 for Directed Intermarket Sweep Orders and orders that access only displayed size in Nasdaq, and 0.3% of the total transaction cost for routed orders in securities priced at less than $1 per share.

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 6 of the Act, in general, and with Section 6(b)(4) of the Act, in particular, in that the provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which Nasdaq operates or controls. Nasdaq believes that the fee change reflects an allocation of fees that recognizes the preference of some market participants to use Nasdaq as their primary means of routing orders to NYSE for execution.

B. Self Regulatory Organization’s Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

---

The foregoing proposed rule change is filed pursuant to Section 19(b)(3)(A)(ii) of the Act and subparagraph (f)(2) of Rule 19b-4 thereunder because it establishes or changes a due, fee, or other charge applicable only to a member imposed by a self-regulatory organization. Accordingly, the proposal is effective upon Commission receipt of the filing. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
