Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Establish a Free Trial Period for the Use of Correlix, Inc. Data Latency Products in the NASDAQ Market Center

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 18, 2010, The NASDAQ Stock Market LLC (“NASDAQ”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by NASDAQ. NASDAQ has designated the proposed rule change as constituting a non-controversial rule change under Rule 19b-4(f)(6) under the Act,³ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASDAQ included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASDAQ has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Recently, NASDAQ entered into an agreement with Correlix to provide to users of the NASDAQ Market Center ("System") real-time analytical tools to measure the latency of orders to and from that System. The specifics of the NASDAQ/Correlix relationship are detailed in SR-NASDAQ-2010-068, a filing seeking Commission approval of the revenue sharing arrangement between the entities. The instant filing seeks Commission approval for the commencement of a free 60-day initial trial period for parties wishing to evaluate the Correlix RaceTeam offering for the NASDAQ Market Center while the Commission publishes and seeks comment on the separate revenue-sharing filing.

NASDAQ believes that the above approach will provide potential users valuable information about, and experience with, the Correlix RaceTeam product while simultaneously providing ample time for the Commission to review and seek public comment on the proposed revenue-sharing relationship between NASDAQ and Correlix.

2. Statutory Basis

NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁴ in general, and with Sections 6(b)(5) of the Act,⁵ in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. In particular, the proposed rule change will provide potential users valuable information about, and experience with, the Correlix RaceTeam product while simultaneously providing ample time for the Commission to review and seek public comment on the proposed revenue-sharing relationship between NASDAQ and Correlix.

In addition, NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁶ in general, and with Section 6(b)(4) of the Act,⁷ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which NASDAQ operates or controls. In particular, NASDAQ notes that it will offer the free trial period on a uniform and non-discriminatory basis.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASDAQ does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)⁸ of the Act and Rule 19b-4(f)(6) thereunder.⁹

NASDAQ has requested that the Commission waive the 30-day pre-operative waiting period contained in Exchange Act Rule 19b-4(f)(6)(iii).¹⁰ The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver will afford Exchange members the benefit of the proposal—the ability to evaluate the Correlix RaceTeam product for free—without unnecessary delay. For this reason, the Commission designates the proposed rule change as operative under upon filing.¹¹

⁸ 15 U.S.C. 78s(b)(3)(A).

⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹⁰ 17 CFR 240.19b-4(f)(6)(iii).

¹¹ For purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
