Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Delay the Effective Date of the TotalView and OpenView Depth-of-Book Products

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),1 and Rule 19b-4 thereunder,2 notice is hereby given that on July 21, 2017, The NASDAQ Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delay the effective date of the merger of TotalView and OpenView by 31 days, until September 1, 2017.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

---

1. **Purpose**

The purpose of this filing is to delay the effective date of the merger of TotalView and OpenView by 31 days, from August 1, 2017, until September 1, 2017.

On May 26, 2017, the Exchange filed with the Commission a proposed rule change ("Proposal") to merge the OpenView depth-of-book product into TotalView, and to amend the Exchange’s fees at Rules 7023 and 7026 to reflect the merger of these two products. The SEC published the Proposal in the *Federal Register* for notice and comment on June 8, 2017.\(^3\) The comment period expired on July 5, 2017, and no comments have been received.

The Exchange has recently been informed that certain Distributors will require additional time to modify systems and procedures to accommodate the merger of OpenView into TotalView, and the Exchange has agreed to modify the effective date of the Proposal from August 1, 2017, to September 1, 2017, to allow all Distributors an additional 31 days to prepare for the merger.

2. **Statutory Basis**

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,\(^4\) in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,\(^5\) in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility, and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. All Distributors will be able to use their current systems and procedures to obtain the products that they now purchase during

the period of delay, and such service will not be interrupted. Those Distributors that require
additional time will be able to implement the merger of OpenView into TotalView, and those
Distributors that do not require additional time will not be harmed because they will be able to
continue using their current systems and procedures to obtain the products that they purchase.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on
competition not necessary or appropriate in furtherance of the purposes of the Act. The delay
will not change the current competitive position of any Distributor because all Distributors will
be able to use their current systems and procedures to obtain the products that they purchase.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule
Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the
protection of investors or the public interest; (ii) impose any significant burden on competition;
and (iii) become operative for 30 days from the date on which it was filed, or such shorter time
as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of
the Act\(^6\) and subparagraph (f)(6) of Rule 19b-4 thereunder.\(^7\)

In its filing, Nasdaq requests that the Commission waive the 30-day operative delay so
that certain of its Distributors will have sufficient time to modify their systems and procedures to

\(^7\) 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory
organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
accommodate the merger of OpenView into TotalView. The Exchange further represents that Distributors that do not require additional time to modify their systems and procedures will not be harmed by a delayed merger of TotalView and OpenView, because they will be able to continue using their current systems and procedures. Accordingly, the Commission believes that granting a waiver of the operative delay is consistent with the protection of investors and the public interest and therefore designates the proposed rule change to be operative upon filing.8

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
