II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its 2010 Price List to modify the fees it charges for all MOC and LOC orders executed in the NYSE Closing Auction. For stocks with a per share stock price of \$1.00 or more, the fee will increase from \$0.0007 per share executed to \$0.00085 per share executed. For stocks with a per share stock price less than \$1.00 per share, the fee will change from (A) the lesser of (i) 0.3% of the total dollar value of the transaction and (ii) \$0.0007 per share executed to (B) the lesser of (i) 0.3% of the total dollar value of the transaction and (ii) \$0.00085 per share executed. The Exchange notes that The NASDAQ Stock Market LLC recently made a similar filing increasing the fee that it charges for MOC and LOC orders in its closing cross from \$0.0007 per share executed to \$0.0010 per share executed.<sup>4</sup>

These changes are intended to be effective immediately for all transactions beginning September 1, 2010.

## 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Securities Exchange Act of 1934 (the “Act”),<sup>5</sup> in general, and Section 6(b)(4) of the Act,<sup>6</sup> in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Exchange believes that the proposal does not constitute an inequitable allocation of fees, as all similarly situated member organizations will be charged the same amount and access to the Exchange’s market is offered on fair and non-discriminatory terms. Further, a competing exchange also recently implemented a similar fee change for its market participants, as described above.

### B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

### C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)<sup>7</sup> of the Act and subparagraph (f)(2) of Rule 19b-4<sup>8</sup> thereunder, because it establishes a due, fee, or other charge imposed by the NYSE.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
